“My Heart Will Always Be Here”

Dr. Ann Buechel Haack
Retires on June 30th
By: Missy Koehler

Dr. Ann Buechel Haack will be leaving the Elkhart Lake - Glenbeulah School district at the end of June after being a part of the school for 51 years. “I was a student for 13 years and a staff member for 38 years” Buechel Haack said. It was the beginning of June that I had the opportunity to sit down with my former seventh grade teacher to talk with her about her journey with the district. Her office was decorated with cards, drawings, wall hangings and gifts given to her throughout the years from students, as well as her, always present, dish of candy calling out for a piece to be grabbed. It was a display of things you would find in an office of a proud parent. And that is what Buechel Haack likens herself to. “I always wanted oodles of my own kids, and really, I’ve ended up having thousands of kids over the years. I’ve always viewed that the kids of this district are my own kids and I’m most proud that all our kids feel like they have someone they can go to,” she said. Twice she’s had kids come live with her and her husband, Tim, because of difficult circumstances. “I really wanted each kid to find success and feel a part of our Resorter family,” Buechel Haack said. And it also wasn’t unusual for new teachers to board for free at her home. It was her open-door policy, not only in her office, but also her house that showcased her caring nature.

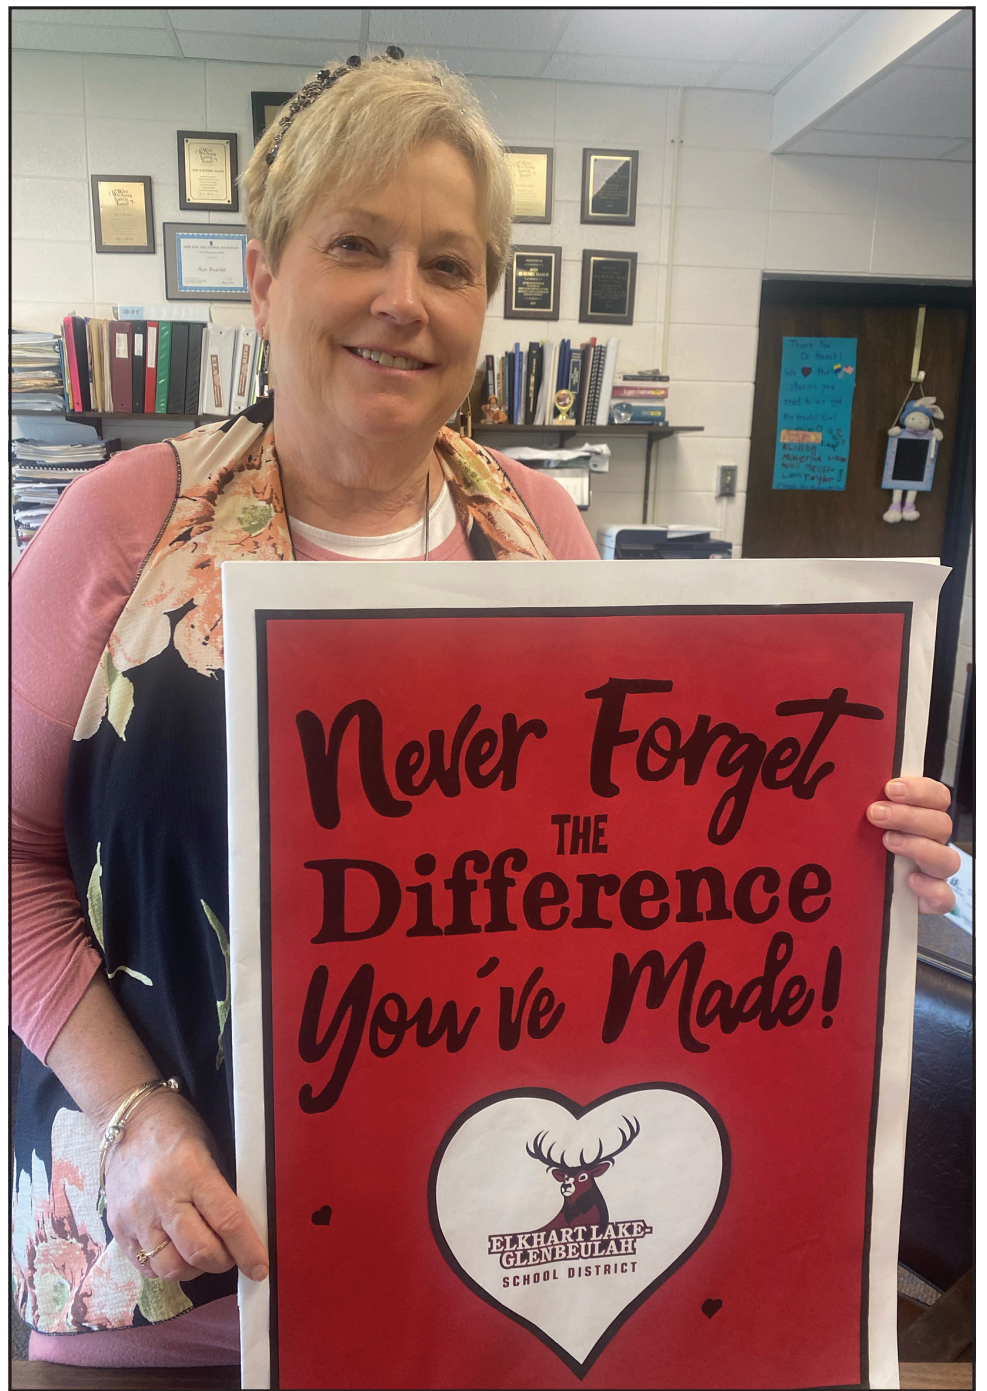

Dr. Buechel Haack’s journey started where it will be ending. She grew up in the big, white house on the corner of the four way stop in Elkhart Lake until her family moved a few houses over her freshman year. She moved back into the house after she got married and has lived there ever since. Her very first memory of school is when her neighbor, Randy “Smiley” Feldmann took her for Show and Tell. “He didn’t take me with him, he took me AS his Show and Tell,” she laughed. It was at that very moment she knew that she loved going to school and that she wanted to be a teacher. However, in her 1979 yearbook it was predicted that she would go on to be a great pediatrician and she did end up enrolling at UW-Madison as a Pre-med student. It was three weeks before she was to start when her mom, Joanie, pulled her aside and said “what are you doing? You’ve always wanted to be a teacher so why aren’t you doing it?” A lesson learned from her mother was

that you know your passions and dreams better than anyone else, so follow them. Buechel Haack heeded the wisdom of her mom and then enrolled at UW-Oshkosh where she earned her undergraduate and graduate degrees and, years later, she did become a doctor. She earned her Doctorate in Educational Administration from Marian University.

Buechel Haack was inspired by her mother, Joanie, as well as countless teachers she’s had and worked with along the way. One of those being Carlos Kreibich. Kreibich was Buechel Haack’s seventh grade teacher and ended up being her coworker later in life when she took the teaching job that then principal, Neva Hodge, offered her. “When I first applied at Elkhart, I actually applied for the fourth-grade job, but Neva Hodge told me she had a job that she thought I would like even better teaching seventh grade with Mr. Kreibich.” Buechel Haack said. Buechel Haack started teaching in the middle school with Kreibich in 1984 and then was a co-principal with Kreibich until his retirement in 2007. “Annie always had the kids say that “seventh grade is the best year of my life”, well for me teaching seventh grade with Annie were the best years of my professional career.” Kreibich said. He always knew that Buechel Haack had the characteristics to succeed. “She challenges students, teachers, staff, and herself to every day be better than the previous day. She brings the entire district’s talents together like a conductor of a symphony and that brings a smile to my face.” Kreibich said. Buechel Haack would go on to take over the district administrator role from Jerry Smith in 2008 with encouragement from Kreibich and others.

