# SPEAK OUT

Dear "Speakout",

**The Decline of American Education.** I want to be positive in my comments while at the same time being honest as to the state of our public-school educational system today.

I attended a high school graduation in a Livingston County high school a few years ago and heard the valedictorian in his speech thank his English teacher for teaching him and his classmates how to copy and paste from internet sources into English composition assignments so they would not have to compose the compositions themselves.

This is very sad as many high school graduates cannot compose a letter or document on their own.

Recently I was at an area store and had finished placing my items on the conveyor when the power went off. My purchase total was visible on the register, so I gave cash to the young cashier for my purchase. She became very confused and said that she did not know how to make change. I told her what the change would be, and she asked me how I did that. I told her that I was taught in school how to calculate in my head.

She asked for help from her supervisor who verified my calculation was correct. The young cashier in the next aisle commented that he didn't have to learn how to calculate in his head and relied on a calculator in school. He then commented that because he had not been taught to read and write cursive, he could not read portions of his own high school diploma which was in cursive.

A study of 2021 high school graduates who cannot read cursive totaled over 700,000. This is called the "Dumbing down of America". Is our educational system improving or failing?

Many parents today are so busy making money that they do not know the content of their children's curriculum and homework and therefore do not fully understand what their children are learning. The SAT Reading scores in 1972 averaged 530 while they were 494 in 2016. SAT writing scores declined from 497 in 2006 to 482 in 2016.

Public schools have instituted sliding scales to make students feel better by averaging scores, so no student feels bad. This does not help our students.

The average cost for a public-school student's education in Livingston County is \$18,770 while the national average is \$12,383 per student. One public school in our county spends over \$22,000 per student and has the lowest SAT and College Board scores in the county. It seems the more we spend on education, the lower the educational level of our students.

More than 1240 of the nation's 2330 bachelor's degree-granting schools have said they did not require students to submit ACT/SAT scores for admission in 2020. Academic standards in the 1600s and 1700s were significantly higher than they are today.

By removing prayer and Bible reading from our public schools, the number of young women with out of wedlock children has skyrocketed. We removed the Ten Commandments from our public schools and no longer teach our students that they should not kill.

As a result, school shootings are escalating enormously. Our children are our future and legacy. We need to restore high-quality education for our children so they can be productive citizens in our wonderful country and function to their fullest.

Lord willing, I will submit an article again next week.

Ron Powell  
Nunda

## Eric Harder

age 41 of Leicester, NY  
passed away on Saturday, May 28, 2022.  
Eric was born August 29, 1981 in  
Warsaw, NY, son to the late Kimberly Collings.  
He is survived by his fiancée Jennifer Maggio;  
daughter, Addison Harder; brother, Ramon  
"RJ" Torres (Shardy Quinones); nephew,  
Bryson Torres; niece, Addriana Torres; along  
with many aunts, uncles, cousins and friends.  
A celebration of life will be held on  
Sunday, June 26, 2022 at  
Al Lorenz Park, Pavilion #2, at  
11:00 AM for family and friends.

Due to recent health issues, it has become necessary  
for me, **Jon H. Porter, P.C.**, to discontinue the  
practice of law and close my office presently located at  
133 Main Street, Suite 2, Geneseo, NY 14454.

*I have entered into an arrangement with attorney  
Margaret Graf-Linsner who will take over my practice  
effective immediately which includes wills.*

Her office is located at 33 Main Street, Livonia, NY 14487.

The phone number is 585-346-0510.

# Need Help Paying for Medicare?

The **Medicare Savings Programs** can help with Medicare costs, like your monthly Part B premiums and sometimes also Part A and B coinsurance and deductibles.

*If your gross monthly income is less than \$1,549 for an individual or \$2,080 for a couple, you may be eligible for this program.*

The **Extra Help Program** helps pay some of your Medicare Part D drug plan costs.

*If your gross monthly income is less than \$1,719 for an individual or \$2,309 for a couple, and your assets are less than \$15,510 for an individual or \$30,950 for a couple, you may be eligible for this program.*

*These figures are based on the federal poverty limits and are subject to change.*

Contact NY Connects at the Livingston County Office for the Aging at 585.243.7520 for more information or to schedule an appointment for enrollment assistance.

