\* For moister and softer cookies, use honey as a substitute for a third of the sugar in your cookie recipe.

\* And speaking of honey, did you know it has antibacterial properties? Yep! Try rubbing a bit of it over a small cut for faster, more natural healing.

\* "Keep venetian blinds from sticking to one another and discourage dust by rubbing them down individually with a sheet of fabric softener. This effect will last at least a month, in my experience." -- S.F. in Alabama

\* "Have a headache? Try drinking a couple of glasses of a sports drink. This works for my friends and me. Maybe we just need to be drinking more water, but the sports drinks get us back on track more quickly than medicine most times." -- E.L. in Colorado

\* "This time-tested tip will keep your houseplants in the green while you're away from home: Set plants in the bathtub in an inch or less of water. If your flowerpot does not have drain holes, get a short length of cotton rope and feed it from the topsoil to the tub. This will keep plants alive and thriving for a week or more." -- D.R. in Florida

\* "Having a hard time cutting out soda? Try this: Every time you reach for a glass of soda, drink a full cup of water first. You will find that your thirst is sated better, and you are not as "thirsty" for that sugar water!" -- F.E. in South Carolina

**ARIES** (March 21 to April 19) Be careful about doing someone a favor when you don't know the full story behind the request. Don't rely on someone's unsubstantiated assurances. Insist on all the facts before you act.

**TAURUS** (April 20 to May 20) That workplace problem still needs your attention before you finally can close the book on it. Meanwhile, a long-anticipated reunion gets closer to becoming a happy reality.

**GEMINI** (May 21 to June 20) You might be demanding more from others than they can give. Best advice: Have a long and frank talk to determine what the facts are. Tensions should abate as the week winds down.

**CANCER** (June 21 to July 22) Aspects are favorable throughout this week for making contacts that could be important to your career plans. Meanwhile, an old friend offers the advice you're seeking.

**LEO** (July 23 to August 22) It's time to stop licking your wounds from past mistakes. Get up and get going toward your future. Loyal friends will be there to help the Lion get back into rip-roaring shape.

**VIRGO** (August 23 to September 22) Take time out to go over what's expected of you before you begin your new project. Otherwise, you run the risk of pushing yourself harder than you need to.

**LIBRA** (September 23 to October 22) An unusual request could put you in an awkward position. Best advice: Deal with it immediately. The longer you delay, the more difficult it will be to get out of it.

**SCORPIO** (October 23 to November 21) You should feel recharged and ready for whatever your workaday world holds for you. The same positive energy spills over into your personal relationships.

**SAGITTARIUS** (November 22 to December 21) A prospect might be less than it appears to be. Like the Archer in your sign, you always aim for the truth. And this is no time to settle for less than full disclosure.

**CAPRICORN** (December 22 to January 19) Start doing some serious thinking about a career move that could entail more than just changing job sites. Some lifestyle changes also might be involved.

**AQUARIUS** (January 20 to February 18) With tensions easing at the workplace, a more positive environment once again encourages the free flow of ideas so typical of the always-innovative Aquarian.

**PISCES** (February 19 to March 20) Show some of that usually hidden steel-strong Piscean backbone, and stand up for yourself if you hope to make a case for that promotion you know you deserve.

**BORN THIS WEEK:** You enjoy doing new things and staying ahead of the crowd. You would make a fine sports coach or military leader.

Although the City of Danville does not have an ordinance that prohibits cats from roaming, and Pittsylvania does not have an ordinance that prohibits dogs from roaming, except in certain areas, there are ordinances that offer some degree of protection from behaviors that would affect the quality of life for humans.

Both the City and the County prohibit female dogs in heat to roam. In fact, the ordinances are very specific about how the female dogs must be confined. In Pittsylvania County, the tethering of a female dog in heat "not under the direct supervision and control of the owner or custodian shall not be considered adequate confinement." (Section 2-23) Dogs in heat must be safely confined in a building or secure enclosure that would prohibit them from roaming at large.

The City Code requires that "the owner of a female dog that is in heat shall securely confine such dog to his premises in such manner as to prevent any annoyance of the neighborhood." (Section 5-41)

Although cats should not be allowed to roam for safety reasons, it is not illegal for them to do so. However, in Pittsylvania County, cats must be vaccinated against rabies or they can be impounded. In Danville, cats, of course, must also be vaccinated against rabies, but the law specifically addresses nuisance cats. In other words, cats that are allowed to roam are still allowed to affect the quality of life in a neighborhood. They cannot "unreasonably annoy humans, endanger the life or health of other animals or persons, or substantially interfere with the rights of citizens, other than their owners, to enjoyment of life or property." (Section 5-37)

Female cats in heat cannot roam in Danville. This is an ordinance that could have far-reaching effects if owners obeyed the law.

Destructive and noisy animals are also prohibited in the Danville Code.

These little-known ordinances are in place to protect the quality of life for humans. Even people who love animals without question or bounds can get upset if other peoples' animals become a nuisance.

