Piedmont Pets
 April 14, 2022 By Paulette Dean

The log-in records from long ago are no longer available, so we do not know for sure when Ryan Thomas started visiting the shelter. We believe it was about twelve years ago that his caretaker, Barry, brought him to the shelter for the first time. Ryan passed away on April 8th and our hearts are broken.

Ryan carefully printed his name on the log-in sheet and then quickly told us he was moving to Florida. Sometimes, told us he would let us go with him. He loved cats and spent hours playing with them, holding them, and sometimes accusing them of biting him. He would indignantly come to the front desk and tell anyone who would listen, "That cat bit me." We always sympathized, but never saw a bite.

He fell in love with April Hogan, the shelter manager. He called her "angel" and sometimes called other staff members the same. He also liked to tease Mary Dean, the part-time person who retired a few years ago, by telling her he was going to throw a snake at her. Barry would always tell him not to say such things.

In 2012, we told Barry that we were naming Ryan as the William Schwarz Animal Hero of the Year at our annual meeting and that he would receive

996 South Boston Rd., Danville, VA 24540
 Phone: (434) 799-0843

a plaque. At the designated time, Barry and Ryan came to the shelter. I tried to present Ryan with the plaque, but he refused to take it, saying, "I want that one to give it to me," while pointing to April. She was happy to oblige, but Ryan shocked Barry by planting a huge kiss on April's cheek. April blushed and Ryan glowed.

We know that the second Ryan's valiant spirit left his challenged body, he entered a beautiful heaven. No cat will bite him, he has lost his desire to move to Florida, and he is busy making heavenly beings smile. We will smile every time we think of him.

How we loved having him visit us through the years! We will miss him

KOVELS Antiques & Collecting

By Terry and Kim Kovel

Windsor Eyeglasses

The earliest use of eyeglasses was recorded about 1300. Rock crystal was shaped and set into round frames to wear and improve clarity. Glasses with temple arms that sit on the ears were not created until the 1700s. Glasses with dark lenses were worn for medical reasons by the late 19th century. Sunglasses that just cut glare were not used until 1929.

This is a very early pair of glasses with tinted lenses not used as sunglasses.

President Theodore Roosevelt wore a monocle, probably the first president to admit he had trouble seeing. In 1784, Benjamin Franklin had special spectacles that had bifocal lenses. Benjamin Martin (1704-1782) invented Martin's Margins eyeglasses in the 18th century period. They were round, had thinner and more accurate lenses set in two round frames of iron or steel, trimmed with cattle horn or tortoiseshell and arms that wrap around the ears.

Next came "scissors spectacles" that could be folded to fit in a pocket. The side pieces looked like those on a pair of scissors. They were first used in the early 1800s. Once glasses could be made by machine, they became less expensive, less of an ornament, and more an item used by working men and women.

The glasses here are Windsors, a style started in Victorian times. This pair has leather side flaps, a leather nosepiece and a thin metal frame with round lenses and arms that wrap around the ears. There are many collectors of medical devices today, even auctions that feature only medicines, original containers and small medical tools. Prices are still low.

Q. I once owned a glass Alaska green celery dish by North-

wood. I want to find a replacement and have no idea how. What can you tell me?

A. Northwood glass was made by the H. Northwood Co., founded in Wheeling, West Virginia, in 1901 by Harry Northwood. He and his brother, Carl, manufactured pressed and blown glass tableware and novelties. Harry Northwood died in 1919, and the company closed in 1925. The Alaska pattern was made between about 1897 and 1903 in several colors, including blue opalescent, emerald opalescent, green and Vaseline, a greenish-yellow glass. Some pieces are offered for sale in online shops. Try contacting a matching service like Replacements.com. Many dealers who sell early glass keep a "wanted" list to help customers. Let them know what you're looking for and they will contact you if they find it. Your dish would retail for over \$100.

HOLLYWOOD

by Tony Rizzo

HOLLYWOOD — We used to have great heroes and heroines like Scarlett, Rhett and Heathcliff. But classic films have changed and are “Gone With the Wind” since 1939. They’ve been replaced by superheroes in IMAX and 3D like “Spider-Man,” “Doctor Strange,” “Wonder Woman” and “Black Panther.” In 2022, our latest superhero is “The Batman,” currently on track to gross north of \$700 million.

