2022 Grand Marshal William Greco Jr.

Bill is the co-owner of The Original Thunderbird Steakhouse, a third generation owned and operated business that was founded by his grandfather Salvatore and father William Sr. in 1956.

Bill and his brother Tom are extremely proud that our family business has become a landmark in the community. They feel blessed to serve this community with it's amazing customer base and the support they have always given us. Above all none of this would be possible without the incredible dedication of their employees past and present. They couldn't do it without you.

The Thunderbird has been a driving force in the community as they have taken on many charitable events to help those in need throughout Marple and Newtown.

When "Billy" as he is known, is not making award winning cheesesteaks at The T-Bird at 2323 W. Chester Pike in Broomall, he uses his off time enjoying his hobbies. He is an accomplished drummer, singer, and even plays a decent game of golf. But his passion beyond the work is his family.

He is a graduate of Marple Newtown Class of 81', husband of 15 years to the lovely Liz Corano Greco (MN Class of 91') They are the proud parents to the incredible twin boys Billy and Dylan, and twin daughters Cassandra and Jessica.

Bill said, "It is a great honor and I am very happy to be recognized by the Marple Newtown community. Thank you and have a Happy 4th of July."

2022 Musical Groups

Spirit of Slim 76

Jess Hubley

Joe Glennon

Guy Campo

Dennis Chiccino

The Spirit of Slim is a band of friends put together in the memory of Slim Jim. Slim Jim performed for many years at the 4th of July parade. Slim's friends are Jess Hubley, Joe Glennon, Dennis Chiccino and Guy Campo.

Mersey-British Rock Invasion

Mersey- features music from bands such as The Beatles, The Rolling Stones, The Who, The Kinks, The Animals, Cream, Pink Floyd, Deep Purple, and more. The show includes a Live band that performs all the music, as well as actors and dancers. Skits that touch on topics such as long hair and other moments

that define that era. Songs include "I Want To Hold Your Hand" by The Beatles, "Satisfaction" by The Rolling Stones and "My Generation" by The Who. "Every song is a hit, I've borrowed musicians from all the great bands from this area," "It's a labor of love for all of us. Everyone in the cast is really into the project. It's a very personable show. It's been a wonderful experience putting it together." and performing for new music Lovers all over!

My son Luke, helped me with this show, from "the ground up." Luke and me, researched all the groups and Luke did the graphics as well, after many Shows.....Band Members include - Dan Traynor, Gene Harlack, Scott Grande, Dave Rand, George Livanos, Brandy Roads, Collette Johnson, Kevin Cooley, Steve Kurtz, Donna DeGregorio, John Deneen.

WOODLAND STRING BAND

Nine men in the Southwest neighborhood of Philadelphia, PA organized the band on February 4, 1926

The name of the band was derived from the main thoroughfare of the southwest section of the city – Woodland Ave. – where the majority of the founding members lived. The members of Woodland are quite proud of the fact that the band has never missed an appearance in the annual Mummers Parade. Woodland has the second longest consecutive marching record for participation in the Mummers parade. Over the years the Woodland String Band has performed on thousands of occasions. Many of the band's performances have been for dignitaries such as President Franklin D. Roosevelt, President John F. Kennedy and President Richard M. Nixon. Woodland has also had the great honor of performing for Prince Philip of Norway and Her majesty Queen Elizabeth II of England during their visits to Philadelphia during the countries bicentennial celebration in 1976. In September 1999, Woodland was chosen to travel to Toronto and Montreal, Canada to represent the State of Pennsylvania's Tourist Board in an endeavor to attract Canadian tourism to the Keystone State. While the members enjoy the travel, they also take the responsibility of being ambassadors for the great city of Philadelphia and the tradition of Mummery extremely serious. All of the members of the band are volunteers and receive no compensation for their performances. All money raised by the band goes toward the expenses for the coming year's competition on New Year's Day. An average New Year's Day performance can cost the band in excess of one hundred thousand dollars.

Marple Newtown Community Band

The Marple Newtown Community Band, established in 1996, is a volunteer, non-profit group that performs free for the public, both within Delaware County and out of it. The MNCB has performed at, among other places, Rose Tree Park, Glenolden Borough, Yeadon Borough, Campbell's Field in Camden, N.J., and one of Marple Township's most cherished landmarks, the Massey House. The band performs frequently at Paxon Hollow Middle School, Lima Estates, and, of course, the Marple Newtown 4th of July Parade. Prospective members need not be residents of Marple Newtown Townships. For more information about the band, go online to www.mncb.org, or call 610-308-8692.

Ken Annand --Bagpiper

Ken Annand, a 20 year resident of Newtown Square has enjoyed raising his two children in this great township. He was in the Pipes and Drums of the Delaware Valley for 22 years, and now is performing, and marching with Ceol Neamh pipes and drums. His wife Carol and he would like to wish everyone a happy 4th of July.

Eagle Pep Band

The official band of the Eagles that gets us ready for pre-season football with their famous "Fly Eagles Fly" song among others and performs before 68,000 fans at every home game. They also travel with the team and play at many local weddings.

The band was the 2018 Grand Marshal of the Marple Newtown July 4th parade.

More Musical Groups

The Marching Cobras

The Marching Cobras Drumline and Danceline has taken New York and its neighboring states by storm. The program provides opportunities that will promote leadership, teamwork, as well as physical fitness with a strong focus on character development. With a plethora of performances under our belt some of our most notable performances have been a part in the movie "The Birdman" the band also lead the Vince Lombardi Trophy into the stadium at the 2014 Super Bowl. The Marching Drumline and Dance line has opportunities for all young people. We create memorable events for the individual but also for the collective membership. These events provide realistic experiences that empower band members to contribute to common goals at practice. Team building and learning music benefit the participants in both their school work and personal life. The long term benefits include enhanced communication skills, concentration, decision making, stress minimization and self confidence.

The program also addresses the escalating violence, gang presence, dropout rate, lack of positive male role models for and female role models and reduce the incidence of risk taking behaviors among this vulnerable population. The program also deals with a critical and often overlooked need in the minority community overweight and obesity. With a large minority population the need for intervention is critical to ensure the short-term and long-term of these youth. The Band program address this critical issue by a "Healthy Lifestyles and Transitions Program" as part of the Marching Cobra Program.

We pride ourselves on is the fact that there is no prerequisite for experience in our program. Many of our members were not drummers or dancers when they first entered. They heard about the program and their interest brought them to us. This is where we were able to really shape, mold, and work with anyone. Sure it is beneficial if an individual has the experience but it is not a requirement. If you show you will be dedicated and that you will put in the effort to learn your craft then it becomes easy. The best thing is watching an individual go from knowing very little to mastering their drum or their dance. Socially healthy and respectful bonds are formed. Shy individuals quickly come out of their shells and shine bright with the rest of the program. Every and anyone that is willing has a place in our program.

Bushwackers Drum & Bugle Corps

The Bushwackers Drum and Bugle Corps is an all-age drum and bugle corps that competes in the Drum Corps Associates circuit. It was founded in 1981 in Harrison, New Jersey. They are now from Pennington, New Jersey. They are a six-time DCA World Champion and earned third place last year in their virtual season. Bushwackers are excited to perform for the residents of Marple Newtown!
