## Spirit Lake Memorial Day Program 2022

American Legion Timpe Post #23 and VFW Post #4514 will conduct a program starting at 10:00 a.m. on Monday, May 30th. The flags will be placed on the courthouse lawn and at the corner of Hwys 9 & 71 on the Friday before (May 27th) at 4:00 p.m. The program will include the reading of the new Avenue of Flags for the past year (22). The high school band will play the National Anthem and a piece called "The Battle Hymn Chorale". A memorial wreath will be placed on the cross and the 21 Gun Salute will honor those who paid the ultimate price for our freedoms today. Taps will be played by Jenna Frerichs and Blane Fullmer. The invocation and benediction will be given by Pastor David Simonson from the Immanuel Lutheran church. Commander Perry will speak again this year.

Both the Legion and VFW would appreciate any help we can get to put the flags up on Friday (27th) at 4:00 and take them down on the 30th at 4:00.

We will be putting new name tags on all of our flags this year and could use extra help (that requires no lifting) to help us while the flags are up.

We also appreciate the cooperation of the public during the past 2 years with the Covid Pandemic. Many changes in the normal way funerals were handled caused some bumps with our flags. If you have any questions about the avenue of flags, please contact Commander Denny L. Perry at 712-320-5693.

### Summer is Here, Be Kind!

We haven't exactly had the best weather this spring but ready or not, here comes summer with the Memorial Day Holiday this weekend. It does look like Mother Nature will cooperate as the forecast looks awesome for this weekend! This is always one of my favorite times of the year as things are really starting to pick up in the Iowa Great Lakes and it's great to see the hustle and bustle back in the area. As we prepare to celebrate the upcoming summer, let's take time this weekend to remember the true meaning of the Memorial Day Holiday, to honor those who have died defending our great country and our amazing freedoms. Without these brave men and women we would not be able to enjoy many of the amazing things that our country and the Iowa Great Lakes has to offer. Please take the time to thank a Veteran and his or her family for their selfless sacrifice.

The one thing that getting through the Covid-19 pandemic the past two years hopefully taught us all is to appreciate all of the things that we took for granted before they were taken away or changed. As we continue to transition through these "different" times and figure our way through Covid, I ask that you have patience with people; when you find yourself getting crabby because maybe something isn't exactly like you want, or you are having to wait a little longer for your meal at a restaurant, please remember that these people are doing the best that they can in what is still uncertain times. The one common theme that you will find in the Iowa Great Lakes, and around many parts of the country, is that there are not enough workers to fill the jobs that we now have. Many area restaurants and businesses are not even able to open seven days a week because they don't have enough staff and need to give their staff that is working so hard, well-deserved days off. Please put yourself in the shoes of the person who is waiting on you, or the business owner who is trying to juggle summer work schedules with a short-handed staff. Please thank the people who are helping you and be patient when things don't go as smoothly as you think they should. We are all on edge with the uncertainty of the economy and the surging gas prices, but being rude to those who are trying to help you will only make things worse.

Another thing to keep in mind during the busy summer season is to be kind to our visitors. We all know that traffic increases and our lakes and businesses become much busier during the summer months, but please remember that without these visitors, many of the things that make the Iowa Great Lakes such a great place to live and visit would not be here. Hopefully you saw the awesome ad that Vacation Okoboji placed last weekend that highlighted some of the benefits of tourism in the Iowa Great Lakes, including the 1,200 jobs it helps create and the \$235 million that visitors spend in our economy. Take the time to thank a visitor for coming to OUR great area, and invite them to come back; it's amazing what one act of kindness can do and what an impact that can make on people. We are so blessed to have many big-city amenities and still enjoy the small-town feel of the Iowa Great Lakes, and much of that is made possible because of the revenue that tourism brings into the area. So, get out and enjoy everything that makes the Iowa Great Lakes one of the best areas to live and visit; while you are enjoying yourself, be thankful for all that we have and are able to do, and most importantly, be kind to those around you. Here's to a great Summer 2022!

## Underwater Cleanup Set for June 4

by Steve Weisman

Clean water... that's the focus of the many lakes' protective associations, organizations and individual in the Iowa Great Lakes. One of the huge issues right now is the problem of littering. We see it on the roadsides, pretty much everywhere we go. Unfortunately, a huge trash receptacle has become our lakes and waterways. Just look along shorelines, in the shallows and you'll see the ugliness of littering... and in the very waters we profess to hold near and dear to us!

