Layout changes for Farmers Market

The Elkhart Lake Chamber of Commerce is kicking off the Farmers and Artisans market on Saturday, May 28 in downtown Elkhart Lake.

The market will run for 20 weeks from 8 a.m. to noon on Saturdays. This year's market will have a different layout than in years past. The Chamber was notified that Rhine Street (the main street through town) will no longer be able to be closed for the market. Instead, Square Street (the street that runs behind the Depot) will be closed for the vendors who were normally

on Rhine Street. The set-up for the rest of the market will remain the same.

The entire market will be to the south of Rhine Street. Customers will need to cross Rhine Street via designated crosswalks.

The Elkhart Lake Police Department will be placing event signage on Rhine Street so vehicles know to slow down for an event ahead.

The Chamber, again, looks forward to hosting an array of vendors and having locals and visitors enjoy this long-standing market.

The Elkhart Lake Chamber of Commerce will kick off the Farmers and Artisans market on Saturday, May 28 in downtown Elkhart Lake. The market will run for 20 weeks from 8 a.m. to noon on Saturdays. This year's market will have a different layout than in years past. Scenes on this page are from the 2021 Farmers and Artisans Market.

Renewal energy grant awarded to Lakeshore

Lakeshore Technical College has been selected as a recipient of the Expanding Advanced Renewable Energy Technician Education in a Technical College grant funded by the National Science Foundation.

The \$336,650 grant is the first awarded directly to the college by the NSF and will support education focused on the production and storage of renewable energy.

The grant will support collaboration between Lakeshore's Wind Energy Technology Instructor Justin Barret and renewal energy business leaders to identify current and future educational needs among employers in the college's district. Funding will also be used for curriculum adjustments required based on industry feedback, and delivery of the curriculum. Lastly, the grant will fund the purchase

and installation of a rooftop mount and purchase of ground solar equipment. The grant will be awarded over a three-year period.

"This grant will help us continue preparing students learning in our state-of-the-art wind, solar and nuclear energy labs for careers in the growing renewable energy industry," said Lakeshore President Dr. Paul Carlsen. "Being selected for this competitive funding is a direct result of our college's commitment to a culture of innovation and transforming the lives of individuals throughout the communities that support us."

Details about Lakeshore's renewable energy related fields can be found at gotoltc.edu/programs-and-courses/degree-programs.

The Electrathon/Super Mileage event was held at Road America Monday and Tuesday, April 25 and 26. In addition to on-track events, participants were required to perform several maneuvering events (chicane steering, braking exercise, etc.) and were required to meet all safety standards. Above, Team Elkhart Lake-Glenbeulah was comprised of (standing, from left) Kaden Wolf and Hayden Schultz and (seated) Thomas Michaels.

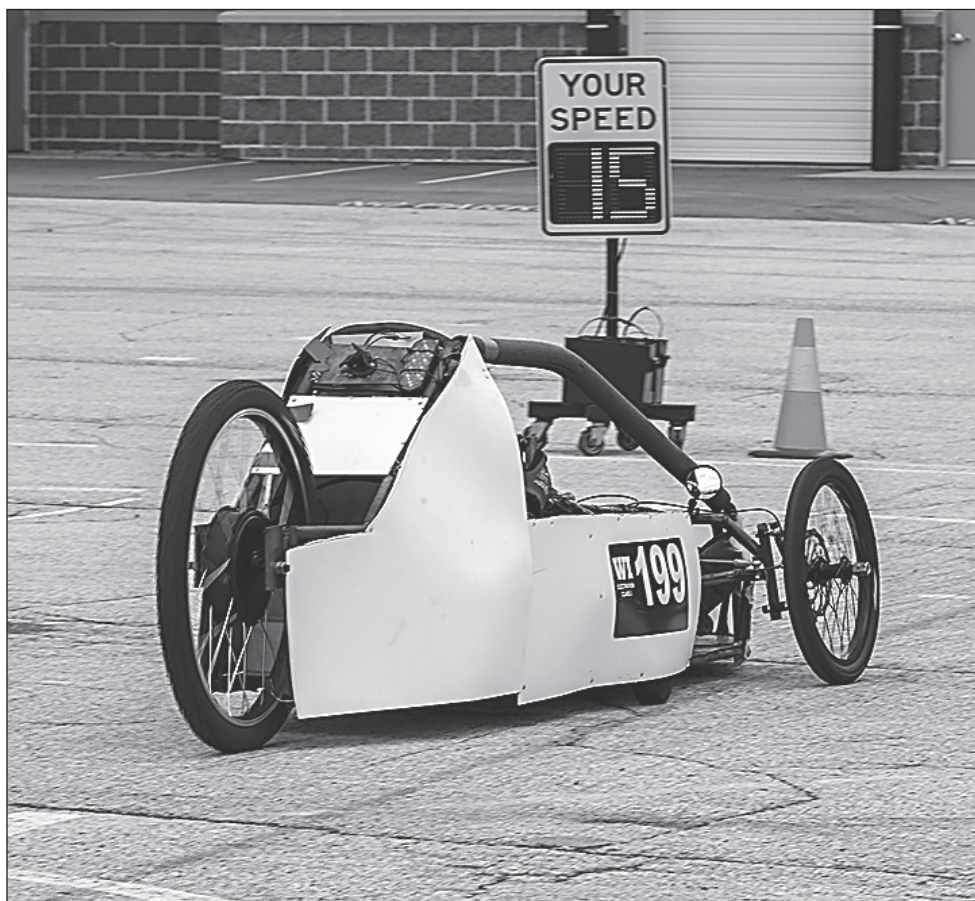

This is one of the Super Mileage vehicles on the track making a specified number of laps. The winner is judged by how quickly the laps were achieved and how much fuel was consumed in the process.

photos by LesTension Photo

This is one of Kimberly High School's Super Mileage cars.

Here, participants were required to maintain a radar-verified speed of 15 mph until they met "the line" and then must stop the vehicle within a prescribed distance. Many were having trouble doing that.

Sargento announces plans to buy company

Sargento Foods officials have announced that the company has signed a definitive agreement to acquire Wisconsin-based Baker Cheese Factory, Inc.

As part of its commitment to be the most innovative, best-loved real food company, Sargento will acquire the St. Cloud family-owned company that shares its values and passion for cheese.

As consumers seek more “on-the-go” options, cheese snacking has become the one of the fastest growing sections of the Cheese category and shows no sign of slowing. This acquisition will enable Sargento to better serve consumers by adding to the wide variety of sliced, shredded and snack natural cheese products already offered by Sargento.

“Throughout our history we have always looked for new ways to build long-term stakeholder value. We’re excited to welcome Baker Cheese and its employees to the Sargento Family. This is a great opportunity, and will allow us to continue our industry-leading growth in the marketplace,” said Louie Gentine, third-generation CEO of Sargento Foods. “We take pride in our track record of successful innovation and look forward to unlocking new pathways for our portfolio, processes and employees.”

Founded in 1916, Baker Cheese is known for its high-quality mozzarella string cheese, which is sold in all 50 states. Its cheese production has grown aggressively the past 20 years and Baker Cheese is one of the top string cheese companies in the U.S.

“We believe Sargento has the right

culture, capabilities and commitment to innovation to grow our business for generations to come,” said Brian Baker, fourth-generation CEO of Baker Cheese. “Our award-winning string cheese and commitment to service and quality aligns with everything Sargento seeks to accomplish. We welcome this important step toward our future.”

