The Iowa Rock 'n Roll Music Association Announces the 2022 Iowa Rocks Talent Contest

Statewide musical talent search for youth 21 and under.

The Iowa Rock 'n Roll Music Association announced that enrollment started June 15th for the 2022 Iowa Rocks Talent Contest.

According to Ralph Kluseman, President of the Board of the Iowa Rock 'n Roll Music Association, "We are proud to present the 8th annual "Iowa Rocks Talent" competition. This is a statewide competition for Iowa's young musicians to showcase the music they love and to compete for a grand prize of recording time at a major Iowa recording studio and a scholarship toward music education." Kluseman continued, "The decision was made to have the first round of competition conducted virtually through video submission on our website. We also want to thank all our sponsors for helping us bring this opportunity to the young people of Iowa."

Plans are subject to change but as of today all qualifying bands / finalists will compete in the final round on Saturday afternoon, September 3 at the Roof Garden Ballroom in Arnolds Park during the 25th Anniversary Iowa Rock 'n Roll Music Association Hall of Fame weekend. The winners get the opportunity to perform on stage Sunday, September 4 to kickoff the Hall of Fame Induction Spectacular.

Applicants should go to the Iowa Rock 'n Roll Music Association's website at www.iowarocknroll.com and look for "Iowa Rocks Talent" on the home page. Within that link is an application form and a place to upload two YouTube video links. The deadline for all applications is 11:59 pm, Saturday, July 30.

There are two divisions of competition, individual artist, or band (2 or more). Applicants should review the complete rules posted on the website.

Adams and Miller Receive Honors

Wartburg College has recognized Tyler Adams, of Arnolds Park, and Maxwell Miller, of Spirit Lake, who were named to the 2022 Winter/May Term Dean's List.

The list honors students who earned a cumulative grade-point average of 3.5 or above in at least five course credits during the terms. Four of the five course credits have to be graded with a traditional letter grade.

Salentynt Named to Dean's List

Cedarville University student Rachel Salentynt of Lakefield, Minnesota, majoring in Social Work, was graduated and was named to the Dean's Honor List for spring 2022. This recognition requires the student to obtain a 3.75 GPA or higher for the semester and carry a minimum of 12 credit hours.

Students Named to Dean's List

Augustana University announced the students named to the Dean's List for the spring semester of the 2021-22 academic year. The Dean's List recognizes full-time students who have a minimum of 12 credit hours with grade-point averages at 3.5 or above (on a 4.0 scale).

Congratulations to the following area students: Molly Boyum of Jackson, Courtney Cohrs of Spirit Lake and Mikia Kriener of Okoboji.

Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and amenities our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

This week I went kayaking and explored the Wahpeton canals. I had a friend in town who loves kayaking and wanted me to show her around. I know she thought we'd explore the shoreline of the lake, but I wanted to surprise her with a part of Okoboji many people never take the time to see, the canals!

We started our adventure at Crescent Beach. Their beach was a convenient spot to put our kayaks in, and we were able to enjoy an ice cold beverage at their pub afterwards! The canals have multiple entrances, including the one next to Crescent Beach Lodge. We paddled around the point and under the bridge into the canals, then started making our way back towards Gull Point. There isn't a lot of water movement, so plenty of vegetation grows, but it creates a really pretty atmosphere for kayaking. My friend also enjoyed looking at houses along the shoreline.

After we went under the next bridge, the atmosphere really changed. It was like we were in a secret area far removed from the hustle and bustle of an Okoboji summer. The canals were pleasantly shaded with rays of light shining through here and there. One of my favorite parts of this area are the fairy gardens situated along the shoreline and on fallen trees. It adds a sense of whimsy to the adventure, and we couldn't wait to keep paddling until we found the next one! Our plan was to go all the way through the canals from Emerson Bay to Millers Bay, but there was a family of geese near the Miller's Bay entrance that we didn't want to disturb. We turned back and paddled back to the Crescent Beach entrance to complete our adventure.

