Nashville Recording Artist to Appear at PLAC

Singer/songwriter/guitarist Neil Dover is scheduled to appear at the Pearson Lakes Art Center in Okoboji on Tuesday, July 26. The PLAC appearance will be the only Iowa stop for this Nashville recording artist this summer, with additional stops in Michigan, South Dakota, Minnesota, Wisconsin and the Illinois State Fair. Neil has become a favorite country artist in the Southeastern United States where his weekly appearances at the world-famous Florida-Bama Lounge in Perdido Key, Florida, have showcased his talents to thousands of Mid-West snowbirds who flock to the Gulf Coast each year. Videos of his songs can be found online at neildover.com. Give a listen and you'll see why this is a show you don't want to miss. His appearance at the Pearson Lakes Art Center has been made possible by the following sponsors: Jim & Linda Jones, Marilyn Wiltgen, Tom & Tammy Flynn, Marilyn Strickland and Russ & Shar Eckard.

Many citizens are concerned with the congestion the additional RV – Mobile Home Parks will bring to the lakes area. Although the RV- Mobile Home Parks themselves may pay a small amount of property tax, the Recreational Vehicle and Mobile Homes themselves do not pay any property tax. Nor do they pay any Hotel-Motel Tax or State Sales Tax on their rental fees. Our local communities have to subsidize the community services provided to RV – Mobile Home Parks, such as police-fire protection, ambulance, and hospital costs.

As the Iowa Great Lakes Association we are concerned for the lakes environment that too many local governments have been too quick to approve additional RV - Mobile Home Parks without giving full attention to their impact to traffic and boat congestion. Not to mention their environmental impact. We are not anti-growth, but believe growth can be accommodated and still protect our environment.

IOWA GREAT LAKES ASSOCIATION (IGLA) was formed thirteen years ago with a view to protecting all of the Iowa Great Lakes. We have inherited a wonderful natural environment and want to preserve that beauty for generations to come. We are a 501 C4 non-profit organization. That means contributions are not tax deductible, but we are free to pursue political activities and initiate legal actions. Some of our greatest impacts have been a result of our relationships with Iowa Government based in Des Moines.

REINS OF HOPE

Looking for Volunteers & Riders

★ Courage in Motion ★

REINS OF HOPE FALL HORSEBACK RIDING program begins

TUESDAY, August 9

Fall Session runs for 7 weeks on Tuesday evenings at the Clay County Fairgrounds.

Why choose riding & activities with horses?

- Great exercise • Horses don't judge • It's fun!
- New sensory experiences- sight, smell, balance, sound and touch
- Learn to practice new things & build confidence
- The motion of a horse is natural & very similar to walking
- Increase awareness of body position/practice self correcting balance
- Horses provide honest feedback -- just have to learn how they communicate by body language & sound

Parents of interested rider need to submit an application at reinsofhopespencer.org

Requesting applications by the end of July 12. Please apply as soon as possible as spaces are limited.*

*more details at reinsofhopespencer.org or Facebook at reinsofhopespencer

- Saturday, July 30, 7:15pm: I Am They, a Christian pop music band known for their chart-topping single titled "Scars," and The Skit Guys mark the official beginning of the conference in the tabernacle.
- Sunday, July 31, 5:30pm: OBC favorite, Jason Gray, will open the night at 5:30pm.
- Sunday, July 31, 7:15pm: 5-time GRAMMY-nominated Christian music singer-songwriter, Matthew West, known for his #1 single, "Truth be Told" as well as many other chart-topping songs, will take the stage at Preservation Plaza in Arnolds Park. The music and the venue, with the sun setting on Lake Okoboji, will make for a truly worshipful and inspiring evening! Camping chairs and blankets are recommended.

The Okoboji Bible Conference (OBC) begins Saturday, July 30, and runs through Saturday, August 6. OBC has assembled a variety of speakers, professors, authors, and worship leaders to provide the community with vibrant worship, engaging teaching, and fun for the whole family! This year's theme will focus on John 15:9 where Jesus tells his disciples to "Abide in my love." Visit the website, okobojiconference.org, for a complete schedule of the week's activities.