Since 1953, Sargento has grown to be a leader in cheese through its focus on innovation and the strength of its culture. As privately held companies, Sargento and Baker will not disclose any financial details of the sale. Baker Cheese employs 250 people in St. Cloud, while Sargento has more than 2,000 employees at its four Wisconsin locations, as well as a remote sales team across the U.S. This acquisition will not displace any employees.

Stay up to date on the latest from Sargento on Facebook @SargentoCheese, Twitter @SargentoCheese and Instagram @sargentocheese & @sargentofamily.

With over 2,000 employees and net sales of \$1.5 billion, Sargento Foods is a family-owned company that has been a leader in cheese for more than 65 years. Founded in 1953 in Plymouth, Sargento is proud to be the company that successfully introduced America to pre-packaged sliced and shredded natural cheeses and cheese blends. Today, Sargento Foods is still based in Wisconsin, where it manufactures and markets shredded, sliced and snack natural cheese products, as well as ingredients. Company leadership lives to serve local communities and employees, whom they refer to as the Sargento Family.

The best of yesterday, ready to go home with you today.

Comedian Steve-O set to perform at Weill in July

“Jackass” star, stand-up comedian and New York Times best-selling author Steve-O has added several new dates to his The Bucket List Tour including Saturday, July 9 in Sheboygan at the Weill Center.

Every idea on Steve-O’s bucket list was so ill-advised he never expected to go through with any of them, until it was time to prepare for this tour. Not only are the stunts more ridiculous than what you already know Steve-O for, he did them all, and made a multimedia comedy show out of them. Not for kids, or the faint of heart. Tickets are on sale now at steveo.com. This show is for adult audiences only—age of 18+ applies.

Steve-O (a.k.a. Stephen Glover) was willing to do whatever it took to become famous. After failing miserably at the University of Miami, Steve-O was a homeless couch-surfer for three years before he attended Ringling Brothers and Barnum & Bailey Clown College to help further his goal of becoming a famous stuntman.

His relentless attention-seeking ultimately led to working with Johnny Knoxville on a stunt-based reality show. The rest is history. MTV aired the first season of JACKASS in 2000.

Since then, Steve-O has had continued success, as a New York Times best-selling author with the release of his memoir, “Professional Idiot,” and he has established himself as a force in the world of stand-up comedy. He is thrilled to be

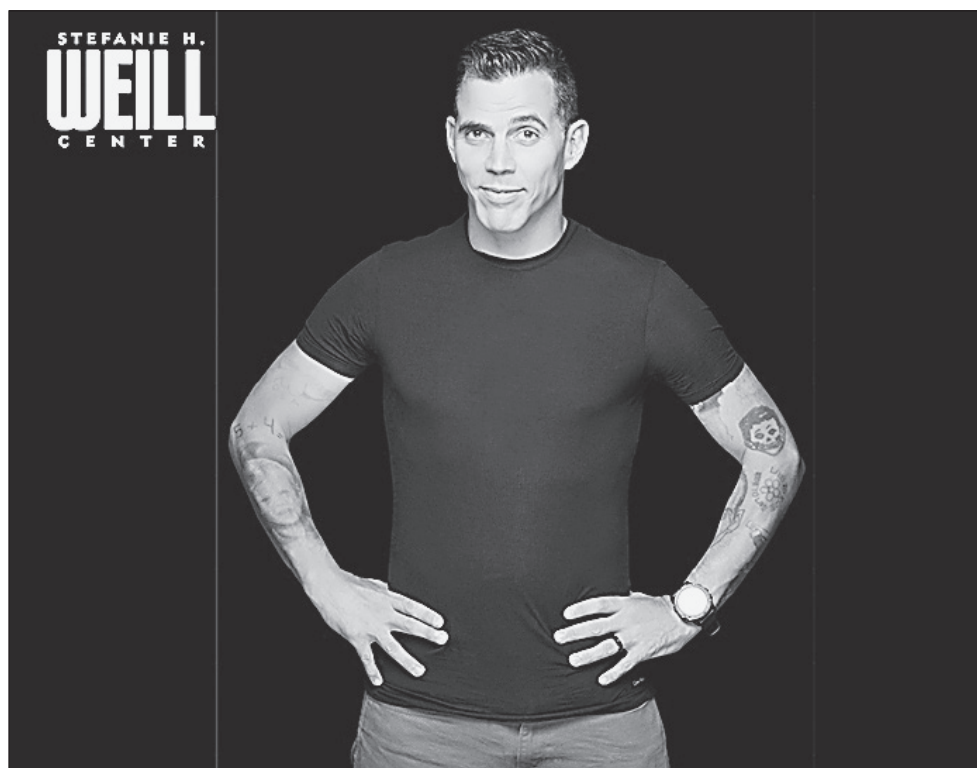

releasing his new, profoundly multimedia and wildly explicit comedy special, direct to his fans at steveo.com. It’s called “Gnarly,” for good reason.

Across his social media platforms, Steve-O has amassed well over 24 million followers and counting, providing an intimate window into his continued antics and colorful life with his fiancée, Lux. He’s also got a weekly podcast called Steve-O’s Wild Ride! with amazing guests which have included Demi Lovato, Shaquille O’Neal, Ronda Rousey, David Dobrik, Tony Hawk and more.

Steve-O has never stopped being wild and crazy, but he’s definitely evolved. He’s been clean and sober for over 12 years now, and developed a genuine love for animals (including the four dogs, two cats and three goats he and Lux have rescued). Steve-O and Lux have plans to start their own animal sanctuary.

Outback Presents is the leading independent, full-service promoter of live entertainment. Based in Nashville, Outback Presents produces thousands of music and comedy shows, tours and festivals annually across North America and connects its diverse roster of artists with their fans. June mystery photo

Can you identify the photo?

Take a look at the June mystery photo above. Do you know anything about it? Where is/was the location?

If you know, let us know!

To enter the June contest, send an email to depotdispatch@elkhartlake.com or a letter with as many details as you can to the Elkhart Lake Chamber, P.O. Box 425,

Elkhart Lake, WI 53020, or drop off at the chamber office, 41 E. Rhine St.

The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake.

Please share your guesses and help us keep the contest up to date.

May mystery photo

"The May mystery photo depicts one of the Siebkens Resort former buildings and courtyard. The courtyard is particularly memorable for us, as we were married on the patio that is depicted in photo in 1989. The grass area was filled with chairs and benches, and our wedding party made our big entrance down the porch steps under the canopy. The ceremony was on the raised deck visible in the photo, and we had a wonderful reception at Siebkens in the restaurant followed by a band at the Stop-Inn Tavern. We assume the building had hotel rooms, and we remember attending a magic show with our kids in the basement of the building during Schnee Days one winter. The building has been replaced by the current Siebkens three-story condominium building, built in 2008."

—Ken and Jan Ebbott, Plymouth

cedar community
Elkhart Lake

Cedar Community's Elkhart Lake Campus offers independent and assisted living, nestled on 14 acres near the heart of downtown Elkhart Lake. Senior living doesn't mean changing the way you live. It simply offers all the extra amenities and services, so you can focus on what matters most. No more worrying about what might happen next, from home maintenance and repairs, to needing additional care.

