Eli Guidroz Joins RE/MAX Lakes Realty as New Realtor®

Aaron Jones, Broker/Owner of RE/MAX Lakes Realty is pleased to announce that Realtor® Eli Guidroz is the latest addition to RE/MAX Lakes Realty's growing sales team. Guidroz is a relatively new member of the Iowa Great Lakes community and the RE/MAX Lakes Realty team. Eli is excited to start a new chapter in his life and has a background in community service and finance that can benefit him in the world of real estate.

Growing up in Washington state, Eli was an avid soccer player and used his experience from the field to volunteer as a youth coach. He spent many of his weekends and summers helping younger players grow and achieve their true potential. Throughout his own soccer career, Eli won a high school state championship, played at the collegiate level, and won numerous individual awards. This background in soccer has instilled a competitive nature in Eli.

After graduating from Western Washington University with a degree in Financial Economics, Eli and his fiancée, Montana, began a new journey in the Iowa Great Lakes area. In 2021, the young couple took over ownership of Los Pueblos Mexican Grill from Montana's grandmother, Florencia Smith. As an owner of one of the staples of the Okoboji restaurant industry, Eli has continued to fulfill his passion for serving his local community.

Along with community service, Eli's family is of paramount importance to him. As a new father, he spends much of his free time with Montana, newborn daughter Georgia, and their two dogs Auggie and David. Eli also enjoys playing and watching sports, camping, fishing, and many other outdoor activities.

For more information about Eli or RE/MAX Lakes Realty, please visit sellboji.com or contact 712-336-4967 or contact Eli directly at 360-927-2186.

History LIVES! Speaker Series

The Dickinson County Museum, in conjunction with the Friends of the Abbie Gardner Cabin Historic Site, will be sharing colorized glass slides used by Abbie Gardner's grandson, Albert, to tell her story. These slides, donated to the museum in 1992 by Albert Sharp, were recently found at the museum. Albert Sharp used them in the 1930s to share Abbie Gardner's story with school children and organizations throughout the area, and probably further. To our knowledge, they have not been viewed for eighty years.

They will be presented Thursday, April 21, at 7:00 pm, as part of the museum's History LIVES! speaker series. Because of the anticipated popularity of this program, it will be held at the Maser Monarch Lodge on the campus of the Dickinson County Nature Center. Ed Purdy, docent at the Abbie Gardner cabin and expert on the Abbie Gardner story will be narrating the slides. All are welcome. There is no charge for this program, however donations are appreciated.

This year, 2022, also marks the 165th anniversary of the tragic event, which was a clash of cultures, consequences and conciliation that is a magnificent story we want to keep alive and share as part of our pioneer history. We will also be livestreaming this event on both the Friends of Abbie Gardner Facebook page and the Dickinson County Museum Facebook page.

About Friends of The Abbie Gardner Cabin Historic Site - This is a new 501 (c) 3 non-profit organization, which has been formed with the intent to lead a preservation effort focusing on the Gardner Cabin Site in Arnolds Park. Join us to help Save Abbie's Historic Cabin Site! Follow us on Facebook where we share parts of Abbie's story, her journey to reconciliation and the progress on restoring the meaningful historic site. <https://www.facebook.com/AbbieGardnerCabin>.

For questions about this press release or additional information, please contact Anita Bomgaars at 712-441-2889.

Dickinson County Gardens Spring Kick-Off 2022

Tuesday, May 3rd, from 6:30 to 8:00 p.m., at Wesley Place (Spirit Lake United Methodist Church, 1812 Gary Avenue)

Our gardens encourage our participants to eat more fruits and vegetables as we educate on growing, harvesting and safe food preservation practices. Our mission is to eat better to combat disease, obesity and food insecurity while creating a beautiful, unique and peaceful place for bonding with one another in our outdoor community. Our garden is located at 1920 23rd Street, just north of St. Albans church. Also on our site we have 2 garden sheds, 3 (so far) raised beds, 12 apple trees - (part of the Edible Orchard project---will produce in several years) and an herb bed.

- At our meeting we will:
- Fill out vegetable surveys
 - Learn how we garden family style rather than individual plots
 - Prep potatoes for planting
 - Assemble seed tapes
 - Refurbish row markers
 - Hear about community outreach projects like our donation gardens
 - And more!
- What the Dickinson County Community Gardens will require of you:
- Love fresh air, sunshine and getting a little dirty!
 - Set your own schedule to weed in the garden alone or with others for a minimum of 1 to 2 hours per week. This can vary with weather and needs in the garden.
 - Harvest what you can use fresh while remembering there are others wanting a share too.
 - Pay a membership fee of \$35 per family or \$25 for a single or senior---this buys our seeds, plants, tilling, water and more.
- The Dickinson County Community Gardens partners with The City of Spirit Lake, Lakes Regional Healthcare, ISU Extension and Outreach and The Dickinson County Hunger Coalition.
- For more information, contact Carol Larson at 712-330-4140 or larsonc57@hotmail.com.

I-CASH Protective Items Available at ISU Extension & Outreach Offices

The Iowa Center for Agricultural Safety and Health (I-CASH) has distributed spring seasonal protective items to local ISU Extension and Outreach offices. Local farmers are welcome to stop by and pick-up free items which focus on protecting oneself while operating a tractor. "We hope that tractor operators will think about all aspects of prevention as they gear up for spring planting," said Brandi Janssen, Director of I-CASH. "Skin cancers are on the rise in Iowa, so sun protection is very important during spring's newly long and sunny days. Noise induced hearing loss affects many farmers; a tractor, with or without a cab, can cause exposure to noise levels that could cause irreversible hearing loss. Finally, a Rollover Protective Structure (ROPS) is the best way to reduce the risk of injury or death in the event of a tractor rollover." ISU Extension and Outreach offices throughout the state have the free items, which include hearing and sun protection, available in their office. Janssen said that I-Cash also has limited funding available to provide rebates for Iowa farmers to install ROPS on their old tractors through the National ROPS Rebate Program. For more information, visit www.i-cash.org or www.rops-r4u.com.