For years, we’ve written how Robert Pattinson desperately needed a hit. After “The Twilight Saga” (2008-2012), he chose to play off-beat characters to prove his acting skills. After nine uninspiring films (from 2015-2020) that didn’t make any money (including Christopher Nolan’s “Tenet”), he finally agreed to become “The Batman.” Of all the Batman films, only three have cracked Box Office Mojo’s top 100 films of all time: two from Christopher Nolan — (No. 32) “The Dark Knight Rises” and (No. 49) “The Dark Knight” (for which Heath Ledger won an Oscar) — plus “Batman v Superman” at No. 73.

Originally, Ben Affleck was to star, co-write and direct “The Batman,” but in 2017, Affleck decided to step down as director, but still planned to star and produce the film. In 2019, Affleck declined to play Batman after all. The shortlist for “The Batman” became Nicholas Hoult, Armie Hammer, Aaron Taylor-Johnson and the front-runner ... Robert Pattinson. Director Matt Reeves, who also refashioned the screenplay, said he wrote the script with Pattinson in mind after seeing him in “Good Time” (2017), which cost \$2 million and grossed only \$3.2 million.

Pattinson, a longtime Batman fan, had big ideas on how to bring a unique portrayal to the relationship between Batman’s superhero activities and his identity as Bruce Wayne. Then it came down to just Pattinson and Hoult. Pattinson was signed on May 31 for \$3 million, and he agreed to make two

Robert Pattinson in “The Batman”

more “Batman” films (as did all the lead actors in the film), with escalating salaries and points in the film. Batman makes big bucks: Affleck made \$10 million-\$20 million; Christian Bale made \$9 million-\$10 million, plus a \$20 million performance bonus and \$15 million for “The Dark Knight.” Val Kilmer made \$25 million and Michael Keaton made \$15 million for his two “Batman” films. Pattinson, at 35 and 6-foot-1, will be the one most movie fans will remember.

“Crazy Rich Asians,” which made stars of Henry Gouling, Constance Wu and Awkwafina, has hung in limbo for 2 1/2 years since its \$30 million cost netted a \$238 million gross. The two writers hired to create the new screenplay quit over a pay dispute, and a new writer was hired. The sequel hasn’t even been written and they’re already planning a threequel. Maybe they should crack open their fortune cookies first!

DANVILLE PARKS AND RECREATION OFFERS TREE ADOPTIONS TO RESIDENTS

Danville Parks and Recreation is partnering with Dan River Basin Association (DRBA) to start a tree adoption program in the neighborhood park system. Residents are invited to take an active role in making park improvements by planting and caring for young trees. Danville Parks and Recreation and DRBA staff will be present for the kickoff event at Grove Park and will provide instruction for planting and ongoing care. Participants will also be able to paint river rocks with their name or the name of the tree to keep with the tree at the park.

The tree adoption program began last summer with a poplar tree sapling that was donated by Plant Virginia Natives. Danville Parks and Recreation staff planted it in Grove Park where several trees had been lost in previous years. They gave the tree a name—Philippe—and watered it often as it established roots throughout the season. A nearby resident, Ken Gillie, saw the new addition to the park and took on the tree watering responsibility himself. Ken carried gallons of water around the block to the park on his nightly walks, took pictures of the tree, and updated Danville Parks and Recreation staff on how it was growing.

“Ken’s care of Philippe is a great model of citizen ownership of park spaces, and one we would love to replicate with more residents,” said Facilities and Services Planner, Dr. Stephanie Lovely. “We are happy to bring more people into the parks, connecting them in meaningful ways to their neighborhood environment. We hope to see individuals and families embracing this opportunity and sharing their own tree success stories with our community.”

The tree planting kickoff event will take place in Grove Park on Wednesday, April 27, at 3 p.m. and there is no fee to participate. Care for the trees will be ongoing throughout the spring and summer. To sign up for tree adoptions or to get more information, contact Dr. Stephanie Lovely at (434) 799-5200 or stephanie.lovely@danvilleva.gov.

OBITUARIES

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." - Romans 14:8

Jean Volpe Gonnella

August 1, 1968 ~ April 10, 2022 (age 53)

Jean Volpe Gonnella has passed away after a long illness. Jean was born in Albany NY, and moved to Rockville, Maryland with her family as a toddler. She was a swimmer on the Flower Valley Swim Team all the way through school. She graduated from Rockville High School. She also swam and coached for the Curl Swim Club. Jean earned her BFA from Towson University. She later moved to NC to follow her family there.

Jean had many interests and was always pursuing something new, whether it be ballroom dancing, creating art, cheering on the Baltimore Ravens football team, or the study of mycology. She was an avid swing dancer and this was one of her greatest joys in life. Not only because she excelled at it, but because of the many treasured friendships she developed with people all over the country through dancing. The joy of dancing was a great distraction from the many health hardships that she fought against.