Cedar Community Elkhart Lake residents enjoy:

- Opportunities to engage with others in friendship, fellowship, and fun.
- All home maintenance and repairs included.
- No lawn to cut or snow to shovel.
- One campus, *two levels of care*.
- Peace of mind for yourself and loved ones.
- Private clubhouse.
- Salon and barber services.
- Beautiful surroundings.

Paddock Club celebrates 15 years

Elkhart Lake's Paddock Club at 61 S. Lake St. celebrated 15 years of business on Tuesday, May 17.

Friends, guests and visitors were invited to join an open house that evening with food, drinks and live music to celebrate the restaurant's anniversary.

Opened in 2007, sisters Cheri Hau and Lynn Chisholm took a leap of faith and began their Paddock Club journey at what was once the Village Green. Since then, the family team created a restaurant with a dining experience customers have returned to indulge.

Hau said they always wanted people to come relax and enjoy the dining experience.

With a menu that changes with the seasons, patrons have been able to enjoy locally sourced food. Tommy B. made the comment, "I eat here every night they are open."

Pam M. made the comment, "The Paddock Club is the place to go for an excellent dining experience. I love that they source local food and ingredients. The atmosphere is fun and relaxing and the staff is amazing. Congrats to 15 years!"

"We are so incredibly lucky to have The Paddock Club as part of our business community. Their commitment to our village, their customers and to all our other businesses is so appreciated. Congratulations!" Melissa K.

"The Paddock Club raised the culinary scene in Elkhart Lake with their extraordinary culinary skills and remarkable customer service. They've had a remarkable impact on our community!" Kathleen E.

"My friends and I coined the name of our group the 'Paddock Club' Club. We dine here every Thursday night." Rick R.

On the Paddock Club's Facebook page, the business made recent posts showing gratitude to those who have supported the endeavor. This was posted on May 16 thanking their Paddock Club family: "We could not have done this without all of the amazing people who have been part of our little restaurant family. Your hard work, blood, sweat and tears has made PC what it is today. We are so grateful for you."

Glances at the Paddock Club's Facebook page also reveal the organization is showered with comments on recent pho-

HAPPY ANNIVERSARY!
Elkhart Lake Chamber of Commerce member

tos congratulating the business on their anniversary. One such comment was left by Connie G.: "Jim and I have no other restaurant in all of Wisconsin we would choose over the Paddock Club. May see you in November if not before. So happy for you and your entire family and staff."

A comment left by Beth T. reads, "So fortunate to have Lynn and the Paddock in our town! The food is amazing and the service is the best!"

Blending with comments of the Paddock Club's amazing food and service are comments left by couples who either celebrated their wedding, rehearsal dinners and those who stopped at the establishment on their honeymoon and returned for wedding anniversaries.

Throughout the Paddock Club's time in Elkhart Lake, Hau said that some of her closest friends are other restaurant owners in the village. "They are the first people I call when we need help," Hau said. "John Shovan was the first person to show up with the hose when we had a fire."

Recently, Hau was seen delivering food to Yvonne Landgraf, the previous owner of Gessert's Ice Cream and Confectionery.

Working with a menu that changes with the seasons cannot be an easy task, but Paddock Club's chef Lynn Chisholm rose to the challenge she was given. Chisholm was commended on her work when the business's page posted a photo of Chisholm and said, "The journey this chef has taken us on is incredible. Thank you Lynn for your creativity and continuous drive to improve and evolve."

Customer Beverly T. was quick to comment on the post. She said, "We love Paddock Club and everyone connected with

it. You do an awesome job and we feel so fortunate to have you in Elkhart! Thank you for every fabulous meal we have enjoyed with you!"

With appreciation being shown from the business to their customers and vice versa, the Paddock Club has a following of valued customers ready to return again and again, giving the Paddock Club a positive future in Elkhart Lake.

The Paddock Club in Elkhart Lake recently celebrated its 15th anniversary with a social held at the club. Family, friends and loyal customers were in attendance to enjoy food, music and fellowship. Owners Cheri Hau and Lynn Chisholm said they appreciate all the support they have had over their first 15 years.

Country star to be at Weill

The Weill Center for the Performing Arts—a 1,150-seat live event venue located in the heart of downtown Sheboygan's growing arts and entertainment district—will host a live concert by country music entertainer Scotty McCreery on Thursday, Sept. 29 starting at 7:30 p.m.

McCreery is an ACM and CMT Award-winning singer/songwriter who has sold more than 4 million albums and has achieved four consecutive No.1 hits: "Five More Minutes," "In Between," "This is It," and "You Time." The North Carolina native's current song, "Damn Strait," is the fastest rising single of his career and can be found on his Same Truck album. After winning "American Idol" in 2011, McCreery made music history with his album Clear as Day by becoming the first country music artist and youngest male artist of any musical genre to debut their first album at No.1 on the all-genre Billboard Top 200 Albums Chart. He released his book "Go Big or Go Home: The Journey Toward the Dream" in 2016.

Tickets can be purchased online, by phone at (920) 208-3243 or at the door at 826 N. 8th St., Sheboygan.

Gessert's celebrates century in EL

By Rachael Siehs

Gessert's Ice Cream & Confectionery at 99 S Lake St. is celebrating its 100 anniversary in June.

Holding a title as one of the oldest ice cream parlors in the United States, owners Ryan and Michelle Moeller continue the family-owned business in downtown Elkhart Lake.

What began with the Gessert family selling ice cream to lakeside residents has become a fixture in the community as a place for ice cream, old-fashioned candy, handmade fudge, and a fun step back in time for people to enjoy.

"We are excited to continue the business," Ryan said.

Prepared for the season, the Moellers are ready to continue serving the area with the sweet treats and drinks for which the ice cream parlor is known.

When the husband and wife team bought Gessert's from Harry Gessert's daughter Yvonne Gessert Landgraf, renovations were made to bring the historic building up to code. Through the renovations and updates made to the ice cream parlor, the husband and wife team did what they could to preserve and utilize what was present in the established building.

Moeller's appreciation and respect for the ice cream parlor's history is evident with the presence of Gessert's days gone by. One piece in particular - held in a display case - is an old menu showing dinner plates and other foods that were served at a point of time when the parlor was open year-round.

Upon entering the parlor a picture of Harry Gessert from 1922 can be found

HAPPY ANNIVERSARY!
Elkhart Lake Chamber of Commerce member

close to the front counter.

Gessert's parlor walls are decorated with photos of the Gessert Girls in their uniforms, memorabilia for various candies, drinks and ice cream for customers to enjoy while indulging in the parlor's offered sweets and beverages.

Alongside the pictures and memorabilia throughout the parlor, there is also a museum room in the back. From a front counter that was once used in the ice cream parlor, old gambling machines and vintage posters for Road America, items from the parlor's and community's past are there for patrons to see.

"Our customers enjoy the history that is here," Ryan said.

As the Moeller family continues the business, customers continue to return and build memories within the family-friendly ice cream parlor walls ranging from couples on their first date to returning customers that remember coming to Gessert's as young children.

"Everyone has a good time here," Ryan said. "Even during our busiest moments."

With Moeller family members becoming involved and a growing staff, there is hope for an equally long future for the ice cream parlor. "It is our intention to keep Gessert's going. Hopefully, Gessert's will be able to celebrate 200 years," he said.