If you haven't kayaked through the canals, you're really missing out! You don't need to be a skilled kayaker. You can take a slow pace, and don't need to worry about wind or waves, but try really hard to keep your balance and not fall in! There are lots of unique spaces around the lakes area to kayak, and on a calm day it's also pretty special to paddle along the shoreline! Learn more about the Wahpeton canals and kayaking in Okoboji, or even where to rent a kayak if you don't own one at www.VacationOkoboji.com.

JUNE IS BUSTIN' OUT ALL OVER...

It's official: Summer starts today!

It's only with thanks to Richard Rodgers and Oscar Hammerstein, II that we remind you about Summer officially beginning today -- not only on the campus of the UoO, but all across the Northern Hemisphere. So we act with a tip of our beach hat to the dynamic duo for their 1936 Broadway spectacular, *Carousel* -- which became a great musical motion picture nine years later, in 1945. Summer always brings with it a lot of activity -- especially in communities like the Iowa Great Lakes -- and most especially in communities where local interests have developed tourism with huge investments in infrastructure -- like good roads to bring tourists to places like Arnolds Park, The Pearson Lakes Art Center, and the Okoboji Summer Theatre, where the Box Office is already open for telephone orders (712-332-7773) Monday through Saturday, from 10-6:00. The Box Office will open for in-person orders starting Thursday, also, from 10-6:00.

Director Ruth Ann Burke said the entire staff is looking forward to seven great shows, noting that the first performance of the season is a comedy, *A Comedy of Tenors*, set to open Monday, June 28th. The second show is the very musical, *Pump Boys and Dinettes*, which will open on the 5th of July... Along with the opening of the OST's 2022 season, we note here that both of the community's big bands are in gear for the season following the Iowa Lakes Community College's Reggie Schiwe Jazz Camp performances on campus last week. The Jazzed Up Big Band of Okoboji performs each Tuesday night in the Roof Garden Ballroom; while *The Dick Bauman Big Band* plays each Monday night through the summer months (except on the 4th of July) in Pomerantz Hall at the Pearson Lakes Art Center, both bands begin at 7:00.

This week will also see *Parnalee* performing in the Roof Garden, starting at 7:30, on Thursday night. Boon, Lambert and Wendy will be singing Saturday morning at 11:30. Rocking the Patio at the Rock 'N' Roll Music museum. Denny and *The DC Drifters* are scheduled to be at the Roof Garden, on Thursday, night, at 6:00. The Majestic Pavilion will be hosting *2B Unplugged*, Saturday night at 7:30. Janice Hill, Dan Sullivan and *The 8 Track Singers* will be heard on Saturday, July 2nd, on the patio at the Rock 'N' Roll Hall of Fame Museum, from 11-4:00... And last, but not least by any means, *The Itty Bitty Boji Band* will be appearing at The Gardens, from 5-9:00, on Sunday; and at the Hap Ketelsen Community Center in Everly, on Saturday, July 2nd, from 7:30-11:00...

Research director RD has been busy, as always, and this week came up with several additions to our summery introduction -- some rarities, including *Soft Winds*, the 1940 Jazz Standard written by Benny Goodman and Fred Royal, the "somnambulant" (*Go ahead, look that one up!*) *Lazy Afternoon* from June Christy's 1957 LP, *Gone for the Day*, and Astrid Gilberto's *Beach Samba*, the title song from her 1967 studio album.

Peter Asher turns 78 on Wednesday. He was one-half of the English Pop Music vocal duo known as *Peter and Gordon*, who enjoyed top 20 success with their versions of songs written by famous composers -- songs like *True Love Ways*, which was recorded by Buddy Holly just four months before he died in a plane crash near Clear Lake. Asher and company also did well with *I Go to Pieces*, written by Del Shannon, after a hit with *A World Without Love*, -- an early Lennon and McCartney song...

It was June 23, 1962, when the team created by Jule Styne, Betty Comden, and Adolph Green closed the Broadway musical, *Subways are for Sleeping* after 205 performances...

On a lighter note, and maybe about half in jest, RD is suggesting that with only 184 shopping days left 'til Christmas, you might want to take the advice of the best-known song from the production, *Be a Santa*: Get ahead of the crowds now...

