A SOLUTION TO IMPROVING MEMORY LOSS

MEET JEAN...

SHE'S 85-YEARS-OLD AND HAD BEEN LIVING IN THE MEMORY CARE UNIT. AFTER 22 TREATMENTS OF HYPERBARIC OXYGEN THERAPY, THEY WERE ABLE TO DISCHARGE HER AND SEND HER HOME! JEAN'S PROGRESS HAS BEEN AN ANSWERED PRAYER TO HER FAMILY. THE MEMORY CARE UNIT HAD TO FIND DISCHARGE PAPERS BECAUSE THEY HAD NEVER DISCHARGED A PATIENT BEFORE. WE ARE BLESSED TO HELP INDIVIDUALS IN THEIR JOURNEY, WHETHER IT IS FOR IMPROVEMENTS IN MEMORY LOSS, SPORTS INJURIES, TRAUMATIC BRAIN INJURY, STROKE VICTIMS, NEUROPATHY, COVID LONG-HAUL SYMPTOMS, OR OVERALL WELLNESS.

Pioneer Days Parade In Milford

The marquee event of Pioneer Days in Milford will be the Pioneer Days Parade set to begin at 11:00am, on Saturday, July 23, 2022. This year's celebration marks the 54th Anniversary for Pioneer Days, in Milford.

"As always, the parade promises to be an outstanding event for spectators and participants," said Milford Commercial Club Parade Chairwoman Susan Reiser.

Highlighting this year's parade will be the presence of various Shrine units and many local business and organizational floats.

Spectators will be interested to know that the parade will follow a route identical to past years. After starting at Memorial Park (Little League Baseball Diamonds), the parade will pass through the Milford Care Center parking lot, travel east along 13th Street, turn south onto Highway 71 at the Catholic Church, pass through downtown, and end at the Faith Community Church corner.

Parade watchers are reminded that there will be no parking along the parade route north of 13th St. on H Ave., on 16th St. and G. Ave. No parking also in the ballfield parking lots.

The Parade Committee kindly asks that floats refrain from spraying the spectators with water or liquid of any type as they travel the parade route.

Participants are encouraged to report to Memorial Park (two blocks West of Sunshine Foods) at 9:00am, on Saturday morning. Deadline for inclusion in the parade is 10:45am. No entries will be accepted after 10:45 a.m. There is no entry fee for participants. Businesses and individuals who would like to pre-register may do so by picking up a form at the St. Joseph Catholic Church Parish Office during regular business hours. Forms may also be obtained from the Milford Commercial Club's website, <http://milfordcommercialclub.com/pioneer-days/>. Please make two copies of your registration form. Forms may also be e-mailed or faxed by contacting Susan Reiser at 338-2274.

Please call Susan Reiser with questions at 712-338-2274. Thanks in advance to the Milford Police Department and other law enforcement agencies for routing traffic for the parade.

Estherville Lincoln Central School Board Approves Voted PPEL for September 13 Ballot

At its Monday, June 20, 2022, meeting, the Estherville Lincoln Central School Board approved taking the Physical Plant and Equipment Levy (PPEL) back to the voters by placing it on the ballot Tuesday, September 13, 2022.

A PPEL levy is a voter-approved levy that generates funds a school district can use for infrastructure and equipment repairs, purchases, and improvements. Funds generated by the PPEL levy may be used only for these purposes.

The measure would renew the PPEL levy the voters previously approved in 2014. Since then, the district has used these funds for the upkeep and improvement of district facilities, emergency warning systems, security cameras, technology updates, and other critical resources and services.

"Thanks to the voter-approved PPEL we have had in place, we have been able to keep up with technology advancements and maintain safe buildings for students and staff, at a minimal tax rate for our community members," said Tara Paul, Superintendent. "On September 13, district residents will be asked to renew the PPEL for another 10 years. An approved PPEL would allow us to continue investing in facilities, technology, security, and safety measures for our schools."

If approved by voters, the September 13, 2022, voted PPEL would not lead to a property tax rate increase. The vote is to simply renew the PPEL rate, while the district would continue to use the funds to cover costs related to building and grounds maintenance and upkeep, technology advancements, and buying down building debt.

To learn more about the voted PPEL levy and view answers to frequently asked questions, visit <https://www.elcappel.org>.

The Iowa Rock 'n Roll Music Association announces the first Iowa Rock Music Camp at Arnolds Park

Workshops targeted for Middle School and High School Students – taught by professional instructors

The first annual Iowa Rock Music Camp at Arnolds Park is scheduled July 26, 27 & 28, 2022, in and around the Iowa Rock 'n Roll Hall of Fame & Museum. Targeted towards Middle School and High School students, there will be morning and afternoon sessions depending upon age group and/or program interest.

Presented by the Iowa Rock 'n Roll Music Association, the Des Moines Music Coalition (DMMC) will lead contemporary music education modules taught by seasoned local musicians. These instructors spark students' creativity using an immersive arts experience that incorporates the Iowa Department of Education's Fine Arts Standards and the National Coalition for Core Arts Standards.

Thanks to a gracious donation by the Spirit Lake Noon Kiwanis, the camp registration fee (including food, drinks and a T-shirt) is only \$35.

According to Clay Norris, Executive Director of the Iowa Rock 'n Roll Music Association, "We are so excited to be able to bring this level of rock music instruction into the Lakes Area. Jordan Mayland, Des Moines Music Coalition Program Manager, and a member of our Board of Directors, is leading a team of seasoned instructors. The DMMC under Jordan's leadership regularly conducts music education targeted towards these age groups. We are so thankful to have their knowledge and experience here to help lead our first camp."