Michelle and Ryan Moeller are continuing the 100-year family tradition of Gessert's Ice Cream in Elkhart Lake. Rachael Siehs photo

GLACIAL LAKES

CONSERVANCY

Great Lakes Conservancy schedules June 11 event

Great Lakes Conservancy staff and volunteer committees said they have been hard at work developing the June 11 "On the Conservation Trail" event.

This outdoor/indoor event will have a keynote speaker, dinner, beverages, plein air artists on the trails, a unique hike, bonfire s'mores, raffles and grown-up nature games.

The June 11 menu will be locally sourced with additional foraged ingredients. GLC is working with Traders Caters to create tasty treats with edible invasive plants (like the garlic mustard pesto below). We love this opportunity that allows us to creatively educate our community.

Appetizers:

Caprese bites and Garlic mustard pesto crostini

Dinner: Local maple syrup chicken thighs, local foraged morel mushroom risotto, shredded brussels sprouts with local maple hickory nuts, kale salad with Dijon maple syrup garnished with Dame's rocket blossoms, homemade dinner rolls

Dessert: Gluten-free blueberry cheesecake

Tickets for this FUNdraiser are now live. The easiest way to purchase tickets is our online process. You can always send us a check made out to:

Glacial Lakes Conservancy
529 Ontario Ave Sheboygan, WI 53081 with an indication it's for June 11 tickets.

Your ticket donation and auction bids will go directly to GLC land management and conservation easement efforts in the five counties we serve.

To purchase and learn more about this spectacular event please follow this link: <https://www.glaciallakes.org/>.

Basketmaking workshop slated at Plymouth Arts

The Plymouth Arts Center invites people to register for a special one-day “free” Birchbark Basketmaking Workshop conducted by artist Pat Kruse.

Kruse is a birchbark and quill artist who lives on the Mille Lacs Band of Ojibwe Reservation. He is a member of the Red Cliff Band of Ojibwe in Wisconsin and a descendent of Mille Lacs Band of Ojibwe in Minnesota. The basketmaking workshop is made possible through grants received from the Arts Midwest Gig Grant Fund, the Kohler Foundation and the Krier Foundation. In-person instruction will be offered in the PAC classroom on Tuesday, June 14 from 10 a.m. to 1 p.m. The grant funds also allow two PAC partner organizations to live stream this innovative online program to 24 of their “homebound” participants. Only 20 spots will be offered free of charge at the PAC for the in-person instruction and will be filled on a first-come, first-serve basis. All supplies are included. Early registration is encouraged to reserve your spot and to ensure enough materials are available. The workshop will be held at the Plymouth Arts Center, 520 E. Mill St., Plymouth. To register, please call (920) 892-8409 or visit the PAC website, www.plymoutharts.org.

The Birchbark Basket Workshop will expose community members to Indigenous Ojibwe culture and the vanishing techniques associated with birchbark methods and quill basketry. The three-hour workshop will provide a hands-on opportunity for participants to create traditional birchbark baskets.

Working with birchbark for over 30 years, Kruse said he knew at an early age he wanted to be a birchbark artist. Coming from a family of birchbarkers, his mother is his greatest influence. Known for remaking old-style Ojibwe birchbark and quill basketry, he creates picturesques and other birchbark art. Kruse teaches birchbark basket workshops with students ranging from grade school children to elders.

In 2015, Kruse was selected for the Native Artist-In-Residence at Minnesota Historical Society, St. Paul, Minnesota. In 2016 he was selected for the Native Arts and Cultures Foundation Fellowship, Vancouver, Washington, and in 2018 was selected for the Native Arts and Cultures Foundation Mentor Artist Fellowship, Vancouver, for a one-year mentoring of

Pat Kruse (below) will be putting on a basketmaking class at Plymouth Arts Center.

an apprentice.

Some awards he received include “Favorite Artist” and “1st Place Birchbark Basket” in 2016 at Woodland Indian Art Show & Market, Oneida; “1st Place-Wood/Stone Workings,” “1st Place, 2-Dimensional Art” and “Best of Show!” in 2018 at Woodland Indian Art Show & Market, Sevenwinds Casino, Hayward.

Kruse’s birchbark art is in museum collections—National Museum of the American Indian-Smithsonian, Washington, D.C.; Science Museum of Minnesota, St. Paul, Minnesota; and Minnesota Historical Society, St. Paul, Minnesota, to name a few.

Next Step Insurance held a joint Plymouth and Elkhart Lake chambers ribbon cutting at their Plymouth location recently.

A big thank you to everyone who attended the Van Horn Automotive Group Open House in Plymouth recently. Your support was overwhelming, and we will do our part in providing the best dealership experience possible to this great community.

Congratulations to this year’s Elkhart Lake Chamber of Commerce scholarship recipients, Yuki Sesoko (left) and Brady Hassinger. Sesoko will be attending the University of Wisconsin-Eau Claire majoring in Business Finance and Hassinger will be attending UW-Madison majoring in International Business.

CHAMBER SPOTLIGHT Road America

Our May Chamber Member Spotlight is Road America.

Located just outside the quiet village of Elkhart Lake sits Road America, the racers mecca—in operation since 1955 and heralded as one of the last proper road courses left in the U.S. and more affectionately known the world over as America's National Park of Speed. In 2021 Road America was recognized as USA Today's Best NASCAR track in a fan poll, and once you set foot on the grounds, it is easy to see why.

Unlike most tracks, Road America guests are not limited to watching their favorite racers from a distance. You can visit the paddock and pits with a ticket, get an autograph, take a picture, and talk to the drivers and crews. It is one of the only facilities in North America where you can place a lawn chair and cooler beneath a shade tree and rest your feet in green grass while watching world-class racing. If you want to get a different view, you can get up and move to many popular locations around the expansive 14 turns and several straight stretches comprising over four miles.

No mistake about it, Road America is big business, attracting over 800,000 visitors a year from every corner of the world. Economic impact studies show that Road America, its events and visitors generate more than \$100 million dollars annually

to the area each year.

Kids 16 and under get FREE general admission to all Road America season racing events with a paying adult at the gate. Veterans and active military also receive FREE admission to select events. So, what are you waiting for? Visit Road America online at www.roadamerica.com or call 800-365-RACE (7223).

2022 RACE WEEKENDS

Road America's first race weekend will be May 20-22, when it hosts the SVRA Spring Vintage Festival.

Two-wheeled action takes to the track when the MotoAmerica Superbike Series & Vintage MotoFest comes to Road America June 3-5.

The NTT INDY-CAR SERIES Sonio Grand Prix presented by American

Medical Response takes center stage June 9-12.

The WeatherTech® Chicago Region SCCA June Sprints® returns to the 4-mile circuit from June 17-19 - Road America's longest-running annual sports car event.

The NASCAR Cup Kwik Trip 250 presented by JOCKEY Made in America and NASCAR Xfinity Series Henry 180 roll into Road America June 30-July 3, bringing intense door-to-door racing action to the nation's most intimidating road course.

A mid-summer classic, The WeatherTech® International Challenge with

Vintage Wine's ribbon cutting was held April 22 to celebrate the new Wine-O-Matic Wine Lounge featuring new tasting stations with 16 wines on tap. Stop by and enjoy a taste, a small glass or a full glass of many different wines and shop the wide array of other great items available in the store.

