KINETICO WATER SYSTEMS

At Kinetico, we pride ourselves on providing the best service, both before and after the installation of a Kinetico water softener, filter or drinking water system. If you are having a problem with your water treatment equipment, even if it's not a Kinetico system, we can fix it. Our experienced technicians are familiar with and have repaired just about all water treatment brands and products out there, so we can assist you even if you don't currently own a Kinetico system.

Our services include:

- Residential and Commercial Water Treatment Sales and Service
- Water Softener Resin Cleaning
- Water Softener Carbon or Chloroban Media Rebed
- Drinking Water System Sanitization
- General Maintenance Sanitization (Quarterly service agreement for salt delivery and filter changes)
- Salt Delivery
- Filter Change

5 Steps to Prep Your Yard for Spring

(Family Features) When spring arrives, days of enjoying your outdoor living space aren't far away. Getting your yard ready for months of outdoor enjoyment will take a little work, but you'll quickly see and appreciate the results.

These five steps can have you on your way to a lush, healthy lawn and outdoor area in no time.

1. DETHATCH

Throughout the winter, dead grass and other debris accumulate on your lawn. This waste, known as thatch, can be quite a hindrance to your spring lawn. It promotes fungi, en-

courages pests and keeps new grass seed from sprouting. You can use a special dethatching rake or any rake with sturdy tines.

2. AERATE

Before spreading grass seed, you'll want to give the new roots room to spread and grow. Aerating the lawn helps make your soil more welcoming to new growth by allowing moisture, nutrients and air to sink deeper into the soil. Depending on the size of area you need to aerate, two of the easiest options are doing the job by hand or using an attachment on a

Common Spring Pests in NEO

ANTS

In our region, mostly during the springtime, carpenter and pavement ants can become quite active. Some are just a nuisance, but carpenter ants for example, can begin to cause structural damage to your property. This occurs when they use wood in your home to build their galleries. Although carpenter ants do not eat wood the destruction they can create is due to this behavior.

- Flea prevention begins with sound advice from your pet's veterinarian, vacuuming daily, steam cleaning your carpets and discarding old pet bedding among a few. However, if you think you have an infestation already in progress, calling a professional pest provider is in your family's best interest. A qualified pest control provider can treat the entire life cycle of fleas to completely eradicate them from your home.

We know that no two homes and no two pest problems are one in the same, which is why *Endeavor Pest* can develop a plan to suit your specific pest situation by giving you a FREE HOME INSPECTION. Not everyone needs an exterminator. Many problems can be solved by the homeowner at a lower cost. However if you find yourself in need of a professional (especially bed bugs and stinging insects) please consider *Endeavor Pest Management*. If you have any questions please don't hesitate to call. It doesn't cost anything for answering questions, trying to help or being nice!

SPECIAL

Special yellow jacket, wasp and hornet service -- one time application in May or June that covers your home until 11/1/22. If you incur nesting or intrusive activity, I will re-treat at no additional charge.

Most homes \$125-175+ tax.

does not cover bumble, honey or carpenter bees

Give us a call at 440-487-8104 or visit us at endeavorpestmgmt.com for more information and a more comprehensive list of services.

SIGNS OF ANT PROBLEM

Ants forage into your home looking for food and moisture, this is often why are you find them in kitchens, dining room and bathrooms. Some tell-tale signs that you have an ant problem:

- Groupings or trails of ants in one location
- Sounds within your walls of ants working
- Frass (displaced wood and excrement)
- Ants with wings (swarmers)

WASPS AND HORNETS

- Social wasps such as paper wasps, yellow jackets and bald-faced hornets have colonies that are built to serve their queen. Paper wasp and hornet nests can be found in trees, shrubs, underside of overhangs, attics and walls. Yellow jackets are more often found nesting in the ground, logs and border timbers.
- When nests are disturbed or threatened, a warning signal is sent out to all members not presently in the nest. This causes them to immediately return to the nest, thus putting anyone in that area in danger. That is why it is recommended to hire a professional pest control provider.

FLEAS

- As much as we love to have pets like cats and dogs in our homes, it's expected that at some point we may see fleas. These tiny pests feed off of animals as well as humans, and because they sometimes live on other wildlife such as skunks and raccoons they can easily transmit diseases from infected animals.