Happy 90th birthday to Bob Griffiths on Monday, April 25, 2022. Send Bob a card to wish him the best. He's one of those guys who's above the rest. He's touched so many in his distinct way. Mogen's Heroes in Concert

The St. Joseph's Arts Council presents Mogen's Heroes on Sunday, May 1, 4:00pm, at St. Joseph Catholic Church, Milford. The free concert will feature the South Dakota trio who will share their fine-tuned harmonies and instrumentals from treasured hymns, Contemporary Gospel and Country Gospel. A reception will follow in the Parish Center. Doors will open at 3:30pm.

Mogen's Heroes adopted "Having fun making music" forty two years ago. John Mogen, a Waubay, South Dakota native and founder of the band plays keyboards. John formerly played with the Upson Downs. Denny Gale hails from Wagner, South Dakota, and is featured on the guitar. Bill Hoffman, a Redfield, South Dakota native, completes the trio playing drums. Gale's superb guitar playing, Hoffman's incredibly versatile vocal harmonies, and Mogen's melodious piano playing blends the magical sounds of the band. Doris Welle, local music historian and art critic states this about Mogen's Heroes,

"John and his guys are very talented musicians who have so much fun playing together and entertaining crowds of fans."

Mogen's Heroes entertain at county fairs, the South Dakota State Fair, wedding dances and art festivals. They also play at Okoboji's Rock the Roof annually. Mogen's Heroes were inducted into the South Dakota Rock and Roll Music Association Hall of Fame in 2018.

The St. Joseph Arts Council is proud to host this concert as part of our series of sacred arts presentations. They are grateful to their corporate sponsors: The Patrice and Rita Leary Foundation and United Community Bank.

Birding on the Green

The annual bird migration has sprung for the 2022 season. Red-wing blackbirds, Canada geese, purple martins and other birds are making their back to our neck of the woods.

Birding on the Green is back for the season. This monthly birding opportunity occurs on the Brooks Golf Course at 7:00am because we all know that the early bird catches the worm.

From beginners to experts, bird enthusiasts with gather in front of the club house for a quick introduction. Then, we will take off in golf carts to travel around the Audubon certified course in search of our feathered friends. The naturalist will keep record of the identified birds that the group encounters on the excursion. We hope you will join for one or all the sessions.

2022 sessions will be on the following dates: May 2, June 6, July 11, August 1, September 9. There is no need to pre-register for this free outdoor program for nature lovers of all ages.

"It's been a good partnership over the years, because Brooks is part of the Audubon program, and they need an inventory to stay certified, and they don't necessarily have the staff or expertise," said Bryanna Kuhlman, environmental education coordinator with the Dickinson County Conservation Board.

Birders can see woodpeckers, waterfowl, hawks, warblers, and many more species. Species change throughout the season, and birders can see migrating birds as well as breeding or year-round residents.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

I often visited an uncle of mine who lived in Ackley, Iowa. One time, as I was leaving, he said "Vergene, I don't know whether you are Republican or Democrat, but I ask that you vote for Charles Grassley for U.S. Senator from Iowa." He went on to say "Grassley is an intelligent, honest, hard working farmer who is dedicated to his country and state." I was happy to tell him I was supporting Chuck Grassley for U.S. Senator. My uncle was right. U. S. Senator Grassley is a leader who has never let us down. The reasons to re-elect him are too long to list here. He answers when we call, write or talk to him when we see him at one of our 99 counties. I am proud Senator Charles Grassley represents us in Washington.

Sincerely,
Vergene Donovan, Spirit Lake, Iowa

SUMMER PLANS ARE UNDERWAY
Mogen's Heroes to return

Under the slogan, "Having fun making music," Mogen's Heroes will be returning to the campus of the UofO Sunday afternoon to perform at St. Joseph Catholic Church in Milford. The free concert will have the South Dakota trio sharing it's fine-tuned harmonies and instrumentals, from treasured hymns, along with Contemporary Gospel and Country Gospel genres. The trio starts with founder and leader John Mogen, who lives in Waubay, and plays keyboards. (Years ago he played with *the Upton Downs*). Denny Gale, who lives in Wagner, is the featured guitar player, while drummer Bill Hoffman hails from Redfield.

For more than 40 years, Mogen's Heroes has entertained at county fairs, the South Dakota State Fair, wedding dances and art festivals. They have also played at Okoboji's *Rock the Roof*, and were inducted into the *South Dakota Rock and Roll Music Association Hall of Fame* in 2018. Doors will open at 3:30, Sunday afternoon for the 4:00 concert.

The St. Joseph's Arts Council is hosting this event as part of its series of sacred arts presentations, under the sponsorship of *The Patrice and Rita Leary Foundation*, and United Community Bank.

Just for the record, *The Heroes* will return to the campus, again, to perform in the Roof Garden Ballroom at Arnolds Park on Bastille Day -- that's July 14th...

Glenn Henriksen will be performing at the Lakes Area Senior Center, Friday, from 4:30 to 6:30, for the Center's Spring Picnic. A Hamburger, with beverage, will be available for a free will contribution, and you can bring your own potluck salads and/or desserts, to maybe even share your delights! Dishes and silverware will be provided. The only thing center manager Pam Foxhoven asks is that you RSVP, (712-336-5247), by Tuesday, the 26th...