That being said, people are fighting back against littering, and one of those opportunities is coming on Saturday, June 4 with an Underwater Cleanup with the goal to "Keep Okoboji Blue." Kyle Hamilton, organizer, says, "We're bringing back the Underwater Cleanup that was so popular with underwater divers back in the 1970s and 1980s in Okoboji."

Headquarters will be at Boji Divers at Okoboji Boat Works in Smiths Bay (1401 Lake Shore Drive) with registration and check in running from 8:00 to 9:00am.

It will be a full day of diving, cleaning up, along with an underwater scavenger hunt, prizes, giveaways and free food for participating divers. The goal is to potentially have divers also work on East Okoboji and Big Spirit.

For recreational boaters and fishermen on the lakes Saturday, June 4, watch for the diver flags and make sure to stay at least 50 feet away. Also, outside of 50 feet, vessel operators must operate at idle speed out to a distance of 150 feet.

Hamilton encourages people to pass the word. "Please help us promote this Underwater Cleanup to help keep Okoboji blue."

To learn more, you can reach out to Hamilton at 612-720-8111 or 712-338-0438 at the Boji Divers. You can also search on Facebook for updates on the Underwater Cleanup.

**Henry Alan (Hank) Pieper** was born December 22, 1955, to Charles and Aubrey (Rowe) Pieper in Colorado Springs, Colorado. **Realtor Scott Hunter Donates to Okobojo Protective Association**

(DICKINSON COUNTY, IOWA) – Scott Hunter, licensed real estate agent with Sexton Real Estate, has made a donation of \$2500 to the Okobojo Protective Association (OPA), represented by OPA President Kate Mendenhall. This donation stems from a portion of his proceeds from the recent sale of his lakefront listing on West Lake Okobojo.

The OPA is a nonprofit organization dedicated to preserving and enhancing the ecological health of West Okobojo Lake and the entire Great Lakes watershed since 1905. "Scott's generous donation will help the OPA continue to support clean water monitoring, invasive species monitoring and begin an anti-litter campaign and expand the Century Cottage project," said Kate Mendenhall, OPA President. "We greatly appreciate Scott's commitment to water quality and protecting the Iowa Great Lakes!"

Moving forward in 2022, Scott has pledged to donate 10% of his commission from the sale or purchase of any West Lake Okobojo property to the OPA. He hopes that this check to the OPA is the first of many. To learn more about how buying or selling lakefront property with Scott can directly benefit the OPA and the local watershed, contact Scott at 515.745.4560 or visit [www.liveboji.com](http://www.liveboji.com). More information on the important work of the OPA can be found on its website, [www.okobojiprotectiveassociation.org](http://www.okobojiprotectiveassociation.org).

### IGLA Chamber of Commerce Receives Chamber Event of the Year Award

Mid-America Chamber Executives (MACE) announced the recipients of their 2022 Annual Conference Awards at their spring conference in May. MACE is comprised of chamber professionals in the six-state area of Iowa, Minnesota, Nebraska, North Dakota, South Dakota and Wisconsin.

The Iowa Great Lakes Area Chamber of Commerce received the Community Event of the Year Award for the six-state region. The award honored the IGLA Chamber for their annual University of Okoboji Winter Games. The 42nd Annual Winter Games featured events of all types for the entire family, supporting business and providing a major boost to the economy of the Iowa Great Lakes Region. Attracting tens of thousands of people, several hundred events, and as many volunteers, the Games continue to grow every year.

This award is presented for excellence in Chamber-led Community events. The events are judged on criteria such as value to the community and chamber, resonance within their community and measurable results and innovation.

"It was a surprise and an honor to get the news that the IGLA Chamber of Commerce won such a prestigious award for the University of Okoboji Winter Games event" says Blain Andera, President and CEO of the Iowa Great Lakes Area Chamber. "This event couldn't happen without the dedicated chamber team, chamber board and volunteers, sponsors and the business and community support. This is truly an award for everyone involved in the Winter Games!"