Obituaries

A public memorial service for **Bonnie Pelzer** of Spirit Lake, formerly of Estherville, will be held at 11:00am, Saturday, June 25, at the Estherville United Methodist Church, 102 South Eighth Street. Lunch will follow. Arrangements are under the direction of the Schuchert-Lentz Funeral Home in Spirit Lake. Online condolences may be left at www.spiritlakefuneralhome.com.

Bonnie Pelzer passed away January 17, 2022, at the age of 88. Bonnie was the fifth child of Frank and Ella Krueger. She was born May 5, 1933, in a farmhouse near Walnut, Iowa.

She attended a one room country school for her first eight years, graduating from Atlantic High School in 1953. She enrolled in the Omaha School of Business and upon graduating she worked in Omaha, Nebraska, for Brandies.

In 1950, Bonnie and Max Pelzer met at the roller-skating rink and started to date. The Korean War came along, and they decided to wait to marry until Max got out of the Navy. She continued to work in Omaha and wrote Max at least twice a week for four years. Bonnie and Max were married July 10, 1955. They moved to Iowa City, Iowa, in September 1955, so Max could attend the University of Iowa Law School. While in Iowa City, she worked at the University of Iowa Hospital as a CNA and Fuller Brush Company. After the birth of their first child Mark, she ran a day care center in her home. During this time Sherry was born. In the fall of 1960, the family moved to Estherville, Iowa where Scott was born and followed by the birth of their son, Todd.

Besides taking care of four children and all of the household duties she was an active member of the United Methodist Church, United Methodist Women, Bazaar, funeral dinners, and taught Sunday School. Bonnie was a Cub Scout leader, member of the County Line Club and P.E.O in Estherville. Bonnie believed that a good education was important and attended the children's school activities and sporting events. Bonnie and Max took many family trips and visited six continents and 54 different countries.

Bonnie fought Parkinson's disease for over 20 years. During this time, she never complained even though she knew that there is no cure.

Bonnie is survived by her husband of 66 years, Max of Spirit Lake, Iowa; her children, Mark Pelzer [Noriko] of Marshfield, Wisconsin; Sherry Fuhrman [Tom] of Spirit Lake; Scott Pelzer [Karen] of Denver, Colorado; Todd [Kristine] of Wake Forest, North Carolina; eight grandchildren, Julie, Christopher, Megan, Christie, Mindy, Zachary, Evelyn and Ella; four great-grandchildren; sister, Ruth Pelzer, (now deceased) and sister-in-law Kay Krueger of Holstein, Iowa. Bonnie is also survived by many nieces and nephews.

Bonnie was preceded in death by her parents; brothers, Alvin, Melvin, Robert and Frankie, and brothers-in-law and sisters-in-law.

A family graveside service was held at East Side Cemetery in Estherville.

Max and his family would like to give a heartfelt thank you and gratitude to all of those that provided wonderful care and compassion to Bonnie.

Obituaries

Ellen Conlon Rose
"Something New Has Been Added"
by John P. Mulgrew - "Jazbo Of Old Dubuque"

"Listen, young Patrick, and young Mr. Steve, I'd like a word with you two, You're no longer the cocks of the walk, milords, I've some tidings both thrilling and new.

You no longer will rule the household With sway so arbitrary, For something new has been added - Little Ellen Mary.

So mark me well, from this day forth You must each be a proper mister, You're no longer the lords of the manor, my lads, You now have a baby sister!"

Ellen Conlon Rose was born in Dubuque, Iowa, on October 20, 1943, and passed away at the age of 78 on June 11th, 2022. She was the third of eight children born to Orlin and Suzanne (Mulgrew) Conlon. Ellen was born with Cerebral Palsy. Although life dealt her challenges, she never let these define her. She approached life with courage, never one to sit on the sidelines. Her faith and love for God came before all. Ellen loved her family and friends and her interest in people was truly sincere. Ellen always said, "We have the best family in the world."