Using DMMC curriculum, students will be diving into many aspects of being a professional musician such as recording techniques, beat creation, lyric writing, music theory, the history and culture of multiple rock/pop music genres, and learn entry skills needed to play in a band and/or take their next steps on their musical and creative journey!

Registration is available at the museum or online at iowarocknroll.com or on Facebook. Look for the Iowa Rock Camp at Okoboji sign up link. If you are unable to pay, please let us know on the registration form and there are scholarships available. We want as many to attend as possible.

For more details, please see www.iowarocknroll.com or our Facebook page.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor:

Since all the attention to the two CO2 pipelines proposed for this area I have been wondering about dry ice. It seems to me there is a simple solution to the alleged environmental issues that CO2 (which we expel whenever we exhale) causes. When I was in Navy bootcamp we were taught how to fight fires. We learned that for electrical fires you use CO2 so as not to be electrocuted. Now we learn that the foam used to fight certain fuel fires etc. is made from chemicals (back then it was made from sheep blood) that pollute the soil and cause crops raised there to be inedible. It makes me wonder why not compress the CO2 into dry ice? Then use that to put out fires. When I attended an open house at an ethanol plant some time ago we were told that dry ice was a by-product of ethanol production. Now the news has shown stories about firefighters having to learn how to extinguish electric vehicle fires. They informed us that it is most difficult to get enough water on these fires to put them out. Another good use of dry ice. Sometimes the solution is so simple that highly educated folks don't see it.

Northwest Bank Donates to Dickinson County Relay for Life

Northwest Bank locations in Spencer, Milford, Arnolds Park, Spirit Lake, and Estherville celebrated customer appreciation week June 6-11. Each location provided ice cream treats, daily drawings in which the winner received a prize package and the opportunity to select a local charity for Northwest Bank to make a cash donation to.

Northwest Bank wrapped up the celebration week by sponsoring a community shred day at multiple bank locations. Nicole Evans, Bank President in Arnolds Park explains, "For several years we have provided an opportunity for community members to securely shred documents they no longer need. We've utilized this event as a fund raiser to benefit local Relay for Life organizations in our surrounding counties as another way to support a worthy cause. We are grateful for everyone who participated." This year, free-will donations in the amount of \$1,183.00 was collected at our Spirit Lake and Arnolds Park shred sites and this money will benefit Dickinson County's Relay for Life. The funds were presented to American Cancer Society representative Dana Kauffman.

Northwest Bank presented a donation to American Cancer Society representative, Dana Kauffman (middle right) in the amount of \$1,183.00. Northwest Bank are employees Jo Van-Patten, Nicole Evans and Ashley Lowry.

Northwest Bank is a \$2.1 billion community bank that offers a full line of business, agricultural, mortgage, consumer deposit and lending services as well as wealth management and insurance services. Northwest Bank has offices located in Algona, Ames, Arnolds Park, Ankeny, Estherville, Fort Dodge, Humboldt, Le Mars, Milford, Sioux Center, Sioux City, Spencer, Spirit Lake, West Des Moines, Iowa and Omaha and La Vista, Nebraska.

OkoboTree Commissioned Artist to Begin Sculpting First Three Trees This Week

Spirit of Okoboji is excited to announce that the first three trees as part of the OkoboTree project will start this week. Gary Keenan, a chainsaw carver from Des Moines, will begin with a tree located just south of the intersection of 125th Street and 253rd Avenue, along the spine trail, east of Big Spirit Lake, on Monday, June 27.

As part of the MTN DEW® Outdoor Grants program, MTN DEW® recently awarded forty \$5,000 grants (\$200,000 in total) to nonprofit organizations that champion the great American outdoors. OkoboTree, a project of Spirit of Okoboji, was a recipient of the grant which will fund the first three trees.

OkoboTree is kicking off the project with the commissioning of an Iowa-based visual artist to create sculptures from three expired trees in the area. Trees were identified in locations in public areas for the community to enjoy.

The first three locations include a tree along the trail in Isthmus Park, a tree straight in from the stone entrance at Lakeside Lab, and a tree located just south of the intersection of 125th Street and 253rd Avenue, along the spine trail, east of Big Spirit Lake. The Big Spirit Trail carving will be of a walleye and will begin on Monday, June 27. The Lakeside and Isthmus tree carvings will follow the Isthmus one. The public is welcome to stop by and see Gary Keenan at work at any of the locations.

Spirit of Okoboji is a local nonprofit based in Spirit Lake, Iowa, that seeks to enhance life and the spaces in the community with new innovative ideas and out-of-the-box ways of doing things. Their mission is to make lives better by creating and fostering opportunities in the Iowa Great Lakes region to offer to residents and visitors.

For more information, contact OkoboTree coordinators Ed Purdy at (712) 336-2074 or walker1891@hotmail.com, or Kathy Fahy at (605) 359-7177 or krfahy@gmail.com.

Callista Clark to Headline Barefoot Full Moon Party

Country recording artist Callista Clark is set to perform at the Barefoot Bar on July 13 as the headliner for the Full Moon Party, one of the Bar's most popular recurring celebrations. Hailing all the way from Georgia, the young singer has been featured on Billboard's "21 under 21" list for two years in addition to being the youngest member ever to be named on CMT's Next Women of Country in the 2022 classification. With a notable presence on social media, Clark has amassed more than 130 million views across various platforms and YouTube.

Attendees may recognize Clark's debut single, "It's 'Cause I Am," which cracked the top 20 on the Billboard Country Airplay chart, according to her website.

"We couldn't be more excited to welcome this rising country star to the Barefoot stage," Debbie Parks, marketing director for the Marina District, said. "Performances like these are what make our Full Moon Parties such a special experience for everyone. We're happy to be part of this growing musician's journey."