The Elkhart Lake Tree Commission's 2022 Arbor Day Celebration was held on April 29 in the Village Square Park. Fifth grade students at Elkhart Lake-Glenbeulah Middle School, tree commissioners, Olivia Witthun of the Wisconsin Department of Natural Resources and several guests gathered at the park for the celebration, which included a short program, tree planting and announcement of the poster contest winners. The 2022 Arbor Day tree is a sugar maple, which was planted in the Village Square Park. The poster contest theme, "Tree Care and Diversity," focused on diversification in replacing the many diseased ash trees that were removed from parks and other areas of the village. Contest winners are Cecelia Fhlug, Annika Graff and Liam Schwaller. Lake Street Café allowed the commission to display the posters in their windows. The Tree Commission thanked Sargento, National Exchange Bank and Trust, Cleveland State Bank and The Osthoff Resort for their generous donations for the celebration.

Lakeland, Fox Valley have 2 new agreements

Longtime partners Fox Valley Technical College and Lakeland University have entered into two new agreements that will solidify their decades-long relationship and bring the two institutions together under one roof.

Lakeland will relocate its Fox Cities Center to Fox Valley Technical College's Appleton campus. The transition will occur this summer in time for classes this fall.

Lakeland and FVTC have also signed an agreement that creates a pathway for students who earn an Associate of Arts or Associate of Science degree in Liberal Arts at FVTC to transfer to Lakeland with junior standing and apply all their credits toward a Lakeland Bachelor's Degree.

The pathway agreement was signed Wednesday, May 18 by FVTC President Chris Matheny, Ph.D., and Lakeland Vice President for Academic Affairs Joshua Kutney, D.B.A., at FVTC's Appleton campus.

Lakeland's space at FVTC, located just inside Entrance 15, will also include an office presence and access to several other classrooms during the spring, fall and summer semesters.

Over the past 2.5 years, a total of 633 students have taken classes through Lakeland's Fox Cities Center at its current location, 2320 Industrial Dr. in Neenah. That total includes 227 students who graduated from FVTC.

"Fox Valley Technical College is our top transfer partner, which is one of many reasons why this move makes sense," said Borgen, noting that Lakeland has offered classes in the Fox Cities since 1982. "For many of our students, they'll be able to continue on the pathway to a Bachelor's Degree at a campus that already feels like home."

Matheny pointed out that the shared space agreement is a natural extension of articulation agreements already in place between the two colleges.

"Having a trusted partner like Lakeland on our campus provides the opportunity for a student to start here and then seamlessly transition to a Bachelor's Degree and beyond in a place they know and are comfortable with," Matheny said.

"FVTC students will be able to connect with and explore baccalaureate degree completion options without leaving our Appleton campus. They will have convenient access to both their FVTC advisors and future Lakeland faculty and staff who can help coordinate the educational journey that best fits that student and their

career interests."

FVTC received approval from the UW Board of Regents on April 7 to offer the two-year liberal arts associate of science (A.S.) and associate of arts (A.A.) degrees. Final approval by the Higher Learning Commission (HLC) to offer the degrees is pending.

With HLC's approval, ideally granted yet this year, these degrees will allow students to easily transfer to Lakeland with junior standing and apply all their credits toward a Lakeland Bachelor's Degree. This HLC-pending option is an extension of numerous 2+2 articulation agreements already in place with Lakeland.

"FVTC and Lakeland have a long history of providing innovative educational opportunities to students in our region," Matheny said. "Our graduates have long been welcomed with open arms at Lakeland; so much so, we decided to explore how to make it even easier for our graduates to continue their education.

"For many years, FVTC and Lakeland have shared a vision for a more educated New North region and a passion for creating easier access for students to achieve their educational goals. We are happy to further our partnership by welcoming them to our campus and creating a home for both Lakeland and FVTC students right here."

Borgen said the HLC-pending associate degrees position FVTC to further enhance the educational options provided to the community, including pathways that allow students to earn credit for workplace learning through Lakeland's award-winning Cooperative Education program.

"It's exciting to see private and public institutions working together for a common good—helping our students achieve their educational goals while aligning with regional workforce development needs," Borgen said. "This new level of access benefits students and their families, local schools and Wisconsin communities."

Lakeland offers more than a dozen Bachelor's Degree programs and four Master's Degree programs in the Fox Cities. Many degrees and classes are available online or through Lakeland's popular and innovative BlendEd® format, which allows students to decide week-to-week if they want to attend class in person or online.

Lakeland's Kellett School of Undergraduate & Graduate Studies was created in 1978 when Lakeland developed what was the state's first evening degree-completion program for working adults.

Lauren Schneider was awarded the 2022 Elkhart Lake Study Club scholarship. Vice President Deborah Lind made the presentation at the May 4 awards ceremony at ELGHS. Lauren is the daughter of Sandra and Michael Schneider of Elkhart Lake. She has already earned her CNA credentials and has been working at Rocky Knoll for nearly two years. Lauren will pursue a degree in nursing at the University of Wisconsin-Green Bay.

NASCAR Cup Series ready to roll on July 3

The NASCAR Cup Series will return to America's National Park of Speed on Sunday, July 3, over the Fourth of July holiday weekend for the Kwik Trip 250 presented by JOCKEY Made in America.

Fans are encouraged to get their tickets and reserve camping early as Road America officials expect another incredible crowd. The green flag drops at 2 p.m. Central, and NASCAR's top stars will battle 62 laps/250 miles on the storied 4-mile, 14-turn road circuit.

"NASCAR has already seen tremendous crowds at the first few events in '22, and our weekend, June 30 through July 3, is already showing strong sales," said Mike Kertscher, Road America's president and general manager. "The on-track intensity is going to ramp up even more for this year's race as NASCAR's Next-Gen cars will battle on America's favorite road course for the first time. If you're planning to enjoy the weekend, get your tickets and camping soon as spots are filling up fast."

Road America also wants to remind fans that off-site parking will be free, and a shuttle will be available both to and from the track on race day. Anyone expecting to park on the grounds should get their tickets and parking early as parking on race day (Sunday only) will sell out.

Before Road America's season is in full swing, several NASCAR Cup Watch Parties are already planned. Fans are encouraged to join Road America at local NASCAR bars to watch select NASCAR Cup Series races for a chance at winning two weekend passes for the NASCAR Cup Series Kwik Trip 250 Presented by JOCKEY Made in America & NASCAR Xfinity Series Henry 180. Additional details and dates for each NASCAR Cup Watch Party are available at www.roadamerica.com

Race day, July 3, will feature NASCAR Cup's incredible wheel-to-wheel racing when the green flag drops for the Kwik Trip 250 presented by JOCKEY Made in America. The NASCAR Cup Series features thrilling door-to-door and wheel-to-wheel action through stage racing, which

ensures more highlight-reel moments during a race, increases the sense of urgency, and emphasizes aggressive racing strategy. Fans will have the opportunity to watch NASCAR's future stars, such as Cole Custer, Tyler Reddick, Christopher Bell, and Erik Jones, battle it out with superstars such as Kyle Busch, Martin Truex Jr., and 2021 Road America Winner, Chase Elliott.

The NASCAR Cup Series Kwik Trip 250 presented by JOCKEY Made in America on July 3 will be joined by the NASCAR XFINITY Series Henry 180 on July 2. The event will also be bolstered by the Trans Am Series by Pirelli and the Mazda MX-5 Cup, which will host multiple races during the weekend.

Bring the entire family to Road America to celebrate the July 4th weekend! Kids 16 and under get free general admission to all Road America season racing events with a paying adult at the gate, even for the NASCAR Cup Series!