When asked what’s she most proud of during her tenure she says it’s the culture that’s been created. “Our culture has really grown that I think anyone can ask what we are going to do in this district and the answer is we are going to do what’s best for the kids.” Buechel Haack said. She’s also proud of the family feel that exists when you are a Resorter. “The family feel we’ve developed and that we are going to be there for each other. It’s the Resorter family whether it is our kids, kid’s family, or the community. It’s really a partnership,” she said. Many of Buechel Haack’s community connections were fostered when she bartended for 30 years at Quit Qui Oc Golf Club in Elkhart Lake. “My Tuesday night league always knew the students had my phone number at Quit Qui Oc and that they’d have to wait while I helped someone with math homework on the phone. And sometimes it was their kid I was helping.” Buechel Haack said. Although the school is where she spent her days and many nights, her volunteerism throughout the community is unmatched. The number of organizations she has touched in some way, shape or

Dr. Ann Buechel Haack will be leaving the Elkhart Lake - Glenbeulah School district at the end of June after 38 years of service.

form is too many to list. She’s sat on many different boards including the Elkhart Lake Chamber of Commerce board where she has been a board member for more than 16 years. Chamber board President Todd Smith has enjoyed working with Buechel Haack throughout the years. “I have always thought of Ann being a part of the fabric of the Elkhart Lake community” Smith said.

Buechel Haack said she’d be remiss if she didn’t mention some important people in her life that made her journey a successful one. Her husband, Tim and her whole family have given her so much support. “Tim didn’t sign up for any of this when we got married, I was a teacher and that’s what I always planned to be, but surprise,” she said. She also wants to give a huge thank you to the staff, school board, students, families, and the Elkhart Lake - Glenbeulah community.

And although Buechel Haack looks forward to her first snow day where she

can look out the window and just enjoy the beauty of it without having to worry about what decision should be made about closing school, the feelings Dr. Buechel Haack will have on her last day at school will be heartfelt. “I know it’s time. I know it’s time for somebody else to move the district forward and to continue to build. I’ve given all I can give, but I’m also going to be feeling like I’m leaving a big part of me behind. My heart will always be here.” she said. Thank you Dr. Buechel Haack for your dedication to our school district, to our community and to our kids. Our school and community are better places because of you. And, yes, seventh grade was the best year of my life. Enjoy your well-deserved retirement!

June Mystery Photo Answer

The photo is an early view of the entrance to the Schwartz Hotel

On the left is the Siebkin's lake cottage. On the right is the main building and straight in is the Dining room. This is pre-1929 because the pillars are not there. They stood on either side of the entrance.

It is possible that it was called the Lake House at that time. It became the Schwartz hotel around 1890. In 1946 it was purchased by Bill Geftman.

In 1951 Mr Geftman hired my father, Jimmy Karras, as the chef. He remained as the chef and dining room manager every summer for 37 years until 1988. He fed 2-300 people 3 meals a day. In the winter we returned to Miami FL, where he was a chef at the Royal Palm Hotel on Miami Beach

In 1982 Mr. Geftman died and the hotel was sold to Bob Brickman and the name changed to Barefoot Bay. It later became Victorian Village then the Shore Club. (If you have seen the movie Dirty Dancing, this was the Schwartz Hotel complete with a nightclub).

In 1956, as a 13 yo boy, I started Capt' Tom's Boat Rental with 4 row boats on the Schwartz beach. Some of the old timer Elkhart Lake people will remember. My Brother in Law, Jim Benson, and I ran it with our sons until 1988 when we turned it over to Doug Brown of Water Sports who continues to provide boating for the people of Elkhart Lake.

I met My wife of 58 years (then France

Benson of Elkhart Lake) in 1957 at the age of 14 years. We had a summer romance every summer until 1962 when I entered the U of W Madison. We married in 1964 at the Schwartz Hotel. Capt' Tom's Put me through college and Medical school.

After we retired Capt' Tom's in 1988, Jim Benson continued to operate the Tour boat "The Elkhart Queen" until 2 years ago. Many

Elkhart residents have taken his 1 hour tour around the lake.

So you can see that our family history is strongly tied to the Schwartz Hotel.

Submitted by Thomas Karras M.D.
F.A.C.C. (Capt' Tom)

This looks like the main entrance to Schwartz Hotel which is currently The Shore Club. Quite an early photo. Guessing late 1800's. I think the main building was built in the 1870's. It shows the main building on the hill up the road. Siebken's Lake Cottage is on the front left. It must have had a different entrance. What's interesting are the trees on the right are not pines. Currently there are huge mature pine trees. Having dirt roads dates it as well. I worked at Schwartz Hotel for 5 years before defecting to Siebkens.

Gary Gritzmacher

Capt' Tom is the winner of the print that can be picked up at the Elkhart Lake Chamber Office

GRD Teams Up with Road America

The next time you head to Elkhart Lake's Road America, you'll notice Green Bay Austin Straubel International Airport (GRB) will be right there with you! GRB has entered into a sponsorship agreement with Road America, a legendary four-mile, 14-turn road circuit where the world's best racers have competed for over 66 years.

Established in 1955 and located midway between Green Bay and Milwaukee in Elkhart Lake, Wisconsin. The 640 acre, park-like grounds offer unique viewing opportunities, fantastic concessions, and high-speed excitement ranging from NASCAR to INDYCAR.

GRB signage is now featured over the track and on track barriers. The signage will also be visible on TV coverage and in popular racing video games. "On an annual basis, Road America attracts thousands of national and international visitors," explained GRB Airport Director Marty Piette,

A.A.E. "We want to make sure those visitors know there's a nearby, convenient airport to use when they're coming to the track. We're less than an hour away –

straight shot down the Interstate."

"We're excited to partner with Green Bay Austin Straubel International Airport," stated Mike

Kertscher, Road America's President and General Manager. "GRB is a wonderful airport served by five major airlines, which means it will be easy for our fans – no matter where they're from – to fly in and get to the track for our spectacular races."

For more information, follow Road America on www.facebook.com/RoadAmerica/RoadAmerica and on Twitter: [@roadamerica](https://twitter.com/roadamerica) or call 800-365-7223.

"Road America is a premier destination in Northeast Wisconsin and we're looking forward to the racing season along with the travelers it will bring to our area," added Brown County Executive Troy Streckenbach. "The partnership is not only good for GRB, but also for the

entire county. Visitors rent cars, stay in hotels, buy gas, shop and go to restaurants while they're here. It's a win all the way around."

Kertscher summed up the draw of Road America by stating, "With radical elevation changes, tree-lined straights and flowers blooming at every turn, Road America's four spectacular miles are in a one-of-a-kind class with racers the world over; and photographers view it as a paradise for split-second shutters and scenic backgrounds."

He continued, "Whatever your desire, Road America serves it up package style. Load up the family and come witness the power, pageantry and picturesque landscapes of Road America, a track that is every bit as impressive as the cars and motorcycles that will compete all summer long."

Green Bay Austin Straubel International Airport (GRB) is the third largest airport in the state, serving Northeast Wisconsin and portions of Michigan's Upper Peninsula. Business and leisure flights are offered by five major airlines, American, Delta, Frontier, Sun Country

and United Airlines, and two fixed base operators (FBOs), JetAir Group and Executive Air.

As the Gateway to Lambeau Field, GRB is a Green Bay Packers Partner and the home airport of the Packers. Additionally, GRB is one of only two commercial airports in Wisconsin designated as a Landing Rights Airport by the U.S. Customs and Border Protection for international flight arrivals.

Road America

Established in 1955, Road America is located midway between Milwaukee and Green Bay in Elkhart Lake, Wisconsin. The world's best racers have competed at this legendary four-mile, 14-turn road circuit for over 65 years. The 640-acre, park-like grounds offer unique viewing opportunities, fantastic concessions, and high-speed excitement to hundreds of thousands of spectators each year. In addition to public race weekends, Road America offers a variety of group event programs, the Briggs & Stratton Motorplex for karting and supermoto, and the Road America Motorcycle and Advanced Driving Schools.