"Many devoted volunteers and staff work so hard to make this conference a week we all look forward to each year. It is evident that God is at work through his people at the Okoboji Bible Conference. This place is a gift from God, and my prayer is that everyone has the chance to experience it," said Mark Newhouse, Interim Executive Director of Okoboji Bible Conference Ministries.

There is no fee or registration for the conference and all events and services are open to the public. Free-will offerings are welcome and appreciated at the concerts and throughout the week.

Okoboji Bible Conference would like to thank Arnolds Park; Discover! Magazine; Rosenboom; Ruthven Locker; and Holy Trinity Lutheran Church for their sponsorship and partnership for the July 31 Matthew West concert (okobojiconference.org/concert-sponsors).

The Okoboji Bible Conference is a wonderfully unique place to grow in faith. It all started as a tent meeting in 1935, and for 85 years the Conference has touched the lives of countless individuals and families with the deep love of Christ. Operating solely on donations, with no registration or fees, Okoboji Bible Conference is a place where, generation to generation, families and individuals have come to worship and grow deeper in faith. Okoboji Bible Conference Ministries operates year-round in order to serve the Lakes Area. For more information, call the conference office at 712-332-2883, send an email to office@okobojiconference.org, or visit okobojiconference.org online.

"Rapunzel" is Final Show at Treasure Village Theatre

It's the final curtain call at Treasure Village Theatre as the Theatre will be performing its last show after 50 seasons of positive family entertainment. Our family has loved bringing imagination to life with original productions, but we are ready for a new chapter. We will continue to operate the Mini Golf and host Flea Markets.

Our original musical "Rapunzel" will perform Wednesday - Saturday, at 10:00am, on July 20-23 and 27-30. It's all about love in "Rapunzel!" A husband and wife long for a child to love, a witch longs for someone to love her, and a young woman longs for her true love. "Rapunzel" has catchy music and a great reminder to be grateful for what you have. It features a talented cast who have all performed at All-State Speech and won numerous awards in music, speech, national history day, and mock trial.

This is a limited engagement with only 8 performances, so we are offering online ticketing. Tickets are \$7.75 for ages 4+ online and that guarantees you a seat. Tickets are \$7 at the door, but audiences will fill fast as people come for one final show. Doors will open at 9:30 for general admission seating. Buy your ticket at www.treasure-village-inc.square.site or scan the QR code on our social media or website.

The Mini Golf is open daily. It features 27 holes with unique obstacles and fun Mischief Spinners. It is \$7 for ages 4-12 and \$8.50 for ages 13+. Kids under 4 are free. The Golf is open 10:00am - 9:00pm, on Monday - Saturday, and 11:00am - 8:00pm on Sundays; weather permitting. The Mini Golf also has ice cream and pop and the free carpetball tables are always fun to play. We are located right off the bike trail with plenty of picnic tables to sit back and relax.

For more info, please call 712-337-3730, or check us out on Facebook, Instagram and treasurevillage.org.

Imagine Iowa Great Lakes Announces Completion of The Beautification of Lake Street in Arnolds Park

Imagine Iowa Great Lakes (IIGL) is pleased to announce the completion and grand opening of Lake Street at Arnolds Park Amusement Park.

The goal of this project was to create a safe and welcoming pedestrian mall environment that would serve as an entrance to the amusement park, boardwalk, and Berkley Bedell State Pier. Removable bollards would allow the street to be closed off to vehicles during peak times, and beautification elements such as overhead lighting, clay pavers, landscaping, and colorful vertical elements create a unique environment for events on the street. Harmony park was also renovated to provide a durable and colorful surface with dynamic lighting and seating elements around existing musical play pieces.

Construction began in the fall of 2021, with a significant portion of the work completed throughout the winter months. A temporary building/tent was utilized to allow crews to maintain adequate conditions for site preparation and concrete installation - all paver bases, light pole footings, and curb/gutters were installed in 100' sections to maintain consistent

temperatures. A new combined storm sewer was installed under the center of the roadway, which allowed space for light pole footings and large volumes of planting soil for trees and perennial plantings outside the back of curbs. Special care was taken to protect existing Bur Oak trees, and special amendments were added to the soil to minimize stress from construction. Over 50,000 pavers were laid on the project, which have permanent engravings to mark farmers market tent locations.