Ticket prices vary by day, starting at just \$30. Additional VIP experiences are also available at the Turn 14 Experience and the Tuft Center.

All campers are also encouraged to decorate their sites according to a pre-determined theme to enter the Kunes RV Most Awesome Camping Contest!

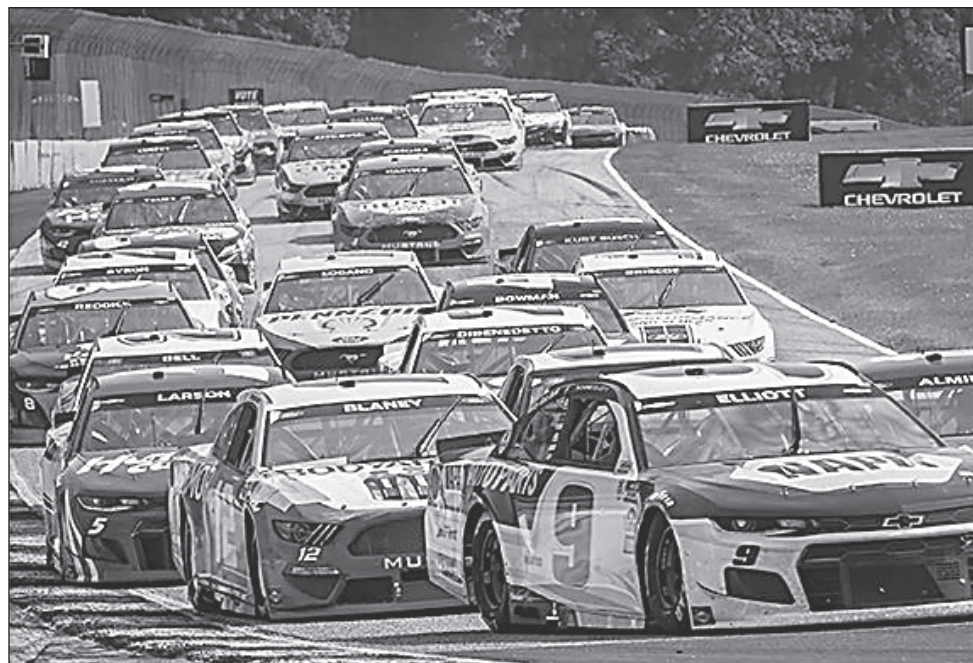

There will be karting all weekend at the Briggs & Stratton Motorplex, Pace Car Rides, a Family Fun Zone in Turn 1, and Road America's Disc Golf Course will be open all weekend.

Fans have two quick, convenient methods to buy tickets, camping, golf carts, VIP experiences, and more:

Online: Visit www.roadamerica.com Tickets are available 24 hours a day, seven days per week. Print your tickets to save time and enjoy a contactless experience at the gates.

Phone: Call 800-365-RACE or 920-892-4576 between 8:30 a.m. - 4:30 p.m. (CT) Monday through Friday.

Races run rain or shine. For more information, call 800-365-RACE (7223) or visit www.roadamerica.com.

Elkhart Lake Village update

Beach Pass Information

The Village is reminding people that the Village beach is for residents of the Elkhart Lake-Glenbeulah Joint School District only, per Village Ordinance. The police will be monitoring beach use more frequently. The prices of the passes is \$5 for residents and \$40 for school district residents, which are good for an even and odd year (this is the first year of the beach pass). These passes are now available. The price of replacement passes is \$25 for Village residents and \$50 for school district residents. Rental properties are to have their guests use Fireman's Park. This is the public access to the lake that should be used for guests. Some of the other regulations include:

- No person shall allow a dog to be on any public beaches owned or leased by the Village.
- No person shall use or possess beverages containing alcohol on the public beaches owned or leased by the Village.
- No person shall ignite nor maintain fires of any kind on the public beaches owned or leased by the Village.
- No person shall have a pop-up tent, canopy, or table on the public beaches owned by the Village.

Arbor Day

The Arbor Day program was held on April 29, 2022. A tree was planted in the Village Park. Poster contest winners were Cecelia Fhlug, Annika Graff, and Liam Schwaller. Lake Street Café has allowed the Commission to display the posters in their windows, so be sure to take a look at all of the great student work!

Memorial Day Event May 28th

The annual Memorial Day Tribute Program will begin at 11:00 a.m. on Saturday, May 28th at Memorial Park, which is located on the corner of Highway 67 and Chicago Street. Immediately following the program, the Lions Club will be sponsoring a brat fry, with proceeds to be used for maintenance of the Veteran's Memorial. The featured speaker this year will be Retired Major General Timothy M. Zadalis. He retired from the Air Force in 2017 after nearly 34 years of distinguished service. He lives in the Elkhart Lake with his wife, Carol.

Farmer's Market Changes

The Farmer's Market will remain in the downtown square area, but instead of closing Rhine Street will be close Square Street. Please watch for signs and traffic as you cross Rhine Street as the road will remain open during the market.

TID Amendment

The Planning Commission will be holding a public hearing on a TID boundary amendment on June 8th, 2022. TID #4 boundaries will be amended, to encompass the area of 604 S Lincoln Street. The Village continues to work with General Capital and partners on bringing multi-family residential housing to the Village. This TID amendment will go through the Village Board and the Joint Review Board over the coming months.

Village-wide Revaluation

The State of Wisconsin sets standards that all communities in the State must be valued at 100% of market value or be kept within 10% of that value. The Village has fallen below these standards. The last

revaluation was done in 2008. The Village has contracted with Grota Appraisals to have all properties assessed at 100% of market value as of January 1, 2023. Grota will be sending letters out to all property owners in the coming month about the process. The Village has approved an exterior inspection process only. They will not be going inside of properties. Grota will begin their work this summer, but these values will not be in effect until the December 2023 tax bill. A badge with photo ID will be worn by assessment staff while in the field. If you have any questions, please contact Jessica at 920-876-2122.

Victory Park Development

Homes are being completed in the Victory Park Subdivision. There are lots available, so if you are interested in more information on the subdivision, you can contact Werner Homes at 920-458-4104.

Water/Sewer Bill Late Charges – Began May 16th

The Elkhart Lake Water and Sewer Departments will once again begin to apply late charges on past due balances began May 16th. Due to COVID, late charges had been suspended, but the Village will once again apply late charges to outstanding balances. If you have an outstanding balance and want to be placed on a payment plan, please contact the Village of Elkhart Lake at 920-876-2122 or by email at clerk@elkhartlakewi.gov.

Beautification Committee

The Beautification Committee will be up and running very shortly. We will begin working throughout the downtown area planting and up keeping our gardens. This year the Village will be having some mulch blown in some of the garden beds. The Public Works employees will work on the mulching in some of the beds as well. Volunteers are residents of both the village and the Town of Rhine. We have also hired two part-time public works employees who are going to help with the upkeep of our parks and gardens this summer. Thanks for making our Village look great. If you would like to volunteer to maintain gardens call Jessica at 876-2122.

Building Permit Required

If you are planning a construction project on your home or business, you must apply for a building permit. Permits must be obtained prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

Dog Refuse Stations

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park

- E. Rhine St. near Charlene's
- E. Rhine St. near Two Fish Gallery
- Victory Lane near Cedar Landing
- Victory Lane near Moraine Drive

Village Ordinance - 8.32 Animal Feces

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!!