Ellen lived for 52 years in the community of Milford, Iowa, where she was a member of the St. Joseph's Catholic Church. She truly felt blessed by God and practiced her faith daily. She had the distinction of being named an Honorary 'Mayor For a Day.' She also served as Parade Grand Master for a high school homecoming parade. Her many friends in Milford considered her to be a part of their families. It was often hard to find Ellen at home as her love for friends, driving, biking and walking was her priority. Even the harsh Iowa winter storms weren't a match for Ellen's will to find her friends for coffee.

Ellen was preceded in death by her husband, Melvin Rose and her parents. She is survived by her son, Scott (April) Rose; four grandchildren: Logan, Anna, Ashley and Sierra Rose; brothers and sisters: Pat (Cathy) Conlon, Steve (Lorie) Conlon, Julie (Mike) Wilson, Tim (Christine) Conlon, Phil (Susan) Conlon, Fred (Tina) Conlon and Suzie (Richard) Henry, along with many nieces/nephews and grand nieces/nephews; special friends Mary Jo and Gordy Jorgensen, Greg and Michael Jorgensen and Karina (Jorgensen) Van Wyhe.

The family would like to thank Stonehill Care Center staff for the love that they shared with Ellen. Thank you also to Jeremiah and Hospice of Dubuque for the excellent care of Ellen and her family.

There was a mass for Ellen on Thursday, June 16, 2022, at St. Columbkille Church, 1230 Rush Street, Dubuque, followed by a private family burial at Mount Olivet Cemetery. Behr Funeral Home, 1491 Main Street, is assisting the family.

Ellen's nephew, Tim Henry, filmed a typical day in her life in Milford: <https://youtu.be/EVVNYvcH1yk>.

Her infectious laugh and her love for neighbors and friends was hard to beat.

Join the hilarious comedian, Dennis Porter, around the campfire for stories, singing, magic, games, and a whole lot of silliness. He will take you on an adventure through Camp Poison Oak, and he needs your help to solve the mystery of what creatures lie beneath Lake Poison Oak. But don't worry, there will be no tents, sleeping bags, or anything itchy during your time at this camp. Dennis will have a program at 10:30 a.m. and 2:00 p.m. on Friday, June 24, at the Pearson Lakes Art Center. Miss Kara, Miss Krista, and Miss Becca can't wait to see everyone again, and if you have any questions, please reach out to one of the local libraries.

Kenue Coffee Hour

Kenue Coffee Hour will be held at 10:30am, Thursday, July 7, 2022, at the Maser Monarch Lodge adjacent to the Dickinson County Nature Center in Kenue Park, Okoboji.

This free adult monthly program lasts approximately one hour and is open to the public. There is no need to pre-register, bring as many friends as you want! Light refreshments will be available before the program begins. "I love seeing the community respond so positively to this new program," said Jackie Jerge, Community Relations Coordinator. "It is exciting to watch it grow month to month."

This month's topic is Drones in Agriculture and Other Places with Chad Huffman. Chad will share his knowledge of drones with an emphasis on their use in agriculture and introduce how drones are used in other avenues of our lives today. Chad Huffman said, "I am excited to share with people how Corteva uses modern technology to research and develop corn and soybean varieties." Drones in agriculture can be used for mapping, remote sensing technology, which picks up radiation on the ground and can track everything from physical characteristics to the amount of heat an area is generating and pesticide applications. Drone uses in agriculture can include topography, plant health, and stand assessment. Large multi rotor drones, fixed wing, and small quad copters are some drones you will have the opportunity to see at the program.

LRH Provides Community Benefits And Positively Impacts Dickinson County's Economy

Lakes Regional Healthcare generates 554 jobs that account for roughly 6% of all jobs in Dickinson County, according to the latest study by the Iowa Hospital Association (IHA). In addition, wages generated total \$30.8 million, representing 8.1% of Dickinson County's wages. The study also found that Lakes Regional Healthcare provides almost \$10 million in community benefits to about 4,000 people in Dickinson County. These benefits include many things such as free and reduced-cost services like immunizations and health screenings, charity care, and uncompensated care.

"We are honored to provide the Iowa Great Lakes community with essential health care services – primary care, surgery, emergency care, and more," said Lakes Regional Healthcare President and CEO Jason Harrington. "It's nice to know we also help the community economically and with community benefits."