As we were pushing snow on Easter afternoon, a passerby asked if it was really April. While the weather indicated otherwise it was a busy holiday weekend on and off campus. The really good news is that James 'Toad' Schooley has already nailed down the dates for *Spencer's Mainstreet Market*, which will run on five consecutive Thursday evenings in July and August, on the front lawn of the Clay County Courthouse, July 14th, 21st and 28th, and August, 4th, and 11th with a rain date of August 18th. Jim noted that the performers will be announced very soon. The annual market is managed by *The Spencer Art Alliance (SPACE)*. The booths open at 5:00, each week, for shopping, with live entertainment beginning at 6:00 and lasting until 8:00.

No admission fee is charged to attend. Selling at *Mainstreet Market* is also free of charge once the vendor has applied for and is assigned an exhibit spot. As in the past, a popular vote for favorite artist will take place each evening in a secret ballot. Prizes of \$100, \$50, and \$25 are awarded at the end of each market.

Call 712-850-8623 with any questions about participation as a vendor, as an artist, or as a musician. Several food options are also made available.

Mainstreet Market is made possible by contributions from sponsors like *Spencer Main Street*, *Spencer Arts Alliance*, and the generous support of Clay County for the use of the Court House Square location. Everyone is welcome to bring a lawn chair or blanket, relax and enjoy old fashioned fun and entertainment...

Again, for the record, we also understand that Estherville and Jackson are making plans for similar markets again this year -- along with those at Arnolds Park and Spirit Lake...

This week will see *Baily Scott* taking the stage in the barn at The Little Swan Lake Winery, Saturday, from 2-4:00. Ryan Sather will take Baily's place Sunday afternoon, from 4-6:00. As always, Scott and Diane ask you to call ahead for reservations, 712-858-7593

RD had her part of *RAMBOLing* in well ahead of deadline, noting up front that the Number One song for the latter part of April and the first part of May, in 1968 was a big success for two guys with the same first name. Bobby Russell wrote *Honey*, which when it was recorded by Bobby Goldsboro, went to the top of the charts, making good money for the folks at both Bobbys and Epic Records. Several instrumental arrangements of the tune were recorded the same year, including those by Floyd Cramer, Jimmy McGriff, and Billy Vaughn.

Ever the sleuth, RD knew long before we did that Wednesday is Volunteer Recognition Day, calling for a song like *Less of Me*, written by Glen Campbell and featured on his 1967 LP, *Burning Bridges*, which was his fifth album for Capitol Records. The lyrics helpfully recommend one to "Think a little more of others and a little less of me." A celebration of Campbell's 86th birthday would have been this Friday...

Thursday, says RD, is High Five Day. She has a purpose here, noting that the *Dave Clark Five* (a FAV!) was formed in Tottenham, London, England, in 1958. Six years later they produced their first Top Ten Hit, *Glad All Over*, on the Epic label, and became the second British rock and roll group to guest on *The Ed Sullivan Show*. The appearance helped further their career with more successful 45's, including *Bits and Pieces* (#4), *Because*, (#3), and *Over and Over*, their only Number One Hit!

Regardless of its place on the list, it is the Number One DC5 song on RD's list. ("Told ya there was a purpose")...

West O Beer Announces 'On Us' Lineup and Partner List

Nonprofit fundraising nights at West O Beer
West O Beer announces the first lineup of events and partner organizations comprising its new "Taproots: On Us" initiative. One night per month, every month, "On Us" will focus energy and donations, and help to shine a spotlight on area nonprofits and initiatives falling under the brewery's new "Taproots" program. Beginning this month, the "On Us" schedule includes:

- April 28 - Spirit Lake Music Boosters
- May 26 - Big Splash Aquatics
- June 30 - Dickinson County Trails
- July 28 - CAASA
- August 11 - Pearson Lakes Art Center
- September 29 - Keep Okoboji Blue
- October 27 - Okoboji Foundation
- November 10 - American Legion
- December 8 - Dickinson County Hunger Coalition

"As part of our new Taproots program, this series is our chance to directly give back, each and every month, to people and organizations doing incredible -- and often unsung -- work in the Lakes Area." West O Beer co-owner Matt Matthieson said. "From lesser-known initiatives to larger organizations, this is West O's saying 'this round, this night's on us.'"

Each event will run from 6:00-8:00pm and will include a short presentation by each organization. Additional materials and information will be made available. West O Beer is also committed to donating a portion of the day's proceeds to each organization.

Additionally, West O plans on scheduling these events on a rolling basis. Any interested area nonprofits, and any and all inquiries are encouraged to contact West O at taproots@westobeer.com.

About West O Taproots - West O Beer, Okoboji's premier craft brewery, earlier announced the creation of its new community engagement and collaboration initiative -- "West O Taproots." Since opening in 2013, giving back to the Lakes Area, its landscape, local nonprofits and community initiatives has been core to the West O Beer mission. "Taproots" formally and more deeply establishes a framework for giving back into West O's mission -- including "On Us," "On Tap," "On the Ground," and "West O Giving." Further press releases announcing efforts and events for each of these programs will follow.

It's So Easy To Eat Healthy

by Bill Brandt, owner and operator of Brandt Gardens & Greenhouse LLC

Brandt Gardens & Greenhouse LLC, Lakefield, Minnesota, has this healthy solution for you and your family – Community Supported Agriculture (CSA). Our business will deliver to your home or workplace, a weekly CSA share/box of locally grown produce for up to 20 weeks, starting in May and ending in October.