Garbage Collection Issues

Please call Waste Management at 1-888-960-0008 if you have any questions, they miss your pick-up or for repairs to carts. Make sure to use our Customer ID# 82300982379. Then please call the Clerk's office at 920-876-2122 and let us know. There have been some issues with the transition to Waste Management and the Village is trying to keep track of the issues people are experiencing.

Happy Memorial Day!

Elkhart Lake Village Board Members

\$1 million donated to new LTC center

The Lakeshore Technical College Foundation celebrated a \$1 million donation recently from Froedtert & the Medical College of Wisconsin health network, Froedtert Holy Family Memorial Hospital, and Franciscan Sisters of Christian Charity for the development of a new Center for Health Care Excellence.

This is the largest donation in the Lakeshore Foundation 46-year history and is part of a \$5 million fundraising campaign for the new center, set to break ground in 2023.

The new center will be a 16,000 square foot addition and remodel to the existing Cleveland campus benefiting 1,500 health care and emergency services students and professionals who will train annually in the new facility. This will meet the growing demand for graduates from Lakeshore's nursing, emergency medical technician (EMT), radiology, medical assistant, paramedic, fire medic and other health care and public safety programs.

"We cannot overstate the transformational impact this million-dollar gift will have on our college and our community," said Lakeshore president Dr. Paul Carlsen. "All of us are consumers of health care throughout our lives, and a disproportionate share of healthcare workers in our community graduated from our college. This new partnership with Froedtert & the Medical College of Wisconsin health network, Froedtert Holy Family Memorial Hospital, and Franciscan Sisters of Christian Charity will drive the modernization of our facilities and assist us in significantly increasing the number of health care students we graduate annually."

"The Froedtert & the Medical College of Wisconsin health network has a long history of partnering with educational institutions with a strong local presence that are committed to providing educational opportunities to those who live and work in the diverse communities we serve," said Eric Humphrey, senior vice president and chief human resources officer for Froedtert Health. "The Center for Health Care Excellence will help educate the region's future health care workforce, reduce workforce shortages and help create a new pipeline of health care professionals—both in quality and quantity."

"This is an investment that allows us to grow our own future," added Steve Little, president of Holy Family Memorial and senior vice president of network develop-

Lakeshore Technical College Foundation officials recently celebrated a \$1 million donation from Froedtert and the Medical College of Wisconsin health network, Froedtert Holy Family Memorial Hospital and Franciscan Sisters of Christian Charity for the development of a new Center for Health Care Excellence, a drawing of which is at right.

ment for Froedtert Health. "This donation ensures Lakeshore Technical College graduates more health care professionals than ever before and guarantees those graduates are prepared to step right into our health care workforce and meet its challenges."

Seventy-nine percent of the \$5 million goal has been met. Private fundraising will comprise \$3 million, of which \$2.38 million has been met. Lakeshore Technical College will contribute \$2 million. Naming opportunities remain for the emergency bay and entrance, instructional labs, simulation rooms and classrooms.

Additional information about the fundraising campaign can be found at yourltc-foundation.com.

Holy Family Memorial, in affiliation with the Froedtert & the Medical College of Wisconsin health network, is the recognized leader and largest provider of comprehensive health care services in Manitowoc County. Founded by the Franciscan Sisters of Christian Charity, Holy Family Memorial—rooted in the healing ministry of Jesus Christ—is committed to providing high-quality medical care and dedicated to helping individuals in the communities Holy Family Memorial serves achieve healthier lives. The Froedtert & MCW health network operates eastern Wisconsin's only academic

medical center and adult Level I Trauma Center at Froedtert Hospital, Milwaukee. It also includes eight hospital locations, nearly 2,000 physicians and more than 45 health centers and clinics.

Each year more than 8,000 people enroll in courses at Lakeshore Technical College.

They rely on LTC for job preparation, to earn a degree, upgrade a specialized skill, train as an apprentice, or seek a high school equivalency. The college was ranked the #2 two-year college in the nation for adult learners by Washington Monthly.

Winged sprint car race planned for June 30

A special Thursday night winged sprint car doubleheader returns on June 30 as the Road America Challenge presented by Kunes RV at the Plymouth Dirt Track featuring the Bumper to Bumper IRA Outlaw Sprint Series kicks off the NASCAR Cup Kwik Trip 250 presented by JOCKEY Made in America weekend June 30 to July 3.

Located just five miles from Road America at Sheboygan County Fair Park, the one-third mile Plymouth Dirt Track will have shuttles to transport fans to and from Road America. Ticket prices for adults are only \$25, and kids 7 to 11 years of age get in for \$11. Fans are encouraged to buy tickets in advance as there is an increase to \$30 at the gate.

The pit gates open at 2 p.m., and the spectator gates open at 4:30 p.m. Qualifying begins at 6:30 p.m., and racing begins at 7 p.m. Advance ticket buyers will be able to pick up their tickets at will call on race day and the gate will open to advance ticket buyers prior to race day ticket buyers, so not only will advance tickets buyers have a seat but the opportunity to pick their seat. Additional event details including ticket purchase information is available at <https://bit.ly/3IZ50yt>.

“Road America is a premiere facility and we are excited to develop a mutually beneficial partnership to help kick off the NASCAR weekend,” said Kunes RV Regional Marketing Manager Melody Thompson. “We look forward to working together to make the Road America Challenge a memorable experience for everyone.”

The regional Bumper to Bumper IRA Outlaw Sprint Series will feature some of the best sprint car teams in the Midwest along with NASCAR Cup series stars. Chase Briscoe, the Stewart/Haas #14 NASCAR Cup Series Ford driver, has again added his name to the entry list, and more drivers are expected to round out the list as the event draws closer. Briscoe picked up his first Cup Series win in 2022 at Phoenix Raceway, making history as the 200th Cup Series winner.

The Bumper to Bumper IRA Outlaw Sprint Series is widely known as one of the most respected regional series in the country, and last year’s winner—10-time IRA champ Bill Balog—has also added his name to the roster to defend his title. In addition to Balog, IRA champions Jake Blackhurst, Scotty Neitzel and Jeremy Schultz also will be aiming to add hard-

ware from this prestigious event to their trophy case. In recent years NASCAR Cup stars Tony Stewart, Kasey Kahne and Kyle Larson have all revisited their sprint car roots and raced to IRA Sprint Car Victory Lane, with Stewart and Larson both notching wins at Plymouth. An entire field of 900 horsepower Bumper to Bumper IRA winged outlaws is also expected. Plus, a significant entry list of PDTR/MSA 360 winged sprints will make up an incredible sprint car doubleheader evening.

“Kunes RV is a great fit for this event,” said Mike Kertscher, Road America’s president and general manager. “We’re extremely proud to have them on board for the Road America Challenge and at Road America as a camping partner. The on-track intensity is going to ramp up even more for this year’s race as NASCAR’s Next-Gen cars will battle on America’s favorite road course for the first time. If you’re planning to enjoy the weekend, get your tickets and camping soon as spots are filling up fast.”

Race day at Road America on July 3 will feature NASCAR Cup wheel-to-wheel racing when the green flag drops for the Kwik Trip 250 presented by JOCKEY made in America. Fans will have the opportunity to watch NASCAR’s future stars such as Cole Custer, Tyler Reddick, Christopher Bell, Chase Briscoe and Erik Jones battle it out with superstars such as Kyle Busch, Martin Truex Jr. and Chase Elliott, who won last season on the storied four-mile, 14-turn road circuit. Road America was voted 2021 Best NASCAR Track in America by USA Today Readers.

