Obituaries

A Mass of Christian Burial for Bob Mulhern, age 78, of Milford, will be held Wednesday, April 6, 2022, at 10:30am, at St. Joseph Catholic Church in Milford. Burial will be at Calvary Cemetery. Visitation will be on Tuesday, April 5, after 3:00pm, with the family present from 5:00-7:00pm, at Turner Jenness Funeral Home in Milford. There will be a Knights of Columbus Rosary Service at 6:30pm.

Robert, "Bob" Mulhern, a loving Husband, Father, Grandfather, Brother and Son was born July 23, 1943, to Stella and Dale Mulhern, in Sheldon, Iowa.

Bob enjoyed growing up on the family farm in Sheldon, Iowa, attending a small country schoolhouse and graduating from Sheldon High School. After graduation he attended Iowa State University studying Agriculture. He was called home early when his father became ill and passed.

During the summer of 1962, he met the love of his life, Marilyn "Mari" Schoo, in Ashton, Iowa, at a local drive-in. An unexpected car ride home led to a first date. They were united in marriage on August 21, 1965. After newly married, Bob became a member of the Air National Guard/Tactical Air Command as a radar maintenance technician. Bob was stationed in Biloxi, Mississippi, which was where they welcomed their first child Matthew.

After serving in the National Guard, in 1967, they moved their young family back to Iowa where he worked in the grocery business in both Storm Lake and Cherokee. Soon after, they welcomed daughter Teresa followed by Jeffrey and Scott. Changing careers, he began working for Prudential Insurance, moving to Spencer, Iowa, in 1972, and welcoming their 5th, child Melissa.

In 1976, he decided to get back in the grocery store business opening a new store in Spirit Lake, Iowa. It was in Spirit Lake that their family grew with the blessed additions of Jennifer, Kelly and Mark.

Finally in 1993, his life-long dream of farming became a reality with a purchase of a farm in Milford, Iowa. It was there that Bob and Mari resided and enjoyed the peaceful country life to this day.

You could always find Bob enjoying a good card game, visiting with anyone who entertained his endless jokes, fishing with his sons and grandsons, picnics, traveling to wherever with Mari, attending sporting events, especially his grandchildren's, and of course, being with his kids no matter what. He made the BEST popcorn and always had a "Coke" waiting for you!

Left to cherish in his memory are his wife of 56 years, Mari; children, Teresa (Phil) Miklo, Jeff (Karma) Mulhern, Scott Mulhern, Missy (Kevin) Brown, Jenny (Michael) Johannsen, Kelly (Sami) Mulhern, Mark Mulhern, and daughter-in-law Amy Mulhern; grandchildren, Regan (Mark) Norland, Nathan Miklo (Shaelyn Adams), Joshua, Katelynn and Karter Mulhern, Molly and Mitchel Mulhern, Ashley, Morgan and Autumn Brown, Rylee Johannsen, Elinor and Hudson Mulhern, Mackenzie Mulhern (Michael Holmes) and her sister Madeline Mulhern; step-grandchildren Brittany (Kiefer) TeGrootenhuis, and Brandon (Courtney) Johannsen and sister Janene (Norman) Freking.

Bob was preceded in death by his son Matthew, granddaughter Meredith, parents Stella and Dale Mulhern, in-laws Joe and Pauline Schoo and many beloved family members.

Bob passed away March 31, 2022, at Avera McKennan Hospital in Sioux Falls, South Dakota.

Turner Jenness Funeral Home is in charge of arrangements.

Team WAVE Seeking Sponsors

Team WAVE (Willing Active Volunteers for our Environment) is seeking flower bed sponsors for the 2022 season. We have 16 areas available within the city of Arnolds Park, many near the Emporium and on Broadway Street along the city park and in front of businesses. This year, participants can either sponsor a bed for a contribution of \$250, and Team WAVE volunteers will maintain the weeding, watering, and litter pickup during the season, or a participant can adopt a bed with no fee contribution, and do the weeding and litter pickup on your own. With either adoption or sponsorship, your business or organization will be recognized with a sign of your support placed in your flower bed.

