ARIES (March 21 to April 19) A stubborn refusal to go ahead on a project mystifies colleagues who expected more flexibility. But once you explain your position, they'll understand and even applaud you.

TAURUS (April 20 to May 20) A relationship seems to be stuck in the same place. Now it's up to you, dear Bovine, to decide how far you want it to go and how intense you want it to be. Choose well and choose soon.

GEMINI (May 21 to June 20) A relationship progresses more slowly than you would prefer. Best advice: Insist on a frank and open discussion. What is learned could change minds and, maybe, hearts.

CANCER (June 21 to July 22) It's all right to be grateful to a workplace colleague who has done you a good turn. But gratitude shouldn't be a life-long obligation. The time to break this cycle is now.

LEO (July 23 to August 22) It's going to be especially nice to be the King of the Zodiac at this time. A recent money squeeze eases. Plans start to work out, and new friends enter Your Majesty's domain.

VIRGO (August 23 to September 22) Before you make a commitment on any level (personal, professional, legal), get all the facts. There might be hidden problems that could cause trouble later on.

LIBRA (September 23 to October 22) Personal relationships improve. Professional prospects also brighten. A job offer could come through by month's end. An old friend seeks to make contact.

SCORPIO (October 23 to November 21) Your senses detect that something is not quite right about a matter involving a workplace colleague. Best advice: Follow your keen instincts and don't get involved.

SAGITTARIUS (November 22 to December 21) A prospect offers rewards, but it also demands that you assume a great deal of responsibility. Knowing you, you're up to the challenge, so go for it, and good luck.

CAPRICORN (December 22 to January 19) A favor you did a long time ago is repaid, as a trusted colleague steps in to help you with a suddenly expanded workload. A family member has important news.

AQUARIUS (January 20 to February 18) A new job offer could require moving across the country. But before you let your doubts determine your decision, learn more about the potentials involved.

PISCES (February 19 to March 20) Your sense of fair play doesn't allow you to rush to judgment about a friend who might have betrayed you. Good! Because all the facts are not yet in.

BORN THIS WEEK: You have a romantic nature that allows you to find the best in people. You would excel at poetry and drama.

Piedmont Pets
May 12, 2022 By Paulette Dean

996 South Boston Rd.,
Danville, VA 24540
Phone: (434) 799-0843

We are in the beginning of what appears will be a very busy kitten season. We have a problem with our foster home program and it is a wonderful problem to have! Most of our foster homes become the new forever home for the animals. We are currently seeking new foster homes.

In late summer of 2005, Annette Nolen-Ferguson found a litter of orphaned, unweaned kittens in this area. She took them into her home and lovingly bottle fed them and provided them 24 hours a day care. When they were about seven weeks old, she found all of them homes. People who knew Annette were not surprised by this, because she had loved animals her whole life. Annette and her family had no way of knowing that shortly after that, on October 25, 2005, Annette would pass away suddenly, leaving a grief-stricken family.

Her parents, George and Judy Nolen, decided that they wanted their daughter's life to be remembered and memorialized, and they chose to do that by establishing the Annette Nolen Ferguson Foster Fund with the Danville Area Humane Society.

Although we have had a foster program for special-needs cases, we have a desire to expand that program. As many orphaned, unweaned kittens and puppies come into our open-admission shelter every year (sometimes in the hundreds), the need is great for people to be willing to provide the care in their homes. As a natural consequence of this, they become adoption ambassadors for their foster animals and help find homes with friends and family members, using our regular adoption process. That is a winning situation for the animals, the

foster homes, and us!

Our biggest need involves litters of kittens and puppies who come to us without their mother need to be in a home where they can be bottle-fed, taught basic puppy/kitten skills, and then brought back to us for adoption when they are able to eat solid food.

Until now, foster homes were responsible for the cost of the food and veterinary care. This fund allows us to provide the food and to pay for the veterinary treatment.

The process for being approved to be a foster home is the same for being approved for an adoption. It is not a long process and it helps us ensure the future safety and well-being of shelter animals. Just stop by the shelter during our regular business hours (12-5:30 Monday-Friday and 12-3:30 on Saturday) and fill out a questionnaire to begin the process.

Donations, of course, to the Annette Nolen Ferguson Foster Fund are tax-deductible. Visit our Facebook page to donate through PayPal, stop by the shelter, or mail a check to DAHS at P.O. Box 3352, Danville, VA 24543.

We are grateful to George and Judy Nolen for their generosity.

HOLLYWOOD

by Tony Rizzo

HOLLYWOOD — Ben Affleck is directing and starring with Matt Damon in an untitled film for Amazon in which Damon plays a salesman for a fledgling shoe company named ... Nike. Affleck's psychological thriller, "Deep Water," with Ana de Armas, dropped in March, and his "The Flash" film is due in June 2023. Damon is upcoming in "Thor: Love and Thunder" and in Christopher Nolan's "Oppenheimer" (father of the atomic bomb).

Affleck, a two-time Oscar winner, holds on to longtime relationships. He and Jennifer Lopez first connected in 2002 on "Gigli." She filed for divorce from Cris Judd that July and by November they were engaged. She was even willing to become Jennifer Affleck! Just days prior to the 2003 wedding, it was called off. In June 2004, Lopez wed Marc Anthony, and Affleck coupled with and married Jennifer Garner the following year.

