Free Summer Fun!

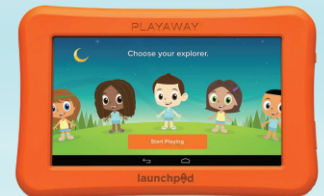

We have hundreds of fun new programs taking place from June to August! Your favorites will return such as various storytimes, book discussion groups and craft programs, as well as loads of new culinary, nature and educational offerings. All our programs are completely **FREE** but most require preregistration at LorainPublicLibrary.org/Events.

Little Library on the Lake opens at Lakeview Park next weekend! Instead of loaning books, this library loans fun games and activities to enjoy right there on the beach! We will also have weekly programs for the kids as well. Visit us for some **FREE** fun in the sun this summer.

Planning a summer vacation? Keep the kids entertained on the road trip or plane ride with a **Launchpad**. Launchpads are preloaded educational tablets with content and games for users of all ages and do not need to be connected to Wi-Fi. Topics include literacy, math, science, art and social skills.

The Main Library, Domonkas Branch and South Lorain Branch are participating in the Summer Food Service

Program. Kids aged 18 and under are invited to enjoy a **FREE** lunch Monday through Friday all summer (except July 4 when the library is closed).
