# From President Brenden

Another year has passed, and again the Kiwanis Club of Woodhaven is teaming up with the Downriver News Herald to share our message with the community.

Kiwanis is a global organization of volunteers, dedicated to changing the world one child and one community at a time. The Kiwanis Club of Woodhaven is comprised of 38 members from all across the Downriver community. Some of our members are college students, and some are long retired. Though you may not think of Kiwanis as a place for younger people, that's not the case in Woodhaven. In fact, 20% of our membership is under the age of 30. Some of our members fit Kiwanis into a busy schedule of babysitting grandchildren, and others fit it into a busy schedule of college. No matter the age, Woodhaven Kiwanis is an intergenerational effort to make a positive difference across the Downriver community.

Woodhaven Kiwanis puts on several projects throughout the year. One signature project is our Kids Against Hunger event. Every year, on the first Saturday of February, hundreds of third, fourth, and fifth graders get together from local elementary schools to help pack meals for food banks, both near and far. You may also see a Woodhaven Kiwanian ringing the bell for the Salvation Army, or down in Detroit at the Piquette Square housing complex for veterans, preparing a delicious warm meal on Veterans' Day. You may also catch us at Emagine Theater in Woodhaven hosting a movie for children with autism.

At the Kiwanis Club of Woodhaven, 2022 is shaping up to be the year of "the first time in 3 years". Our movie for children with autism returned for the first time in 3 years on April 23rd. On May 11th, we will hold a shower at Woodhaven High School to raise money for C.S. Mott children's hospital, the first time the event has been held in an in-person dinner setting in 3 years. Unfortunately, February 2022 did not allow for our Kids Against Hunger event to happen, but we are looking forward to the event returning in 2023 (the first time in 3 years!).

I joined Kiwanis about five years ago, when my friend encouraged me to join. My former elementary school principal, the treasurer of the club, had been pulling my arm for a while, so I figured I would give it a try. Four years and many friendships later, I am still coming back every Wednesday. With that said, I would like to invite anyone who is interested in helping out in the community to one of our meetings, which are held every Wednesday night at 6:30 PM at the Woodhaven Community Center.

I would now like to offer my sincere gratitude to our advertisers for supporting this project. Through their generosity, Woodhaven Kiwanians can meet the many unique needs of our community. These businesses have been incredibly generous to us despite the economic uncertainties of the past few years, and I encourage you to support them in any way you can.

Please join us, as we work to change the world one child and one community at a time.

Kind regards,

*Brenden Hoy*

President