## Dickinson County Museum Expands Hours and Services

Beginning Saturday, May 28 the Dickinson County Museum expands its open hours to Tuesday - Saturday, noon to 4:00 pm and Wednesday 10:00-4:00.

At 10:00 every Wednesday the museum hosts "Way Back When" informal conversations, a chance to reminisce and share personal experiences. Old-timers love it, and younger participants learn stories of way it was way back when.

The Okoboji High School No Boundaries students brought a new way to enjoy exhibits into the museum this year, and all that is needed is a smartphone to enjoy them. The students researched and prepared short YouTube videos that highlight many displays. These videos are accessed just by scanning accompanying QR codes at the displays.

The museum's mission statement, "Inspiring Engagement By Preserving Our Past," inspires and leads the museum on a daily basis. Nowhere does the mission statement come to life more than at the "Stroll Back in Time" event being held again this year on July 28 from 5:00-8:00 p.m. The "Stroll" involves special exhibits and events at the Museum, and a stroll through downtown Spirit Lake highlighting historic buildings and their stories. There are several new activities planned in conjunction with the "Stroll" this year.

Do you have an interest in our history? Do you enjoy poking around old things? The Dickinson County Museum has several openings for volunteers and board members. For more information on either of these, contact Museum Director Mary Dreier at [dickinsoncountymuseum@gmail.com](mailto:dickinsoncountymuseum@gmail.com) or 712-336-5928.

## Iowa Manufacturers' PAC Endorses Senator Dave Rowley as a Friend of Iowa Business

Senator Dave Rowley of Spirit Lake has been named a Friend of Iowa Business by the Iowa Industry PAC (IIPAC), the political action committee of the Iowa Association of Business and Industry (ABI). Rowley is seeking re-election to Senate District 5.

ABI is comprised of more than 1,500 companies that employ more than 330,000 Iowans. As "The Voice of Iowa Business Since 1903", ABI works to foster growth and prosperity for all Iowans.

"Senator Rowley has demonstrated a commitment to improve Iowa's business and regulatory climate so that employers can create more jobs and grow the economy. As a member of the Senate Labor Committee Rowley has provided leadership on workforce issues, including transforming Iowa's unemployment into a system of re-employment opportunity. Combined with his private sector small business experience Rowley is a great fit for Senate district 5," President Michael Ralston said.

The Iowa Industry PAC evaluates candidates based on their support for a competitive business climate with a focus on creating private-sector Iowa jobs. Criteria used to make the designations include the candidates' positions on issues, leadership demonstrated in advancing pro-growth policies and voting records from past legislative sessions. The selections are made by the IIPAC board, which is comprised of 11 bipartisan ABI members from across Iowa.

IIPAC is non-partisan and endorses both Republican and Democratic candidates for legislative and statewide offices. The committee encourages voters to consider the endorsements when evaluating which candidates will focus on economic issues and help bring jobs to Iowa when voting this November.

# LEADERSHIP

For those of you who don't know or wish to know my leadership style, please read the following unsolicited e mail that I received.

I have two things that I have wanted to bring to your attention for some time now. First, now that we are on the backside of the biggest health concern of our generation, and wide spread inoculation is taking place; I wanted to thank you for your leadership throughout the Pandemic. From the zoom meetings to the virtual Department Head meetings, your leadership was exceptional. When we needed to laugh, you made us laugh. When we needed to reflect and appreciate, you talked about the "beauty of the birds at your bird feeder". When we needed to be optimistic, you reminded us "this too will pass." When we needed to be reminded of our importance as essential employees to the Citizens of Dickinson County, you reminded us of that also. All of the Board members should get credit for their perseverance and concern during the Pandemic; however, as the Board Chair you were exemplary. For that I thank you, and will never forget your Leadership!

**Valero Renewables Receives Military Award**

On Thursday, April 28, 2022, at the Regional ESGR Awards Banquet held in Spencer, IA., ESGR representatives presented the prestigious Department of Defense Pro Patria Award to Valero Renewables of Lakota, Iowa.