Beautification is booming and blooming all around Arnolds Park in 2022 with the Lake Street paver project, the new performance stage in Preservation Plaza, and the reconstruction of the landscaped retaining wall on Broadway Street. We will soon be seeking sponsors for the hanging flower baskets on Broadway street for \$100 per basket. We thank previous participants for their support, and ask new organizations to join the WAVE of support. Call the city office at 712-332-2341 to get in touch with us.

Please also consider volunteering to help Team WAVE weed and water the flowerbeds during the growing season. We have work sessions about every two weeks, lasting just a few hours in the morning. It is easy and fun outdoor exercise with people that care about keeping our community looking its best.

APRIL 18th OR MAYBE THE 25th?

Community Concert Bands returning to Estherville's VFW

The March of the Belgian Paratroopers, by Pierre Leemans, will very possibly be one of the selections heard on Monday night, April 18th, when musicians from a 50 mile radius gather in Estherville's VFW hall for the Spring Concert of the Northwest Iowa Concert Band and Northwest Iowa Jazz Band, directed by Rich Nicklay and Scott Benjamin, respectively.

Stagerat Stan told us he heard rumblings at rehearsals that Howard Hanson's *Chorale and Alleluia* would be the likely opening selection for the concert band. Written in 1954, it is a standard of many advanced high school and college bands.

Another probable selection, *The Liberty Bell March*, was initially an untitled composition written for John Philip Sousa's unfinished operetta, *The Devil's Deputy*. While attending the 1893 Columbian Exposition in Chicago, Sousa and his band manager watched the spectacle America, in which a backdrop depicting the Liberty Bell was lowered, and it was suggested that *The Liberty Bell* should become the title of Sousa's unnamed march. Coincidentally, Sousa received a letter from his wife saying their son had marched in a parade in honor of the Liberty Bell. Sousa agreed with the suggestion, *The Liberty Bell* sheet music was published by the John Church Company, and became an immediate success.

It wouldn't be much of a Northwest Iowa Concert Band concert without a circus tune. To make that happen, the concert band has been rehearsing *American Big Top*, by Brian Balmages. The tune can best be described as "An American circus march that meets Charles Ives." It is largely based on original material that weaves in small anecdotal references to *The Stars and Stripes Forever*, *Take Me Out to the Ballgame*, *The Yankee Doodle Boy*, *Yankee Doodle*, *The Star-Spangled Banner*, and *The Entertainer*. The entire piece involves the layering of melodies, harmonies, textures, and rhythms. As it develops, the layering becomes more and more complex, yet always with a splash of fun and humor. It is a highly energetic work that constantly throws curveballs at the listener with just enough Americana thrown in to give it a homegrown feel, without necessarily being categorized as a full-on patriotic work...

Stan was less knowledgeable about the selections that he notes as "just probably" on Scott Benjamin's list for the second part of the concert. Between bites of Blue Cheese, Stan mentioned John LaBarbera's *Tiger of San Pedro*, as an opener; with follow-up tunes to likely include *Metropole*, by Howard Rowe; *Tomorrow's Memories*, by Paul Clark, and maybe even Neal Hefti's *Li'l Darlin'* as a swingin' closer! The concerts begin at 7:30 on the 18th (or 25th, if necessary)...

Since we're in a concert mode, we need to note that Monday, April 11th, will see several area bands performing in a benefit concert, for *Arise Ukraine*, at The Roof Garden Ballroom in Arnolds Park, from 6-9:00. The Iowa Rock 'n' Roll Music Association is sponsoring the event on behalf of *Arise Ukraine*, a 501(c)(3) organization based in Sioux Falls, that is said to have people working on the ground in Ukraine delivering food and supplies where needed. Terry Klein is to be performing in the show along with *The Senders*, *The Itty Bitty Boji Band*, and *The Lake Patrol Band*. The group is asking for a \$10.00 minimum contribution for the event.

We want to remind everyone to see the Iowa Lakes Community College production of *Mamma Mia*, with a curtain time of 7:30, Thursday, Friday and Saturday nights. This is the first musical to be staged in the new Janice K. Lund Performing Arts Center on the Estherville campus. Call 800 262-5106 or 800-262-5108 for reservations. Details can be found in last week's *Rambolling*, in print, and on line, at LakesNewsShopper.Com

For the record, you should know that *The Itty Bitty Boji Band* will be entertaining on the stage in the barn at the Little Swan Lake Winery, Sunday, from 4-6:00...