# A Blast from the Past!

**Nunda - Dalton - Hunt**

What began approximately 23 years ago, continues today. After witnessing a flag disposal ceremony behind the Nunda Legion for an Eagle Scout project, past Mayor Betty Morris asked then Eagle candidate, Nathan Willey if the Nunda Troop 4077 would continue to do this for the community. Of course the Troop said YES!

On June 20, 2021, Cub Scouts of Troop 4077 performed a mass burial of 684 tattered and torn American flags.

In attendance were 11 Cub Scouts, one Troop 4077 boy scout, their parents, two veterans, a VFW auxiliary member and a volunteer.

Most of the flags had been dropped off to the collection boxes left by the local 4077 Boy Scouts in the Nunda, Dalton and Hunt post office lobbies for the convenience of anyone wishing to retire a tattered flag with dignity.

*Pictures are from the June 2020 retirement.*

## Medicare

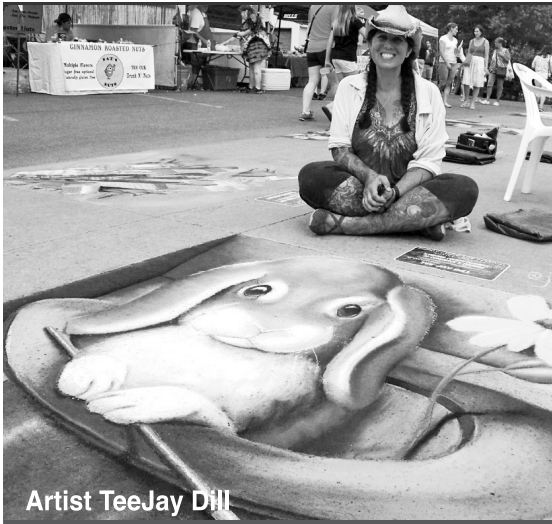

On Medicare already? Turning 65 or disabled? Need a supplement? Understand "EPIC"? Confused or have questions? Call or stop by to schedule an appointment.

**~ A Heartfelt Thank You ~**

*My sincere thank you to my family, friends and neighbors for their support and acts of kindness while I have been recuperating from my accident. I am grateful for each person who sent cards, food, candy, prepared meals, came to visit, called me, prayed for my full recovery or "offered a helping hand." All your efforts are deeply appreciated.*

*To the Mount Morris Police Department and Mount Morris Ambulance, thank you for your quick response. To the Mount Morris Central School Superintendent's Office, thank you for your concern and willingness to help me whenever it was needed.*

*To our sons, Doug, David and Dean, with the support of their families, I can't thank you enough for going above and beyond to help with whatever was needed. I am so blessed and grateful for all of you.*

*There is no bond stronger than family.*

*Lowell, thank you for always being there for me and our family. We know how fortunate we are to have you. I appreciate all you have done and continue to do for me.*

*Again, thank you for being so kind to me during a difficult time. May the kindness you shared with me and my family return to bless your life each day.*

*With love and appreciation,  
Connie Dennison*

# MMCS D 2022 COMMENCEMENT SPEAKER

**Aubrey Lonsberry Braddock** is this year's commencement speaker for the Class of 2022. Aubrey proudly graduated as a member of the Mount Morris Central School District Class of 2005.

While a student at MMCS D, Aubrey participated in a variety of activities and athletics including band, chorus, National Honor Society, soccer, basketball, and track and field. She earned first chair trumpet in both All-County concert and jazz bands all four years of high school. She played her way to Exceptional Senior honors for both soccer and basketball.

"I had Aubrey as a student in P.E. class and I was fortunate enough to have coached her in Varsity Girls Basketball both her junior and senior years. Aubrey is one of the most competitive athletes we have ever had and her work ethic was the key. Aubrey worked extremely hard at whatever she did to make herself and everyone else around her succeed. She was an excellent role model to other student athletes and always showed great sportsmanship. She defined the words "student athlete" as Aubrey was one of the top students and top athletes to have ever walked the halls here at MMCS D."

— Wayne Swede.

Aubrey attended the State University of New York College at Brockport. She graduated in 2009 with a Bachelor of Science degree in Sociology and Political Science. While a student at Brockport, Aubrey played for the school's women's rugby team, captaining the team to a New York State title and North East Regional championship in 2007.