- The following are the CSA share choices:
- **CSA Mini Share:** includes one monthly delivered box of locally grown produce starting in May - October which is a total of 6 times/boxes for the 2022 growing season. A CSA mini share is for a household of 1 to 2 adults/family.
 - **CSA Bi-Weekly Share:** which is delivered every other week for a total of 10 boxes of locally grown produce
 - **CSA Half Share:** includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA half share is for a household of 1 to 2 adults/family.
 - **CSA Full Share:** includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA full share is for a household of 3 to 4 adults/family.

We intend to deliver 20 weeks/times for your enjoyment of our boxed produce half or full share but wish to have an understanding that our growing season can be unpredictable and have included the 17 week minimum. Deadline to purchase a CSA share is May 1, 2022.

The following fruits and vegetables will be available sometime during the 2022 growing season in the CSA box share: apples, asparagus, beans-green, beets-red or golden, broccoli, Brussels sprouts, cabbage-green or red, carrots, cauliflower, celery, chard, cucumbers-slicers-burpless-pickling, eggplant, *garlic, kale, kohlrabi, lettuce-leaf green-red-romaine, onions-red-yellow-white, peas-sugar snap, peppers-sweet bell-hot, pie pumpkins, potatoes-red-white-Yukon, rhubarb, radishes, *raspberries, rutabagas, scallions, shallots, summer squash-yellow, sweet corn, tomatoes, winter squash- 10 varieties, and zucchini.

Our business is offering our community members another choice/means of accessing good food. Good food does two simple things. Good food tastes better and good food nourishes our body. Nothing is better than the first taste of a vine ripened tomato or that first ear of fresh sweet corn or for that matter, anything grown in the garden after a long cold winter!

Just as important as these two simple things is the idea of knowing exactly where your CSA box share of food was grown.

Brandt Gardens & Greenhouse LLC is leading the way with this economic model, but are teaming up with other growers in the surrounding area to help supply these CSA share boxes of fresh produce. The majority of the produce in the boxes will be grown by Brandt Gardens & Greenhouse LLC, but some of the items such as apples, garlic, strawberries, or raspberries we do not grow and will rely on other growers of our area to supply. Produce quality in the boxes will be strictly monitored and high standards will be required for customer satisfaction.

The following will be our delivery schedule for the 2022 growing season: Windom on Tuesdays, Spirit Lake, Milford, and Spencer on Wednesdays, Jackson on Thursdays, and Worthington on Fridays. Farm pick-up is also an option.

Upcoming Parenting Workshops Offered Online from The Science of Parenting

Research conducted by Zero to Three (2016), found that parents need and want information and support. Eighty percent of parents work to be better parents, and 69 percent of parents say if they knew more parenting strategies, they would use them. Despite this motivation, however, almost half of parents say they aren't getting the support they need during times of stress.

The Science of Parenting team from Iowa State University has scheduled online workshops to help parents learn strategies to use. The three workshops are Positive Discipline, Children's Ages and Parenting Stages, and Understanding Temperament.

These three workshops all focus on the objective of sharing research-based information that fits each family's own reality. The first workshop addresses the common question of "how do I practice positive discipline and manage my child's behavior?". The second helps parents and caregivers better understand child development, and the third is all about temperament – or the unique traits we all have and how to navigate them.

Positive Discipline is scheduled online for Tuesday, April 26, from noon to 1:00pm. Register online at <https://go.iastate.edu/HGH3H4> by April 22. This class is approved for foster parent credit hours.

Children's Ages and Parenting Stages will take place online Tuesday, May 3, from noon to 1:00 p.m. Register by April 29th at <https://go.iastate.edu/R7G1FO>.

Understanding Temperament will be held online Tuesday, May 10, from noon to 1:00 p.m. Register at <https://go.iastate.edu/K7RA8I> by May 6.

These workshops are free for participants, but you are asked to register ahead of time to receive the class link and materials. For more information, visit www.scienceofparenting.org or contact Mackenzie DeJong at 712-541-8737 or parenting@iastate.edu.

OHS Jazz Band is Class 2A Runner Up

The OHS Jazz Band continued its storied tradition of success at the Iowa Jazz Championships on April 5th in Ames. At the conclusion of the competition season, the 15 top jazz bands in the state in each class are invited to perform at the Iowa Jazz Championships. Bands earn a bid by placing first or second at district competition or by receiving one of seven "wild card" entries. The OHS Jazz Band placed second to West Lyon at districts in February. At IJC each band plays once during the day and the top eight are announced at the awards ceremony after the preliminary round with the top two bands returning to perform again in an evening concert which determines the state championship. The OHS band qualified as one of the two finalists along with West Lyon, the eventual state champion in Class 2A. This marks the 27th consecutive year the OHS Jazz Band has qualified for the Iowa Jazz Championships and the 13th time they have made it to the evening finals. The Pioneers earned three outstanding soloist awards during the preliminary round. The students recognized for this award were senior Gwen Gehrke and junior Connor Cunningham on saxophone and freshman Lydia Downing on drums. The band will lose three seniors and return fifteen of their eighteen members next year. The band next performs at The Roof Garden on Saturday, May 7, at 6:00pm, and free-will donations are accepted to support the jazz band.

OHS Jazz Band members are: (front row) Michael Gonnerman, Lydia Downing, Gwen Gehrke, Addison Cunningham, Anna Petersen, Connor Cunningham, Cole Becker; (second row) McKenna Hesse, Lexi Duffy, Trigg Heimdal, Hunter Hallgren, Marc Hoggard, Morgan Riphagen; (third row) Sam Hoggard, Grace Downing, Kayla Kollasch, Izze Gehrke, Drew Sandven, Director James Kunz.