## Laidback Golf Tour held it's 2022 Season Opener

Twenty-six golfers took advantage of the clear skies and seventy-degree weather to begin the Laidback Golf Tour's eighth season opener held at Crooked Tree Golf Club in Brown Summit, NC. Monday March 21st. The group carded one Hole-in-One, one eagle, and fifteen birdies on the challenging layout. New Tour member Gary Taylor led all scoring with his round of 78. Another new member Tony Henderson from Reidsville, NC proudly carded his first ever Hole-in-One on the seventh hole which is a 157-yard uphill par 3. He used a 5 wood for the shot which went in the hole without the group being able to see it due to the incline. His playing group consisted of Fran Hensley, Gary Taylor, and Mark Donaldson. The shot earned Tony an extra \$100 to his winnings. It was only the third Hole-in-One which had been made during a Tour event since the Tour began in 2014. The Tour's next tournament is scheduled for Thursday April 7th at Danville Golf Club beginning at 10am. Entry fee is \$70 for Tour members and yearly Tour memberships are \$40. Registration is required by April 1st and can be made by emailing [golftripman@yahoo.com](mailto:golftripman@yahoo.com).

**HOLLYWOOD**  
*by Tony Rizzo*

Gage Skidmore/Wikipedia  
**Steven Spielberg**

**HOLLYWOOD** — We recently told you how Anthony Ramos fulfilled his rising star predictions. Now, another "Hamilton" castmember will not only rise to the occasion, but win an Oscar in the process. Ariana DeBose earned a lion's share of the reviews as Anita in "West Side Story," but when she won the Screen Actors Guild best supporting actress award, it made her the frontrunner to win an Oscar.

A Broadway vet of "Summer: The Donna Summer Musical" (as Disco Donna) and the streaming musicals "The Prom" and "Schmigadoon!," she's already completed the \$22 million sci-fi thriller "I.S.S.," with Chris Messina, filmed in her native North Carolina. DeBose is working on the Apple+ spy film "Argylle," starring Bryce Dallas Howard, Henry Cavill, Samuel L. Jackson, John Cena, Catherine O'Hara, Sam Rockwell and Bryan Cranston, and next heads to the Spider-Man Universe for "Kraven the Hunter," starring Aaron Taylor-Johnson and Russell Crowe, due Jan. 13.

\*\*\*

Ever-busy Steven Spielberg has completed directing his 36th film, "The Fabelmans," that he wrote with his "West Side Story" screen collaborator Tony Kushner. It's a semi-autobiography based on Spielberg's childhood in Arizona. The film stars Michelle Williams, Seth Rogen and Paul Dano, and opens at Thanksgiving. Spielberg will next direct a new film based on Steve McQueen's character in "Bullitt." In acquiring the rights from McQueen's estate, he took on McQueen's actor son Chad and granddaughter Molly as exec producers.

Sidebar: It was at the premiere screening of "Bullitt" on Sunset Boulevard in 1968 that I was assaulted by Elliot Gould in the presence of his then-wife, Barbra Streisand. Three years later we had our day in court. When it was over, I'd won two judgments against Gould for battery (the only media person to ever win a lawsuit against a major star for battery)

with a substantial cash judgment. Elliot and I have since made up, but that's another story!

Lindsey Lohan made her film debut at age 12 in "The Parent Trap," followed by "Freaky Friday" at 17 and "Mean Girls" at 18. Now after more than a decade out of the spotlight, she's making a comeback at age 35 thanks to Netflix and its holiday rom-com "Falling for Christmas," set for December release.

Lohan plays a spoiled heiress suffering from amnesia after a skiing accident who is nursed back to health by a blue-collar lodge owner (Chord Overstreet, who of course has a daughter but no wife. Shades of any Hallmark Channel rom-com. The film was written and produced by former "The Young and the Restless" star Michael Damian (Danny Romalotti) and his wife, Janeen Damian, daughter of "Dukes of Hazzard" star James Best, who also directed. Lindsey's had more second chances than a cat with nine lives.

**Name That Baby**

A pregnant woman from Washington, D.C., (whose husband was out of the country) gets in a car accident and is knocked unconscious.

When she wakes up 3 days later she sees that she is no longer pregnant and frantically asks the doctor about her baby.

The doctor replies, "Ma'am you had twins! - a boy and a girl. We couldn't reach your husband and since your brother was the first one here the day they were born we let him name them for you."

The woman thinks to herself, "No, not my brother ... he's not very bright!"

She asks the doctor, "Well, what's the girl's name?"

"Denise."

"Wow, that's not a bad name, I like it! What's the boy's name?"

"Denephew."

**Succotash Salad**

**INGREDIENTS**

- Kosher salt
- 2 cups green beans
- 1 10-ounce package frozen lima beans, thawed
- 3 cups corn kernels (from about 4 ears)
- 1 small avocado, pitted, peeled and cut into chunks
- 1 cup grape tomatoes, halved
- 1/4 cup minced red onion
- 1 jalapeno pepper, seeded and minced
- 10 basil leaves, thinly sliced
- 1/3 cup extra-virgin olive oil
- 3 tablespoons red wine vinegar
- 1 teaspoon honey
- Freshly ground pepper

**Directions**

Bring a medium pot of salted water to a boil. Add the green beans and lima beans and cook until the green beans are bright green and the lima beans have softened slightly, 3 to 5 minutes. Drain and rinse under cold running water to cool. Cut the green beans into 1-inch pieces. In a large bowl, combine the green beans, lima beans, corn, avocado, tomatoes, onion, jalapeno and basil. In a separate bowl, whisk the olive oil, vinegar, honey, 1 teaspoon salt and 1/2 teaspoon pepper. Add the vinaigrette to the salad and toss to coat.