Thanks to all of those that helped make this project a reality. This street will serve Arnolds Park for many years to come, and create lasting memories for residents and visitors to the lakes area.

Summary of project:

- 50,000 clay pavers
- 650 yards of concrete (65 trucks)
- 18 Honey Locust trees

- 4,300 shrubs and perennials (mixture of container plants, bulbs, and groundcovers)
- 950 feet of festoon lighting - 470 individual lights
- 2,600 sf playground grass

Country View Acres Homeowners File Lawsuit to Stop RV Park in Environmental District

Country View Acres Homeowners have filed a lawsuit challenging a large RV park planned for environmental land commonly referred to as Woodlyn Hills. This lawsuit challenges the county's approval of a 174-site RV park on land mostly classified as "Environmental District" - meaning it is affected by seasonal flooding, could be considered a critical area, or otherwise best suited as open space.

One issue on appeal is the "public hearing" that took place in June, at which the developers were given time to present new information to the Board of Adjustment, while the public was prohibited from speaking. "The Board of Adjustment's failure to fully consider public input is one of the most disheartening parts of this process," explained Greg Hanson, the President of Country View Acres Homeowners. "We showed up to the public hearing in June to address our concerns, but we were told that public comments were closed. We watched the developer's new presentation, but had no opportunity to respond."

The lawsuit also alleges that the RV park violates the county's Comprehensive Plan and does not meet the necessary criteria for a conditional use in several material ways. "One concerning aspect of this RV park is the septic system that will be constructed in an environmental district, just south of Lower Gar," Hanson noted, "Septic systems can lead to contamination and leakage into the Iowa Great Lakes."

The lawsuit will be held in the Iowa District Court for Dickinson County.

Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and amenities our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

The past couple of weeks I have been enjoying tons of live music in Okoboji! When you consider the size of community that we live in, it is unbelievable how much live music we have and the quality. You can find almost any genre around every single corner throughout the summer, and really all year long!

I've been to several concerts at the new stage in Preservation Plaza. It's a great new addition to the area that is sure to keep Preservation Plaza a favorite music venue for years to come. I've been to a couple concerts recently at The Roof Garden Ballroom. WOW! Whether it's a packed crowd with standing room only, or seated concert for Jazzed Up Big Band, this venue is perfect for live music! I haven't attended one of their regular comedy nights yet, but it's definitely on my to-do list!

I also love some of the area's more intimate venues that are showcasing amazing music this summer. Captain's Getaway has great music every weekend, and extended into much of the week, but they've also have a really fun NashLo series featuring great musicians from Nashville. It's fun to hear their music on the radio during the day and see them LIVE in Okoboji at night! The Okoboji Store has also been offering some great music each weekend this summer. Most recently I attended the Riva Experience featuring Jordan Fletcher, Brad & Kate, and the Scott Larsen Band. It was another great night of music in Okoboji.

I've also caught live music at The Ritz, The Gardens, The Okoboji Barn, The Iowa Rock 'n Roll Patio, and the Pearson Lakes Art Center. Have I gotten everywhere and heard it all this summer? No. Am I going to try? YES! When you've got this much music to enjoy, it's silly to stay home! Get out and enjoy some great music in Okoboji this summer, and we'll compare notes on our favorites the next time you see me out! Learn more about the live music playing in Okoboji at www.VacationOkoboji.com. I also put together a weekly calendar of events that gets emailed out each Thursday. Reach out to me at rebecca@vacationokoboji.com if you're interested in receiving this.

Stepping Back in Time by Jerry and Irene of the Museum of Okoboji area and Iowa history - Milford, Iowa.

Here is a nice photo of Abbie Gardner and cabin. The photo belonged to Libbie Lyrach Doolittle. No one in the country taught school longer than her. She was called "Aunt Libbie" by her former pupils and their relatives. Ellis Doolittle was a friend of ours and gave us the photo. It is dated 1879. Also notice a nice 100 year advertisement of Okoboji and Arnolds Park. A once popular item.

