BRONX SAFE DISPOSAL EVENT

The very popular Bronx Safe Disposal Event is returning on Saturday, May 14 from 10AM to 4PM. You can dispose of automotive and household products, electronics, and medical items. You must register by visiting the web link: on.nyc.gov/SAFE-BX. If you need help registering, please do not hesitate to contact our office at (718) 892-1161.

PUBLIC LIBRARIES

Many of our area's public libraries hold computer and literacy classes, play movies, have games for children, and most importantly, many books and periodicals for us to read at our leisure. Please visit one and visit as often as possible. Supporting our local libraries proves to the City of New York that it needs more resources and that it should be opened to the public for additional hours. Please take the time out of your day to visit your nearest library and thank its staff members for their dedication to public service. For events, please visit <https://www.nypl.org/events>.

SCAM CALLS/ PERSONAL PROPERTY

I often hear of gut-wrenching stories of "scam" phone calls that deceive people into giving out their personal banking information. If you have a mobile phone, please contact your carrier's customer service to see if you can be placed on a Do Not Call Registry. This will help to ensure that you receive less calls from unscrupulous actors seeking to harm you. Our advice is to never answer a phone call where you do not recognize the number. If it is important, someone will leave you a voicemail. No banking or government institution will ask you for money over the phone. Additionally, please be mindful to never leave your car running with the key in the ignition. Valuables can be stolen. Police precincts are available to you to offer advice on how to protect your personal property such as your vehicle. There are countless examples of this issue throughout our community.

A SUBJECT THAT IS OFTEN TOO DIFFICULT TO TALK ABOUT MAKES FOR GOOD READING.

ANSWERS TO YOUR PREPLANNING QUESTIONS

Families in our community have turned to Woodlawn Cemetery with their cremation and burial needs for over 150 years – and continue to count on us today.

We've been receiving many calls asking about our services – including viewing available property online and scheduling "virtual meetings" – and we have answers. Our family service associates are here for you, ready to address your questions in both English and Spanish. We're also available to help you put your cemetery preferences in writing. This free service alleviates stress and provides peace of mind for you and your family.

Making these important decisions now is one of the most thoughtful gifts you can give to the people you love most.

FREE LIVING WILL KIT

When families ask us how they can prepare during these unprecedented times, our first response is to talk about our free Living Will Kit. This contains all the information you need to help you understand and complete a Living Will, along with details about other health care advance directives.

Our family service associates are available to answer your questions by phone or virtually.
