MODERN MOWER

Lawn Mower | Snow Blower | Riding Mower

SERVICE & REPAIR

Lower Cost | All Makes and Models | Fast Service

35296 Mound Road, Sterling Heights, Michigan

(586) 553-9384

NOW HIRING

We are looking for a highly qualified small engine and equipment repair technician, with at least 3 years of experience working in a high volume small engine and outdoor power equipment repair facility.

We pay what a technician is worth - we pay at the top of the industry, and start highly qualified technicians at \$30 per hour, and constantly evaluate performance to see if the team member is worth more.

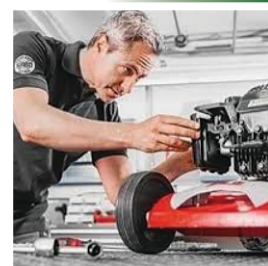

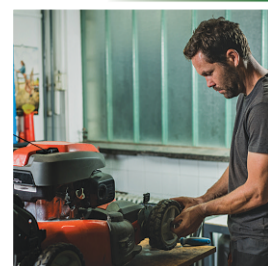

We also provide the specialized tools and equipment, but individuals are welcome to bring their own as well. Our shop is fully air conditioned, and great care is taken to make sure our team is comfortable, we even provide snacks and beverages.

Must be able to quickly diagnose and repair all makes and models of typical power equipment - Lawn mowers, snow blowers, edgers, generators etc. Familiarity with the Ideal OPE software system is a plus.

Must be able to handle the physical demands of the job, including heavy lifting, and work well both on their own, or as part of a team.

Team members will be expected to speak with customers about their equipment, and handle any other aspect of the business that needs to be taken care of.

This position has opportunities for advancement, including the possibility of running a satellite shop. Other benefits are negotiable.

GENERAL OFFICE, SMALL CONSTRUCTION COMPANY NEEDS EXPERIENCED, TAKE CHARGE PERSON FOR GENERAL OFFICE WORK.

Job includes but not limited to:

- Answering phone
- Scheduling appointments
- Light bookkeeping utilizing Sage Software
- Writing up and Scheduling invoices
- Billing insurance companies

Located in Shelby Township

Good pay

YOUR JOB. YOUR WAY.

Diagnostic or Mechanical Tech.
Salaried or Flat Rate.

LAETHEMTECH

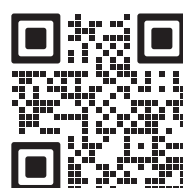

A faster way of getting to the gravy.
A better way of paying Techs.

Here's How it Works

- Diagnostic work is done by certified specialists (salaried) who's interests/skills are in the diagnostic/computer field.
- The now-diagnosed projects are assigned to mechanical/maintenance techs, for completion of the repair and paid by flat rate.

See why Ray Laethem Motor Village
is the better place to work.