OBITUARY

Jeanne K. O'Connor, age 93, formerly of Neenah, passed away on Sunday, June 19, 2022. She was born on December 10, 1928 to the late Albert and Anne (Baxter) Kieselmann in Farmingdale, New York. There she graduated from Farmingdale High School as valedictorian and went on to be the first person in her family to attend college. She graduated Magna Cum Laude from Alfred University with a degree in English.

On August 21, 1948, Jeanne married William O'Connor and together they had four children. In 1980 she and Bill moved to Neenah, WI for a job opportunity and at that time she became a member of St. Gabriel Parish. Jeanne will be remembered as a very faithful woman who loved life. She was a gracious, graceful, and kind lady who was smart as a whip and exuded joy. Her "go-with-the-flow" demeanor and her wish to never live in a nursing home granted her the opportunity to move amongst her children, countrywide, every few months. This allowed her to see different parts of the country (specifically Wisconsin, New York, and Virginia) at different times of the

year, as well as spend time with all of her grandchildren and great-grandchildren, whom she loved dearly.

Jeanne will be remembered as the "best mother" who was always keeping herself busy. She was a devoted volunteer, giving time to different hospice programs, Meals-on-Wheels, St. Joseph's Food Pantry, St. Gabriel Parish, and Theda Clark Medical Center. When she had free time she enjoyed

a plethora of hobbies, some of which were gardening, cooking, reading, bird watching, traveling, and playing most sports. She enjoyed playing tennis, swimming, fishing, bowling, and was always excited to bat a softball. Scrabble, playing piano, and singing were also among her talents.

Jeanne is survived by her four children: Kathleen Patashnick, NY; Laurie (Roger) Dadiomoff, VA; William (Doni) O'Connor, VA; and Matthew (Lori) O'Connor, WI; as well as by her grandchildren: Johanna (Kevin) Lloyd; Jamie (Tracy) Dockiewicz; Joseph (Callen) Dadiomoff; Jessica (Chris) Hay; Will (Carolyn) O'Connor; Kellie (Marc) Aisenstark; Kyle O'Connor; Scott (Laura) Osterloh; Leslie (Brad) Godwin; Ryan (Rylee) O'Connor; Sean O'Connor; and Erin O'Connor. She is further survived by 15 great-grandchildren, her "favorite child"

(dog), Breeze; by her nephews: Walter and Robert O'Connor; and by her niece, Sharon Van Nostrand.

Jeanne was preceded in death by her husband, William, Sr; by her son, Joseph; by her sister, Anne Stapleton; and by her son-in-law, Michael Patashnick.

A Mass of Christian Burial for Jeanne was held on Thursday, June 23, 2022 at St. Gabriel Parish, Neenah with Fr. Bob Kollath officiating. Jeanne joined William, Sr. at St. Margaret Cemetery, Neenah.

In lieu of flowers, please consider a donation to either Rawhide Boys Ranch (<https://www.rawhide.org/give-to-rawhide/>) or St. Joseph's Food Pantry (<http://www.stjoesfoodprogram.org/donate/>) in Jeanne's name.

Save the Date!!

The 13th Annual "Hope for Hooves" will be held on Saturday, Aug. 20, 11 a.m. to 5 pm at Amazing Grace Equine Sanctuary, a horse rescue, rehabilitation and adoption facility located at W4985 County Road FF (just west of Hwy. 57) in Elkhart Lake.

Events will include an opportunity to directly connect with our horses, including demonstrations of our adoptees, live music by Brent Bel, animals and exhibits by other rescue organizations, arts and crafts vendors, kids activity center, tack sale, silent auction, plus food, a wine and beer gazebo, and ice cream. Free admission with \$5 parking per vehicle.

Amazing Grace Equine Sanctuary is a 501(c)3 non-profit organization devoted to rehabilitating abused and neglected horses and finding them new homes. Amazing Grace is accredited by the Global Federation of Animal Sanctuaries. 23 horses and two donkeys currently live at AGES, some of them permanently due to physical limitations, and many are available for adoption.

Welcome New Member | Meet New Owners

By Mark Sherry

There is no doubt why words such as “unique” and “creative” are being used to describe both The Fig & The Pheasant and Moxie Cafe in downtown Plymouth—just take into consideration the owners of these two businesses.

Patrick and Ronna O’Toole spent 10 years living and working abroad and starting their family in places such as Norway, Dubai and Hong Kong, and they have brought those experiences and others with them to these two local businesses.

Ronna is originally from the Chicago area and Patrick from San Francisco. They first met in Eureka, California. Patrick has always worked in the food and beverage industry and also wanted to travel, so they took their skills on something of a world tour for a decade.

Ronna said the time came when they wanted more of a home base and they always enjoyed America’s Midwest. An opportunity in Lexington, Kentucky brought the family back to the States, and that was followed by Patrick becoming the executive chef and director of culinary at The Osthoff in Elkhart Lake. At the same time, Ronna said, “We began to look for a business for ourselves.”

In 2019 the opportunity arose for the couple to purchase the former 52 Stafford in Plymouth, and in October of that year they became the owners of what is now known as The Fig & The Pheasant.

Despite becoming owners of the establishment just months before the COVID-19 pandemic hit, Ronna said, “We’ve had a lot of growth every year because we have our eyes open to possibilities.”

One of those possibilities arose last year when the O’Tooles decided to open a second business just across Stafford Street from The Fig & The Pheasant. Moxie is a coffee house, cafe and caterer which—not surprisingly—is as eclectic as The Fig & The Pheasant.

While many area residents know The Fig & The Pheasant for its dining, some people might be surprised to learn it also is a 19-room hotel which is a National Registered Historic Hotel. Managed by Delanie Rogers, the guest rooms aim to “express the simple, understated elegance of a time when time itself moved more slowly,” according to The Fig & The Pheasant’s website. Ronna said a key reason why the business was able to weather the storm of the pandemic is because Plymouth area businesses and industries supported their local establishment by having visiting executives stay at the hotel. The Fig & The Pheasant works to return that sentiment, with Ronna saying, “It’s important for us to be part of the community. We know our success depends on the people in the community.”

In addition to the hotel which is part of the building constructed in 1892, The Fig & The Pheasant also serves multiple

other roles in the community—dining, bistro, pub, caterer and event host.

Ronna describes the establishment’s cuisine with words such as upscale, seasonal, fresh and French-based. Entrées include Linguine with Spicy Cajun Cream Sauce & Bay Scallops, Steamed Prince Edward Island Mussels & Fries, Fish & Chips, Roasted Ney’s Duck Breast, and Grilled Smoked Paprika Rubbed “Picanha” Steak & Fries.

Ronna said they pride themselves on using fresh, local, farm-to-table products as much as possible—including using some of what is growing in the window boxes in the front of the business. The menu changes based on availability of fresh products and to keep things interesting. Special five-course meals can be prepared and served with advance notice.

Ronna also said her husband is very good at pairing wines with food. Each menu item at The Fig & The Pheasant offers a suggested wine. Patrick is continuing his training to become a sommelier and said he has a passion for knowing all things wine and for bringing a wide variety of wines to their establishment.

The Fig & The Pheasant is currently open for dining Wednesdays through Saturdays from 4 to 9 p.m. The bar area opens at 3:30 p.m. and remains open until 10 p.m.

Across the street, Moxie is open Tuesdays through Fridays from 7 a.m. to 4 p.m. and Saturdays from 8 a.m. to 2 p.m. They serve light breakfast and lunch including soups and sandwiches. The coffee they serve is from Milwaukee-based Valentine Coffee Co.

Ronna is also a pastry chef and her

sweet creations can be found at Moxie.

“Fun and funky” are words she uses to describe Moxie. The former bank building still has a safe inside in which people can sit and enjoy their purchases. “It’s a gathering place for people,” Ronna said. “We like that—we wanted that.”