Road America also wants to remind NASCAR fans that off-site parking will be free, and a shuttle will be available both to and from the track on race day, Sunday, July 3. Anyone expecting to park on the grounds should get their tickets and parking early as parking on race day (Sunday only) will sell out.

The NASCAR schedule for the Road America weekend will feature the NASCAR Cup Series Kwik Trip 250 presented by JOCKEY Made in America on July 3, joined by the NASCAR XFINITY Series Henry 180 on July 2. The race schedule also will be bolstered by the Trans Am Series by Pirelli and the Mazda MX-5 Cup, which will host multiple races during the weekend.

On the July 4 weekend, kids 16 and under get free general admission to all Road America season racing events with

a paying adult at the gate, even for the NASCAR Cup Series. Ticket prices vary by day, starting at just \$30. Event details, ticket pricing and camping information can be found at www.roadamerica.com or by calling 800-365-7223. Racing runs rain or shine.

Established in 1955, Road America is located midway between Milwaukee and Green Bay in Elkhart Lake. The world’s best racers have competed at this legendary four-mile, 14-turn road circuit for over 65 years.

Outstanding seniors named at ELGHS

Each year the Elkhart Lake Men's Service Club celebrates the achievements of the outstanding senior students at Elkhart Lake-Glenbeulah High School.

This year's fete was held May 5 at Sieben's in Elkhart Lake.

The outstanding seniors for 2022 and their areas of achievement are as follows:

- Agriculture—Clayton Henschel
- Art—Baxter Salzwedel
- Business Education—Ella Busse
- Computer Science—Anthony Buechel
- English—Lucy Sutcliffe
- Family and Consumer Science—Wyatt Schuette
- Foreign Language—Yuki Sesoko
- Mathematics—Malorie Prigge
- Music-Instrumental—Serena Brunner
- Music-Vocal—Paige Ward
- Physical Education—Aaron Roth
- Science—Haley Mersberger
- Social Studies—Maggi Elias
- Technology Education—Jack Bunke

Congratulations to the upcoming graduating class of ELGHS!

Monarch butterfly houses have been built and distributed around the Kiel, New Holstein and Chilton area as a remembrance of Shelly Lorenz-Adair who was tragically killed in 2018 along with her husband Kenny and step-daughter Cassidy. As a way to keep Shelly's memory and her love of butterflies alive, the family of Shelly have had many houses built and placed in schools, nursing homes and other public locations so children and adults can enjoy the development, growth and release of the butterflies. Instructions are included. Anyone interested in getting a monarch butterfly house for their school or public location can contact Kim at 920-418-3964 for more information. Another butterfly house was delivered to the Elkhart Lake/Glenbeulah Elementary School Childcare/3k room. Above, Arlan, Ambrose and Alois Krupp (and their little sister Olive, not pictured) attend Elkhart Lake/Glenbeulah Elementary School. A plaque on the box tells everyone who sees it that the box was made and distributed as a way to remember Shelly and think of her every time they see a butterfly. Doing something like this helps friends and relatives of Shelly heal and keep her memory alive and hopefully bring some joy to others, they said.

ANNOUNCEMENTS

The Friends of the Library will be hosting two pop-up book sales on the library patio (park side entrance) on Saturday, June 25th and Saturday, July 30th from 9am – noon.

Receive a complete list of new library materials every month by subscribing to our e-newsletter. Go to www.elkhartlakepubliclibrary.org, click on the CONNECT tab and select NEWSLETTER. We will only use this information for sending out our monthly newsletter.

SUMMER READING PROGRAM – KIDS, TEENS & ADULTS

Ocean of Possibilities – Registration begins June 6th

Participate electronically or on paper!
• **Electronically:** Download the Beanstack tracker app or register online at elkhartlakepubliclibrary.beanstack.org. Come to the library to collect your registration materials and rewards.

• **Old School:** Register at the library and track your reading on paper logs. Return your completed logs to the library to collect rewards.

Win rewards and raffle tickets for prizes: All participants who have logged reading will have the opportunity to win rewards and enter raffles for prizes (including adults)! Teens and adults will win scratch off tickets

Enter the Grand Prize Drawing: Children and Teens who complete the summer reading challenge will also receive a raffle ticket for a Grand Prize Drawing of their choice. This year's grand prizes are: Nintendo Switch Lite, Lego Pirate Ship, Step2 Water Activity Table and Slip and Slide Party Pack.

SUMMER PROGRAM SCHEDULE:

Tuesday Programs (5th grade & up):
June 14th at 1pm Titanic Science (cool experiments, etc)
June 21st at 1pm EscapetheBermuda Triangle (escape activity)
June 28th at 1pm Survival Island (can you survive being stranded?)
July 5th at 1pm Crafternoon (ocean inspired crafts)
July 12th at 1pm Wrap Up Trivia Party

Wednesday Programs (recommended age 4 & up):
June 15th at 12:30pm Corcoran Puppets
June 22nd at 12:30pm Mad Science
June 29th at 12:30pm Tim Glander's Magic
July 6th at 12:30pm Dare to Dream Theater – Moana, Jr.
July 13th at 12:30pm Fox & Branch (music)

Thursday Story Time (toddlers/preschoolers):
June 9th at 9:30am Discover Treasure
June 16th at 9:30am Explore New Depths
June 23rd at 9:30am Seven Seas
June 30th at 9:30am Our Blue Planet
July 7th at 9:30am An Ocean of Wonder
July 14th at 9:30am Uncharted

OTHER KIDS ACTIVITIES

Pirate Treasure Hunt – We are having a treasure hunt at the library! Ask for a game sheet at the desk.

Tuesday Legos (ages 5+), June 14th at 4pm (second Tuesday of the month) – We'll provide the Legos and a new challenge every month. Follow the challenge or your own ideas. Lego creations will remain on display at the library until the following month.

ADULTS

Genealogist Workshops (Wednesdays, June 1st and 29th at 6:30pm) – Join us for a workshop with genealogist Mary Risseew to get some tips and guidance in your family history research. Registration required. Sign up for one or both workshops by calling 920-876-2554 or registering online (registration link is on our website under "Special Events" or at <https://forms.office.com/r/4m1NrHius6>).

Tech Thursdays (drop-in, Thursdays 1-3 pm) – Want to learn how to use the Libby app for digital books or digital audiobooks? Having trouble with your Kindle? Drop-in tech help is available Thursdays between 1-3pm. To arrange for tech help during another time, please call 920-876-2554.

Coffee Hour and Book Chat – Wednesdays at 10am. All welcome- enjoy a cup of coffee and some casual conversation. No registration required. If you would like to be added to our Coffee Hour list to receive updates, contact us at elc@monarchlibraries.org or 876-2554.

Book Club – Friday, June 10th at 1pm, Grashorn Civic Center. This month's book is *The Sentence* by Louise Erdrich. In this New York Times bestselling novel, Pulitzer Prize and National Book Award-winning author Louise Erdrich creates a wickedly funny ghost story: a tale of passion, of a complex marriage, and a women's relentless errors.

Order your copy on monarchcatalog.org. To be placed on our book club email list, contact the library at elc@monarchlibraries.org or 920-876-2554.