The IHA study was compiled from hospital-submitted data on the American Hospital Association's Annual Survey of Hospitals, Bureau of Labor Statistics, and Bureau of Economic Analysis. The Regional Input-Output Modeling System multipliers were used to calculate the data in the reports based on 2012 national benchmark input-output data and 2018 regional data, from the American Hospital Association.

The study found that Iowa hospitals generate over 149,000 jobs within and outside of the hospital sector. As an income source, hospitals provide almost \$9 billion in salaries and benefits directly and through other jobs that depend on hospitals.

Enter blue ribbon produce at the 2022 Clay County Fair

Gardeners are encouraged to enter their blue ribbon best in the Fields and Gardens Department at the 2022 Clay County Fair powered by SMU, September 10-18.

One of the Fair's original competitive departments, Fields and Gardens will yet again have another great year of showing. "Even with the cool spring and all the challenges with the weather we are still hopeful for a good turn out on produce and exhibits for Fair," stated superintendent Jerry Groenewold.

The Fields and Gardens Department will again feature the Largest Pumpkin Contest, where producers can enter the largest weighing pumpkin from their patch and see who will win the title. Along with this contest, there is also the Best Corn Contest where an exhibitor can bring in their best ten ears of corn to be judged.

Although vegetables are a large portion of the Fields and Gardens Department, there are fruit classes as well. The apple division has a best tray contest where the exhibitor with the best five apples can win the prize. Other fruit categories are plums, blackberries, raspberries, strawberries, and watermelons.

Entries are not limited to just fruits and vegetables. There are categories focused on people's creative skills through the garden scarecrow and yard people contest. This contest is open for all ages and any groups that would like to participate. Other contests within the department not focused around produce are birdhouse gourds and decorative corn with husks.

Entries are open to anyone from any county or state. Check out the exhibitor handbook online at www.claycountyfair.com or pick one up at the Fair Administrative Offices to find the rules and guidelines to enter your work at the Fair. Pre-registration for all exhibits is encouraged and can be completed online, by mail, or in-person by August 22. For those who choose not to pre-register, registration can also occur when entries are accepted at the Fields and Gardens Building on Wednesday, September 7 (5:00-8:00pm) and Thursday, September 8 (9:00am-5:00pm) with judging scheduled for Friday, September 9.

Recruitment Underway for Milford Family Care Provider

Milford Family Care of Spencer Hospital has initiated recruitment for a new primary care provider for the community's family medicine clinic.

The hospital recently announced that the clinic's current provider, Advanced Registered Nurse Practitioner Jamie Billings, will be transitioning from Milford Family Care to Hartley Family Care later this summer.

"Spencer Hospital values its long relationship with the residents of Milford and surrounding communities," said Bill Bumgarner, Spencer Hospital president. "We're committed to recruiting an experienced and compassionate advanced practice provider to maintain the exceptional services that Jamie and her care team have offered in recent years."

Spencer Hospital has owned and operated Milford Family Care for over 20 years. Billings is transitioning to Hartley, which is her hometown, to support the development of the hospital's new clinic in O'Brien County.

"I've greatly appreciated my patients and our team at Milford Family Care," she said. "You can be assured I'll actively support the smooth transition to a new primary care provider for the Milford clinic."

Milford Family Care services are provided in collaboration with Averra Medical Group Spencer. This includes physician oversight of direct medical activities. Appointments can be made at Milford Family Care on Mondays, Tuesdays, Thursdays and Fridays between 8:30am and 5:00pm. Same-day appointments are often available.

Enjoying the Narrows Preserve at Saturday's Open House

by Steve Weisman

As I prepared for the outdoor open house at The Narrows Preserve from 10 a.m. to noon last Saturday morning, I worried that the early morning showers might continue and keep people away. However, by 9:30 a.m., the showers were gone, and visitors to the open house were greeted by overcast skies and mild temperatures, perfect for informal walking tours of the recently purchased 50-acre tract of land featuring 2,020 feet of the last undeveloped shoreline on East Okoboji Lake.