Bullpen, Bats to Blame for Twins Slow Start

The Minnesota Twins actually made one of the biggest splashes this preseason with the signing of All-Star shortstop Carlos Correa from the Houston Astros and also made some nice moves to strengthen their starting pitching rotation in hopes of avoiding another 2021 season that saw them finish a very disappointing 73-89 and in last place in the American League Central. While it's way too early to hit the panic button, the Twins' 2022 start has a very familiar feel to their 2021 start where their bats were asleep and their bullpen blew up.

As we go to press on Monday the Twins are 3-6 and I'm guessing will be 3-7 after a daytime game at Boston. After nine games the Twins have just 51 hits, which is the lowest in this number of games in franchise history, and is seven hits lower than the 1981 team (that team finished a strike-shortened season at 41-68). The Twins currently are last in the American League with a batting average of just .182, and currently have no one batting above .300. Correa is hitting just .133 with one home run while Miguel Sano has been even worse, batting just .077 through nine games. The starting pitching has been good enough to win games, but the bullpen has been abysmal. After nine games the bullpen has given up 18 runs in the 8th inning alone; for a reference point, the Twins have scored just 29 total runs so far this season.

Much like 2021, this team had some high expectations with the off-season moves that were made, but so far the Twins have once again, dramatically underachieved. Star centerfielder Byron Buxton was again injured on Friday at Boston, and that definitely did not help things over the weekend, but Minnesota should be used to playing without the often-injured star by now. Hopefully the knee injury is not major and Buxton can return to the lineup later this week. While it is way too early to give up on this team, it is concerning to see the same trends that submarined the 2021 season rearing their ugly heads again to start this 2022 campaign. Let's hope as the weather warms (if that ever happens) that the Twins' bats and bullpen follows suit and heats up to help this team pick itself off the mat and out of last place in the AL Central; if not, it's going to be another long season of baseball for us long-suffering Twins fans!

LETTERS TO THE EDITOR

National Volunteer Week April 17-23

Dear Readers,
April 17-23 is National Volunteer Week, and I would like to thank all those people in Dickinson County who volunteer for any organization. Giving your time to an organization which provides services or raises funds for the people or causes of our region is a special commitment.

I would like to offer a special pat on the back to all those: past and present, who have given their time to the volunteer fire and EMS services in the area. The U.S. Fire Administration says 86.1% of the fire departments in the nation are made up of all or mostly volunteers. In Iowa, they say that number is 95.8%. In Dickinson County, that number is 100% volunteers. Yes, some of the Chiefs and officers are paid a small amount to cover the hours they spend in the office doing the required paperwork and planning for the organizations. Some of the firefighters themselves even receive a small amount per call they respond to. None of the dozens of men and women who are responding to the fires, and accidents in Dickinson County are doing it because it is their job.

The Paramedics from Lakes Regional Hospital are paid staff, and ready to respond from there 24 hours a day. The first responders who will gladly leave work or get out of bed and come to your emergency are volunteers. They give their time several times each day to help people who have been hurt or are experiencing a medical problem. They attend many hours of training each year to gain the knowledge necessary to do this.

This important service is being provided by a dwindling number of people. I have been a proud member of the Milford Community Fire Department for 22 years. I have been an EMT responding to medical calls with the rescue unit attached to this department for nearly as long. I have enjoyed those years and the people I have served with. Serving my community has been rewarding and enjoyable during that time. It has been work as well: I don't want to mislead anyone. It is a commitment. Like many things in life, you get back what you put into it. There were 35 members on the MCFD when I joined in 2000. There are now only 16 names on that list as I type this. Many names have come and gone from that list in 22 years. I have met many great people: both on the department and in the community during that time. I have traveled across the country, as have other members of the department for training and learned things I never even considered before I joined. I and all the members I work alongside are getting older. We don't see many of the younger generation getting involved.

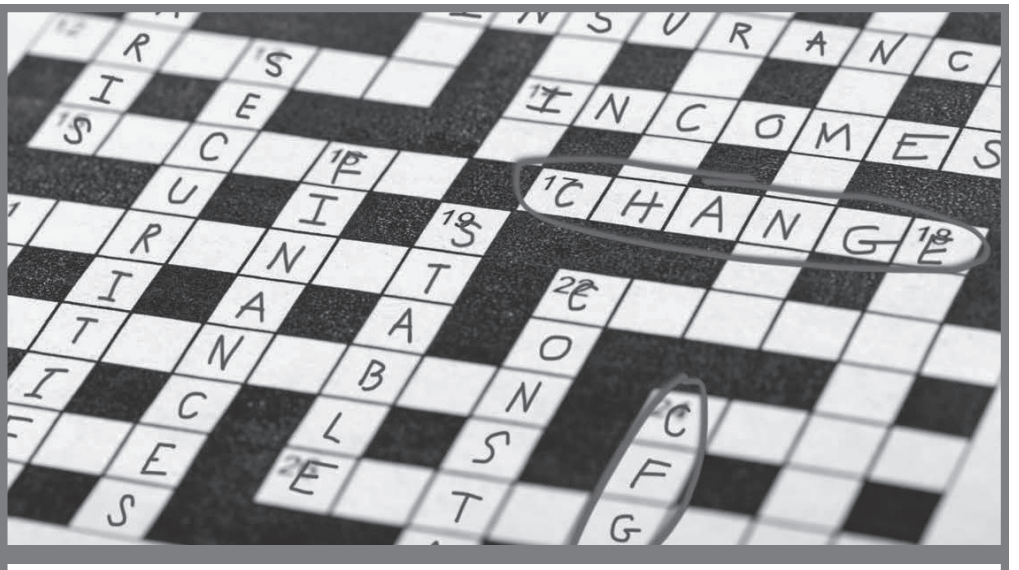

I would like to invite you to join me, and the other members of our brotherhood (sisters also) in the service of others. We need you. The volunteer fire and EMS services are fading away as our numbers drop and our average age rises. If you have some time in your life you could give for others, please consider contacting your local agency. Thank you for thinking of us.

Pasta Carbonara

- Serves 4

- 1/4 cup extra virgin olive oil
- 1/3 lb. pancetta, cut into 1/4" dice
- 4 large cloves garlic, chopped
- 1 1/2 teaspoons ground black pepper
- 1 cup white wine
- 6 large egg yolks
- 1 cup grated Pecorino Romano
- Salt
- 1 pound bucatini or spaghetti
- 1/2 cup parsley, finely chopped

Bring a large pot of water to a boil. Liberally salt the water, add the pasta and cook 1 minute less than the package recommendation. Meanwhile, in a large, deep skillet over medium heat, add EVOO to coat the bottom of the pan. Add the pancetta, cooking for about 3 minutes. Add the garlic and pepper and stir 1 minute more. Add the wine and reduce about 7 minutes, then turn the heat to low. In a bowl, combine the egg yolks and grated cheeses. Add about 1 1/4 cups of pasta water and whisk in a steady stream into the eggs. Transfer pasta with tongs to the pan with the pancetta and garlic. Remove the pan from the heat and add the egg yolk mixture and parsley. Toss to combine. If the sauce is too thin, return the heat to the lowest setting and, stir for 2 to 4 minutes until the sauce thickens. Add salt to taste.

Over \$6,000 for Arise! Ukraine raised at "Rock for Ukraine" at the Roof Garden Ballroom

Thank you to all who gave money, talent or time to help the people of Ukraine

The Iowa Rock 'n Roll Music Association is extremely pleased to present over \$6,000 in proceeds raised through the "Rock for Ukraine" event held in the fabulous Roof Garden Ballroom on Monday, April 11. Several Iowa Rock 'n Roll Music Association Hall of Fame Inductees from some of the most popular regional bands shared the Roof Garden stage for a great evening to raise funds to assist the people of Ukraine.

Three all-star groups, all of which have at least one Iowa Rock 'n Roll Music Association Hall of Fame Inductee, volunteered their time and talents for the evening of music and dancing. The Senders, The Itty Bitty Boji Band, and Lake Patrol as well as 2x Iowa Rock Terry Klein. On behalf of the Iowa Rock 'n Roll Music Association and our donor recipient, Arise! Ukraine, we want to sincerely thank all of them for their wonderful donation of time and talent, and we also want to thank our sponsors, and every person who came and/or donated.

All proceeds from the event are going to Arise Ukraine, a 501(c)3 non-profit Christian missionary group based out of Sioux Falls, which has been delivering food and supplies directly to the people of Ukraine. The mission reports that they may do something "significant" with these funds such as using them for mobile food delivery, or maybe even drilling a well to provide fresh water.

Joni Merkley from the Arise! Ukraine US office in Sioux Falls said after watching a Facebook Live video of the event, "This is AMAZING! I'm watching this with tears streaming. I can't wait for the Arise! Ukraine team in Ukraine to see this! We're beyond humbled and blessed by the generosity."

Sponsors for the evening included Arnolds Park/The Roof Garden Ballroom, Blake Childs Designs, The Lakes News Shopper, KUOO and The Iowa 'n Roll Music Association. The event started with an idea by Iowa Rock 'n Roll Hall of Fame Inductee Terry Klein, who said, "I made some phone calls, and the bands all just said, 'We're in, count us in'. We were all honored to try and help."

Clay Norris, Executive Director of the Iowa Rock 'n Roll Music Association added, "When Terry approached us with this idea, we thought this was a wonderful way we could try to help the people of Ukraine. I think we all wonder, 'What can I do?'. And with all of us gathering under the unifying force of music, we were able to do something to help in a meaningful way. We are also very excited about how this event is seeming to spur others to do the same. We were humbled by the response from all over the state."

For more information, please see our Facebook page @IowaRockNRollMusicAssociation or visit www.iowarocknroll.com. For more information about Arise Ukraine, please visit @ariseukraine on Facebook.

If you could not attend, but would still like to donate, donations can be made via Venmo, @IowaRocknRoll, PayPal: info@iowarocknroll.com, by calling the museum Tuesday-Saturday at 712-330-0889, or by stopping by the museum at 243 W. Broadway in Arnolds Park.

Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and amenities our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

This week's adventure brought me to the Iowa Department of Natural Resources Spirit Lake Fish Hatchery. It's one of my favorite places to visit each spring, and they recently reopened to the public after 2 years. They've also just completed a major renovation that will help a higher percentage of eggs hatch. The new system that was put in place uses city water instead of lake water, and allows the hatchery staff to have more control of water conditions to keep the eggs healthy.

Each spring the DNR staff from Spirit Lake and other hatcheries around the state collect Walleye, Muskie, and Northern Pike using gillnets. Once they bring the fish to the hatchery, they remove the eggs, fertilize them, and incubate them in special jars that provide a flow of fresh water and oxygen until the eggs hatch in about 2 weeks. In all, 81 million walleye "fry" from the Spirit Lake Fish Hatchery will be stocked into lakes throughout Iowa!