Some of you know the Old Professor has two "children" who have done very well on their own for several years. (Both are now well into their 40s.) Darling daughter has read road maps to give driving directions since she was in first grade. And after getting to know Iowa's main highways well once she got her driver's license, usually tried the back roads to criss-cross the state. On the other hand, son Scott still sweats at even the thought of reading a paper map for directions. Either way, Internet guides make life much easier for all of us. We mention this as research director RD has come up with today being *Read a Road Map Day* -- and she has attached a song to go with it (Is that any surprise?) That song is *On the Street Where You Live*, written by Alan J. Lerner and Frederick Loewe, for *My Fair Lady*, which premiered on Broadway in 1956, and on the big screen eight years later, in 1964. There are more than 300 different recordings of the song by almost that many different artists, including Vic Damone (1956), Nat 'King' Cole, and Harry Connick, on his 1992 album...

Composer conductor Percy Faith was born on April 7, 1908. Most everyone is probably familiar with his easy listening hits, *Delicado*, (1952), *The Song From Moulin Rouge* (1953), and *Theme From a Summer Place* (1959). If you are really knowledgeable you might even know that Percy Faith composed the theme for the NBC television series, *The Virginian*, starring James Drury and Doug McClure... (You say you don't read the closing credits?)

Saturday has just one possible song to go with *Name Yourself Day*. We think RD's selection of *I'm Henry the 8th I Am*, (which was written by Fred Murray and R. P. Weston in 1910) came as the result of her being a huge fan of *Herman's Hermits*, the group that popularized the song 55 years later, when it became the second number one hit for the *Hermits* and also one of the shortest-ever songs to top the charts, as it is not even two minutes long! *The Hermits* have performed the song not only on records, but on television shows including, *Hullabaloo*, *The Ed Sullivan Show*, and *The Jimmy Dean Show*, as well as *The Clay County Fair*, where she has shown them at least twice. RD has a very natural bias for good performances...

Hy-Vee Discontinues Weekly Flyers

Hy-Vee will no longer have a weekly flyer advertising their specials in The Lakes News Shopper as their corporate office is finalizing the transition to go completely digital with their advertising for their weekly ad.

"We have been proud to bring you Hy-Vee grocery specials and deals in our paper for over 40 years, and have thoroughly enjoyed working with the many Hy-Vee employees who strive to provide great customer service," said LNS owner/publisher John Adams, Jr. "Our circulation recently grew to over 23,000 with the addition of Spencer in our coverage area, and we will continue to grow our brand to provide an outstanding reach for our customers through our loyal readers" continued Adams.

"We hope Hy-Vee will reconsider this decision in the future and we look forward to continuing our strong relationship with the Spirit Lake Hy-Vee staff through working on future special ads," said Adams. If you have comments or concerns about Hy-Vee moving their ads to a digital platform, please reach out to the Spirit Lake store at 712-336-4900.

What's New at Kindermusik?

Did you know that Kindermusik at the Lakes is getting ready to turn 5 years old? There have been so many amazing things happening at Kindermusik in those 5 years! Get a glimpse at what's new over these next two weeks!

Kindermusik at the Lakes has a bold mission to "Cherish the Child, Connect the Family, and Change the World." CEO (Chief Experience Operator) Allison Antoine recently graduated from Studio Evolution, a two-year business intensive school specifically designed for fine arts studio owners. "It was a very challenging couple of years," notes Antoine. "However it really helped me gain clarity on the mission of the studio as well as the future of Kindermusik for the children and families of our community while using the incredible power of music and movement to accomplish this."

Kindermusik at the Lakes is a "Cradle to Kindergarten" journey for young children (ages 0-5) and their families. The Kindermusik experience is something that hundreds of families have enjoyed throughout the past several years, whether it be in a school year weekly class or a summer camp.

Antoine says that as a result of Studio Evolution the studio has undergone some exciting changes internally as well. "We have solidified exactly what the right curriculum is for our families locally. Kindermusik has a rich array of excellent curriculum and we have mixed it up a bit to give families in our community the perfect experience throughout their journey."