After arriving at the Elinor Bedell State Park parking lot, folks would head to the shelter house to meet with Iowa Natural Heritage Foundation (INHF) staff and members of the Iowa Audubon Society to learn about the property. Then it was time to venture on either guided or unguided walks from the Elinor Bedell State Park north and out into the recently mowed paths on The Narrows Preserve property.

With the waters of East Okoboji to the west and a wide expanse of grasslands and trees to the north and east, the only noise to be heard was the whisper of leaves through the trees, the sound of songbirds and the quiet conversation of visitors as they walked the rolling hills and valleys leading to the highest point. It was at this overlook that the expanse of East Okoboji opened to a panoramic view. Then returning down the hill, another mowed path took visitors to the natural, undeveloped shoreline.

I made my walking journey with a newly met friend, Vern Fish, who is an INHF board member, former Executive Director of the Black Hawk County Conservation board and a conservationist who travels the north country on wilderness trips and canoeing expeditions. Our conversation ended with this thought. “We are so thankful that this 50-acre parcel of land was saved and will now forever be protected in its natural state!” We both agreed that it is great that the INHF will own, restore and steward the property’s shoreline, prairie and oak savanna.

During our walk, I remembered a statement INHF President Joe McGovern made about the importance of this project. “We simply had to act. This land serves a critical function to the lake’s ecosystem. Opportunities like this only come around once in a lifetime!”

He added, “That’s the beauty of this project. Once protected, it will remain so forever.”

Next Steps

First, The Narrows Preserve is officially open to the public. The land will be primarily managed to maintain wildlife habitat, protect water quality and allow low-impact public use. Restoration work will involve seeding a diverse mix of prairie grasses and forbs into the grassland, removing interior fences and removing invasive vegetation and unwanted trees to create much-needed habitat for grassland birds. Funding from the Dickinson County Water Quality Commission will assist with extensive shoreline and riparian habitat restoration the next few years. Talk about exciting stuff!

How it all came about: raising \$8,200,000

• Back in the fall of 2020, the INHF learned of the potential sale of 50 acres directly north of Bedell State Park on the shores of East Okoboji. At that time, several area lake protective associations and dedicated individuals stepped up to pledge the money to help the INHF secure the option toward the \$8,200,000 purchase price. The money had to be raised by Labor Day of 2021.

• By the end of June, Abby Hade Terpstra, Director of Philanthropy, noted that pledges were steady, and the INHF had raised \$1,000,000 in hard pledges and close to \$4,000,000 in soft pledges. Still, the \$8,200,000 needed was still several million dollars away.

• Over the next several weeks, pledges came in and the amount grew, but the sense of urgency wasn’t there until we were about a month out. Then came the last couple of weeks and a sprint to meet the \$8,200,000 purchase price.

• On August 24, Terpstra executed a release that the amount needed was down to \$1,000,000 and that approximately 86 percent of the \$8,200,000 had been pledged.

By August 26, the amount needed dropped to just under \$500,000.

• By Friday, September 3, the amount was down to \$100,000.

• On Monday, September 6 at 8:59 a.m., I received this email from Terpstra: “It’s done! It’s done! The Lakes community stepped up and protected the shoreline at East Lake. What a privilege to be a catalyst for a project that will impact life at the Lakes for years to come. Thank you for all you’ve done to propel this campaign to victory and save 2,020 feet of natural shoreline.”

Now, Now, Now

Yes, NOW is the time to visit the Narrows Preserve. It’s for all of us – both residents and visitors alike. It’s open to the public from 4 a.m. to 10:30 p.m. every day. During the open house, lots of people talked about how great it will be to now extend their walks to The Narrows Preserve. However, there are some limitations. This is an area where no motorized vehicles/bike riding is allowed, along with no hunting or trapping or setting off of fireworks or camping.

The Narrows Preserve is a place to go and experience all that is good about being here at the Iowa Great Lakes. And now it’s here forever!

Several groups meandered their way through The Narrows Preserve with Audubon Society personnel listening and looking for a wide variety of birds that inhabit the wildlife area.

A newly erected sign welcomes visitors to The Narrows Preserve.