Joughin Hardware repairs a wide variety of local homeowner's window screens, screen doors, and glass windows or picture frames. Our expert window screen and glass window repairmen can have your window screen or glass window fixed and looking new. Call or come in for pricing.

TIPS FOR CHOOSING CARPET!

Since carpet is such an important decision and permanent choice to make, here are a few tips to help you in your decision:

Consider the way you live - if you have an active family and pets then look for a hardwearing carpet in a forgiving color. If you're a couple looking for a touch of luxury, you might opt for a plush pile in a flat color.

Familiarize yourself with how color effects a room - darker colors help make a room appear homier. Lighter colors make a room appear larger. One popular option is to choose a carpet that combines two colors in a subtle blend.

Padding is important - don't try to save a few dollars by going with less expensive padding. Carpeting relies on a layer of padding for support, strength and some extra cushion-

ing. You might not be able to see the padding, but you'll definitely spot the extra wear and tear on your new carpet if you pick an inadequate padding material. It's also important to match the padding to the type of carpet you plan to use.

Consider your preferred fiber type - carpets are available in a wide variety of fibers and mixes. No one fiber is perfect for all situations, but try to think about factors such as fade resistance, traffic, moisture exposure, lifetime, feel, and budget.

Or - just ask us! Carpet & Flooring Mill Outlet in Willoughby is one of the largest stocking carpet & flooring stores in Ohio and our knowledgeable staff is ready to assist you with all of your flooring needs! We are proud to bring wholesale flooring buying power to the pub-

SEE PAGE 7

PREP YOUR YARD FROM PAGE 2

riding lawn mower.

3. PRUNE

The lawn isn't the only place debris can pile up. Your flower beds and any other vegetation can become a holding ground for twigs, branches, leaves and other yard waste. Give your plants, shrubs and trees a close look to find broken, damaged or dead material and remove it to make way for new growth.

4. WEED

Even the healthiest lawns are susceptible to weeds, but getting a jump start on weeding early in the season can help you keep control. You can manage weeds by treating with an herbicide before the sprout or, if you prefer, there are chemical-free

alternatives like vinegar, salt or cornmeal. Be aware that many alternative products don't distinguish between the vegetation you want (like grass) and weeds, so these remedies are best used along borders and within beds to discourage weed growth.

5. SEED

Winter weather and wear can cause uneven patches in the lawn. Seeding in the spring requires more work than the fall (especially if you tend to have hot, dry summers), but with enough nurturing and regular water, you can fill those spots in for a more uniform lawn.

Visit eLivingtoday.com for more advice to make your outdoor living space spectacular.

Improve Wellness with Affordable Bathroom Upgrades

(Family Features) Wellness is at the forefront of nearly everyone's mind, including keeping germs at bay and creating surroundings that promote mental and physical health. Even small, but important, spaces like the bathroom can benefit from changes with wellness in mind.

A bathroom can be one of the easiest rooms in your home to give a little extra TLC toward creating a healthier lifestyle. These cost-effective measures can turn your bathroom into a more practical, functional space that promotes your well-being.

SWITCH UP SURFACES

The countertops in your bathroom, much like the flooring, must be able to withstand a lot of water. Nonporous vanity tops, such as those made from quartz, hold up to being wet constantly and can help keep germs from breeding. In addition to being easy to clean, a solid-surface option like quartz never needs to be sealed or polished, making it an aesthetically pleasing, long-lasting option.

CLEAN GREEN

Bathrooms are often hot and steamy places, and water vapors in the air can carry potentially harmful chemicals from cleaning products. Green cleaning products are made to control the spread of bacteria and viruses using safe and effective means. Not only are they helpful in preventing asthma attacks and other respiratory ailments, but they are a low-cost way to improve overall indoor air quality.

What you use to clean yourself is just as important. Using green or organic personal care items can help reduce toxin exposure and lessen the likelihood of an allergic reaction.

REDUCE HUMIDITY

All that steam can affect your health in other ways, too, since it creates a humid environment that encourages mold and mildew. A heated towel rack is an inexpensive way to add a touch of luxury to your space while generating heat that helps reduce humidity and the

growth of mold and mildew, therefore benefitting indoor air quality.