Both businesses also offer catering services and The Fig & The Pheasant was chosen this year to cater race-day events in the VIP Tower at Road America. Events of up to 70 to 80 people also can be handled at The Fig & The Pheasant.

“We’re not taking any more than we can handle,” Ronna said. “If you come in here, you’re going to be treated nicely.”

Delanie confirms that, saying, “It’s just an exceptional place. I’ve never worked at a place that is so concerned about guest comfort.”

To make a dining or hotel reservation or learn more about The Fig & The Pheasant and/or Moxie, call 920-893-0552; check out the website <https://thefigandthepheasant.com/>; or find them on Facebook. Dining reservations are encouraged, especially on Fridays and Saturdays.

P.A.M.’s Suspended Dinner Service

Siebkens Resort has suspended P.A.M.’s regular dinner service after Sunday, June 5th. We will continue to hold private events in P.A.M.’s and the Cocktail Bar. We have a very hard-working Kitchen staff with high quality standards; we simply do not currently have enough of these individuals to operate two restaurants (P.A.M.’s and the Stop-Inn Tavern).

We will continue to offer our celebrated Tavern food menu & Siebkens Sandwiches six days a week in the

Stop-Inn Tavern, Wednesdays through Mondays, 11AM-9PM (until 10PM) Fridays & Saturdays); bar until late.

Watch for pop-up events in P.A.M.’s such as a delicious dinner buffet Vintage weekend in July. To book your private event in P.A.M.’s, the Cocktail Bar, or another venue at Siebkens, please call 920-876-2600 or email events@siebkens.com

Thank you for your continued support of Siebkens Resort!

Purple Dragon Sighting

Wisconsin's Osthoff Resort confirms sighting of purple dragon on Elkhart Lake

Ask anyone who spent time this past weekend at The Osthoff Resort in Elkhart Lake, Wis., and they'll share their story of spotting a large, purple beast in the pristine waters of Elkhart Lake.

Emerson Kuhn, The Osthoff Resort Lakefront Manager, confirmed the sightings and reassures local residents there is no imminent danger. Kuhn stated, "the 800 + lb. purple dragon showed up on our beach last Friday here at The Osthoff Resort Watersports Rental and Splash Shack. Visitors have come daily to see him!" The purple dragon mentioned he wants to live, play, and enjoy the crystal-clear waters at the luxurious Four Diamond Osthoff Resort.

The purple dragon does not yet have a name; however, it has made friends with Paulina the great white Paddleboat Swan, who also resides at The Osthoff Resort. The two can be seen on the lake from 7AM to sunset.

John Steffes, General Manager of The Osthoff Resort, is thrilled the purple dragon selected The Osthoff Resort as his place on the lake. Steffes stated, "Paulina, the great White Swan, enjoys the company and the two have become great friends - our employees are already trying to decide on a name for him."

"I have not yet informed the owners that they will need to feed and care for a

purple dragon - however I am confident once they meet him, they will adore and welcome him to "their place on the lake".

NAMING CONTEST

Help name the purple dragon! Submit a name on The Osthoff Resort's Facebook Page and win a complimentary one-hour ride on this mythological creature. Winner will be announced on Friday, June 10th.

WATERSPORT RENTALS AVAILABLE

Bring the adventure of medieval times and take the fleet of renting this mythological creature for an hour or two. Watersport rentals are available to both resort guests and public. Reserve online at www.osthoff.com/osthoff-recreational-rentals or call 844.566.4392.

ABOUT THE OSTHOFF RESORT

High Wages and High Employment Rates After Graduation

High Wages & Employment Rates Reported by Lakeshore Technical College Graduates Median annual salary for associate degree graduates increases to \$54,048.

Cleveland, WI

Lakeshore Technical College graduates continue reporting high wages and high employment rates after graduation. The college follows up with graduates six months to a year after graduation to gather employment information it can report back to the community regarding how well its mission is being accomplished.

The survey of 2020-2021 academic year graduates showed the median annual salary for associate degree graduates increased to \$54,048 – a 3.95% increase over 2019-2020 graduates.

Reporting the highest salaries were nursing and radiography program graduates, at \$60,315 and \$57,196, respectively. Both salaries increased more than 11% from the previous year.

Ninety-three percent of graduates reported obtaining employment. Among those graduates, 97% found employment in Wisconsin; 74% found employment in the Lakeshore district.

“As a college that relies heavily on taxpayer support in a district experiencing low unemployment, we understand how important it is to graduate students who are workforce-ready as quickly as possible,” said Lakeshore President Dr. Paul Carlsen. “The ability to continue reporting such highly positive outcomes, including family-sustaining wages with local employers, shows the community we are living our mission to provide quality education for in-demand careers.”

Among graduates who completed the survey, a majority of the 63 programs reported had a 100% employment rate. Many of the programs were in manufacturing, public safety, and information technology. In addition, 94% of graduates reported being satisfied or very satisfied with their education.

For information on the more than 70 degree programs offered at Lakeshore, as well as certificates, apprenticeships, and seminars, visit gotoltc.edu/programs-and-courses.

About Lakeshore Technical College

Each year more than 8,000 people enroll in courses at Lakeshore Technical College. They rely on Lakeshore for job preparation, to earn a degree, upgrade a specialized skill, train as an apprentice, or seek a high school equivalency. Lakeshore faculty and staff meet students where they are in life and help them get one step closer to achieving their goals.

Lakeshore Technical College is a nationally recognized technical college. The college was ranked the #2 two-year college in the nation for adult learners by Washington Monthly, #20 in the nation for two-year college educational outcomes by WalltHub.com, a top-150 two-year college by the Aspen Institute, a top 10 Bellwether Award finalist three out of the last four years, and the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

Approximately 800 students graduate from Lakeshore Technical College each year, and associate degree graduates earn a median salary of \$54,048 per year. In addition to the Cleveland campus, Lakeshore serves students in Manitowoc and Sheboygan, and offers classes at additional sites throughout the district. Visit Lakeshore at gotoltc.edu.

CHAMBER SPOTLIGHT Sundance Farm

Our June Chamber Member Spotlight is Sundance Farm Campground. Located near Road America, 2 miles south on County Road C at the intersection of County C and Woodland Road. Owners, Steve and Kelly Mahloch, have made a number of improvements since they purchased it in 2012. They want their campground to provide a quiet rural experience for campers. The campground has 32 sites most of which have electric and water at/or near the site. Many of the sites have a picnic table, fire rings and wifi available at most sites. Bathrooms and shower facility are also available.

Why I volunteer for Glacial Lakes Conservancy

By Alec Bartolai

I was raised to love the outdoors. As a kid, the favorite part of my year was long weekend camping trips and family vacations out West. Daily recess provided a consistent connection to the outdoors. However, as I have gotten older keeping that connection to natural places has been more elusive. Vacations are fewer and farther between and there is no longer the structure of daily recess. Glacial Lakes Conservancy helps preserve those special places in our own backyards that helps me keep that connection to the outdoors. More importantly, it ensures those special places will be preserved into perpetuity so future generations can enjoy it.

Living in Sheboygan, I find that I can easily enjoy a stroll through Willow Creek to clear my mind after a busy day at work. Even in a small city, it's amazing that such a place exists that makes you feel like you are miles away from the hustle and bustle

of the outside world. I volunteer for GLC so that others can experience the same peace and calm I do by enjoying these unique spaces.

In addition to preserving spaces, I also volunteer for GLC for the people. It's so fulfilling to do good work with other dedicated people who are not only inspiring but supportive and knowledgeable. It's an honor to work with people like this. I have learned tremendously participating in walks and demonstrations from people who are experts. I encourage others to join us and find a role that appeals to your interests and talents. In doing so, you too can feel connected to the "foreverness" of the lands we protect.

Friends of the Broughton Sheboygan Marsh, Inc.