The party kicks off at 6 p.m. with a seafood boil and will feature live music from Brad Morgan before Clark takes the stage later that evening.

While the concert is free admission, Barefoot will be offering VIP entry to the upper deck, which features a private bar and adjoining restrooms. For \$48 per person, VIP concert-goers will enjoy a bird's-eye view of the high energy show.

To purchase VIP entry online, go to thebarefootbar.com or the Barefoot Facebook page.

The remaining two Full Moon Parties are scheduled for August 11 and September 10 and will feature Free and Easy and Ryan and Dave, respectively. For more information or to see the full list of events at Barefoot visit www.themarinaidistrict.com or find them on Facebook.

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds 15th Street & Peoria Avenue, Spirit Lake, IA 51360

For the next few weeks Lakes Area Farmers Market will be located outside, east of the Expo building on the fairgrounds in Spirit Lake, due to the flea market and some 4-H activities. Shop early for best quality as most produce and baked items will quickly in the heat and sunshine. We are starting to see some new vegetables at the market. Last week there was Swiss chard, new potatoes and snow peas. Strawberries have arrived and are going fast. This week you may not find certain vendors as they participate in the flea market. There will be a new vendor this Saturday only with fresh kettle corn and lemonade. Crafts are usually varied when we are outside as some don't display well with the wind. If you can't find it, ask a vendor. They are always happy to talk. We are open Wednesdays and Saturdays from 7:30 a.m. to 12:00 noon. We hope to see you there.

Iowa Great Lakes Walleye Weekend Grant Recipients Announced

The Iowa Great Lakes Area Chamber of Commerce is excited to announce the six recipients of the 2022 Iowa Great Lakes Walleye Weekend grant program. Each year a portion of the Iowa Great Lakes Walleye Weekend Registration proceeds are donated back to the community to assist with various conservation and angling projects.

This year, with the fantastic turnout of over 2,000 anglers from 16 different states, the Iowa Great Lakes Area Chamber is excited to announce a total donation amount of \$23,500. This is one of the largest donation amounts in the history of Iowa Great Lakes Walleye Weekend. The funds were split between six applicants with a variety of projects directly affecting angling in the Iowa Great Lakes Area.

The recipients of this year's grant application process were: The City of Okoboji (\$1,000), The Iowa Great Lakes Fishing Club (\$10,000), Spirit Lake Protective Association (\$4,000), Okoboji Protective Association (\$4,000), East Okoboji Lakes Improvement Corporation (\$4,000), and Center Lake Improvement & Protective Association (\$500). For details on how the funds will be used, visit okobojichamber.com or contact the Iowa Great Lakes Area Chamber of Commerce.

Ten tagged walleye remain in the Iowa Great Lakes chain of lakes. All anglers registered for the extended contest can cast their chance at catching these tagged walleye until August 31st, 2022. The first three tagged walleye will be paid out a portion of the registrations for this year's extended contest.

Save the date for the 41st annual Iowa Great Lakes Walleye Weekend on May 6-7, 2023. For more information on Iowa Great Lakes Walleye Weekend, grant recipient projects, and more, visit okobojichamber.com or call the Iowa Great Lakes Area Chamber at 712-332-2107.

Please join other volunteers and the library staff for set up beginning at 11:00am, on Thursday, July 21, with a potluck to follow. Once everything is in place, let the shopping begin. The Friends group is also in need of volunteers to work the book sale on Friday or Saturday. Some extra help will be needed after the book sale on Saturday to clean up. On Wednesday, July 6, an open meeting of the Board of Trustees for the Milford Memorial Library will take place in the Milford Community Center. The agenda will be posted on MML's website and front bulletin board at least 24 hours in advance of the meeting. Everyone is welcome to attend and offer their thoughts in order to make MML a better library.

MML's book club, the Open Book Discussion Group, invites any interested individuals to come and discuss the featured book, Where the Crawdads Sing by Delia Owens, on Tuesday, July 19, at 1:00pm. Copies can be found at the library. It is not necessary to attend all of the meetings, and you are welcome to come and go as you please.

The Iowa Rock 'n Roll Music Association Announces Songwriters Showcase - a New Music Series

A concert series featuring music written and performed by Iowa musicians. Songwriters Showcase, a new concert series presented by the Iowa Rock 'n Roll Music Association, will feature the driving surf guitar sounds of The Surf Zombies, 2017 Spirit Award winners, on Monday, July 11, 7:30pm, at the Majestic Pavilion in Arnolds Park. Doors open at 6:30pm. Cost is \$10 and Season Pass Punch Cards will be accepted.

The series began Monday, June 27, in the Majestic Pavilion with 2B Unplugged, an acoustic duo consisting of two members of 2018 Iowa Rock 'n Roll Music Association Inductee Band The Bushmen.

This series features Iowa musicians who write and perform their own music. Two shows, on Monday nights, will be held in the Majestic Pavilion. The other three shows will be at the Okoboji Barn on Wednesday nights. The Okoboji Barn is on the hill just east of Highway 71 in north Okoboji. The series features a wide variety of artists that will appeal to all age groups.

The series schedule is as follows (all shows start at 7:30):
 • Monday, June 27: 2B Unplugged, Majestic Pavilion, Arnolds Park
 • Monday, July 11: Surf Zombies, Majestic Pavilion, Arnolds Park
 • Wednesday, July 20: Ione (Anna Taylor & Evan Kaler), Okoboji Barn
 • Monday, July 25: Jason Walsmith, Majestic Pavilion, Arnolds Park
 • Wednesday, August 3: Alan Morphew, Okoboji Barn
 • Wednesday, August 17: David G. Smith, Okoboji Barn

Cost of all Majestic Pavilion shows is \$10 and for the Okoboji Barn shows, a \$5 cover charge will apply.