The Pro Patria Award is the highest honor a state ESGR Committee can bestow to those employers who have truly separated themselves with peerless efforts of support, strict adherence to the Uniformed Services Employment and Reemployment Rights Act (USERRA) which is the federal law that protects the employment rights of National Guard and Reserve Component service members against discrimination for serving their country, and demonstrate exceptional leadership through practices and policies for employees who serve in the Guard and Reserve. The Iowa ESGR presents just three Pro Patria Awards each year and Valero Renewables is the recipient of the Large Employer category.

Staff Sergeant Austin Decker, who serves with the Minnesota Army Reserve, submitted his Office Coordinator, Erica Klukow, for the original Patriot Award which upon review, was elevated to the Pro Patria Award. Decker writes in his award submission that when notified of his pending deployment, Ms. Klukow "swiftly and expertly starting finding avenues that led to an easy seamless process" so that he could fulfill his military commitment. Her research into the procedures for military personnel on active duty, resulted in an update to the policy which will benefit all Valero military personnel on long term deployments going forward.

Employer Support of the Guard and Reserve (ESGR), a Department of Defense program, was established in 1972 to promote cooperation and understanding between Reserve Component Service members and their civilian employers, and to help recognize outstanding support arising from an employee's military commitment.

### LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

#### Letter to the Editor:

**Vote For Barb Clayton County Supervisor District 2**  
 Voters. You want Barb Clayton to represent you and all of Dickinson County as County Supervisor. Barb Clayton demonstrates strong, focused energy and concerns for the current and pressing issues the County and Iowa faces.

In the last 18 months, Barb Clayton has been involved in local issues beyond working with the local Republican Party. She has been attending the Orleans City Council meetings and the Dickinson County Board of Supervisor meetings. The CO2 Carbon Capture Pipeline is a great concern for many in the county and Barb is already digging into it - to know what is the best for the county and its residents.

From my experiences knowing Barb Clayton, she is a natural leader, invigorating and motivating fellow citizens to engage and to get involved in our local government matters.

Barb organized and formed the Iowa Great Lakes Patriots, a body of concerned patriots, encouraging us to participate, question the status quo, investigate the 2020 election integrity in Dickinson County. The Patriot group studied and made their best efforts to influence the Iowa State Legislation regarding COVID-19 vaccination and mask mandates. This group helped local citizens, whose jobs were threatened with vaccination mandates, providing them with local resources in order to prepare medical and religious exemptions from vaccinations.

Barb Clayton was instrumental in bringing Sidney Powell to speak in Okoboji in October 2020 and July 2021. She spearheaded and organized the recent "Leading with Liberty" Conference, with keynote speaker, Dr. Lee Merritt, May 6, 2022 at the Roof Garden.

We need fresh, new blood on the Dickinson County Board of Supervisors. Barb Clayton cares about the welfare of all Dickinson County residents. She will bring strength to this board, standing for all our rights and freedoms.

No challenge or task is too big for Barb Clayton.

### YMCA Provides Update on the Igniting a Healthy Legacy Campaign and Projects Timeline

The Bedell Family YMCA Aquatics Center renovation, as part of the Igniting a Healthy Legacy Campaign, has been under way since late March of 2022. Restorations completed to date are the east windows replacement, demolition prep work, pool and play feature pumps installed, and play feature footings poured and cured. Other renovations are in progress due to shipping and manufacturing delays. Barring any other logistical delays, the Aquatics Center is now tentatively planned to reopen on June 13.

Other construction plans in the Igniting a Healthy Legacy Campaign's scope have also been affected. Based on the original project estimates, fundraising was nearing 100% in February 2022, due to the hard work of our campaign volunteers. However, with inflation of construction materials, the actual bids for the Aquatics Center renovation increased by 17%, with Camp Foster projects jumping by 40%. Due to these changes, the Campaign's construction timeline has been adjusted.

Andrew Fisher, CEO of the YMCA of the Okobojis, provided insight on the revised timeline. "Due to the heightened impact of inflation, construction costs have increased beyond our original campaign fundraising goal. While we were able to meet that initial Campaign goal, we will now be moving forward with a two-phased approach for construction at the direction of our Board of Directors and campaign volunteers. This will allow us to progress with a number of our campaign initiatives while continuing to raise funds towards our adjusted fundraising goal."

