LORAIN COUNTY MEDICAL SCHOLARSHIPS

The Lorain County Medical Scholarship Foundation was developed in 1963 for the purpose of establishing a fund to assist Lorain County students who were preparing for a career in the health or medical allied fields. The concept of a Scholarship Foundation grew out of the Lorain County Society's deep interest in the general health and well being of the residents of Lorain County. The members of the Medical Society wanted to ensure a sufficient number of properly trained and qualified persons to adequately serve the needs of the County.

HISTORY OF ESTABLISHED SCHOLARSHIPS:

The Scholarship Foundation has been the beneficiary of many gifts made in memory of beloved family members or well respected colleagues of the medical community. The Scholarship Foundation includes eleven separate funds plus the General Fund, all of which are earmarked for scholarship grants to Lorain County residents.
