SPEAK OUT

Dear "Speakout",

Father's Day – When Good Men Do Nothing.

My purpose is to explain that good men should get involved in the affairs of this world and not just complain about the direction in which we are heading.

The British statesman, Edmund Burke, is quoted to have said "The only thing necessary for the triumph of evil is for good men to do nothing." Burke was also quoted as saying "When bad men combine, the good must associate, else they will fall one by one an unpitied sacrifice in a contemptible struggle."

English philosopher John Stuart Mill, in the 1860s wrote, "Bad men need nothing more to compass their ends, than that good men should look on and do nothing."

The Old Testament in Proverbs 24:11-12 KJV reads "If thou forbear to deliver them that are drawn unto death, and those that are ready to be slain; If thou sayest, Behold, we knew it not; doth not he that pondereth the heart consider it? and he that keepeth thy soul, doth not he know it? and shall not he render to every man according to his works?"

I am amazed at the lack of interest of many Americans today that once they vote, or if they do not vote, they stop their input into the affairs of our wonderful country at that point!

I submitted a listing of our governmental officials in a "Speakout" article several months ago. Occasionally when I hear someone complaining about the state of our nation, I ask that person if they ever contact these elected officials with their concerns. Almost every time, they tell me that they have not contacted these officials because they would not listen and that it would be a waste of their time.

As long as this view continues, our wonderful country will continue its downward spiral. God placed every one of us in this world for a purpose and that purpose is not to fulfil our wants and desires. We live because God told us to proclaim the Gospel of Jesus Christ so that others would be saved and go to Heaven when they die. We are also to attempt to make our world a better place in which to live.

I would encourage everyone to get involved in the political processes of our country and to help those less fortunate to make their lives a little better.

The Bible says that God has blest each of us with an abundance to share with others. I have been told repeatedly that the little we can do will not make a difference in the lives of our fellow Americans. If 330 million Americans were to just do a little, we could make America a better place to live.

The main reason our country is in the state it is in today is because men have not stood up to evil for the past 70 years! The percentage of American children without fathers is growing as many men are more than willing to father children and then desert their girlfriends, wives, and their children.

Recent studies have shown that children without a father at home are much more likely to become irresponsible adults and 20 times more likely to be incarcerated.

So, the question is "where are you men of courage?" Stand up and be counted! It is time for all good men to come to the aid of their families and country. I hope to hear from our readers as I know that you all have views on these topics, whether in agreement or disagreement with those of mine.

Lord willing, I will send another article next week.

Need Help Paying for Medicare?

The **Medicare Savings Programs** can help with Medicare costs, like your monthly Part B premiums and sometimes also Part A and B coinsurance and deductibles.

If your gross monthly income is less than \$1,549 for an individual or \$2,080 for a couple, you may be eligible for this program.

The **Extra Help Program** helps pay some of your Medicare Part D drug plan costs.

If your gross monthly income is less than \$1,719 for an individual or \$2,309 for a couple, and your assets are less than \$15,510 for an individual or \$30,950 for a couple, you may be eligible for this program.

These figures are based on the federal poverty limits and are subject to change.

Contact NY Connects at the Livingston County Office for the Aging at 585.243.7520 for more information or to schedule an appointment for enrollment assistance.

Have a Fun & Safe Summer!

Warmer weather is a great opportunity for outdoor play- both for children and adults. However, there are steps everyone should take to make sure they keep themselves and their families **SAFE DURING THE SUMMER.**

Remember to use insect repellent as directed on children age two and older and to cover infants with netting to protect against insect bites. Use sunscreen of at least SPF 15 every day, wear a helmet and reflectors when riding a bicycle, and make sure children are supervised and wearing life jackets in and around water.

SEALED BIDS WILL BE RECEIVED as set forth in instructions to bidders until 10:30 A.M. on Thursday, July 07, 2022 at the NYSDOT, Office of Contract Management, 50 Wolf Rd, 1st Floor, Suite 1CM, Albany, NY 12232 and will be publicly opened and read. Bids may also be submitted via the internet using www.bidx.com. A certified cashier's check payable to the NYSDOT for the sum specified in the proposal or a bid bond, form CONR 391, representing 5% of the bid total, must accompany each bid. NYSDOT reserves the right to reject any or all bids.