Phase 1 of the campaign will include the Bedell Family YMCA Aquatics Center renovations, the Camp Foster Dining Hall expansion, the Camp Foster Airnasium construction, as well as the retirement of long-term organizational debt and the partial funding of our endowment growth goal. Construction of the Dining Hall and Airnasium is scheduled to take place later this year.

Funds will continue to be raised towards the Phase 2 projects. Phase 2 will include the Camp Foster Visitors Center, Health Center, and Camper Cabin projects, as well as additional endowment growth.

The Igniting a Healthy Legacy Campaign is the YMCA's campaign to renovate the Bedell Family YMCA's Aquatics Center, provide new and renovated structures at Camp Foster to further support the camping and local community, and enhance organizational sustainability by growing the organization's endowment and eliminating long term organizational debt. Including the increased construction costs, 72% of the Igniting a Healthy Legacy Campaign's total has been funded.

Turbidity is an indicator of treatment filter performance and is regulated as a treatment technique. Total Organic Carbon Value and Range are based on the Removal Ratio Running Annual Average.

**DEFINITIONS**

- Maximum Contaminant Level (MCL) - The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
- Maximum Contaminant Level Goal (MCLG) - The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- ppb - parts per billion. •ppm - parts per million. •N/A - Not applicable •ND - Not detected •RAA - Running Annual Average
- Treatment Technique (TT) - A required process intended to reduce the level of a contaminant in drinking water.
- Action Level (AL) - The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
- Maximum Residual Disinfectant Level Goal (MRDLG) - The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
- Maximum Residual Disinfectant Level (MRDL) - The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
- SGL - Single Sample Result •NTU-Nephelometric Turbidity Unit

**GENERAL INFORMATION**

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants or potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline (800-426-4791). Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791). We are currently testing for *Cryptosporidium* and *E. coli* in our raw water to determine if additional treatment is necessary. If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Spirit Lake and Orleans are responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>.

**CONTAMINANT / OTHER VIOLATIONS**

This system had no contaminant violation or any other violations in 2021.

**SOURCE WATER ASSESSMENT INFORMATION**

This water supply obtains water from one or more surface waters. Surface water sources are susceptible to sources of contamination within the drainage basin. When Zebra Mussels were first discovered in the Lakes Region, our utility was proactive and began treatment to protect our water infrastructure. **Surface Water Name - Big Spirit Lake. Susceptibility - high SYSTEM SECURITY**

Our water utility is making every effort to protect the water system from potential security threats. You, as customers, can also help. ## OST CAMPUS TOURS SET FOR SUNDAY

### Waffle brunch adds to fun

After a long history of fund raising breakfasts over the years, the Okoboji Summer Theatre Association -- the not-for-profit association of area residents and vacationers who support the Okoboji Summer Theatre with scholarships for Stephens College students and other OST activities as well -- will be holding its first Waffle Brunch this Sunday morning, from 8:30 to 12:30, in the Weaver Commons building on the OST campus.

OSTA President (For Life!) John Barrow explained, "the OSTA is embarking on this additional fund raiser with Dad's Belgian Waffles, something we have talked about for several years. Many Lakes area people know this group from Algona, and are familiar with the quality of the food."

Toppings for the waffles are expected to include butter, strawberries, whipped cream, and nine different syrup options in addition to coffee, fresh fruit, and juice options. Mimosas will also be available for those of legal age. In addition to the meal, which will include all the waffles and sausages a person can enjoy, there will also be free "backstage tours" including a peek at the new student and guest actor houses on the lot. The adult brunch is just \$10, or \$5. for children under the age of five.

Barrow added that "Sundays have always brought good crowds to Dad's events, "And being that this is the first holiday weekend of the season, we expect to see many area residents as well as tourists enjoying the campus of the UofO." Carry-Outs will also be available...

In addition to all the good food, there are many opportunities to enjoy great music. In just the next few days, we will be able to see how

The Iowa Rock 'n' Roll Music Association and Arnolds Park Amusement Park are working together to promote several concerts in the Roof Garden Ballroom at the Amusement Park this summer. The season will start with *Rock a la Carte*, Thursday night at 6:00; followed by *The Linda Ronstadt Experience*, on Friday night, at 7:30; then *Richie Lee & The Fabulous 50s*, on Thursday, June 2nd, at 6:00; and *Surfin' Safari*, at 6:00, Thursday night, June 9th; also, *The Lone Tree Revival*, at 6:00, Thursday, June 16th.

