**Atlantic Precision Products is a leading manufacturer of custom injection molded products to the automotive industry. As a growing and innovative company, Atlantic Precision Products provides a great opportunity for hard-working and skilled individuals. APP is looking for dedicated and passionate people to fill the following positions:**

**Material Handler:** The successful candidate will be responsible for ensuring all injection molding machines have sufficient raw material available and retrieving material within the plant to support manufacturing. You will be responsible mixing material and colorants and ensure the hoppers are properly filled. Also, to ensure FIFO procedures and material identification are maintained. Forklift experience and excellent attendance record is critical.

**Process Technician:** The successful candidate will be responsible for monitoring and troubleshooting injection molding machine processing problems; documenting process changes. You must possess the ability to operate machine controls and auxiliary

equipment (robots/pick and place) in the production department; setup production machines for production runs as needed; prepare equipment for shutdowns at end of shift or when necessary ensuring that heats and auxiliary equipment are properly adjusted.

**Shift Supervisors:** As a Plastic Injection Molding Supervisor, you will be responsible for exercising leadership, managing production responsibilities in accordance with customer requirements, provide directions to production employees while meeting safety requirements and adhering to all quality procedures (IATF). You "own" the production floor. Additionally, you will be responsible, from time-to-time, to perform many of the Process Technician roles and responsibilities as indicated above.

**Machine Operators ~ All Shifts:** The successful candidate will be responsible for operating an injection molding machine(s) to a specific cycle time and maintaining quality of parts to meet the customers' requirements. You would also be responsible for scrap, machine efficiencies, safety, product packaging and correct product labeling. Excellent attendance record is critical!

All hourly positions are based on experience.

**Monday – Friday:**

B1 – 1<sup>st</sup> Shift: 7:00am – 3:30pm  
B1 – 2<sup>nd</sup> Shift: 3:00pm – 11:30pm \*Shift Premium Included\*  
B1 – 3<sup>rd</sup> Shift: 11:00pm – 7:30am \*Shift Premium Included\*

**Monday – Thursday:**

B2 – Day Shift: 6:00am – 4:30pm  
B2 – Afternoon Shift: 4:00pm – 2:30am \*Shift Premium Included\*