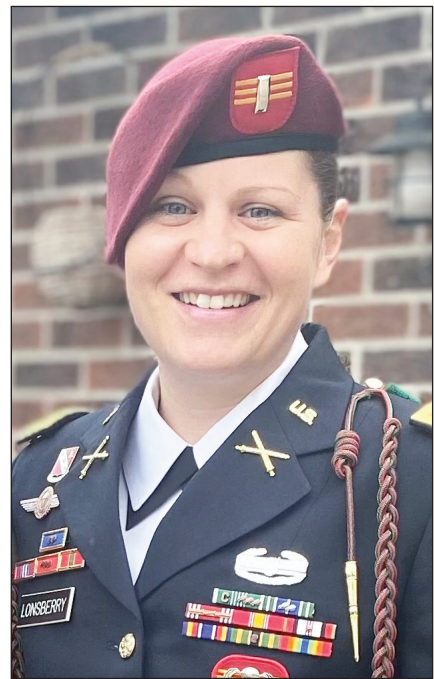

Feeling called to service and inspired by conversations with fellow MMCS D graduates, Aubrey joined the United States Army in July of 2011. She first trained at the Defense Language Institute in Monterey, CA, receiving an Associate of Arts degree in the Arabic Studies. With her new proficiency in the Arabic Language, Aubrey went to Fort Gordon, GA, where she served as a language analyst in support of National Security Agency Georgia operations. While serving in Georgia, she earned the title of Fort Gordon Noncommissioned Officer of the Year in 2015.

In 2016, Aubrey attended the United States Army Drill Sergeant Academy. She then served as a Drill Sergeant for three years at Fort Sill, OK where she successfully trained over 2500 Soldiers over 12 training cycles.

Aubrey later applied for and was selected to attend Officer Candidate School and she commissioned as a Second Lieutenant in January of 2020.

Aubrey attended the Field Artillery Basic Officer Leader Course before joining the storied 82nd Airborne Division at Fort Bragg, NC and receiving a promotion to First Lieutenant. Aubrey then deployed to Afghanistan as a Fire Support Officer in support of Operation Allies Refuge in August of 2021.

Aubrey is currently serving as a Fire Direction Officer in Charlie Battery, 3-319th Airborne Field Artillery Regiment, 1st Brigade Combat Team, 82nd Airborne Division.

Aubrey's awards and decorations include the Army Commendation Medal with two oak leaf clusters, the Army Achievement Medal with ten oak leaf clusters, and the Drill Sergeant Identification badge.

Aubrey is happily married to 1LT KC Braddock, a Field Artillery Officer currently serving in the 1st Armored Division at Fort Bliss, TX.

They are expecting their first child in August.

## The Dangers of Indoor Tanning

In preparation for summer, it may be tempting to visit a tanning booth or bed. These were once thought of as a “safe alternative” to natural sunlight, but in reality, tanning beds are just as dangerous for your skin as the sun. Tanning beds give off high levels of ultraviolet, or UV, radiation, which damages the skin. Although you may not see the effects immediately, it can increase your chances of developing skin cancer in the future. According to the Skin Cancer Foundation, just one indoor tanning session can increase the likelihood of melanoma by 75%. Indoor tanning can also cause immune system suppression and complication with vision and eye health, including cataract development and eye cancer.

One in five Americans are estimated to be diagnosed with skin cancer in the course of a lifetime. Although preventable, thousands of people die from skin cancer each year. There are two forms of skin cancer. Non-melanoma skin cancers are those that are localized to one area of the body and do not spread to other systems or organs in the body. They are usually found on areas of the skin that are most exposed to UV radiation, such as the face, hands, and neck. Melanoma skin cancer is more dangerous, and results from repeated overexposure to UV rays. Melanoma can spread to other parts of the body, making it more dangerous and deadly if left untreated.

Both forms of cancer are highly treatable when detected in their early stages, so take time to talk to your doctor about a skin cancer screening. However, avoiding indoor tanning beds all together is the safest and easiest way to avoid skin cancer. Remember to wear sunblock of at least SPF 30 if you are going out in the sun and reapply every two hours.

For more information on the dangers of indoor tanning, please contact the Livingston County Department of Health at (585) 243-7299.