Electronic documents and Amendments are posted to www.dot.ny.gov/doing-business/opportunities/const-notices. The Contractor is responsible for ensuring that all Amendments are incorporated into its bid. To receive notification of Amendments via e-mail you must submit a request to be placed on the Planholders List at www.dot.ny.gov/doing-business/opportunities/const-planholder. Amendments may have been issued prior to your placement on the Planholders list.

NYS Finance Law restricts communication with NYSDOT on procurements and contact can only be made with designated persons. Contact with non-designated persons or other involved Agencies will be considered a serious matter and may result in disqualification. Contact Robert Kitchen (518)457-2124.

Contracts with 0% Goals are generally single operation contracts, where subcontracting is not expected, and may present direct bidding opportunities for Small Business Firms, including, but not limited to D/M/WBE's and SDVOBs.

The New York State Department of Transportation, in accordance with the Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation and Title 23 Code of Federal Regulations, Part 200, Title IV Program and Related Statutes, as amended, issued pursuant to such Act, hereby notifies all who respond to a written Department solicitation, request for proposal or invitation for bid that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, national origin, sex, age, disability/handicap and income status in consideration for an award.

Please call (518) 457-2124 if a reasonable accommodation is needed to participate in the letting.

THINK TICKS!

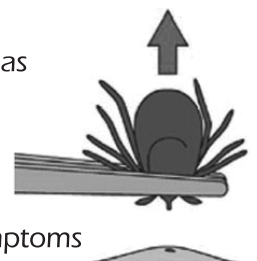

Ticks spread disease. Take steps to protect yourself and your family.

How to Avoid Ticks

- Wear light-colored clothing to spot ticks easily.
- Wear enclosed shoes, long pants and a long-sleeved shirt. Tuck pant legs into socks or boots and shirt into pants.
- Check clothes and skin often for ticks while outdoors.
- Use insect repellent.
- Keep on cleared, well-traveled trails. Walk in the center of trails. Avoid dense woods and bushy areas.
- Bathe or shower within 2 hours after going indoors (to wash off and easily find ticks).
- Do a full-body tick check at the end of the day and remove ticks right away

How to Remove a Tick

- Using fine tipped tweezers, grasp the tick near mouthparts as close to skin as possible.
- Pull tick in an upward, steady motion away from skin
- Clean the bite site with soap and water, rubbing alcohol, or hydrogen peroxide.
- Record date and location of tick bite. If a rash or flu-like symptoms appear contact your health care provider as soon as possible.
- The risk of Lyme disease is lower if the tick is removed within 24-36 hours.

FREE TICK REMOVAL KITS available to Livingston County residents (limited supply)

For more information about tick borne diseases, please call or visit:

CENTER FOR ENVIRONMENTAL HEALTH

The Votes are in! Thank You Livingston County...

This month we celebrate the BEST of Livingston County with the first ever Genesee Valley Penny Saver Reader's Choice awards. Readers were asked to nominate their favorite businesses across over 50 categories. Ranging from manufacturers to local diners, ag businesses, antique stores, breweries, and family restaurants, realtors, wedding barns, and wineries to name a few, businesses big and small were put to the test to determine who would bring home the coveted first place prize.

After receiving nearly **40,000 VOTES**, the results are in! Read on to find out who took first place as well as the runners up with the next highest vote count. Don't see your business name up there? There's always next year!

The excitement is building already. "I was elated. I actually screamed out loud," said Miss Jen of Dance Emporium in Avon after winning first place. The Dance Emporium received the most votes of any business across all 50 categories. "We are celebrating our 28th season this year. We are very humbled and excited. I am so appreciative to all of our families for supporting us all these years and for going the extra mile to support us in this way."

Once again thanks to readers and businesses for participating. Don't forget to support local and congratulations to the winners!