In 2020, she purchased her dream home in the charming town of Danville, Virginia where she had the support of lovely neighbors and enjoyed spending time with her beloved father. They loved playing games together, and the cribbage board was always handy.

Jean was preceded in death by her mother, Dorothy McQuaid Gonnella and her nephew Graham Patrick Johnson; she is survived by her father, Leroy P. Gonnella of the home in Danville, Va; her brother Lee Gonnella and wife Holly of Ashland, Oregon; sister Elizabeth Johnson and husband Bob of Franklinton, NC and two nieces, Liz and Janna Johnson of Wake Forest and Raleigh, NC respectively; as well as her many friends, including those from the dance community in Greensboro, NC, Raleigh, NC, and Glen Echo, Maryland where she danced at the Glen Echo Park Ballroom.

The family will receive friends and loved ones for a celebration of life on Saturday June 4th, at The Cotton Company in downtown Wake Forest, NC; and a mass in her memory will be celebrated at St. Catherine's of Sienna Catholic Church in Wake Forest on Sunday June 5th.

In lieu of flowers, donations can be made to the Graham Johnson Cultural Arts Endowment (GJCAE.org) or the Glen Echo Park Partnership for Arts and Culture (Glenchopark.org).

Swicegood Funeral Service is respectfully serving the Gonnella family.

Lucille Dove Chatham

Lucille Dove Chatham, 94, of Hilltop Gardens, Danville, VA, died Friday, April 8, 2022 at SOVAH Health of Danville after a decline in her health for the past two months.

Lucille was born in Hurt,

VA on September 21, 1927, a daughter of the late Charlie Lee Dove and Elizabeth Simpson Dove. She lived most of her life in Danville, VA, and her early years in Hurt, VA. She retired from Dan River Mills where she worked in the spinning room.

Lucille attended Pelham United Methodist Church. She loved to travel and enjoyed rock hunting. She also enjoyed music, playing cards, and the game-show network.

Lucille was predeceased by her husbands, Lee Perkins, Percy Alexander Gunner and most recently, James L. Chatham, who died on December 1, 2014.

She was also predeceased by two sons, Gordon G. Perkins on February 16, 2011, and Harold "Buster" Perkins on May 15, 2018. Lucille was the last surviving member of her generation. She was predeceased by 13 brothers and sisters.

Survivors include two granddaughters, Rhonda McGowan (Bill) of San Clemente, CA, and Joy Garcia (Andre) of Gretna, VA; and two great grandchildren, Austin McGowan of Los Angeles, CA, and Kathryn McGowan of Fredericksburg, VA.

Funeral services will be held on Saturday, April 16, 2022 at 11:00 AM at the Pelham United Methodist Church, 594 Red Marshall Road, Pelham, NC, 27311, with the Reverend Cam Conover and the Reverend Larry Durham officiating. Interment will follow in the Pelham UMC Cemetery.

The family will receive friends on Saturday, April 16, 2022 at the church from 10:00 until 11:00 A.M.

Wrenn-Yeatts Westover Chapel is serving the Chatham family.

In the CLASSIFIEDS!

* A great idea for mini ice packs: Freeze ketchup packets you get from takeout food. They are great for icing small bumps or bug bites.

* Spread a teaspoon of peanut butter thinly on a paper plate. Then when the dog is busy with its treat, you can trim its nails. Or sometimes just having it nearby as a promised treat can do the trick to distract your pet. Good luck!

* "One of the things I do each spring (and fall) is to go through my makeup and toss the old items. I also restock my first-aid kit and get new bottles of sunscreen and bug spray to keep in my car kit, so I will always have it around." -- E.A. in California

* Love beans but trying to save a little money? Don't be intimidated by dry beans; just rinse them and chuck them in the slow cooker. Add water according to package directions and cook on low for up to eight hours. After they cool, you can bag them in freezer-safe, zipper-top bags and freeze them for easy use later.

* "On a health kick: Step one is to keep a food and activity diary for a week. You can get an idea of what you eat, what times of the day you are over-eating and the areas where you can make improvements. Knowledge is power!" -- V.R. in Oregon

* J.D. of Massachusetts writes: Mix 1/2 cup vinegar and a chamomile tea bag in a pan of medium hot water. Let cool slightly and soak feet for up to 10 minutes. Follow up with foot powder or deodorant.

ARIES (March 21 to April 19) A sudden change of plans could lead to a misunderstanding with a friend or family member. Be ready to offer a full explanation of your decision. A past favor is returned.