This week will see *The Mellow Dees* performing on the stage in the barn at the Little Swan Lake Winery, Thursday night, from 6-8:00; Mark Lair, Saturday, from 6-8:00; and *-The Ridottos*, Sunday, from 4-6:00

As always, reservations are suggested (712-858-4592)...

Research director, RD has worked on some items here that she hopes will bring us our much anticipated summer weather. And it should be no surprise that she even found some appropriate notes and songs. Daniel Gabriel Fahrenheit (born May 24, 1686) was a Dutch, German, and Polish physicist who invented the thermometer and also the scale named after him. Hopeful songs for summer include *Too Darn Hot*, from the 1948 Cole Porter musical, *Kiss Me Kate*, and *In The Cool, Cool, Cool of the Evening*, written by Hoagy Carmichael and Johnny Mercer, and first recorded by Dean Martin in 1951.

1950's pop singer Peggy Lee was born on May 26, 1920, in Jamestown, North Dakota, and given the name Norma Delores Egstrom. Her 1960 Capitol studio album, *Pretty Eyes*, was arranged and conducted by Billy May and featured songs by famous composers, including *It Could Happen to You*, (Burke, Van Heusen), *Too Close For Comfort*, (Bock, Holofcener, Weiss), and *Fly Me to the Moon* (Howard). The sometimes flighty female also discovered that the 26th is also Paper Airplane Day. Closer to home, RD has a note or two to share about Friday being Jazz Day. She is suggesting that an appropriate way to celebrate this holiday would be to listen to jazz music recorded by jazz composer and pianist Ramsey Lewis, who has released over 80 albums, received three Grammy Awards, and hit the charts with five Gold Records, including *The In Crowd*, *Hang On Sloopy*, and *Wade in the Water*. And just to cap this subject, RD notes that Ramsey will turn 87 on the 28th...

Finally, we should note here that it was in appreciation of RD's song sleuthing ability, that John Barrow suggested the Pop Quiz on her behalf, recognizing her efforts involving decades of good music. The question is simple. What popular American male vocalist of the 1960s -- who Barrow suggested was perhaps more popular in England than in the USA -- recorded the song *Backstage*? We even have a prize for the first person who emails the correct name to the OSTSA at: [ostassociation@gmail.com](mailto:ostassociation@gmail.com)

In case of multiple correct responses, the time stamp on the entry will be the deciding factor. The prize will be a delicious Waffle Brunch, Sunday morning, at the Okoboji Summer Theatre! Have fun looking for the name. We'll even provide a hint here: The singer lived in a small town in Connecticut when he became popular... Please be sure to include your name, address, and phone number as time will be of the essence. The deadline for submissions will be noon, Thursday.

Please send your music-related announcements and comments to [RAMBOling@Mindspring.Com](mailto:RAMBOling@Mindspring.Com) or PO Box 676, Okoboji, Iowa 51355-0676.

## NOTICES NOTICES

**CITY OF MILFORD: Board of Adjustment Member Needed**

The City of Milford has 2 openings to serve on the Board of Adjustment (5-year term). The Board of Adjustment is not a policy making board, but rather a quasi-judicial board responsible for the following: (1) Administrative review where it is alleged that there is error in any order, requirement, decision, or determination made by the Zoning Administrator; (2) Hear and decide special exception use applications; and (3) Authorize in specific cases a variance from the terms of the Zoning Ordinance when the variance is not contrary to the public interest and, due to special conditions, a literal enforcement would result in unnecessary hardship, and so that the spirit of the ordinance is observed and substantial justice is done. A small stipend is also paid to board members.

If interested please visit [www.milford.ia.us](http://www.milford.ia.us) for a board member application.

Applications will be taken until positions are filled.

All appointments will be in accordance with Milford City Ordinances, Iowa Code 69.16 concerning gender balanced boards, and the City's Volunteer Board Appointment Policy.

**Pirate's Cove hosting "Putting for Patriots" Event for Veterans**

Pirate's Cove Adventure Golf in Arnolds Park, Iowa, will host the Fifteenth Annual "Putting for Patriots" fundraiser from May 27th through May 30th.