Heated towel racks like those from Amba Products come in a variety of finishes and styles to coordinate with your decor. For modest accommodations, the Radiant Small is a space-saving choice, and freestanding models are available if wall space is at a premium. Another advantage: Since the racks dry towels, they'll stay mildew-free longer and don't need to be washed as often, which helps save valuable natural resources.

ENHANCE AIR QUALITY

Creating a green, spa-like oasis with plants can bring wellness benefits that don't break the bank. Indoor plants help rid the environment of pollutants, and the energy and ambiance they add may have mental health benefits, too. Plants like mother-in-law's tongue or peace lily are popular options to incorporate as natural air purifiers.

EXPLORE COLOR

A bathroom's color palette can also play a role in your wellness goals. Warmer shades like red and orange enhance energy while cooler colors like green and blue can be calming.

Begin planning bathroom upgrades that improve your health and well-being with more tips and ideas at ambaproducts.com.

AFFORDABLE ROLL-OFF

At Affordable Roll-Off, we take pride in providing the easiest dumpster rental process the Northeast, Ohio market has to offer. Our free consultation will allow us to sort through our massive selection of dumpsters and find the perfect one for you. Of course, you can also expect us to appear in a prompt fashion as anything less is inexcusable. Even though we offer such a high degree of customer care in Cuyahoga, Geauga, Lake and Ashtabula counties, we are still able to offer the most competitive pricing and the fastest delivery times. Get in touch with us today if you are ready for us to have a dumpster sent to your home or business in Northeast Ohio.

Whether you are a contractor, a roofer, a construction company or homeowner with a project, we can provide the highest quality service to you and your project.

Take a Look at Northeast Ohio Satellite and Internet

Today we are featuring Northeast Ohio Satellite operated by Ron Gregg, who has been serving Ohio and Geauga county for over 40 years with DirecTV, Dish Network, ATT cell phones and T-MOBILE internet. Ron started the business to provide customers with an alternative to cable television and to serve rural areas where there was no access to cable television or Internet and serves such local businesses as The Cowboy, Zepbies, Auburn Inn, Kuhnle trucking, Cleats, Cleveland CAVS, NASA, the Browns and thousands of houses and small businesses. He pioneered the first small dish satellite system in Ohio in 1994 and installed the first Digital dish in the United States in 1986, for which he was featured in Time Magazine.

His company is best known for quality local installations and service, and he feels passionate about providing quality service at a value to his customers.

However, in addition to satellite services, Northeast Ohio Satellite also sells and installs ring doorbells, google nest, 4k Smart TV, internet from T-MOBILE, AT&T, & VERIZON. Northeast Ohio Satellite also can provide internet to

any home in the country, Hughes Net for your RV, truck, campers or homes with long driveways and poor internet or cell service.

What distinguishes Northeast Ohio Satellite apart from other businesses in this field is prompt "Local" service, experience, and Ron's dedication to treating every installation as if it were being done in his own home.

They provide DirecTV, Dish Network, Hughes Net Internet satellite tv along with 4/8k tv, they remove old dishes, hide new Dishes to preserve the esthetics of the home or business and provide dish heaters for customers in snow areas.

What are you waiting for? Call Northeast Ohio Satellite and start saving money over Cable tv/Windstream or Spectrum at 330-801-7200. Remember! We can install DirecTV with no dish needed. Most sports bars, stadiums and thousands of businesses nationwide along with 40 million homes have satellite tv. It is all about expert installations and service from a Local company for a quality experience from Northeast Ohio Satellite. 330-801-7200.

THOMAS FENCE in business for more than 40 years

We are a family owned and operated company, in business for more than 40 years. Our commitment is to provide homeowners and business owners superior quality products.

At Thomas Fence, we design, build and install a full line of fencing products for residential, commercial and industrial applications. We are fully insured and bonded, and our employees perform every aspect of work for our company. We do not use subcontractors, so you know you are getting the quality of workmanship that comes with years of hands-on experience and training.

Call us for wood, vinyl, aluminum, and chain link fencing. We handle all details and have a variety of material, color, style and accessory choices. We also operate our own welding and fabrication shop for manufacture of swing gates, cantilever gates, overhead slide gates, as

well as custom dog kennels.

From contractor to DIYer, we can supply quality materials and our professionals are available to provide expert advice for any project. We serve Lake, Geauga, Ashtabula, Trumbull, Mahoning, Portage, Stark and Cuyahoga counties in Ohio, as well as clients across northern Pennsylvania. Call today at 440-998-4747 so we can help keep your county beautiful!