Flash forward to April 2022, when they officially became re-engaged. Affleck popped the question while she was in a bubble bath, and they went house hunting in the exclusive Holmby Hills community. For her 52nd birthday, they hid away on a yacht just off the beach from Monaco. Can Benifer make it this time, or will they call it off again?

In 1959, Billy Wilder's "Some Like It Hot" premiered with Tony Curtis and Jack Lemmon as musicians forced to flee Chicago after witnessing the St. Valentine's Day Massacre. Disguised in drag, they joined an all-girl band headed to Florida. Their lead singer was Marilyn Monroe (aka Sugar "Kane" Kowalczyk). The film cost \$2.9 million to shoot and grossed \$49 million (about \$480 million today).

In 1972, songwriter Jule Styne ("Gypsy" and "Funny Girl") and lyricist Bob Merrill ("Carnival" and "Funny Girl") wrote the music and lyrics for "Sugar," the Broadway musical of "Some Like It Hot," starring the

Ben Affleck and Jennifer Lopez

late Robert Morse (in the Tony Curtis role), Tony Roberts (in the Jack Lemmon role) and Elaine Joyce (in the Marilyn Monroe role). It ran 505 performances. In 2002-03, Tony Curtis toured in a national company of "Sugar" (as Osgood Fielding III, the man romantically pursuing Jack Lemmon's character), which they called "Some Like It Hot: The Musical."

On Dec. 11, a new "Some Like It Hot: The Musical" will open on Broadway with a score by Marc Shaiman ("Hair-spray"), and a book by Tony-winner Matthew Lopez and "Late Night with Seth Myers" staff writer/performer Amber Ruffin (with a show on Peacock). Here's the twist: While Broadway actor Christian Borle of the TV series "Smash" will play the Tony Curtis role, both the Jack Lemmon and Marilyn Monroe roles will be played by people of color, J. Harrison Ghee and Adrianna Hicks. If audiences don't warm up to this "Hot," they can't blame it on the weather.

VIRginia International Raceway's Season Kicks Off Bringing Motorsports Fans to the Region

Three Major Spectator Events in May and June Promise Influx of Visitors

Alton, Va. – May 5, 2022 – VIRginia International Raceway (VIR) is kicking off its season of major spectator events in May, marking the beginning of what promises to be a busy tourism season for the Danville, Halifax and Pittsylvania County area. The three events, Hyperfest: The Automotive Amusement Park, MotoAmerica Superbike and the SRO GT World Challenge, will bring tens of thousands of motorsports fans to the area in May and June.

The season gets underway with Haltech Hyperfest presented by GRM Friday, May 13-15. Hyperfest is one of the largest motorsports festivals on the East Coast and features road racing, car shows, ride-alongs, obstacle courses, karting, a kid zone, live music and more - truly something for everyone. The following weekend, May 20-22, is for two-wheel fans as the MotoAmerica Superbikes at Virginia comes to town and shows off the best in motorcycle racing in the country. Lastly, the Fanatec SRO GT World Challenge America Powered by AWS will take place June 17-19, bringing the upper echelon of GT sports car racing to VIR.

Each of these events will bring both new and familiar faces to VIR and in turn, the surrounding areas, and an opportunity for our residents to show why we love the region so much.

“When our visitors are not enjoying the action on the track at VIR they will want to spill out into our communities and take advantage of our unique shopping, dining and attractions,” said Lisa Meriwether, tourism manager for the City of Danville. “Sharing this information with our area businesses will ensure they are well staffed, stocked, and ready to provide great customer service to our guests during these high-profile events.”

“We’re so fortunate to have one of the most sought-after racetracks right in our backyard,” said LaTonya Hamilton, director of Halifax County Tourism. “2022 is set to be VIR’s biggest year yet and that gives local business owners an incredible opportunity for increased exposure and foot traffic. Being aware and knowledgeable of the events can aid in preparation and ensuring these visitors return again and again.”

To view a complete schedule and more information on each event, and to purchase tickets, visit: <https://virnow.com/events/>.

Best Strawberry Cobbler Recipe

INGREDIENTS

- 6 cups fresh strawberries, sliced (or more--the more berries, the juicier the cobbler)
- 1 cup fresh blueberries
- 1 lemon juiced
- 6 Tbsp butter melted
- 1 cup milk
- 1 cup sugar
- ½ tsp salt
- 2 tsp baking powder
- 2 cups flour
- 1 tsp vanilla extract
- 1 tsp almond extract

- The sprinkled topping:
- ½ cup sugar
 - 2 Tbsp cornstarch
 - 2 cups boiling water
 - Fresh mint, garnish

Instructions

Preheat oven to 375 degrees.

Spray a 9x13 pan with cooking spray. On the bottom, lay the strawberries first, then the blueberries on top, and squeeze juice of 1 lemon over the berries.

In a medium bowl, mix together the melted butter, milk, sugar, salt, baking powder, flour, vanilla, and almond extract. Pour over the berries.

For topping:

In the same bowl, add the remaining 1/2 cup of sugar and 2 Tbsp cornstarch. Mix together and sprinkle on top of the cobbler mixture.

Over the entire cobbler, pour 2 cups of boiling water.

Bake for 1 hour. Serve warm with vanilla ice cream or fresh whipped cream!