The best part is that they invite the public to learn more about the process and watch how it works. The staff and volunteers are so smart and happy to share their knowledge about our lakes and fish populations with visitors. They put in very long hours during this time of year, but still take the time to answer endless questions from visitors. I'll admit that I asked A LOT of questions!

They had collected lots of Muskie by the time I visited last week. It's very interesting to see these large fish swimming in tanks while waiting for their eggs to be ready. On the day I visited, the largest Muskie collected was 48.8" long and 38 pounds. They collected even larger Muskie later in the week! An interesting fact that I learned is that we stock about 500 additional Muskie in our local lakes each year. They might not be every fisherman's favorite catch, but they help keep the ecosystem in our lakes healthy and are very important to healthy fish populations in the Iowa Great Lakes!

The Spirit Lake Fish Hatchery is open to the public 7 days a week from 8:00am to 8:00pm until May 6. If you haven't visited recently, go today! It's a great way to become a tourist in our backyard and learn more about our lakes. You can find more information about the Spirit Lake Fish Hatchery and other interesting attractions in the Iowa Great Lakes area at www.VacationOkoboji.com. You can also hear more about this adventure by listening to the latest Vacation Okoboji podcast.

If you haven't purchased your fishing license this year, do it today! Fishing licenses help support the fish hatchery and healthy fish populations in our lakes. Plus, a day spent fishing is a great day! You'll also need your fishing license after you register for the Iowa Great Lakes Area Walleye Weekend Tournament May 7-8 for your chance to win \$40,000 by catching a tagged walleye!

Leading with Liberty Keynote Speaker Dr. Lee Merritt

The Iowa Great Lakes Patriots and local leaders are bringing the Leading with Liberty conference to the Okoboji area. The speaker lineup is over a dozen strong, with keynote speaker "The Medical Rebel" Dr. Lee Merritt, former Iowa Senator and emergency room physician Dr. David Hartsuch, Co-Founders of the Marilyn Protocol Dr. Edward (Ted) F. Fogarty III and Dr. Bradley Meyer, and many more. The Friday, May 6th evening event at the historical Roof Garden in Arnolds Park will begin at 6:00, doors will open at 5:00pm. A food truck will be onsite from 5:00 - 7:00. Purchase at www.goevents101.com/LeadingwithLiberty or call 712-330-1288.

Dr. Merritt will discuss "the DNA War Against Humanity." She will arm you with the tools to activate against the attack on our God-given DNA. Dr. Merritt has been in the private practice of Orthopedic and Spinal Surgery since 1995, has served on the Board of the Arizona Medical Association, and is past president of the Association of American Physicians and Surgeons. She is willing to ask hard questions and pursue unpopular ideas in search of answers against the rise of medical tyranny.

Dr. Hartsuch, as an Emergency Medical Specialist, discerned a simple salt solution as the safest and most accessible way to help COVID-19 patients through the salt-wasting crisis of the pandemic virus and its various strains. Dr. Hartsuch will address the attacks upon medical licensure and the regulations of patient care.

Drs. Meyer and Fogarty will discuss the clinical experience and case series, forthcoming in publication, of setting up Mild Hyperbaric micro-ICUs in patients' homes and their Spirit Lake Clinic. These protocols were pioneered across state lines between North Dakota and Iowa with the North Dakota CARES ACT federally funded Medical Countermeasures to COVID-19 paired with Ivermectin protocols and IV NAC developed by them to save lives in a global bio warfare environment.

The event sponsors include area business leaders creating the Okoboji Diving Medicine Foundation (ODMF). "ODMF will be known as the funder of more medical miracles than any other organization in America" - Edward F. Fogarty, MD.

Milford Library News

Congratulations to Milford Memorial Library's Spring Egg Hunt Winner Elliana Antoine.

On Wednesday, April 27, from 5:30 to 6:30pm, Milford Memorial Library will be hosting a Hot Air Balloon Presentation featuring private Hot Air Balloon Pilots Anne Susko and Eric Scheve. They will explain what drew them to hot air ballooning, information about ballooning equipment, and how it works. Attendees may also get a chance to look at their equipment. All ages are welcome to attend this free presentation. If you have any questions, please contact the library calling 712-338-4643 or emailing info@milford.lib.ia.us.

Join us on Tuesday, April 26, at 7:00pm, at the Arnolds Park Library, for a fun night of painting, fellowship, and snacks provided by the three local libraries. Any skill level is invited to recreate a painting following step-by-step instruction. All of the supplies will be provided by the libraries. There are only 30 spots available so pre-register at the Arnolds Park Public Library, Spirit Lake Public Library, or the Milford Memorial Library. The cost is \$15 for registration. Registrants will need to pay prior to the event to secure their spot. You may also register by going to this link: <http://milfordlibrary.weebly.com/adult-program-registration.html>.

Would you listen to a book while you cook? Or on a run or any place having fun? Would you listen on a drive or doing the hand jive? If there is a yes, then be our guest at Milford Memorial Library to check out a Playaway.

A Playaway is an audiobook packaged into a small, simple to use device that has an AAA battery. Listeners will need a pair of corded head phones or use an aux cord in a vehicle or with a larger speaker. Users are able to speed up or slow down how fast the narrator is talking. They are able to move forward or backward by seconds or entire chapters. The choice is yours. Milford Memorial Library has a variety of titles and interest levels of Playaways for our patrons to check out. To view titles, go to the online catalog at www.milford.lib.ia.us or stop for a visit.

There is still time left for Young Adults, fourth through twelfth grade, to register for MML's Young Adult Subscription Box: Willy Wonka and the Chocolate Factory until Friday, April 22. This free activity does require registration. You may register by calling 712-338-4643 or online at <http://milfordlibrary.weebly.com/ya-subscription-box-registratoin.html>.