Kindermusik, however, is more than just weekly classes. They offer opportunities outside of class for grownups to connect over dinner, coffee, playdates, and more. "One of our greatest callings is to help support and empower the parents and caregivers in and out of the classroom," Antoine says. "We also like to give opportunities to get to know our local community better as well." Last December Kindermusik sponsored the PB and J tree at the Great Lakes Mall and has a Cherish Center Supply Drive coming up soon. "It's easy to feel like you are completely alone as a parent of a young child," empathizes Antoine. "It is important especially after these past few years that families feel connected to one another, to other families, and even to our community as a whole."

School year classes are wrapping up in early May but summer camps are open for enrollment. Kindermusik is also getting ready to launch some new classes and has dreams to open a satellite site in Spencer in the near future. If you or someone you know would like to join the Dream Team as a Kindermusik Educator, please reach out to Allison at allison@kindermusikatthelakes.com. To see the full summer schedule or to learn more about Kindermusik at the Lakes, visit www.kindermusikatthelakes.com.

Okoboji Bible Conference Ministries Announces Executive Director Transition

Okoboji Bible Conference Ministries (OBCM) today announced that its Executive Director, Jon Pausley, will be leaving his leadership position as of April 29, 2022 as he transitions to assume the role of CEO of Arnolds Park. Jon has served as the Executive Director of OBCM since 2018 and also served on the OBCM Board of Directors from 2015 through 2017. Jon's strong leadership skills guided OBCM through its transition from long-time Executive Director, Rick Porter, and the more recent global pandemic. Along the way, he also deepened OBCM's connections with other local ministries and businesses, solidifying our commitment and love for the region. As Jon recently noted, "I am proud of all that we have accomplished in the past 4 years. God has been good to us and has provided. It is the past faithfulness of God that encourages me for the future of OBCM."

To ensure the effective transition of Jon's responsibilities and no interruption to the 2022 Okoboji Bible Conference, the OBCM Board has appointed Mark Newhouse to serve as Interim Executive Director. Mark has attended the Okoboji Bible Conference for 40 years, serving as the ministry's President for nearly a decade, and will be leading the search to identify the next Executive Director.

Nancy Davies, OBCM's Board Chair, reaffirmed Jon's leadership saying, "We're blessed to have had Jon's vision and energy during these past 4 years and wish him the best in his new role. I'm confident that our next Executive Director will build on his and Rick's love for serving the Lakes region." Nancy also commented that "Preparation for the 2022 Okoboji Bible Conference is nearly complete and we're looking forward to gathering this summer, from July 30th to August 5th, to experience His Kingdom and share how He's working in each of our lives." For more information on OBCM and this year's Okoboji Bible Conference, visit okobojiconference.org. About the Okoboji Bible Conference — The Okoboji Bible Conference is a wonderfully unique place to grow in faith. It all started as a tent meeting in 1935, and for 85 years, the Conference has touched the lives of countless individuals and families with the deep love of Christ. Operating solely on donations, with no registration or fees, Okoboji Bible Conference has been a place where, generation to generation, families and individuals have come to worship and grow deeper in faith. Okoboji Bible Conference Ministries operates year-round in order to serve the Lakes Area.

For more information, call the conference office at 712-332-2883, send an email to office@okobojiconference.org or visit okobojiconference.org online.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor:

The Orleans City Council is once again addressing the lowering of speed limits in the entire town. This issue has been discussed many times before and after reviewing the Spirit Lake Police reports of several years, it was voted to leave things as they are. 2022 saw this brought up again and in the opinion of some council persons, it is priority. There are no historical facts of speeding or accidents that would support this agenda. The Iowa code has been presented as cause for the change, but it does not require any change for existing signage. Those Council persons and local residents opposing the change have offered the compromise of requesting an IOWA DOT traffic survey and accepting their recommendations. This is provided at no cost to the City by the DOT. Not given any weight by those forcing the change. No consideration was given to petitions signed by 129 residents pleading for leaving the speed limits as they are. Orleans residents, this is your town. Be present at the April 11th council meeting at 7:00pm. Express your view at this last reading of the proposed change.

Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and attractions our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

My adventure this week was to enjoy a movie at the Milford Pioneer Theatre. I went to The Lost City starring Sandra Bullock, Channing Tatum, Daniel Radcliffe, and Brad Pitt, but I think the experience would have been great regardless of the star power in the movie.

I haven't been to a movie in quite some time. I thought it was just as good to stay at home and watch a movie from the comfort of my couch. Boy was I wrong! There is something special about watching a movie in the immersive atmosphere of the Milford Pioneer Theatre!

The Pioneer Theatre has recently undergone an extensive renovation to upgrade their 2 theaters. Each seat reclines and has a nice tray to hold your popcorn, snacks, and soda. Upon arrival to the theatre, I purchased my tickets and snacks. They have a wide variety of options to choose from and even offer a selection of beer and wine. Then I proceeded to the theatre to recline in my seat and settle in for 2 hours of entertainment!

If you haven't been to the Milford Pioneer Theatre recently, treat yourself and get there soon! You'll have such a good experience that you'll soon become a regular. Order your popcorn, recline in your seat and get ready to become lost in a great movie! Learn more about the Milford Pioneer Theatre and upcoming movies at www.VacationOkoboji.com. Even if you don't have time to watch a movie, stop by to pick up some popcorn to-go. There is nothing that can compare to movie theatre popcorn!

Date to Create

On Thursday, March 31, Okoboji Elementary School (OES) hosted their annual Date to Create but this year they added a special twist! There was an Open House held for families and others in the community to see the fun creations that were made throughout the day!

Date to Create is a day where OES takes a break from their normal core instruction to spend an entire day creating amazing projects and participating in a variety of different science, technology, engineering, art, and math (STEAM) activities. All students in grades PK-4 participated in this event and engaged in similar activities that were appropriate to their age group. The stations focused on a variety of topics. There was a station for an individual art project, collaborative art project, technology practice, engineering, music, and the school made sure to get a station for movement as well!

The Kindergarten students worked in small groups to plan and engineer a tree house for Pete the Cat! The 2nd grade students created a 3D cactus! The 4th grade students worked in small groups to create a mini golf course! In order to make this amazing portion of the event a possibility, a local business, Safco Products out of Milford, donated a variety of supplies and also provided volunteers to work hands-on with the students.

There was an excellent turnout for the open house. Projects were on display in the classrooms, hallways, lunchroom, and gymnasium. Hundreds of families walked through the building and were able to smile with pride at the amazing products their children put forth.

March Madness Musings

Wow, what a crazy NCAA Tournament 2022 brought us as we returned to "normal" this year with fans in the stands and games back out of the bubble in Indianapolis. As is usual with March Madness, however, we know that nothing is "normal", and this year's tournament has definitely lived up to the Madness Mantra.

Locally we saw Iowa State make a magical run to the Sweet 16 that saw them win as many NCAA Tournament games this year as they won total games last season. We witnessed Iowa get upset by 12-seed Richmond in the first round in a game that ESPN.com ranked #4 on their Heartbreak Index of all the losses heading into Monday's Championship Game. Iowa was hot coming into the tournament, fresh off a BIG Tournament Championship, and many "experts" picked them to make a run at the Final 4, but the Spiders would put an early end to that hype. South Dakota State was a 13-seed and many people had them predicted to upset 4-seed Providence in the first round, but the Jackrabbits were never able to get their high-powered offense going and would fall 66-57 to the Friars.

Nationally we saw a plethora of upsets. Led by everyone's Cinderella, 15-seed St. Peter's making a memorable run to the Elite 8 before falling to Championship Game participant North Carolina. The Peacocks upset Kentucky, Murray State and Purdue on their magical run that ended just short of the Final Four. We saw four double-digit seeds advance to the Sweet 16 with two of them advancing to the Elite 8. We also witnessed just one 1-seed advance to the Elite 8 in Kansas, had the Jayhawks not made the Final 4 it would have been the first Final 4 without at least one 1-seed. In the end, even with all the Madness, we still ended up with four Blue Bloods making the Final 4 in Duke, Kansas, North Carolina and Villanova. This would be the first Final 4 in history that all four participants had won multiple National Championships. Saturday's main event, Duke vs. North Carolina lived up to the hype that rivalry deserves. Both teams left everything on the court in a back-and-forth game that saw the Tarheels end the coaching career of legendary coach Mike Krzyzewski with a thrilling 81-77 victory. It's crazy this was the first time these two rivals had met in the NCAA Tournament, and what is even more unbelievable is that Coack K will now end his career with a 50-50 mark against the rival Tarheels. The first game of the night saw Kansas control Villanova from start to finish in their 81-65 victory. The Jayhawks looked very deserving of their 1-seed as they dominated the paint with their big men and controlled the perimeter with their long and athletic guards.