According to Clay Norris, Executive Director of the Iowa Rock 'n Roll Music Association, "As I think many know, most music in the area is performed by groups and individuals singing and playing other's songs. There is nothing wrong with cover bands, but there are many Iowa musicians writing and performing their own songs. Since part of our mission is to "inspire the future of Rock music in Iowa" we want to make sure we give these talented artists a forum for their music."

Home Wine & Craft Beer Department to Include More Prizes at 2022 Fair

The Home Wine and Craft Beer Department will include 15 divisions in the wine category and nine divisions in the craft beer category for the 2022 Clay County Fair powered by SMU, September 10-18.

"No matter your skill level, entering your wine or beer exhibit into the Fair is a great way to receive professional feedback from judges who own wineries and breweries," said Superintendent Kristen Hartwig. "We're also excited to have the beer or wine label competition sponsored by F8 Creative back. This category allows exhibitors to use their graphic design, painting, or drawing skills to create a wine or beer label."

Sponsors include InnSpiration Wines and Vines, HyVee, Doll Distributing, Northern Brewer, the Iowa Project Brewing Company, F8 Creative, and West O Beer. Prizes will include wine stoppers, gift certificates, and a one night stay at InnSpiration Winery loft vacation rental.

All exhibitors planning to enter a project within this department must enter two bottles of wine or craft beer. This allows for the entry to be judged and displayed during the nine days of the Fair, September 10-18.

Entries are open to all from any county or state. Check out the exhibitor handbook online at www.claycountyfair.com or pick one up at the Fair Administrative Offices to find the rules and guidelines to enter your work at the Fair. Pre-registration for all exhibits is encouraged and can be completed online, by mail, or in person by August 22. For those who choose not to pre-register, registration can also occur when entries are accepted on September 6 (8:00am-5:30pm).

2022 Bikes-Brews-Bites Fundraiser
The Dickinson County Trails Board invites you to enjoy a great evening of celebrating and supporting our wonderful trails on Friday, July 22, 2022. The event will take place at the Maser Monarch Lodge where you will be treated to tasty bites from Back Alley BBQ, live music and a variety of brews, wine and a bourbon tasting.

Please consider supporting the trails with an event sponsorship. Your generous donation will assist the Dickinson County Trails Board in the development of priority projects that will add up to 8 miles of new trail over the next two years. The fundraiser will also coincide with the Okoboji Foundation's \$5,000 July Nonprofit Challenge and you may give directly to the trails or send your donation through www.GiveOkoboji.com between July 1-31, 2022. Sponsorship opportunities and tickets are available on the DCTB's website www.dickinsoncountytails.com.

DCTB Awarded Okoboji Foundation And Region 3 Tap Grants

The DCTB received notification of two grant awards in May. The first is a grant from the Okoboji Foundation that will provide \$50,000 in funding for continued development Tatanka Ska Trace. The grant will support the final 2.5-mile section of trail that will connect the city of Lake Park to the Iowa Great Lakes.

The second grant award comes from the Region 3 Transportation Alternatives Program for another segment of Tatanka Ska Trace. The award of \$272,000 will be available in 2026 for construction of a 2.2-mile segment that will begin the trail's expansion east towards the town of Superior.

Upcoming Trail Events

Small Business Development Center Featured at Iowa Lakes Board Meeting

The Iowa Lakes Community College Board of Trustees met Tuesday afternoon on the Spencer Campus for their regularly scheduled board meeting.

Jolene Rogers, Executive Director of Community and Business Relations, began Tuesday's meeting by introducing Mary Faber, Director of the Spencer Campus. Faber welcomed the Board to campus and introduced several Spencer Campus employees.

Rogers introduced Jeff Vierkant, Small Business Development Center (SBDC) Regional Director, who was hired in January 2022. Vierkant earned his Master of Business Administration from the University of Iowa and a Bachelor of Science in Business Administration from Southwest Minnesota State University. Vierkant has diverse business experience, including manufacturing, supply chain management, administration, human resources, and finance in private and non-profit sectors.

"The SBDC helps entrepreneurs realize the dream of business ownership and assists existing businesses to remain competitive in an ever-changing global economy. We offer confidential, customized professional business advice to entrepreneurs and small businesses of all kinds at no cost," said Vierkant.

Additionally, the SBDC offers various workshops and classes relevant to today's business owners, including counseling sessions in business planning, customer discovery, financing opportunities, cash flow projections, marketing services, and more.

The SBDC is located on the Spencer Campus of Iowa Lakes Community College and serves Lyon, Sioux, Osceola, O'Brien, Dickinson, Clay, Emmet, Palo Alto, and Kossuth counties.

"Over the past 12 months, the SBDC has completed nearly 800 counseling sessions, facilitated nearly \$6.5 million in capital investment, created 50 new full-time jobs, and assisted in over \$4.5 million in sales growth within our service area," added Vierkant.

For more information about SBDC, contact Jeff Vierkant by calling 712-262-4213, emailing JVierkant@iowalakes.edu, or visiting iowalakes.edu/sbdc.

In other business, Tom Brotherton, Executive Dean of the Emmetsburg Campus, received approval to renew the contract for the Iowa Lakes Head Start program located on the Emmetsburg Campus.

Dan Lutat, Executive Director of Foundations and Governmental Affairs, received approval to accept a donation of hospital beds for the Nursing program located on the Emmetsburg Campus.

The Iowa Lakes Community College Board of Trustees' next meeting will be on Tuesday, July 19, 2022, at 4:30pm, on the Algona Campus, 2111 Highway 169 North, Algona, Iowa.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor:
 Bike Riders- isn't there common sense anymore?

With the summer upon us, and far more visitors to our area than in the past few years, there are also more walkers, joggers and bike riders on our streets, sidewalks and bike paths. Walkers and joggers that I have observed, typically stop at a cross walk, look both ways and then proceed to cross the street. Why do many bike riders not have the common sense to do the same thing? I have observed more often than not, that when they are riding on a public sidewalk or bike path and approaching a crosswalk that has a stop sign for traffic they don't even bother to slow down and look for cars-let alone actually stop like a pedestrian would before crossing the street in front of traffic. There seems to be an expectation that the stop-looks both ways- then proceed with caution, does not apply to them. And while I am on the subject-how about the expansive (and expensive) bike path and walk path systems that have been installed in the area? Why are many bike riders still riding down the active traffic lanes on highways with 35 to 55 MPH speed limits, when there is a clear 4-5 foot bike path along the road to use? Come on....where is the common sense, or is it being clouded by a sense of entitlement? And to those riders who don't fall into this category- thank you.

The Venice of Iowa

by Tim Duerkop

Imagine a sunny, late-August day in Okoboji. The birds are chirping, the smell of freshly cut grass tickles your nose, and the sounds of speed boats off in the distance signal another fun-filled day in the Iowa Great Lakes.

Away from the aquatic action on West Okoboji, a unique stillness in the canals of Wahpeton is broken by a giant splash off one of the docks. Minutes later, a giant rake-like implement is hauled back on to land by a rope with huge blobs of aquatic weeds and muck in tow.

A man works to remove all the slimy weeds from the giant rake only to repeat the process over and over again until he has returned the waterway surrounding his dock into a manageable and navigable state.

Looking out into Turtle Lake he sees a group of kayakers attempting to make their way out of the canal towards Crescent Beach. Their paddles already tangled in the forest of weeds lurking just beneath the water. Their next challenge is to shimmy over a log that lays just below the water's surface. The man wonders if he should warn them about the numerous challenges that lie before them.

This late in the summer the canal has become more of a bed of weeds than a navigable waterway. A reminder that 70 plus years of manmade silt build-up has reduced most of the inlet to a depth of six inches.

He wonders if he will hear their cries for help and have to go pull them out of their misery with his boat as he did with other kayakers last weekend. They had had the misfortune of neither being able to stand in the bottomless muck or swim through the labyrinth of weeds, a common fate to anyone who happens to fall in at

BQAT Workshop for Cattle Transporters

Cattle transporters are reminded that they can certify or renew their certification at a Beef Quality Assurance Transportation (BQAT) workshop on July 12, from 1:00 to 3:00pm, at the ISU Extension and Outreach Clay County office in Spencer.

"Commercial truckers and producers who haul cattle with their own semi or trailer are required to present a current BQAT certificate at major packing plants before the cattle may be unloaded," said Beth Doran, local beef specialist with ISU Extension and Outreach.

The objectives for the training are human safety, animal comfort and protocols to prevent cattle shrink, bruising and stress - all of which benefit the beef industry.

The workshop is free, but registration should be made by July 8. To register, please call the ISU Extension and Outreach Clay County office at 712-262-2264.

Future BQAT workshops will be offered August 9 at Orange City and November 29 at Cherokee. If unable to attend an in-person training, BQAT is available online at <https://www.bqa.org/programs>.

For more information, contact Beth at 712-737-4230 or email doranb@iastate.edu.

flowers interact with a bursting array of aquatic life. From indigenous aquatic plants to elusive mink and beavers, the canals are teeming with natural diversity.

Unfortunately, after years of neglect, the canals are in a desperate state. One third of the canals leading into Little Emerson Bay have been choked off by access roads without bridges. Decades of runoff from both farmland and development have reduced the depth so that it is almost unnavigable by small boats. Algae and weeds dominate the last precious few inches of water.

Despite the hundreds of millions of tourist dollars flowing into the Iowa Great Lakes, the Iowa Department of Natural Resources (DNR) does not have the budget or resources to fix the problem or even try to manage it. For now, the only short-term solution is for homeowners in the canals to address the weed problem by hand. However, there are growing aspirations that a renewed interest in the canal system will raise awareness of the problem and lead to a permanent fix.

Several recent projects give advocates hope: the initiative to restore habitat on East Lake by forming a reclaimed island and Triboji's efforts to dredge and restore wetlands and shorelines impacted by development that has choked out nature.

As we enter a new era in which Iowans seek to give back to our Great Lakes - one of our most precious resources that have given so much to us - J.A. Beck's vision of a Venice in Iowa should be a key part of the plan. If you would like to help there is a Facebook page "Turtle Lake Preservation and Restoration" that has additional information.

JUKEBOX ROCK SHOW RETURNING IN JULY

Four shows to return to PLAC

Two great shows from the past will be returning to the Pearson Lakes Art Center for two consecutive nights in July -- Tuesday, July 12th, and Wednesday, the 13th, to reprise two very popular shows from past years. *The Everly Set*, on Tuesday, the 12th, is not about the town in Clay County, but all about *The Everly Brothers* -- who, like *Iowa Boy Chuck Offenberger*, grew up in the Southwest Iowa town of Shenandoah. The next night, Wednesday, the 13th, will see the same musicians performing the music of *Paul Simon and Art Garfunkel*. PLAC director Bob Kirschbaum explained last week that both the shows drew great response in past years, so they were brought back on consecutive nights, hoping for sold out performances on both nights. *Sting Ray Anthony's Jukebox Rock Show*, featuring the music of the '50s and '60s will also return, as a lead-in to the 4th of July weekend at the PLAC, on Wednesday night, June 29th. Kirschbaum also noted that Ritchie Valens' sister Connie will be displaying a considerable amount of her brother's memorabilia at the concert.

And since we mentioned the 4th, we should also remind you that *The Dick Bauman Big Band* schedule calls for no performance on Monday night -- which, as fate would have it, put the national holiday on the Monday calendar -- right where it belongs. *The Jazzed-Up Big Band of Okoboji* should be playing Tuesday night in the Roof Garden

We recently mentioned that Spencer's Arts on Grand is having a raffle to raise funds to rehab the lower level of the 408 Grand Avenue gallery. The winner of the raffle will be the proud owner of *Apple Blossoms*, one of Chad Elliott's recent paintings. Proceeds from the raffle will go toward rehabbing the lower level of the Grand Avenue gallery, and end on Thursday afternoon, at 5:00. The raffle tickets can also be purchased online, until 11:59pm, Thursday @ *Arts on Grand.Org* Call Arts on Grand at 712-262-4307 with any questions -- but don't wait 'til Thursday afternoon or late Thursday night!...

The Okoboji Summer Theatre will be opening its 64th season on Tuesday night, with *Ken Ludwig's Comedy of Tenors*. The first musical, *Pump Boys and Dinettes*, will begin the following week. The box office is also open during regular business hours, and until show time of each performance...

The Little Swan Lake Winery will be hosting Alex Trivino on the stage in the barn, from 6-8:00, Thursday night. Saturday will see Mark Lair performing on that same stage. There will be no music in the barn on Sunday. Reservations are suggested -- 712-858-4592

The entire *Itty Bitty Boji Band* will be putting feet on the dance floor at the Hap Ketelsen Community Center in Everly, Saturday night, from 7-11:00.

The Roof Garden Ballroom at Arnolds Park will be a focal point of fun and good music for the next couple months at least, with *Sir Mix-A-Lot* taking the stage on the first of July, starting at 8:00. *Night Ranger* will use the same space on Friday night, the 8th...

The free concert series, *Live at the Lake* will bring *The Rolling Stoners* to the front line of Preservation Plaza on Saturday night, at 7:30, with *Rock A La Carte* as a linked attraction.

Denny & the DC Drifters will be seen and heard on Thursday night in the Roof Garden, from 6-8:00.

And if you're looking for a change of pace, Jackson is really easier to get to than you might think -- especially if you've never been there. The powers that be -- and work like bees -- are hosting *Music in the Market* in Ashley Park, right on the river in the northern part of the downtown area. The stands are to open at 4:00 pm Thursday, July 7th, with Nikki and Rich -- a musical duo originally from Lakefield, and now based in the Twin Cities, performing from 5:15...

While we spill a lot of ink here on composers like Richard Rodgers (1902 - 1979), research director RD adds a relatively unknown fact about the New York-born composer who became the first EGOT winner, with an Emmy, a Grammy, an Oscar, and a Tony award! With his first lyricist partner, Lorenz Hart, Rodgers wrote several songs that became Standards in later years. -- songs including *Blue Moon*, *It's Easy to Remember*, and *Where or When*, from the 1939 motion picture *Babes in Arms*, starring Judy Garland and Mickey Rooney. Why did RD gather all this for today's edition? Perhaps it had something to do with today being the 120th anniversary of Rodgers' birth...

RD also notes that Wednesday is Camera Day. And she selected the self-penned song, *Take a Little Time to Smile*, from Peggy Lee's well-received 1959 LP, *Miss Wonderful*. The album was arranged and conducted by Sy Oliver, for Decca. And, incidentally, the album also contains *Joey, Joey, Joey*, written by Frank Loesser -- whose 112th natal day is also Wednesday!

Jumping ahead a couple days, into a new month, RD jumped to the *Reader's Digest Collection of Good Clean Jokes*. Have you ever heard anyone say he or she was so terrified of elevators that "I'm going to start taking steps to avoid them."? The song RD thinks would be the case for that attitude is *I'll Build a Stairway to the Stars*, written by Matty Melneck and Frank Signorelli, with lyrics by Mitchell Parish, in 1939. It was first performed by *The Glenn Miller Orchestra*. And 20 years later, it was still so popular that there were versions by Ella Fitzgerald and many others including Stan Kenton, on his 1962 Grammy-winning LP, *Adventures in Jazz...*

LETTERS TO THE EDITOR

Letter to the Editor:
The Okoboji Women's Club was organized in 1950. The original goal was to save the Gardner Log Cabin, the only dwelling left standing after the 1857 Spirit Lake Massacre. Through tireless efforts, they were able to purchase and restore the cabin and obtain its place in the National Registry of Historic Places in 1973. The historic site, located in Arnolds Park, is now maintained by the state of Iowa.

Between 1966-68, the club purchased an old garage along Highway 71 in Okoboji. It was converted to an art studio/shop. Major benefactors, Bud and Bev Pearson, embraced the club's goals, which led to the opening of the Pearson Lakes Art Center in 1991.

The Okoboji Women's Club was fundamental in supporting these important projects. Our meeting schedule ended in March, 2020, with Covid restrictions. We were unable to meet until June, 2022. We would welcome new members who would enjoy our monthly meetings with guest speakers who present a variety of topics. We meet at Homestead Cooperative. The next meeting will be at 1:00, Friday, July 8. Our guest speaker will be John Smeltzer, telling the history of Templar Park.

If you would be interested in attending, please call Lyn Marksbury at 712-574-2165 to make a reservation. We have fun and friendly fellowship at our monthly meetings. We encourage you to join us.