The Museum, located 1 mile west and 1.5 miles south of the Highway 86 and 71 corner (2151 213th Ave, Milford, IA 51351) is a 501 (c) 3 Non-Profit. Call 712-338-2147 for more information or to make an appointment.

Special thanks to the following weekly sponsors: Arnold Motor Supply (Milford), Coyote Motors (Milford), Cutting Edge (Milford), Farmers Savings Bank (Milford and Fostoria), Hillcrest Forge (Arnolds Park), The Lakes News Shopper (Milford), and True Value Hardware (Milford).

bridge to life

The Bible teaches that God loves all men and wants them to know Him.

But man is separated from God and His love.

"God is on one side and all the people on the other side."
(1 TIMOTHY 2:5)

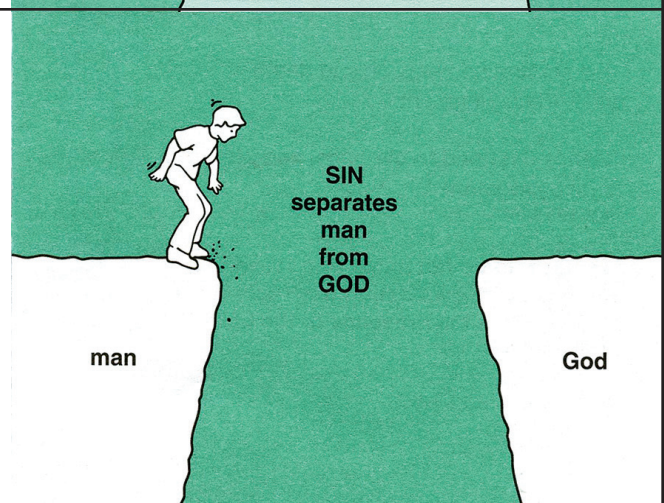

Why is man separated from God and His love?

Because he has sinned against God.

"Your sins have cut you off from God."
(ISAIAH 59:2)

"All have sinned and fall short of the glory of God."
(ROMANS 3:23)

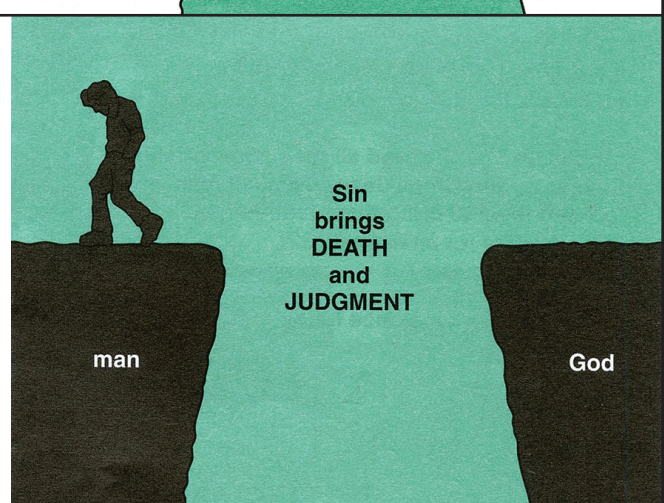

Where does this separation lead?

This separation leads only to death and certain judgment.

"Man is destined to die once, and after that to face judgment."

(HEBREWS 9:27)

"Those who do not know God ... will be punished with everlasting destruction and shut out from the presence of the Lord."
(2 THESSALONIANS 1:8-9)

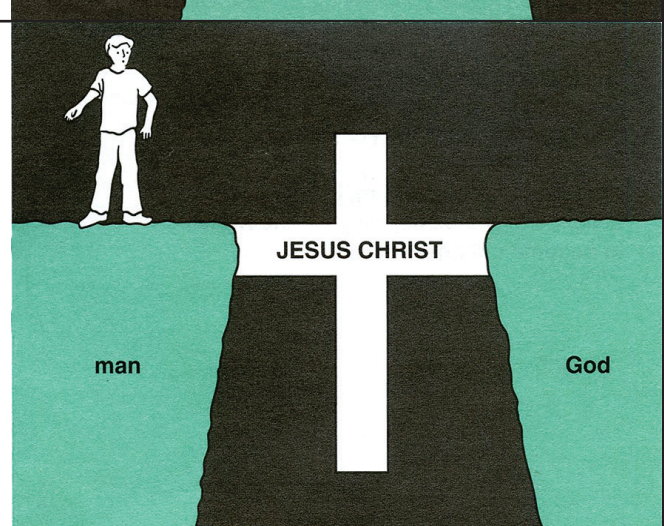

But, there is a solution.

