SPEAK OUT

Dear "Speakout",

Make America Great Again or Build Back Better!

Both concepts are flawed because they leave God out of the equation. When the foundation of a nation is being eroded by its people turning away from God, it will ultimately collapse.

Matthew 7:24-27 KJV reads "Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it."

We are therefore to rebuild America on a firm foundation of God's principles and not on ungodly agendas. Washington is attempting to rebuild America their way through spending plans, stimulus checks and other means which have failed in the past and will fail again.

As I study the Bible, I see the remarkable and exact correlation between ancient Israel and the United States of America today. The nation Israel turned away from God, began worshipping idols, became involved in immoral sexual activity, offered its children on the altars of Baal and in general called good evil and evil good the same as America is doing today.

Isaiah 9:10 KJV reads "The bricks are fallen down, but we will build with hewn stones: the sycomores are cut down, but we will change them into cedars." Israel had been defeated and their infrastructure had been destroyed. They rebelled against God by telling Him that they would rebuild without Him.

We are attempting to rebuild an infrastructure in a short time which has been neglected for seventy years. Liberals have interpreted the word "infrastructure" to mean many topics such as health care, childcare, free college tuition and many other topics which are not "infrastructure".

We are quickly becoming a socialistic country by our government becoming involved in areas in which it was never intended to be involved. Our wonderful United States Constitution states that our federal government was formed to protect America against foreign and domestic attacks and not socialistic programs.

The dictionary describes "infrastructure" as "the basic physical and organizational structures and facilities such as buildings, communication networks, transportation, sewage, water and electric systems needed for the operation of a society or enterprise."

If Washington wishes to enact legislation for these topics, they should do so by submitting individual legislation and allow these bills to stand or fall on their own merits. Washington bureaucrats are only further destroying our economy by attempting to spend trillions of dollars on areas which they deem as infrastructure which are nothing less than pork barrel.

Politics of the past seventy years have been in direct opposition to God's precepts in the Bible and will eventually destroy America rather than rebuilding our country!

Whether you want to "Make America Great Again" or "Build Back Better", we must include God in the equation if we are to succeed.

Lord willing, I will send an article next week.

It is Safe to Call 911

Together, the Livingston County Departments of EMS and Health want to remind citizens that heart attacks, strokes, and other emergencies do not stop for COVID-19. Seeking medical attention at the first sign of a heart attack, stroke, or any other serious medical emergency is critical to effective treatment and restoring good health.

Know the symptoms of a heart attack:

- Chest pain or discomfort
- Neck, shoulder, or jaw discomfort
- Shortness of breath
- Nausea, vomiting, cold sweats, or lightheadedness

Know the symptoms of a stroke:

- Facial droop
- Arm or leg weakness or numbness
- Speech difficulty
- Confusion
- Difficulty walking or loss of balance

While many are undoubtedly scared to call 911 or go to a hospital in these uncertain times, Livingston County EMS and the Department of Health want you to know that area hospitals and ambulance services are not only ready to care for any medical emergency, but have enacted many infection control measures to keep all patients safe.

If you or a loved one may be having a heart attack, stroke, or other medical emergency, call 911 at the first warning sign. Even during a pandemic, do not ignore warning signs. And lastly, don't forget to call your doctor if you have any questions about your health.

BE WELL IN MOUNT MORRIS

Be Well in Mt. Morris is a group focused on activities for eating well, moving more, and stressing less. We want to bring new, exciting opportunities and respond to needs the community has -- such as a new grocery store and investing in ways for families to access safe recreation. Help us connect to others in Mt. Morris when you can. Meetings are the 4th Thursday of the month. Learn more at the Be Well in Mt. Morris Facebook site: <https://www.facebook.com/BeWellIMM> or contact Kim R. (585-243-7279) or Lisa B. at the Department of Health (585-243-7531). This is an initiative of the Genesee Valley Health Partnership (gvhp.org).

LOCAL CONSTRUCTION

Reminder to take care when driving during our local construction phase as traffic can get congested. Please slow down, take your time and drive careful.

SAVE THE DATE

The Town of Mount Morris will be hosting a "Music in the Park" event at Tuscarora Park on Friday, August 19, 2022. Stay tuned for more information!

TOWN BOARD MEETING

The time of the Town Board meeting on July 21, 2022 has changed. The meeting will begin at 5:00 pm and will be held at the Town Hall, 103 Main Street, Mount Morris.

THINK TICKS!

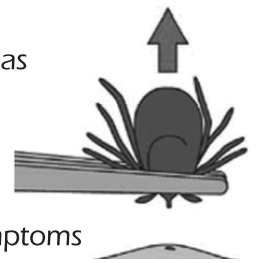

Ticks spread disease. Take steps to protect yourself and your family.

How to Avoid Ticks

- Wear light-colored clothing to spot ticks easily.
- Wear enclosed shoes, long pants and a long-sleeved shirt. Tuck pant legs into socks or boots and shirt into pants.
- Check clothes and skin often for ticks while outdoors.
- Use insect repellent.
- Keep on cleared, well-traveled trails. Walk in the center of trails. Avoid dense woods and bushy areas.
- Bathe or shower within 2 hours after going indoors (to wash off and easily find ticks).
- Do a full-body tick check at the end of the day and remove ticks right away.

How to Remove a Tick

- Using fine tipped tweezers, grasp the tick near mouthparts as close to skin as possible.
- Pull tick in an upward, steady motion away from skin.
- Clean the bite site with soap and water, rubbing alcohol, or hydrogen peroxide.
- Record date and location of tick bite. If a rash or flu-like symptoms appear contact your health care provider as soon as possible.
- The risk of Lyme disease is lower if the tick is removed within 24-36 hours.

FREE TICK REMOVAL KITS available to Livingston County residents (limited supply)

For more information about tick borne diseases, please call or visit:
