# YOUR JOB. YOUR WAY.

Diagnostic or Mechanical Tech.  
Salaried or Flat Rate.

## LAETHEMTECH

A faster way of getting to the gravy.  
A better way of paying Techs.

### Here's How it Works

- Diagnostic work is done by certified specialists (salaried) who's interests/skills are in the diagnostic/computer field.
- The now-diagnosed projects are assigned to mechanical/maintenance techs, for completion of the repair and paid by flat rate.