Jesus Christ, who died on the cross for our sins, is the way to God.

"God is on one side and all the people on the other side, and Christ Jesus, Himself man, is between them to bring them together, by giving His life for all mankind."

(1 TIMOTHY 2:5-6)

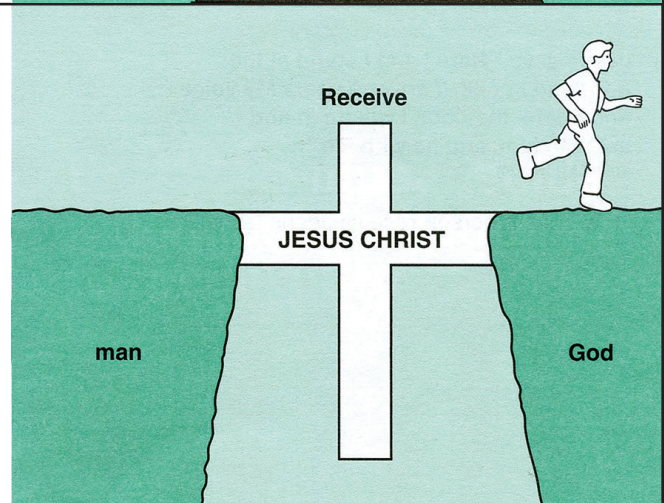

"Christ died for sins once for all... to bring you to God."
(1 PETER 3:18)

Does this include everyone?

Yes. But only those who personally receive Jesus Christ into their lives, trusting Him to forgive their sins, can cross this bridge.

"To all who received Him, to those who believed in His name, He gave the right to become children of God."
(JOHN 1:12)

Jesus says, **"Here I am! I stand at the door and knock. If anyone hears My voice and opens the door, I will go in and eat with him, and he with Me."**
(REVELATION 3:20)

Everyone must decide individually whether to receive Christ.

How does a person receive Jesus Christ?

Jesus said, **"You may ask Me for anything in my name, and I will do it."**

(JOHN 14:14)

Therefore, if you pray sincerely, asking Him this:
Lord Jesus, please come into my life and be my Savior and Lord. Please forgive my sins, and give me the gift of eternal life.

If you have invited Jesus Christ into your life, the Bible says you now have eternal life.

"God has given us eternal life, and this life is in His Son. He who has the Son has life; he who does not have the Son of God does not have life."
(1 JOHN 5:11-12)

He will do it now.

Herb Cheese-Stuffed Garlic Burgers - Serves 6

2 pounds ground beef chuck, 85% lean
2 tablespoons chopped garlic
1/2 teaspoon kosher salt
1/4 teaspoon ground black pepper
3 tablespoons herbed garlic cream cheese, such as Boursin
6 hamburger buns, split
Oil for coating grill grate

Heat a Gas Grill to 425-450°F or Charcoal Grill to a light ash. Using your hands, mix the beef, garlic, salt, and pepper in a bowl until well blended. Form into 12 patties no more than 1/2" thick. Put about 1 1/2 teaspoons of cream cheese in the center of each of 6 patties; top with the remaining patties and press together, to seal the edges well. Refrigerate the burgers until the grill is ready. Clean the grill grate and coat it with oil. Put the burgers on the grill, cover and cook for 9 minutes, flipping after 5 minutes, for medium (150°F) or well-done (160°F). Toast the buns, put them cut-sides down directly over the fire for the last minute of cooking.

ISU Extension and Outreach to Host Farmland Leasing Meetings

Meetings will focus on determining fair farmland rental rates between landlord/tenant

Farmland Leasing Meetings for agriculture property owners, tenants, ag business representatives and lenders will be held at 11 different locations throughout Northwest Iowa in early August. Each workshop will discuss current farmland value and lease rate trends; methods for determining 2023 fair ag rents; conservation practices; farmland lease communication and legalities, including how to write and terminate a lease; and other important ag topics that contribute to key farm management decisions.