This national event supports two non-profits which serve our wounded Veterans, their families, and survivors of the fallen: Homes for Our Troops and TAPS (Tragedy Assistance Program for Survivors).

The charity event will occur simultaneously at thirty-one Pirate's Cove, Pirate's Island and Jungle Golf miniature golf courses throughout the United States. Each business will contribute a percentage of their total sales over Memorial Day Weekend, plus accept donations on behalf of the benefiting charities. "Memorial Day was founded to remember those who died serving our nation," said Brad Graft, a former Marine and Pirate's Cove owner. "The Pirate's Cove/Pirate's Island family is excited to host this annual event for the fifteenth year— a humble effort to serve living Veterans, men and women who have sacrificed so much for our freedom."

Since its inception, Putting for Patriots has raised nearly \$667,000. For more information on the event, participating locations near you, and charities supported, please visit: <https://www.puttingforpatriots.com>.

**DCTB Holds Trailhead Grand Opening**

The weather was a little chilly on Saturday but the Tatanaka Ska Trailhead grand opening and bike ride was a well attended and successful event. Erin Reed, DCTB Executive Director, thanked the many project partners and supporters while John Franken highlighted the contractors that participated in the development of the trailhead. As part of the event, a bike ride was held that featured the completed rail trail to Montgomery.

The DCTB extends its gratitude to everyone that made the celebration a success, including Tammy Hamlin for offering music at the trailhead, Central Bank and Lakes Regional Healthcare for providing refreshments and snacks and West O Brewery for sponsoring the rest stop in Montgomery.

In addition to Imagine Iowa Great Lakes partnership on the project, over \$220,000 was raised through grants, sponsorships and donations. Thank you

to all that have supported this wonderful addition to the Iowa Great Lakes Trails. For more information on the trailhead and available sponsorship opportunities, please visit [www.dickinsoncountyrails.com](http://www.dickinsoncountyrails.com).

It is an excellent opportunity to teach the students about bike safety and the joy of our local trails. Thank you to everyone that makes this great event a reality including Iowa Lakeside Lab and First Lutheran Church for hosting the student riders and Jason Murray of Danny Axtell Trucking for hauling all of the bikes to and from the event.

**LETTERS TO THE EDITOR**

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

**To The Editor:**

I feel that one of the greatest privileges we have as Americans is to exercise our right to vote for our candidates at every level of government, including federal, state, and county. I am hoping that the voters of Dickinson County will respect that privilege and vote in the upcoming Primary election on Tuesday, June 7th. Too often there is a poor turnout in the primary elections and that is sad to see.

I am writing this letter to endorse Barb Clayton, who is running a campaign to serve as one of our Dickinson County Supervisors. I believe Barb is an excellent choice for the position. She is a community minded person, a great listener, and studies issues from all sides before making decisions. Barb has been active in the Republican party for many years and a hard worker. She has been very involved in our county in all areas, and has actively encouraged people to get involved locally by attending board and council meetings as well as putting together in a span of 48 hours a workshop to assist helping those fearful of losing their jobs due to unwanted mandates and helping them become aware of how to secure religious or health-related objections.

I also think that we cannot ignore the fact that women of this community can serve as county supervisors and are definitely able to have a positive impact on the decisions made by the Board of Supervisors. We have had capable women in past years and I believe it may well be time that we look at electing more now and in the future. I feel that Barb is definitely one who can make that impact, and I would encourage those in District 2 to vote for her.

Sincerely,  
Charlene Radcliffe,  
Spirit Lake, Iowa

**Lakes Area Farmers Market News**

Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, IA 51360

While the inconsistent temperatures and lack of rain are making produce crops grow slowly, the weather does not affect bakers. Lakes Area Farmers Market will have many bakers present when the market opens at 7:30 am on June 4th. The Bread Man will be back on Saturdays with his delicious loaves of bread. He makes several varieties and also has some quick breads. Diana makes some of the best pies in the area. She will have different kinds available for you along with cookies and bars. Karen makes cakes, bars, cookies, and usually has something new each week. Of course, Mrs. Fudge will be making cinnamon rolls and caramel rolls, and also pies and cookies. Alicia will bring many different kinds of quick breads, bars and cookies, and sometimes has rhubarb or apple crisp. On occasional Saturdays Mary from Mary's Fresh Grains will return with all the good things she makes. Check out her Facebook page for dates and what she will be bringing. Since rhubarb is in season, look for various rhubarb desserts. There is always good eating at Lakes Area Farmers Market. We hope to see you there.