Sandra Sykes and Lyn Marksbury, President of the Okoboji Women's Club

Discovery House News
Jessica Amendt

With the recent increase in residents between Discovery House and Daniel House, it has become very clear that we need more beds. As we began to look at that, different ideas were thrown onto the table for discussion. We have had many generous donations over the years, sometimes including beds, linens, and handmade quilts. We appreciate each one of these donations and hope to find these giving hearts again this summer. The reality is that we would love to take donations from people who have beds that they are replacing or downsizing, however, this has become a risk. There is a reason we cannot resell used mattresses and why many secondhand stores have stopped accepting them, even to donate rather than sell. We have spoken with Carpet One and Okoboji Mattress in Spirit Lake and each has generously offered to honor a discounted rate on beds. From each place, we will be placing an order for 15 beds- mattress, box springs, frames, and mattress protectors. This will allow us to furnish each of the rooms in both houses with new and matching beds and we will be able to get rid of the ones here that have been pieced together, have broken springs or boards, or have broken down from extended use. At the discounted rate, each set will cost \$525. This does not include disposal fees for the old beds, but it does include a great price on pillows and sheet sets for each of the beds. If we could find 30 individuals or families to sponsor a bed with a donation of \$600 to Discovery House and Daniel House, we will be able to complete this project AND dispose of the old beds. If \$600 doesn't fit into your budget right now but you want to help, send what you can and put "beds" in the memo line and I will combine yours with another person to sponsor an entire bed set. If you would like to sponsor a bed or a whole room (two sets) in memory of or in honor of someone, please add a note with your check and that is what will be printed on the sponsorship. Any additional donations over the 30 bed sets will be used for additional bedding, towels, blankets, and laundry/cleaning supplies. Donations can be made payable to Discovery House, Inc and mailed to PO Box 163, Spirit Lake, IA 51360 or dropped off at 1411 Hill Avenue. If you have any questions, please do not hesitate to contact me at 712-363-2722. You can call or text anytime.
In His grace, Jessica.

OHS Music Awards

In the fall of 2021, OHS entered the Iowa High School Musical Theatre Awards initiative for the first time. The results of the debut after being adjudicated by qualified judges were nine honors received for the November 2021 performance of "Into the Woods" composed by Stephen Sondheim.

Okoboji received an Outstanding Overall Performance Award (1 in 7 in the state) - one of the program's highest honors. Five students received the Outstanding Performance in a Principal Role Awards: Lexi Duffy as "The Witch", Liam Knudtson as "Jack", Gwendolyn Gehrke as "The Baker's Wife", Ella Jorgensen as "Cinderella," and Isabelle Gehrke as "Little Red Riding Hood." Special Recognition for Performance in a Principle role: Carter Lambert as "The Baker." Two of these Okoboji High School students participated in the 2022 Iowa High School Musical Theatre Awards Showcase, presented by EMC Insurance Companies, in honor of the school's achievements.

To honor these awards statewide, the Des Moines Performing Arts produces a Showcase as the culmination of a year-long education initiative. The Showcase was held at the Des Moines Civic Center on Saturday, June 18, recognizing a total of 85 schools from across the entire state.

Liam Knudtson participated in the Triple Threat Award program with other advanced performing students. Liam experienced a zoom coaching session with a Broadway and television actress, and auditioned for theater camp scholarships and the opportunity to represent Iowa at the National High School Musical Theatre Awards in New York City. The troupe performed a medley of songs from several Broadway Shows including: Hamilton, TICK, TICK...BOOM, Company and Spring Awakening.

Also appearing on the Civic Center Stage was Lexi Duffy, performing an excerpt of the song, "Stay with Me," from her award-winning role as "The Witch" in "Into the Woods."

Okoboji was also recognized with the following awards and honors: Outstanding Student Orchestra (1 of 9 in the state) and Special Recognitions for Ensemble (1 of 10) in the state

Congratulations to the cast, crew and directors Jo Gehrke, Zane Knudtson and Gary Lambert (orchestra).

Iowa PBS will broadcast a two-hour Highlights Special of the Awards Ceremony event on Monday, July 18, at 8:00pm, with a repeat airing on Sunday, July 24, at 1:00pm.

Let us remember that without the men and women who willingly sacrifice their lives to secure our freedom, we would have no 4th of July to celebrate.

To veterans, the loved ones of the fallen, current service members and their families, it is Independence Day.

Thank you to all who have served and continue to serve to protect our freedoms. Have a safe and enjoyable Independence Day!

Judd Grants Offered to Nursing Students

The Lakes Regional Healthcare Volunteers are offering four \$500.00 Judd Grants to students pursuing a nursing career. Clarence Judd, a long time resident of the Lakes Region bequeathed money to the LRH Volunteers with the stipulation the money be used to provide Grants for prospective nurses. The interest earned each year which began in 1994, has made it possible to award 4 \$500.00 each year. Those receiving the Judd Grants are chosen by a random drawing.

Residents of Dickinson County are eligible to apply for these Grants if they are entering or are enrolled in a LPN, RN or BSN Program. Preference in the drawing will be given to full-time students. Grants awarded will be sent directly to the designated schools.

Applications may be obtained at the Public Libraries in Dickinson County or by calling Jona Forbes at (712)330-5508. Applications must be returned by June 30th and recipients will be notified by July 10th.

AA Meetings

The Jackson Java open AA meetings will resume on Tuesdays at 7:00pm, at Jackson Center for the Arts (309 2nd Street, Jackson, Minnesota).

For more information, contact Aili at 507-840-0639.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor:
Down through history it has been reported and we have read; God's control over the affairs of men and nations is constantly at work. It was true during the days of the Old Testament as it is today. The rulers of men may think they are in control, but even the enemies of God fit into God's plan by executing judgment upon wayward nations. God has blessed many nations throughout history but when they go astray and decide not to listen to Him anymore or follow his commands, judgment comes. We also know God never sends judgment without warning first. Our nation has decided God is no longer needed.