Well we built it and now you need to come and see the most beautiful educational/multi-purpose building in the county. It is called "Kohler Center for Marsh Education".

The Friends want to invite you for a special day on September 17th, 2022 when we will be host to an open house to the public for viewing this gorgeous building. Mark your calendars now. It is not open to the public as yet because it is not complete as it needs landscaping and black topping.

This building houses classes that were held for over 20 years in a semi trailer that is parked along the road going south past 3 Guys and A Grill restaurant in the marsh park. Students from throughout the county and surrounding area come to learn more about this great marsh and it's creatures that live in the marsh.

The building holds 99 people and also has an atrium with a once live tree that was harvested from the marsh in the center. It is the Tree of Learning. It has been preserved and will be there forever.

The multi-purpose room can be used for meetings, weddings, small parties and if you are interested in learning more about how to do that just contact the Sheboygan County Planning & Conservation Dept. at 920-459-3060 and they will help you. Also if you are interested in classes you can reach out to the Director of Education for Camp Y-Koda, Sarah DeZwarte at 920-467-2464. In the future we are planning on scheduling some classes on weekends for the public, but that won't be anytime soon.

Just a note to remember, unless the building is open to the public you are not allowed in it as classes will be going on. Also one section of the building houses state of art new showers/bathrooms for the CAMPERS. So if you are camped at the marsh you will receive a code to access the bathrooms.

Well again, put the date on your calendar and look for more info to come on the opening.

Thanks also to all the donors who have donated to make this possible. We are still excepting donations as there are expenses that we still need to meet. You can mail your donation to Friends of the Broughton Sheboygan Marsh, Inc. at PO. Box 301, Elkhart Lake, WI 53020

No donation is too small or too big. Everyone receives recognition for their donation.

Sincerely
Lil Pipping, President of the Friends

Adam Stone Announced as Trust President for National Exchange Bank & Trust

Adam Stone was promoted to president of the Trust Division for National Exchange Bank & Trust on June 10, 2022.

In his role, Stone will manage and oversee the Trust Division while maintaining and growing client investment portfolios. He will also establish new account relationships in both the trust and investment management areas. Stone was a part of the Trust Division when he joined the bank in 2003. In 2007, he moved into investment services where he focused on enhancing customer offering in partnership with Raymond James. In 2016, he was promoted to senior vice president within the National Exchange Bank investment services division where he oversaw the bank's wealth management strategy.

Stone is a Certified Trust and Fiduciary Advisor (CTFA), a designation from the American Bankers Association that demonstrates expertise in the trust and financial advisor field while recognizing the growing client relationship skills necessary to be a successful wealth manager. He is also a graduate of St. Mary's Spring High School, the University of St. Thomas with a bachelor's degree in Marketing Management, and the University of Wisconsin-Madison Graduate School of Banking in addition to holding several brokerage licenses.

Stone plays an active role in the Fond

du Lac community and represents National Exchange Bank through his current and past involvement on the Agnesian Foundation, YMCA, St. Mary's Springs Academy, Moraine Park Foundation, Cedar Benevolent Community, and Children's Museum boards as well as participation in other community organizations.

Stone and his family are Fond du Lac residents.

National Exchange Bank & Trust is an independent bank with convenient locations throughout Southeastern Wisconsin. For more information, visit the bank's website at nebat.com. Adam

Welcome New Member | Meet New Owners

On September 13, 2021, Ali and Shannon Brunet opened as Dreams Unlimited Music Store at 215 E Mill St. in Plymouth.

This is the first time in 27 years that the music store has new owners. "After 10 years in Nashville, we felt like we accomplished everything we moved there to do.

We wanted to start a new adventure and we're happy because Dreams Unlimited in Plymouth is the perfect place to be," said Shannon Brunet.

Ali and Shannon both met and started their careers in the recording studios of Minneapolis. "We worked our butts off,

but we were also at the right place at the right time with the right people," said Ali. The two spent four years in Minneapolis working with multiple indie and major label recording artists. Ali then got an offer to work in Nashville that the two could not refuse.

Throughout their almost 10 years in Nashville, Shannon and Ali went on to work with gold and platinum recording artists, as well as members of the Rock and Roll of Fame like Billy Gibbons, John Oates, Jonathan Cain and Neil Schon to name a few.

The two also started a rock band called The Down Squad. The band played in Nashville, Alabama and up to Chicago. In 2020 they were nominated for Best Pop Punk Band for the Nashville Music Industry Awards. The band was set to hit the road in 2020, but unfortunately the pandemic had other plans for them.

"We're still hoping to release new Down Squad music, but Dreams Unlimited is our focus right now," said Shannon.

"Even though we've been open since last September, we still feel like we're just getting started," said Ali. "When Shirley McDole owned Dreams Unlimited Music Store and Studio, she was an amazing part of the community. We have some big

shoes to fill while also putting our spin on the store."

Along with recently implementing new products and services like the drum nook and full service brass repair shop, they have plans to offer rehearsal rental space, a small live music/theater venue and much more. Dreams Unlimited currently offers piano, guitar, bass, ukulele, vocal and full kit drum lessons.

They also offer top quality rentals for all school band instruments. "Lessons and servicing the band departments for the locals schools is a huge part of our focus," said Shannon.

Ali and Shannon invite everyone to come in and check out the new products and services, hang out, play some instruments, listen to music and talk about who's better the Beatles or the Stones.

VINTAGE WEEKEND PARKING AND STREET CLOSURES JULY 15TH & 16TH

Vintage weekend takes place on Friday, July 15th & Saturday, July, 16th, 2022. As you know, the Village will have a very large crowd, especially Friday night. The Village once again will be implementing detours and road closures on July 15th & 16th, 2022 for the Vintage Concours. There are no changes this year. The Village will be posting no parking in the normal area by Siebkens Resort and then extending the no parking area further on S. Lake Street all the way to Rhine Street. One side of S. East Street will also be posted no parking. The Concours will again stretch all the way to the corner of S. Lake Street and Square Street.

The major road closings will be E. Rhine Street from Lincoln Street to the intersection of Gottfried and Pine Streets. All roads that intersect with E. Rhine Street will also be closed as to allow no traffic onto E. Rhine during the closure time. In addition, S. Lake and S. East Streets will be closed. All closures will start at 3:00 p.m. and last until approximately 9:00 p.m.

If you are a resident and need to enter the closure area that anytime from 3:00 p.m. to 5:00 p.m. please contact the Village offices before July 13 to arrange for an access pass. This pass will let officers and those assisting with traffic know that you are allowed to enter the closed area to get to your residence or business. Please keep in mind that from 5:00 p.m. until 9:00 p.m. no vehicular traffic will be allowed in the closed area (all of S. Lake, Elm, and S. East Streets), even with an access pass, due to the concours occurring.

If you have any questions, please feel free to contact Chief Meeusen at (920) 876-2244 or mmeeusen@elkhartlakewi.gov. Thank you for your understanding and cooperation during this busy weekend that we have here in Elkhart Lake.

AMENDING TID #4 AND ANNEXATION

The Village Planning Commission has met, as well as the Joint Review Board to begin the process of amending TID #4. The Village will take up this matter at their second meeting in July. They will then pass their recommendation to the Joint Review Board which will meet at the end of July. The Village is also working on annexing 32 acres from the Town of Rhine. This land is adjacent to County Road A and the old County shed property. This annexation will be on the agenda for approval at the Village Board on July 5th.

PLANNING COMMISSION UPDATE

The Planning Commission has been reviewing site plans and building plans for businesses and other properties with commercial zoning. The Commission also held a public hearing on the amendment for TID #4. After the public hearing, they recommended the approval of the TID #4 amendment to the Village Board. The Commission has also been busy reviewing sign permit applications from the Fire Department, School, Sohn

Manufacturing, Empower Acupuncture, and a new Tourism welcome sign. The Commission members give a lot of their time to work through the issues that come before them; the Village thanks them for this service.

VILLAGE-WIDE REVALUATION

The State of Wisconsin sets standards that all communities in the State must be valued at 100% of market value or be kept within 10% of that value. The Village has fallen below these standards. The last revaluation was done in 2008. The Village has contracted with Grota Appraisals to have all properties assessed at 100% of market value as of January 1, 2023. Grota will be sending letters out to all property owners in the coming month about the process. The Village has approved an exterior inspection process only. They will not be going inside of properties. Grota will begin their work this summer, but these values will not be in effect until the December 2023 tax bill. A badge with photo ID will be worn by assessment staff while in the field. If you have any questions, please contact Jessica at 920-876-2122.

BOATING REGULATIONS

1. A Coast Guard approved Personal Flotation Device (PFD) in serviceable condition is required to be in the boat and accessible for each person in the boat.
2. A speed of "SLOW NO WAKE" is in effect all year long from 7:30 pm-10 am each day. "SLOW NO WAKE" is defined as the slowest possible speed at which a boat can operate while still maintaining steerage.
3. Maintain a speed of "SLOW NO WAKE" at all times when operating a motor boat between the shoreline and the NO WAKE buoys and within 100 feet of any craft at anchor, adrift or not operating under engine power.
4. No boat towing persons skiing, tubing or the like can come within 100 feet of swimmers, divers, rafts, other boats or restricted areas.
5. NO SUNDAY operation of motor driven boats, beginning the 2nd Sunday of June and ending the 3rd Sunday of September. Note: Only electric trolling motors allowed.
6. There is a radar-enforced speed limit of 35 M.P.H. on the water.

BEAUTIFICATION COMMITTEE

The Beautification Committee volunteers have done a great job weeding the various beds around the Village. We recently mulched the garden beds. The Village has also hired two part-time employees for the summer to help with the upkeep of the garden beds and the lawn mowing. These employees (Darren Lindstrom & Kean O'Neil) have been working with the full-time public works crew (Pat, Tyler, & Steve) doing a great job in keeping the Village looking its best. We are always looking for more volunteers. Please consider spending about 15-20 hours a year helping us keep the gardens in great shape. We will continue working throughout the downtown area planting and upkeeping our gardens. Volunteers are residents of both the village and the Town of Rhine. Thanks for making our village look great. If you would like to volunteer to help maintain the gardens call Jessica at 876-2122.

BEACH PASS INFORMATION

The Village is reminding people that the Village beach is for residents of the Elkhart Lake-Glenbeulah Joint School District only, per Village Ordinance. The police will be monitoring beach use more frequently. The prices of the passes is \$5 for residents and \$40 for school district residents, which are good for an even and odd year (this is the first year of the beach pass). These passes are now available. The price of replacement passes is \$25 for Village residents and \$50 for school district residents. Rental properties are to have their guests use Fireman's Park. This is the public access to the

lake that should be used for guests. Some of the other regulations include:

No person shall allow a dog to be on any public beaches owned or leased by the Village.

No person shall use or possess beverages containing alcohol on the public beaches owned or leased by the Village.

No person shall ignite nor maintain fires of any kind on the public beaches owned or leased by the Village.

No person shall have a pop-up tent, canopy, or table on the public beaches owned by the Village.

BUILDING PERMIT REQUIRED

If you are planning a construction project on your home or business, you must apply for a building permit. Permits must be obtained prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

LEASH LAW

A reminder that the Village has a leash ordinance. Please keep your pets on leashes when walking the Village sidewalk & pedestrian walkway. Dogs are also generally not allowed in Village parks.

VILLAGE ORDINANCE 8.32 ANIMAL FECES

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!!

DOG REFUSE STATIONS

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

WEILL CENTER ANNOUNCES FALL PERFORMANCES

Fall lineup includes jazz, country, comedy, dueling pianos, a family series, folk rock, and more

SHEBOYGAN, WI (June 7, 2022) – The Weill Center for the Performing Arts, a 1,150-seat live event venue located in the heart of Downtown Sheboygan’s growing arts and entertainment district today announced some of its fall lineup. Tickets will go on sale to the public on Thursday, June 9 at 12 p.m., with the opportunity for members to benefit from a presale beginning Tuesday, June 7 at 12 p.m.

“This season we committed to expand and diversify our programming even more,” said Katy Glodosky, executive director of the Weill Center. “We’re proud to present a variety of memorable live entertainment experiences for our community members and visitors to enjoy, and we look forward to announcing many more shows throughout the season.”

Performances announced today include:

- **JAZZ** – Paul Spencer Jazz Band – High impact jazz, combining Latin, be-bop, blues, hard-bop, and traditional dixie. Spencer’s musical career spans six decades and includes opening for performers like Little Richard and Jerry Lee Lewis, playing drums for Frankie Vali and the Four Seasons (1963), and entertaining the American Troops in Vietnam.

- **DUELING PIANOS** – Deuces Wild! Dueling Pianos - Two entertainers taking audience requests from all decades and genres to create an immersive performance on two pianos with plenty of laughs.

- **COUNTRY** - Ward Davis – Emerging country singer/songwriter with songs recorded by Trace Adkins, Willie Nelson, and more. Most recently co-wrote “I’m Not The Devil” with Cody Jinks. Featuring local opening act Sister Winchester.

- **FAMILY SERIES**
 - o Grace for President – a theatrical performance based on book series, best for ages 5-10.
 - o Llama Llama Live – a theatrical

performance based on book series and Netflix special, best for ages 3-6.

- o Buckets N Boards – Percussion comedy duo who regularly perform on the Disney Cruise Line, best for ages 4-12.

- **COMEDY** – Who Hijacked My Fairy Tale? Starring Kelly Swanson – Perfect girls’ night out during hunters’ widows’ weekend featuring Kelly Swanson, award-winning storyteller, comedian, motivational speaker, author, Huffington Post and cast member of The Fashion Hero on Amazon Prime.

- **BALLET** – Sleeping Beauty - Presented by the State Ballet Theatre of Ukraine (already announced) – The classic story of Princess Aurora comes to life with Tchaikovsky’s music.

- **FOLK ROCK** – So Dang Thankful: An Evening with Rucksack Revolution & Friends – a new collaboration between Wisconsin’s singer-songwriters Adam Greuel of the high-energy string band Horseshoes and Hand Grenades and Sarah Vos of folk-inspired Dead Horses, featuring cameos from their friends on Thanksgiving weekend.

The calendar of events is now available at weillcenter.com. Additional performances will be announced throughout the season including tribute bands, holiday shows, movies, spring shows and other big-name acts. Event sponsorship packages are now available. The Weill Center is also available for private rentals and special events.

Weill Center members benefit from a ticket presale on Tuesday, June 7 at 12 p.m. Tickets can be purchased at weillcenter.com, by phone at (920) 208-3243 or in person at 826 N 8th St., Sheboygan. The

Ticket Office is open Tuesday to Friday, 12 to 5 p.m. and one hour prior to each performance.

About the Stefanie H. Weill Center for the Performing Arts

The Weill Center for the Performing Arts is a 1,150-seat live event venue in Downtown Sheboygan, WI. The Weill Center presents a series of live performances including music, comedy, variety acts, movies and more. In 2001 the theater was restored to its original Spanish Colonial Revival architectural style and

atmospheric theater, as built in 1928. The theater is currently listed on the National Register of Historic Places. For more information and a full schedule of events, visit weillcenter.com.

Laude System In Use

Elkhart Lake-Glenbeulah High School has abandoned the traditional Valedictorian/Salutatorian designations for graduating seniors in favor of the Laude System.

Typically, the Laude System recognizes three levels of honor graduation: Cum Laude (with praise), Magna Cum Laude (with great honor) and Summa Cum Laude (with highest honor).