We go to press before the National Champion is crowned so this prediction will be outdated by the time you are reading, it but you can either call me a fool or a genius as you read my prediction. Obviously both teams are firing on all cylinders to make it this far, as North Carolina continues their hot play as an underdog 8-seed (hard to ever call UNC an underdog); while Kansas has kept up their strong play that saw them win Big 12 regular season and Conference Tournament titles. I believe the Jayhawks will be able to match UNC down low with their duo of post players battling UNC's Armando Bacot; while the Tarheels will have a hard time containing KU's Ochai Agbaji and Remi Martin on the perimeter as the Jayhawks will win one of the most entertaining Finals we've witnessed, 89-85. It's sad to see this year's NCAA Tournament end as it once again reminded us why March Madness is truly one of the greatest sporting events in the world!

Spirit Lake Library News

National Library Week 2022: Connect with Your Library Molly Shannon, multiple Emmy-nominated and Spirit Award-winning actress, comedian, and legendary Saturday Night Live cast member, will help celebrate our nation's libraries as the honorary chair of National Library Week, April 3-9, 2022.

"I am so honored to serve as honorary chair of National Library Week for 2022. My mom was a librarian. She encouraged kids to read. So, the work of librarians and libraries has such a special place in my heart.

Libraries are places where communities connect—to things like broadband, computers, programs and classes, books, movies, video games, and more. But most importantly, libraries connect us to each other. Supporting National Library Week in this role allows me to connect to my mother's memory and all the librarians out there. Thank you for everything you do."

The theme for National Library Week 2022, "Connect with Your Library," promotes the idea that libraries are places to get connected to technology by using broadband, computers, and other resources. Libraries also offer opportunities to connect with media, programs, ideas, and classes—in addition to books. Most importantly libraries also connect communities to each other. Overall, the theme is an explicit call to action—an invitation for communities to join, visit, or advocate for their local libraries.

IBBB at Little Swan Lake Winery

The Itty Bitty Boji Band returns to the Little Swan Lake Winery, just north of Superior, Iowa, on Sunday, April 10. They'll be performing their fun-time music show on that date from 4:00 to 6:00pm. Mobile Food Pantry In Estherville

The mobile food pantry from the Food Bank of Iowa is returning again. The free distribution will take place from 4:00-6:00pm, Thursday, April 7, in the Good News Estherville Church parking lot. Recipients are asked not to arrive before 4:00pm and to remain in their vehicles — do not line up at the door, because the building will be closed.

If you have questions, call the Food Bank of Iowa at 515-564-0330.

Milford Library News

Join MML and Arnolds Park for Y.A.D.O (Young Adults Day Off). This villainous event will be held at Milford Memorial Library, on Monday April 18, from 10:30am to 3:00pm. Fourth through twelfth graders will be watching Disney's Cruella, making a Maleficent staff pen, and eating pizza. The cost is \$5.00 and registration is required. To register, call Milford Memorial Library at 712-338-4643 or Arnolds Park Public Library at 712-332-2033.

MML's book club, the Open Book Discussion Group, invites any interested individuals to come and discuss the featured book, The One Hundred Years of Lenni and Margot by Marianne Cronin, on Tuesday, April 19, at 1:00pm. Copies can be found at the library. It is not necessary to attend all of the meetings, and you are welcome to come and go as you please.

Join MML for our Adult Craft Series as we make Stamped Books on Wednesday, April 20, from 5:00 to 7:00pm, at Milford Memorial Library. This craft also comes in kit form. The kit will include old books, stamps, paint, embellishments and instructions. The cost for this craft is \$5.00 and registration is required. You can register by contacting the Milford Memorial Library or online by going to <http://milfordlibrary.weebly.com/adult-program-registration.html>.