TAURUS (April 20 to May 20) Expect pressure from those who want you to change your position on a matter of importance. However, the determined Bovine will be able to withstand the bullying and win out.

GEMINI (May 21 to June 20) It's time to stop dwelling on past disappointments and move on to other possibilities. By week's end, you'll be meeting new people and making new plans for the future.

CANCER (June 21 to July 22) A long-simmering situation between co-workers threatens to heat up and could create problems with your work schedule. Best advice: Consult a supervisor on how to proceed.

LEO (July 23 to August 22) You might have just learned that someone close to you is keeping a secret. And, of course, the Cat's curiosity has gone into overdrive. But be patient. All is revealed soon enough.

VIRGO (August 23 to September 22) Don't give up. The recognition citing the good work you recently did will come through. Meanwhile, an opportunity opens up that can lead to a lot of traveling later on.

LIBRA (September 23 to October 22) A financial crunch eases, but it's still a good idea to keep a tight rein on what you spend for nonessentials. Education becomes a major focus as the week winds down.

SCORPIO (October 23 to November 21) Recent encounters with stressful situations could require some restorative measures to get your energy levels back up. Talk to your doctor about a diet and exercise program.

SAGITTARIUS (November 22 to December 21) New connections follow changes on the job or in your personal life. But keep your feelings reined in until these relationships have a chance to develop.

CAPRICORN (December 22 to January 19) Pay more attention to your aches and pains, but avoid self-diagnoses. Seek professional advice to make sure these problems won't lead to something more serious.

AQUARIUS (January 20 to February 18) You love doing research and learning new things, so you'll be happy to know that education becomes a big part of your life at this time, and for some time to come.

PISCES (February 19 to March 20) Your Piscean penchant for doing things logically could be challenged by an equally strong emotional reaction to a new situation. Best advice: Keep the two factors in balance.

BORN THIS WEEK: You love music and nature. You would be an excellent environmentalist, as well as a fine singer or musician.

Carrot Cupcakes

INGREDIENTS

- 4 large eggs, room temperature
- 2 cups sugar
- 1 cup canola oil
- 2 cups all-purpose flour
- 2 teaspoons ground cinnamon
- 1 teaspoon baking soda
- 1 teaspoon baking powder
- 1 teaspoon ground allspice
- 1/2 teaspoon salt
- 3 cups grated carrots

chunky frosting:

- 1 package (8 ounces) cream cheese, softened
- 1/4 cup butter, softened
- 2 cups confectioners' sugar
- 1/2 cup sweetened shredded coconut
- 1/2 cup chopped pecans
- 1/2 cup chopped raisins

DIRECTIONS

Preheat oven to 325°. In a large bowl, beat the eggs, sugar and oil. Combine the flour, cinnamon, baking soda, baking powder, allspice and salt; gradually add to egg mixture. Stir in carrots. Fill greased or paper-lined muffin cups two-thirds full. Bake until a toothpick inserted in the center comes out clean, 20-25 minutes. Cool for 5 minutes before removing from pans to wire racks. For frosting, in a large bowl, beat cream cheese and butter until fluffy. Gradually beat in confectioners' sugar until smooth. Stir in the coconut, pecans and raisins. Frost cupcakes. Store in the refrigerator.

SENIOR NEWS LINE

by **Matilda Charloe**

COVID Phone Scams

Thieves and scammers will do nearly anything to help us part with our dollars. In the latest one, as I write this, the thieves want to help me get the free COVID tests the government is sending out.

I signed up months ago and received my shipment of four tests. The scammers, however, think I should have more on hand and have offered to help me order them ... for a small handling fee. That handling fee for the free tests? Thirty dollars, and giving them my banking information.

No, I don't think so.

We need to be on our toes with these thieves. No matter what topic is on the news, they'll find a way to turn it into a scam.

You might get a call supposedly from a COVID contact tracer who asks too many personal questions, such as for your banking information. You might get a call saying we're now supposed to get an additional booster and you can be put at the head of the wait list for a small fee. Or you might get a call saying you're due to get another government relief check, but you have to pay the taxes first out of your checking account.

Why, oh why do they target seniors? The answer is that we are perceived to have lots of money and that we're not likely to report fraud. We're also, unfortunately, too trusting and too polite.

If you don't recognize the phone number when someone calls, don't answer. If someone hasn't left a message, don't call them back. If someone does get you on the phone and the conversation involves any pressure, time-limited offers or questions about your personal information, hang up. Remember, you are not obligated to be polite!