Lakes Area Senior Center News
by Pam Foxhoven

Greetings all. On Friday, April 29, from 4:30 - 6:30, the Senior Center is holding a Spring Picnic Pot Luck with music by Glenn Henriksen. The Senior Center is furnishing the hamburgers on a bun, drinks and dinnerware. There is no charge, however a free will donation will be accepted. Funds will go towards upkeep of the building. Please call your reservations in to 712-336-5247 by April 26. Let us know how many are in your party and what you are bringing. Come and enjoy an evening with Glenn Henriksen.

The Senior Center remains busy with Kiwanis, three card groups, blood drives and three styles of exercises. Our newest exercise class offered is cardio drumming. All you need is an exercise ball and a pair of drum sticks (or wooden spoons) and beat along to the music. We also have two pool tables and a ping-pong table for your entertainment. There is also a dance on the last Sunday of the month with music by Bill and Jackie Carpenter.

Be sure to check the outside food pantry. Lots of items are available.

If you are in need of a facility to rent for a business meeting, family reunion, a graduation, or just a friendly get-together, call 712-336-5247 to see what's available.

Watch for news about a Spring Craft Fair on Saturday, May 21, 2022. We still have some tables available.

Free blood pressure checks by Good Samaritan will take place on the third Thursday of the month.

Dinner date meals are available Monday through Friday. Stop in to get a menu. Please call 712-336-5247 by 1:00pm Friday to reserve your meal for the next week.

Office hours are 9:30 - 2:30 Monday through Friday.

LETTERS TO THE EDITOR

Despicable Charades

To The Editor:
The Senate Judiciary Committee hearings and confirmation vote for Supreme Court nominee Judge Jackson again demonstrated total disregard for ethical behavior and adherence to Senate protocol by Republican members who turned proceedings into a despicable charade. It began with opening remarks by our Senator Grassley, who came across as a doddering old man incoherently reading his notes, haranguing about Democratic members questions in past judicial hearings. Let us forget that he along with then leader McConnell and Senator Graham turned the Senate Supreme Court nominee/confirmation process into a political sham when McConnell instituted the nuclear option for Supreme Court confirmations and subsequently all three refused to even interview Judge Garland due to "election closeness" then totally reversed themselves by quickly confirming Judge Barrett in an actual election year. This set the stage for disgusting hearing performances by Senators Blackburn, Hawley, Graham, Cotton and Cruz all of whom demonstrated no ethical standards or decorum in time allotted to them for questioning. In fact, Cruz's infantile display of placards set a new low for Senate hearings. Further disrespectful child-like behavior demonstrated during the Senate floor vote by Senators Graham and Rand who refused proper dress code so had to vote from the cloak room plus all Republican Senators, except three voting aye, walking out of the chamber during a standing ovation celebrating this momentous vote. One has to wonder why universities, particularly Ivy Leaguers and their law schools, who conferred degrees on these individuals aren't publicly distancing their institutions from these Senators' embarrassing actions. Republican Senators, some for decades, have continually played disgusting charades on the American public by proposing no solutions, obstructing or impairing Senate action on issues critical to America's future like immigration policy, global warming, gun safety, voting rights, healthcare affordability, economic inequality and infrastructure (although most are taking credit for recent infrastructure legislation even though they voted against it). These same Senators continue to support an ex-president who led an insurrection against our Constitutional Democracy, bungled the COVID crisis, drove national debt to record levels, created an economic collapse and continues to not concede his election loss. It's long past time to blame a Democratic president trying to address current problems that directly result from long running detrimental Republican actions and inaction. Americans need to end the charade; vote these obstructionist Republican Senators out of office. Our country's future depends upon it.

THANK YOU THANK YOU

Thank You
I wish to thank everyone who remembered me during my hospitalization and 80th birthday. The cards, well wishes and flowers were greatly appreciated. Sincerely grateful for family and friends.
Cathie Vermeys

From The Family of Bob Mulhern

God saw you were getting tired when a cure was not to be... He closed His arms around you and whispered, "Come to me." In tears, we saw you sinking, we watched you fade away. Our hearts were almost broken, you fought so hard to stay. But when we saw you sleeping so peacefully, free from pain, we should not wish you back to suffer that again. So treasure him, Lord, in your garden of rest. For here on earth, he was The Best. Amen. @Rising back again

A special thank you to Father Hughes for a beautiful service, the ladies of St. Joseph Church for a delicious lunch following the funeral, and to Turner Jenness Funeral Home for their compassionate care. We are deeply grateful for the love this community extended to our family; and for the cards, memorials, flowers, hugs & stories you told. You have touched our hearts, and we are so appreciative of your support during this difficult time.

CITY OF MILFORD: Board of Adjustment Member Needed

The City of Milford has 2 openings to serve on the Board of Adjustment (5-year term). The Board of Adjustment is not a policy making board, but rather a quasi-judicial board responsible for the following: (1) Administrative review where it is alleged that there is error in any order, requirement, decision, or determination made by the Zoning Administrator; (2) Hear and decide special exception use applications; and (3) Authorize in specific cases a variance from the terms of the Zoning Ordinance when the variance is not contrary to the public interest and, due to special conditions, a literal enforcement would result in unnecessary hardship, and so that the spirit of the ordinance is observed and substantial justice is done. A small stipend is also paid to board members.

If interested please visit www.milford.ia.us for a board member application. Applications will be taken until positions are filled.

All appointments will be in accordance with Milford City Ordinances, Iowa Code 69.16 concerning gender balanced boards, and the City's Volunteer Board Appointment Policy.