The laude score is based on a formula in which students are rewarded for taking classes with higher rigor. The program is based on a two tier system: tier 1 worth 1 point per semester awarded to transcribed and AP courses, and tier 2 worth .5 points

per semester awarded to advanced standing and teacher selected courses.

Cum Laude - 7 to 10.5 points; Magna Cum Laude - 11 to 14.5; and Summa Cum Laude - Greater than 15 points.

A minimum GPA of 3.25/4.00 is needed in order for a student to be recognized in the laude system.

Kohler Foundation Gives Scholarships

On Wednesday, May 4, Kohler Foundation awarded scholarships to three exceptional students at Elkhart Lake-Glenbeulah High School. Included in these scholarships are the prestigious Ruth DeYoung Kohler (RDK) Scholarship for Artistic Excellence.

One of the three RDK Scholarships awarded by Kohler Foundation this year was presented to Baxter Salzwedel of Elkhart Lake-Glenbeulah High School. This scholarship recognizes artistic vision, creativity, technical mastery, and dedication to a career in the arts. Baxter received a scholarship of \$35,000.

Baxter Salzwedel, son of Jesse and the late Mary Salzwedel, not only participated in art in school, his business, The Mad Patcher, is a thriving on-line apparel business. His vision for his work is to be sustainable, philanthropic, and individually unique. Baxter's passion for the pieces that he creates as well as his business that gives back to the community impressed our scholarship committee. At the Mad Patcher, Baxter upcycles thrift clothing and re-imagines and embellishes each item creating new and expressive pieces. He is also an entrepreneur with a purpose

donating 25% of his profits back to various charitable organizations worldwide. Baxter plans to study fashion design at Columbia College in Chicago with a plan to grow the Mad Patcher brand.

In addition to the RDK Scholarship, the foundation awarded Kohler Foundation Two-Year Incentive Scholarships to two exceptional Elkhart Lake-Glenbeulah High School students including Haley Mersberger, who will be attending the University of Northwestern in St. Paul, MN, to study non-profit leadership and Malorie Prigge, who will be attending the University of Wisconsin-Platteville, pursuing a degree in animal science with an emphasis on dairy. This award recognizes scholastic excellence and meaningful participation in school and community life.

For more information on the Ruth DeYoung Kohler Scholarship, Herbert V. Kohler Scholarship or other Kohler Foundation programs, please contact Kohler Foundation at 920-458-1972.

Kohler Foundation is a non-profit, private foundation dedicated to supporting arts, education and art preservation initiatives in Wisconsin.

Welcome Dr. Englebretson (Adam)!

Dr. Adam Englebretson will be joining the Elkhart Lake- Glenbeulah School District as our new District Administrator on July 1. Dr. Englebretson currently serves as District Administrator, Business Manager and Curriculum Director of the New Lisbon School District in New Lisbon, WI. He was formerly Principal of Random Lake High School and received his Doctor of Education from the University of Wisconsin- Oshkosh. Adam is very familiar with our community having served as Associate Principal at Sheboygan South High School and social studies teacher at Riverview Middle School in Plymouth.

What are you most excited about being a Resorter?

The Elkhart Lake-Glenbeulah School District has a great academic record of success. I am proud to be part of a staff who puts students' needs first to ensure academic success, while also providing a variety of art, music, STEM, and athletic opportunities. Dr. Buechel Haack has often described the stakeholders in the district as a family. I am excited to join and collaborate with a professional and progressive staff, and a knowledgeable and experienced administrative team to continue the district's mission to "Challenge, Inspire, and Empower in a Caring and Innovative Learning Environment."

What do you like to do in your free time?

There are many activities I like to participate in my free time to maintain a healthy balance between work and personal activities to be my best for the students and staff in the Elkhart Lake-Glenbeulah communities. I remain active by walking my two French bulldogs each day, and as a former college track runner and coach, I still try to run as often as possible and participate in a few races each year. I look forward to revisiting the golf courses in the area. I like to attend concerts, movies and sporting events, play games with my nephews, and participate in fantasy sports leagues with friends and former colleagues.

What part of the District Administrator job appeals to you the most?

I have been the District Administrator at the School District of New Lisbon for the past two years and enjoyed being a part of all the school levels in the district. It was a great opportunity to work with students of all ages and watch their growth as they progress towards graduation. Ultimately, the best reason to become a school District Administrator is the students. Assisting children to learn

is the reason I became involved in education. Being a positive influence, overcoming challenges, and supporting the staff will always come back to the young people we support in the district. Although the job can be stressful and challenging, I will be an advocate for students by providing opportunities and working to secure the resources necessary for students to become college and career ready. We want to ensure our community knows all the great things happening in the district and helps share in the celebrations of student success.

from Carlos Kreibich. Mr. Wegner was the elementary school principal and taught 2 classes, and I was the middle school principal and taught 5 classes as I didn't want to leave teaching. As I always said, "7th grade is the best year(s) of my life." This "one year" temporary fix lasted for eight years, until Tom retired, and I became the District Administrator -- another position I had never imagined doing. I guess, the moral of the story is NEVER say never! My first year as District Administrator was interesting, as the elementary/middle principal

Buechel Haack family and friends. I'm sure I'll work some and volunteer lots, but at this time, I'm not committing to anything where I have to make a definite time commitment. One thing I am really excited about is the first snow day where I can look out the window at 3:30 and see it's snowing. I plan to make a cup of coffee and just sit, watch, and enjoy the beauty of it -- without having to worry about what decision should be made about closing school.

What will you miss most about being District Administrator?

Definitely the people -- students, staff, families, community members. They all added so much to my life -- at times possibly a headache or two, but far more often a lot of joy and pride. Also I will miss the "problem-solving" and the way we all worked together to keep improving our school to make it better for our kids -- whether it was our academics, providing a safe, supportive learning environment or continuing to update or add to our facilities.

What advice would you give to Adam?

I'd advise Dr. Englebretson to: Value the input and experience of our staff -- and our students too! Embrace the Resorter "Family Feel" -- this is special as it doesn't exist everywhere. Appreciate the ELG Community and continue to build connections -- their support is second to none. Honor the traditions of ELGS and its history, but do not live in the past. Continue to move the district forward to continue to always try to do what is best for our kids. Proudly share what is happening at ELGS and our accomplishments. For years, we were the County's "Best Kept Secret" but no longer. Be Proud -- Be Loud.

Some of the sayings/beliefs which will be part of Ann's legacy:

"Don't tell me why we can't do something, tell me how we can get it done."

"If it can't be done at ELGS, it can't be done anywhere."

And, of course, "At ELGS, we are going to do what's best for kids. We will find a way to get it done!" "I truly believe the staff and community's support of these "beliefs" is what has caused our programs, our achievement, our facility development to grow, and what has helped our Open Enrollment numbers to change from a negative (approximately -40) to a positive (approximately +50). We have so much to be proud of at ELGS, and most of all it's the people -- the students, the staff, the families and the community-- and what they do each and every day."

What would you like the community to know about you?

I would like the community to know that I am excited to become a member of the community. I have been a frequent visitor to the village for many years, but I am excited to officially become a Resorter. I want to continue the strong partnership the District has with the community. My door is always open, and I am approachable with any ideas community members may have. I look forward to collaborating with community members to continue moving the Elkhart Lake-Glenbeulah School District forward.

Farewell & Thank You, Dr. Buechel Haack (Ann)!

From Ann: "My history is interesting. It took me into areas I had never planned to go. I got my first Master's in special education because I never wanted to go into administration, but surprise! One summer morning, Mr. Smith called and told me the principal left, and he was planning for me to help fill the void. So, Tom Wegner and I formed a partnership to job share the principalship and a M.S. teaching position with help

we hired, announced the day before school started, he planned to leave as he took a different job in a District closer to his family, and once again, I got to be the MS principal (along with District Administrator) and Debbie Hammann took over as elementary principal, along with teaching. And the rest is history!

What is the best part of being a Resorter?