Summer Safety

Warmer weather is a great opportunity for outdoor play- both for children and adults. However, there are steps everyone should take to make sure they keep themselves and their families safe during the summer.

Insect Repellant: There are many insect repellants that are safe to use for children age two and older. Be sure you pick repellants with DEET, picaridin (KBR 3023), IR 3535, or citronella oil. Based on CDC recommendations, if you use a repellant with DEET, be sure the product has less than 20% DEET, do not spray near the mouth or eyes, and follow manufacturer's directions. Do not use repellants with DEET on infants; instead cover them with netting to avoid insect bites.

Water Safety: Never let your child play in or near water without an adult present. Even if children know how to swim, they may still be at risk. Also remember that infants, toddlers, and young children can drown in as little as two inches of water. Make sure that children wear life jackets in and around natural bodies of water, even if they know how to swim. Pools should have a four-sided fence, separating the pool from the house and preventing accidents. Also, teach kids to swim to prevent drowning and learn CPR in case of an emergency.

Sun Safety: Overexposure to sun and ultraviolet light increases the risk of developing skin cancer. Regular daily use of SPF 15 sunscreen can reduce your risk of developing squamous cell carcinoma by about 40 percent and lower your melanoma risk by 50 percent, according to the Skin Cancer Foundation. Sunscreen should be applied 30-45 minutes before exposure to the sun, and should be reapplied every two hours or sooner if you or your child has been swimming or sweating. While SPF 15 is the minimum, for extended time in the sun, it is recommended that you use sunscreen of at least SPF 30. Keep in mind, the CDC does not recommend using sunscreen on babies younger than six months old. Instead, aim to keep them out of the sun and use protective clothing when necessary. Be sure to stay in the shade whenever possible, and wear clothes that protect you from the sun, such as a hat, sunglasses, and UV protective clothing. Schedule outdoor activities for morning and evening hours when the sun is not as strong.

Bicycle Safety: All children 14 years of age and younger are required by law to wear bicycle helmets to protect against serious injury. Based on data from the Children's Safety Network, if all children age 14 and younger wore helmets when biking, nearly 300 deaths could be prevented per year. While not required by law, it is strongly encouraged that adults also wear a helmet when biking, in addition to learning proper hand signals and wearing reflectors when riding at night.

For questions on summer safety please contact the Livingston County Department of Health at (585) 243-7299 or visit our website at www.livingstoncounty.us/doh.htm.

New Livingston County Historian

The Livingston County Board of Supervisors has named Deputy County Historian Holly Watson as the new Livingston County Historian, effective May 29. Watson succeeds Amie Alden, the County's first full time Historian, who retired on May 31 after 25 years of public service.

Watson begins her tenure well suited for the role, having served under Alden as the County's Deputy Historian for the last 10 years. In that position she's helped improve the accessibility of important historical documents, increased digital outreach, and frequently consulted with County departments and agencies on projects related to historic sites, buildings, and events. Board of Supervisors Chairman David LeFeber said Watson was the perfect candidate to continue the important work of the Historian's office.

"With everything that's happened over the past couple years, it's more important than ever that we accurately document these events for future generations," said LeFeber. "I'm excited to see what Holly accomplishes in her new role and, on behalf of the Board I wish her the best as our new County Historian."

Watson graduated from the University of Vermont in 2010 with a Bachelor of Arts in environmental studies and minors in anthropology and agriculture. She credits Alden with having shown her the ropes of her new position and said she couldn't be more appreciative of her support and mentorship over the years. Among her goals as Historian, Watson intends to employ new technologies to better tell the story of Livingston County.

"I plan to take digital educational and advocacy outreach to new heights, including building on our existing STQRY Heritage Tours and utilizing social media," she explained. "Researching and interpreting our county's history is my passion, and every day there is a new historical adventure. I look forward to serving Livingston County in my new role."

Outside the Historian's office, Watson can be found sampling the fare at the newest local restaurants or ordering at old favorites. She also enjoys time spent out of doors exploring and observing wildlife in places like Ossian and Sonyea State Forests and the Conesus Inlet.