When does God decide, enough is enough? I think we will soon find out.

Respectfully,
Judy Valen,

The Iowa Rock 'n Roll Music Association announces the first Iowa Rock Music Camp at Arnolds Park

Workshops targeted for Middle School and High School Students – taught by professional instructors

The first annual Iowa Rock Music Camp at Arnolds Park is scheduled July 26, 27 & 28, 2022, in and around the Iowa Rock 'n Roll Hall of Fame & Museum. Targeted towards Middle School and High School students, there will be morning and afternoon sessions depending upon age group and/or program interest.

Presented by the Iowa Rock 'n Roll Music Association, the Des Moines Music Coalition (DMMC) will lead contemporary music education modules taught by seasoned local musicians. These instructors spark students' creativity using an immersive arts experience that incorporates the Iowa Department of Education's Fine Arts Standards and the National Coalition for Core Arts Standards.

Thanks to a gracious donation by the Spirit Lake Noon Kiwanis, the camp registration fee (including food, drinks and a T-shirt) is only \$35.

According to Clay Norris, Executive Director of the Iowa Rock 'n Roll Music Association, "We are so excited to be able to bring this level of rock music instruction into the Lakes Area. Jordan Mayland, Des Moines Music Coalition Program Manager, and a member of our Board of Directors, is leading a team of seasoned instructors. The DMMC under Jordan's leadership regularly conducts music education targeted towards these age groups. We are so thankful to have their knowledge and experience here to help lead our first camp."

Using DMMC curriculum, students will be diving into many aspects of being a professional musician such as recording techniques, beat creation, lyric writing, music theory, the history and culture of multiple rock/pop music genres, and learn entry skills needed to play in a band and/or take their next steps on their musical and creative journey!

Registration is available at the museum or online at iowarocknroll.com or on Facebook. Look for the Iowa Rock Camp at Okoboji sign up link. If you are unable to pay, please let us know on the registration form and there are scholarships available. We want as many to attend as possible.

For more details, please see www.iowarocknroll.com or our Facebook page.

K of C Holy Smokes Classic Cruise-In Food Drive

The Iowa Great Lakes Knights of Columbus Council 5043 will help local food sources with its Holy Smokes Classic Cruise-In Food Drive Friday, July 22. They will accept canned goods or cash donations from drivers of classic cars or other vehicles before the drive starting at 4:30pm. The drive itself begins at 6 p.m. The food will benefit area families through Upper Des Moines Opportunity in Spirit Lake.

The idea for the drive was promoted by Dewey Grothaus, a long-time member of the Iowa Great Lakes Knights of Columbus Council 5043 in Spirit Lake. This year's coordinator is Tom Riehm. Rev. Paul Kelly, St. Patrick's in Estherville, is another car aficionado, and will show his classic pickup. Prizes include the 4th Degree Patriot's Trophy and a fabulous toolbox. For more information, please contact Grand Knight Jed Skogerboe at 712-330-8892.

Many in our community struggle through hardship and are unable to provide food for their families. In fact, Upper Des Moines Opportunity in Spirit Lake serves 80 families each week. The Knights of Columbus hope to ensure that as few as possible go to bed hungry each night. Worldwide, the Knights of Columbus group has donated millions of dollars and millions of pounds of food.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past two years contributing more than \$20,000 to local community needs, including Hope Haven, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee in January. They also run the Tootsie Roll Drive for Persons with Intellectual Disabilities Labor Day weekend, and the Soup Supper in the fall, benefiting local organizations.

The Knights of Columbus is an international Catholic family fraternal service organization with 1.9 million members in more than 16,000 local councils. Last year, Knights donated more than 76.7 million volunteer hours and \$185 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.

Spencer Hospital Earns National Accreditation

Spencer Hospital was recently awarded accreditation by the Center for Improvement in Healthcare Quality (CIHQ), a national accreditation organization sanctioned by the Centers for Medicare & Medicaid Services (CMS).

The recognition reflects the hospital's commitment to care practices and standards that are consistent with patient safety and quality care outcomes.

"Spencer Hospital has a long-standing commitment to the continuous improvement activities needed to enhance care and services to the communities we serve," said Bill Bumgarner, Spencer Hospital president. "CIHQ accreditation demonstrates that our quality assessment and improvement initiatives effectively advance care processes and optimize the care offered to our patients."

The accreditation process included a rigorous, unannounced onsite assessment in April. CIHQ representatives toured the hospital and its affiliated clinics to review medical records; observe care practices; interview patients and employees; and assess compliance with a wide range of regulatory requirements. The affiliated clinics included in the survey process were Avera Medical Group Spencer, Northwest Iowa Bone, Joint & Sports Surgeons, Northwest Iowa Ear, Nose & Throat, Milford Family Care and Sioux Rapids Family Care.

In past years, Spencer Hospital was surveyed by the Iowa Department of Inspections & Appeals. Hospital leadership chose to seek CIHQ accreditation, which in addition to requiring more frequent inspection visits, routinely provides education and consultation regarding best healthcare practices.

"Nationally, Spencer Hospital has been recognized as a Top 100 Rural & Community Hospital for the past seven years based on achieving excellence in both care and business outcomes," Bumgarner said. "The CIHQ accreditation process was another opportunity to further challenge ourselves to be the best we can be in service to our patients."

Bumgarner expressed his appreciation to Spencer Hospital's employees and its medical staff for their commitment to excellence.

"In the end, it's the professionalism and compassion of the hospital's employees, medical staff and our partners in care that make Spencer Hospital one of the state's preeminent rural hospitals," he said. "We're fortunate to have such an outstanding and caring team."