There is still time for Young Adults, fourth through twelfth grade, to join Willy Wonka and the Oompa Loompas in the candy factory with MML's Young Adult Subscription Box: Willy Wonka and the Chocolate Factory. This free activity box is available until Friday, April 22, but it does require registration. You may register by calling 712-338-4643 or online at <http://milfordlibrary.weebly.com/ya-subscription-box-registration.html>.

Don't delay because as Mr. Wonka once said, "Time is a precious thing, never waste it."

The hunt is almost over! There is still time for patrons, fourth grade and above, to complete an MML Egg Hunt Sheet. When the sheet is completed and turned into the front desk, the participant's name will be entered into a drawing. The last day of the hunt is Friday, April 8, at 5:30pm.

When logged into MML's catalog, patrons are able to save titles they wish to read at a later date. To do this, go to www.milford.lib.ia.us, and click "Search Our Catalog". Login with your library card number and password. Find and click on desired title, information will drop down. Click "Bookmark this item". The title will be saved to Bookmarks.

It's So Easy To Eat Healthy
by Bill Brandt, owner and operator of Brandt Gardens & Greenhouse LLC

Brandt Gardens & Greenhouse LLC, Lakefield, Minnesota, has this healthy solution for you and your family - Community Supported Agriculture (CSA). Our business will deliver to your home or workplace, a weekly CSA share/box of locally grown produce for up to 20 weeks, starting in May and ending in October.

The following are the CSA share choices:

- CSA Mini Share: includes one monthly delivered box of locally grown produce starting in May - October which is a total of 6 times/boxes for the 2022 growing season. A CSA mini share is for a household of 1 to 2 adults/family.
- CSA Bi-Weekly Share: which is delivered every other week for a total of 10 boxes of locally grown produce
- CSA Half Share: includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA half share is for a household of 1 to 2 adults/family.
- CSA Full Share: includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA full share is for a household of 3 to 4 adults/family.

We intend to deliver 20 weeks/times for your enjoyment of our boxed produce half or full share but wish to have an understanding that our growing season can be unpredictable and have included the 17 week minimum. Deadline to purchase a CSA share is May 1, 2022.

The following fruits and vegetables will be available sometime during the 2022 growing season in the CSA box share: apples, asparagus, beans-green, beets-red or golden, broccoli, Brussels sprouts, cabbage-green or red, carrots, cauliflower, celery, chard, cucumbers-slicers-burpless-pickling, eggplant, *garlic, kale, kohlrabi, lettuce-leaf green-red-romaine, onions-red-yellow-white, peas-sugar snap, peppers-sweet bell-hot, pie pumpkins, potatoes-red-white-Yukon, rhubarb, radishes, *raspberries, rutabagas, scallions, shallots, summer squash-yellow, sweet corn, tomatoes, winter squash- 10 varieties, and zucchini.

Our business is offering our community members another choice/ means of accessing good food. Good food does two simple things. Good food tastes better and good food nourishes our body. Nothing is better than the first taste of a vine ripened tomato or that first ear of fresh sweet corn or for that matter, anything grown in the garden after a long cold winter!

Just as important as these two simple things is the idea of knowing exactly where your CSA box share of food was grown.

Brandt Gardens & Greenhouse LLC is leading the way with this economic model, but are teaming up with other growers in the surrounding area to help supply these CSA share boxes of fresh produce. The majority of the produce in the boxes will be grown by Brandt Gardens & Greenhouse LLC, but some of the items such as apples, garlic, strawberries, or raspberries we do not grow and will rely on other growers of our area to supply. Produce quality in the boxes will be strictly monitored and high standards will be required for customer satisfaction.

The following will be our delivery schedule for the 2022 growing season: Windom on Tuesdays, Spirit Lake, Milford, and Spencer on Wednesdays, Jackson on Thursdays, and Worthington on Fridays. Farm pick-up is also an option.

For more information, call 507-662-5631, 507-360-5904 or email us at brandtgardens@gmail.com or check out our website at www.brandtgardens.com.
