Memorial Weekend 2022

53rd Annual Alma Highland Festival and Games!

Welcome to the festivities!

It is such a joy to once again gather together in Scotland, USA! This year, the Alma Highland Festival & Games holds an especially significant place in our hearts as we have gone 2 years missing all that the full Festival brings. The drone of bagpipes, the talent of the highland dancers, the energy of the street parade, the impressive athletic skills on display, the pleasure of gathering with others at the Entertainment Tent, and did I mention the food? – oh, the pleasure in enjoying all things Scottish!

The Festival happens each year because of the hard work and dedication of the people. Hundreds of volunteers come together to bring the Festival to life, many working year-round on the planning and coordinating of each event. People come from all over the United States and Canada to compete, share talents, and join together in sharing our Scottish Heritage. The community opens their arms to visitors and shares in memories of Festivals past. There is magic in the air as the massed bands take the field for opening and closing ceremonies. For one weekend a year, we are all Scottish. I am so thankful to be a part of this experience.

So it is with a full heart and incredible pleasure that, on behalf of the Board of Directors, I welcome you to the 53rd Alma Highland Festival and Games. We are thrilled to have you join us. Cead Mille Failte!

PERFORMANCE PROFILES

Chelsea House Orchestra

“Using traditional stringed instruments, including violins, cellos, and bass, plus wind instruments like clarinets and flutes, as well as lesser known instruments such as the djembe and cajon, Chelsea House Orchestra’s music is lively and rich with history. Chelsea House Orchestra has performed in Chicago, Ohio, Indiana, North Carolina and Pennsylvania, at Celtic-based events, huge festivals drawing thousands, private fundraisers, and for dignitaries from the U.S., Canada and Scotland. www.chelseahouseorchestra.org. Follow CHO on Facebook.

CrossBow

From a casual jam session at Grand Valley State University (GVSU) to becoming a popular favorite at Celtic festivals across the Midwest, CrossBow has been humbled and excited by every turn on their musical journey. They deliver a distinct, eclectic Celtic vibe that appeals to audiences of all ages. While CrossBow can be heard at Irish and Scottish music festivals across the Midwest, much of the thrill in experiencing a CrossBow performance actually transcends the music itself. This excitement stems from the contagious joy and camaraderie shared between the players, and communicated directly with their audience. Apparent from the moment they hit the stage - these high-energy musicians naturally feed off of one another, creating a dynamic, wholly unique performance that shouldn’t be missed.

Brother Crowe

Throughout the course of their musical union, the members of Brother Crowe have won over the hearts of music lovers from all walks of life. Performing at a variety of venues and making countless public appearances all the while recording new songs, this talented Celtic Americana Band has earned the admiration and affection of critics and fans alike. Get in touch to learn more about their musical expertise, repertoire, and performance rates.

They have an exclusive contract with Hyperman Productions providing state of the art sound and lighting that makes any size room look and sound like an arena. A song-list that touches the memories of the 21-45 year old crowd. Remember the 80’s? Most of our audiences do, and they keep asking for more! HEALTH NOTIFICATION

Are You Hard of Hearing?

A major name brand hearing aid provider wishes to field test a remarkable new digital hearing instrument in the area. This offer is free of charge and you are under no obligation.

These revolutionary 100% Digital instruments use the latest technology to comfortably and almost invisibly help you hear more clearly. This technology solves the “stopped up ears” and “head in a barrel” sensation some people experience.

If you wish to participate, you will be required to have your hearing tested in our office **FREE OF CHARGE*** to determine candidacy and review your results with the hearing instruments with our hearing care specialist.

At the end of this evaluation, you may keep your instrument, if you so desire, at a tremendous savings for participating in this field test. Special testing will be done to determine the increased benefits of this technology.

Benefits of hearing aids vary by type and degree of hearing loss, noise environment, accuracy of hearing test, and proper fit. **This is a wonderful opportunity to determine if hearing help is available for your hearing loss and get help at a very affordable price.**