### McQuown Presents to Kiwanians

Todd McQuown, center, accepts a check from Kiwanians Dick Anderson, left, and Duane Hurley. Mr. McQuown gave a recent presentation to the Milford Kiwanis Club on "Timber Bay", whose team is celebrating its 10th year of ministry to youth and families in the Spirit Lake / Okoboji area. This monetary donation will be used for scholarships for Timber Bay camping experiences. In this ministry, staff at Timber Bay connects with schools and school personnel in the Okoboji and Spirit Lake Schools, and also with social workers, parents, and area church staff. They are in each school system weekly providing one-on-one mentoring, weekly activities, homework assistance, and other activities as needed. They also provide referrals and friendship to a wide variety of youth and families, including foster care. It is not unusual for the Timber Bay team to continue to assist those who have graduated from high school with individual counseling and large and small group sessions.

The ministry's name is derived from the "Timber Bay Camp", located approximately 1 1/2 hours from the Twin Cities. This unique camping experience helps kids to build trusting relationships through their camp experiences. For many youth, this is their first experience with integrated outdoor activities in a camp setting. When dealing with vulnerable kids, there is no "cookie cutter" approach. Rather, the guidance given to them is completely kid-driven and kid-specific, depending on a child's background and needs. The Milford Kiwanis Club is happy to fund this worthwhile initiative, and commends Mr. McQuown and other Timber Bay staff and volunteers for this important and much-needed assistance for area youth.

## FARM TO FORK Fun DRAISER

A FUNDRAISING EVENT FOR THE CLAY COUNTY FAIR CHARITABLE TRUST

SATURDAY, JUNE 4 CLAY COUNTY REGIONAL EVENTS CENTER  
5:00 PM SOCIAL | 6:00 PM DINNER  
TICKETS ARE LIMITED!

### First ever Farm to Fork FUNdraiser

A four-course meal prepared with locally sourced ingredients, musical entertainment by Fair favorites The Britins, auctions, and a 50/50 raffle will highlight a brand-new fundraising event for the Clay County Fair Charitable Trust on Saturday, June 4. "The Fair's core mission is agriculture," said Fair & Events Center CEO Jeremy Parsons. "To incorporate that core mission into a fundraising event to ensure future success for the Fair is very exciting."

The meal, which will be prepared by Fair & Events Center Executive Chef Phil Poutre, will be four courses all sourced from local producers. Those producers will then be present during the event to teach attendees how they work diligently to provide healthy and safe locally grown food items.

"The ability for the attendees to hear directly from the producers will make the evening a top-notch educational event," he said.

The fundraising component of the event will include both live and silent auctions, as well as a 50/50 raffle. The silent auction is available online, and potential bidders do not need to attend the event in order to participate in the silent auction.

Complete event information, including the four-course meal menu, a listing of live auction items, and a link to the online silent auction can be found at [www.claycountyfair.com](http://www.claycountyfair.com).

Providing entertainment during the event will be the Beatles tribute band, The Britins, who have performed on free entertainment stages numerous times during the Fair.

Tickets for this brand-new event are on sale now. Prices are \$100 per person, \$175 per couple, or \$2,000 per table sponsorship which includes eight (8) tickets. Tickets may be purchased online at [www.claycountyfair.com](http://www.claycountyfair.com) or in person at the Events Center Box Office.

Established in 1993, the Clay County Fair Charitable Trust is a 501(c)(3) non-profit whose goal is to ensure a blue ribbon future for "The World's Greatest County Fair."

Rooted in Tradition, the Clay County Fair and Events Center is a year-round facility that annually hosts more than 300 events, including its signature event, the Clay County Fair powered by SMU. Known as "The World's Greatest County Fair" since 1917, the Clay County Fair attracts more than 325,000 guests each September for nine-days of world-class entertainment, competition, food, fun, and the largest farm machinery show at any fair in the United States. Additional information can be found at [claycountyfair.com](http://claycountyfair.com).