Raymond Builders Supply

If you're building a new home or garage, remodeling, landscaping, building landscape walls or installing a new patio, please visit Raymond Builders Supply.

HISTORY - Raymond Builders Supply has been serving Northeast Ohio for almost seven decades. Since its modest beginnings as a cut stone dealer in 1947, Raymonds soon expanded to include brick, block and other masonry specialty items.

Now, many decades later, Raymonds has the largest brick selection in Northeast Ohio. We also stock hundreds of other items including block, cultured stone, landscape stone, pavers, retaining walls, steel products, pipe, cement, mortar, flue liners, fire brick, gas and wood burning fireplaces, gravel, sand, tools, and many more.

Thank you to our loyal customers for enabling us to be so successful over the years. Please visit our beau-

tiful brick and stone showroom as well as our outdoor paver and retaining wall display.

SUPERIOR SERVICE - We have built our business over the years based on our outstanding reputation of customer service. We employ a very knowledgeable and professional sales staff as well as expert delivery personnel. Our office staff is here to assist you with any questions regarding your new home or project. Our skilled delivery personnel have the ability to place your material in the most convenient place possible at your job site. With the contractor and homeowners needs in mind, Raymond Builders Supply is constantly changing and growing in order to provide the highest quality of customer service to you, our most valuable asset.

Located at 4680 N. Ridge Rd. E., Geneva, Ohio, 440-466-4470

Western Reserve Community Development

Our Mission - WRDCDC enhances the quality of life and promotes self-sufficiency for individuals, families & neighborhoods by providing transitional affordable housing, permanent affordable housing, and affordable and market rate housing rehabilitation in a caring and supportive environment.

Our Vision - The vision of Western Reserve Community Development Corporation is to breathe new life into communities by renovating the homes of low-income clients; eliminating blighted vacancy by acquiring and rehabilitating residential and commercial properties; WRDCDC will also create new and innovative affordable housing solutions; and provide a "New Directions for Living" transitional affordable housing program for victims of domestic violence, the homeless, and those recovering from substance abuse. *Contact us at 440-357-4400*

Solid and Engineered Wood Flooring Hardwood Flooring. Lifelong Beauty

Established in 1982, Sheoga Hardwood Flooring and Paneling is a proven leader in manufacturing consistent, quality solid and engineered hardwood flooring and paneling. Our recognition has been achieved, and is being retained today, by our entrusted team of local craftsmen engaged to produce the finest quality American-made flooring and paneling available.

Call us today at 800-834-1180 or locally 440-834-1710!

We guarantee high-quality flooring, precision milling and courteous service.

Sheoga is honored to work with the Gary Sinise Foundation who provides specially-adapted smart homes for catastrophically injured combat warriors and first responders.

GTZC Landscape & Construction

GTZC Landscape & Construction is family owned and operated. For the past 32 years we have been working in the lawn and property maintenance business in addition to the construction of patios, walkways, steps, retaining walls and fire pits.

Customer satisfaction is a top priority for GTZL Landscaping. We are committed to working tirelessly to insure our customers receive the highest quality service. With pride and integrity, we will maintain your property to meet or exceed your expectations.

We relish the challenge and opportunity of utilizing our years of knowledge and experience in creating your dream landscape, a yard to be proud of and enjoy for years to come. We look forward to hearing from you and discussing your yard maintenance program or a new project you may be contemplating. Contact us at 440-867-5692 or check out our website at www.gtzc.com Jose Gutierrez - CEO

LAKE CARPET AND MATTRESS

is a family owned business and has been in operation since 1994. When you shop at Lake Carpet and Mattress you can expect to be treated with integrity and respect.

We offer top quality carpet, mattresses and hard flooring options at affordable prices.

We also offer delivery and installation of ALL products as well as FREE estimates and FREE measurements on all carpets.

Stop in at 6656 N. Ridge Rd., Madison, Ohio or call us at 440-428-1400 for more information.

WELCOME TO JOUGHIN HARDWARE

A local landmark! In business since 1877 but not too old-fashioned to provide for your current hardware needs, we are a complete hardware store that provides the best in customer service.

Welcome to our store located at 23 S State Street in Painesville.
