A SUBJECT THAT IS OFTEN TOO DIFFICULT TO TALK ABOUT MAKES FOR GOOD READING.

ANSWERS TO YOUR PREPLANNING QUESTIONS

Families in our community have turned to Woodlawn Cemetery with their cremation and burial needs for over 150 years – and continue to count on us today.

We've been receiving many calls asking about our services – including viewing available property online and scheduling “virtual meetings” – and we have answers. Our family service associates are here for you, ready to address your questions in both English and Spanish. We're also available to help you put your cemetery preferences in writing. This free service alleviates stress and provides peace of mind for you and your family.

Making these important decisions now is one of the most thoughtful gifts you can give to the people you love most.

FREE LIVING WILL KIT

When families ask us how they can prepare during these unprecedented times, our first response is to talk about our free Living Will Kit. This contains all the information you need to help you understand and complete a Living Will, along with details about other health care advance directives.

Our family service associates are available to answer your questions by phone or virtually.

BRONX SAFE DISPOSAL EVENT

The very popular Bronx Safe Disposal Event is returning on Saturday, May 14 from 10AM to 4PM. You can dispose of automotive and household products, electronics, and medical items. You must register by visiting the web link: on.nyc.gov/SAFE-BX. If you need help registering, please do not hesitate to contact our office at (718) 892-1161.

PROTECTING YOUR PROPERTY

According to precinct crime statistics, our communities of Throggs Neck, Country Club, Morris Park and Pelham Bay often see instances of grand larceny auto. Many private properties have surveillance camera systems on doors and windows. Be sure to check camera footage weekly or a couple of times a week to ensure your family and tenant's safety. Remove all valuable personal belongings from your car. Always lock the doors behind you. Never leave the engine running. The 45th and 49th Precincts have crime prevention programs and guidelines on how to protect your personal property – particularly your vehicle. Feel free to pay a visit to your respective precinct for more information.

CIVIL SERVICE EXAMS OPEN TO THE PUBLIC

I urge all to be mindful of the NYC Department of Citywide Administrative Services website about municipal employment opportunities. As you know, some jobs require an examination that is often open to the public. Employment opportunities such as being a police officer, school safety agent, traffic enforcement agent or a child protective specialist require an examination. I understand that most employment opportunities, if not all, are mostly applied for through the Internet. Therefore, I am making my office available to help any person interested in learning more about the application process in hopes of having the applicant land stable employment with the City of New York. If you wish to view upcoming examinations, please visit <https://www1.nyc.gov/site/dcas/employment/how-can-you-find-upcoming-exams.page>.