The best part of being a Resorter is the "family feel" that exists -- not only within the school but with our families, in the entire community and with many of our alumni. There's pride in our history and traditions, but yet we continue to also look forward to do "what's best for kids." And we do so while still having fun. I have loved coming to school every day. As I repeat what is said in the district, every day is a great day to be a Resorter. (For the sake of full disclosure, I, at times add, some days are just better than others:).

What do you plan to do with your free time?

After spending most of the past 38 years (51 years if you count my time as a student) with my "Resorter Family," I'm going to take some time to focus on spending time with my

Nest Celebrates 20 Years Moves to Kohler

By Rachael Siehs

Initially opened in 2002, locally-owned home goods store Nest celebrates 20 years of business and moves to a new location.

After enjoying 17 years in downtown Sheboygan, Nest moved to its new location at 795-D Woodlake Rd. in Kohler—which opened Tuesday May 17—where business owner Pamela Butler Channel will continue serving the community by offering household items, furnishings, linens and more for customers to peruse and purchase.

Butler Channel also said she would like to continue offering small events and

classes at the new location—which were offered at Nest's previous location—in the future.

With an art focus, Butler Channel's store holds unique and colorful items that one could use throughout their home or give as gifts to others.

The increased space at Nest's new location gives Butler Channel the ability to continue displaying the varying items and work of over 200 artists that is carried in Nest, along with Butler Channel's interior design business—Nest Design.

Current and new customers can enter the bright and spacious location where Butler Channel will continue displaying

household wares and unique gifts.

Nest offers an arrangement of home furnishings, rugs, accessories, clothing, children's toys and gifts and linens for the kitchen, bath, and bedroom.

The items are featured in displays and made available continuously changing, giving customers a range of selections.

With a large arrangement of items and artists, Butler Channel features items and promote products a couple times a month.

Interested customers can check out their facebook page-Nest, their website-www.nesthomestore.com, or at their location in the Shops at Woodlake to see what Nest and Nest Design has to offer.

Nest offers an arrangement of home furnishings, rugs, accessories, clothing, children's toys and gifts and linens for the kitchen, bath, and bedroom.

MAKING SENSE OF INVESTING

Partnership Will Benefit Entrepreneurs

The Sheboygan County Economic Development Corporation (SCEDC) and Lakeland University have signed a new partnership to provide a centralized approach to growing and supporting inno-

vation and entrepreneurship in Sheboygan County.

The SCEDC and Lakeland University will create and manage the Sheboygan County Innovation Council, advising and

guiding innovation-based programming and services. Lakeland will be a partner in those efforts, leveraging its new presence at Jake's, A Lakeland Community, in downtown Sheboygan.

The SCEDC and Lakeland will partner to implement the SEED Accelerator grant, which is funded by a grant that the SCEDC received from the Wisconsin Economic Development Corporation (WEDC).

The Accelerator will provide \$10,000 grants for up to six new start-ups through a competitive process, helping them prepare to enter the marketplace.

Stephanie Hoskins, Lakeland's Herbert V. Kohler, Jr. Chair for Enterprise & Entrepreneurship, and Ray York, SCEDC's Entrepreneurship Specialist, will have leadership roles in implementing the Accelerator program.

"This agreement allows us to create a hub to align innovation-based services that will aid in the creation of a stronger technical support eco-system to move this area forward," said SCEDC Executive Director Brian Doudna. "We look forward to working with Lakeland, which has a strong focus on entrepreneurship and provides access to innovative programs like Cooperative Education and Launch: Student-Run Businesses."

Lakeland President Beth Borgen said the timing of the agreement is ideal with the recent acquisition of Jake's, A Lakeland Community.

"We have a lot of talented entrepre-

neurs in Sheboygan County doing a lot of good things, and this partnership will provide a central platform to build off one another's great ideas and strengths," Borgen said. "We are excited to work with the SCEDC to help develop new product ideas and strategies. Our students will have opportunities to be part of this work, plus it will benefit young business leaders and startups in this region."

Van Horn Announces Online Car Buying

CloudLot is a New, 100% Online Car Buying Platform

Van Horn Automotive Group announced the launch of CloudLot at ShopCloudLot.com, a 100% online car buying experience for pre-owned vehicles. CloudLot puts the customer in full control of their deal from picking the car, to scheduling delivery, and everything in between. Deals are estimated to the penny, down payments can be accepted, and signatures can be done securely online.

Van Horn has been active in the online space for several years, and has always looked for new ways to make the car-buying process quicker, more transparent and pleasant for customers. CloudLot takes this process to the next level, enabling the user to find and purchase a vehicle in as little as 20 minutes, and set up delivery.

“As Wisconsin’s only employee-owned auto group, we will continue to provide the same personalized car buying experience that our customers have loved for more than 55 years; but now with CloudLot, we can serve a new set of car buyers that are looking for a totally digital option,” stated Adam Gaedke, Vice President of Dealership Operations, Van Horn Automotive Group. “The benefit of purchasing online through CloudLot is the backing of a 19-dealership auto group, dedicated employee owners and a network of service centers. We want the customer to feel empowered to manage their own purchase, but also know we’re here to support them during and after the sale.”

CloudLot uses Cox Automotive’s state-of-the-art Esntial Commerce™ technology, which assists consumers through

the online car buying process faster and more seamlessly than any other platform. AI-powered shopping features and patent-pending finance automation enables customers to see pre-qualified payments on every vehicle in inventory and shop by make, model, price, and monthly budget. With CloudLot backed by Cox Automotive Esntial Commerce, consumers have full control over when they want to purchase a vehicle, and how.

“We want people to buy cars on their terms and on their time,” said Ryan Thiel, Marketing Director, Van Horn Automotive Group. “Whether in-person, online, or a little of both, we now have options to match any buyer’s preference.”

About Van Horn Automotive Group

Van Horn Automotive Group, Inc. is a family born, employee owned automotive group with headquarters in Plymouth, Wisconsin. Founded in 1966 by Joe Van Horn as a single Chevrolet dealership, Van Horn Automotive Group has grown to include 19 automotive dealerships, a finance company, a rental vehicle division, and a wholesale financial products company. The group employs over 690 people throughout Wisconsin and Iowa. For employment opportunities visit the Careers page at <https://www.vhcars.com/careers>.

About Esntial Commerce™

Esntial Commerce is the industry’s first eCommerce solution that has come together from maximizing the breadth and depth of Cox Automotive’s suite of digital solutions. It provides a fully automated and online eCommerce consumer car buying experience while delivering automation through state-of-the-art AI/machine learning capabilities that transforms the traditional deal

process while delivering increased efficiency and profitability to the retailer. With Esntial Commerce, along with the digital assisted selling tools, only Cox Automotive Digital Retailing can deliver on the promise of enabling retailers to succeed with any consumer, on any deal, from anywhere. This white-label, end-to-end eCommerce solution, is customizable to the retailer’s brand.

About Cox Automotive

Cox Automotive Inc. makes buying, selling, owning and using vehicles easier for everyone. The global company’s more than 27,000 team members and family of brands, including Autotrader®, Dealer.com®, Dealertrack®, Kelley Blue Book®, Manheim®, NextGear Capital®, VinSolutions®, vAuto® and Xtime®, are passionate about helping millions of car shoppers, 40,000 auto dealer clients across five continents and many others throughout the automotive industry thrive for generations to come. Cox Automotive is a subsidiary of Cox Enterprises Inc., a privately-owned, Atlanta-based company with annual revenues of nearly \$20 billion. www.coxautoinc.com.

CloudLot shoppers can look forward to the following benefits:

- Wide selection of quality pre-owned vehicles
- Transparent pricing
- Automated financing and lender approval
- Schedule delivery
- Trusted trade-in opportunities with Kelley Blue Book®
- Instant Cash Offer (ICO)
- Prescriptive aftermarket product and insurance offerings
- Safe and secure completion and signing of deal paperwork and payments