"These meetings are designed for ag property owners and tenants, so we focus greatly on land ownership and tenant information such as rental rates and land values," said Gary Wright, farm management specialist with ISU Extension and Outreach. "We will also discuss how to determine a fair cash rent with the current economic uncertainty and high input costs."

Upcoming workshop options include:

- August 3, 6pm - ISU Extension and Outreach Osceola County Office, 121 9th St., Sibley; Preregister to 712-754-3648.
- August 4, 2pm - Regional Wellness Center, 415 South 18th St., Estherville; Preregister to 712-362-3434.
- August 5, 9am - ISU Extension and Outreach Pocahontas County Office, 305 North Main, Pocahontas; Preregister to 712-335-3103.
- August 8, 9am - ISU Extension and Outreach Buena Vista County Office, 824 Flindt Dr., Storm Lake; Preregister to 712-732-5056.
- August 8, 6pm - ISU Extension and Outreach Plymouth County Office, 251 12th St. SE, Le Mars; Preregister to 712-546-7835.
- August 9, 1pm - ISU Extension and Outreach Woodbury County Office, 4728 Southern Hills Dr., Sioux City; Preregister to 712-276-2157.
- August 10, 9am - ISU Extension and Outreach Sioux County Office, 400 Central Ave. NW, Orange City; Preregister to 712-737-4230.
- August 10, 6pm - ISU Extension and Outreach Cherokee County Office, 209 Centennial Dr., Cherokee; Preregister to 712-225-6196.
- August 11, 9am - 4-H Auditorium, Clay County Fairgrounds, 800 West 18th St., Spencer; Preregister to 712-262-2264.
- August 11, 2pm - ISU Extension and Outreach Palo Alto County Office, 2008 10th St., Emmetsburg; Preregister to 712-852-2865.
- August 15, 9am - ISU Extension and Outreach Dickinson County Office, 1600 15th Street, Spirit Lake; Preregister to 712-336-3488.

Meetings are approximately 2 1/2 hours in length and all registrants receive a leasing arrangement book, as well as access to research-based resources from ISU Extension and Outreach. Specific topic depth and breadth at each meeting will vary to best suit participants' needs and wants, but individuals need only attend one meeting.

There is a \$20 per individual or \$30 per couple preregistration fee for those who preregister to the ISU Extension and Outreach office hosting the meeting at least two days prior to the workshop date.

"We encourage individuals to call in and preregister so that we can have adequate space and materials prepared," Wright said. "We do not want to turn anyone away or run short on leasing books."

For more information regarding land leasing and value or the upcoming workshops, contact Wright at 712-223-1574 or gdwright@iastate.edu.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Dear Editor:
We have just celebrated our nation's Independence Day with patriotism on display everywhere. One may ask: Do we truly channel our energies into intentionally retaining and sustaining a free Republic or conversely, are we apathetic and uninvolved as we see numerous examples of tyranny attempting to take over the USA?

We observe unmitigated acts of violence from both sides which are usurping the role of law and order that keeps our peace. Our economy suffers from detrimental over-reaching policies that adversely affect our individual households. Crippling our nation's financial solvency by over-spending and polarizing our populace are two of many ways some in leadership are propelling the risks to our national security.

Supporters across our nation of the non-partisan Article V. Convention of States (COS) recognize the threats that are methodically destroying our country. COS promotes a path to regain the health, vitality, and safety needs of Americans like us within our established government structure.

COS needs 34 state legislatures (19 have currently signed on) to pass a resolution to begin the process of proposing amendments to our Constitution to address federal overreach, federal over-spending, and federal term limits to address our challenges legally, collectively, and non-violently. Learn more about this constitutionally-based, national, non-partisan movement at conventionofstates.com, or call 540-441-7227.

Please consider signing the COS petition that shows your support. Contact your legislator personally if you want Iowa to pass the COS resolution to be a part of this national movement. If you are interested, join local COS volunteers to bring this information to others. Lastly, remember that ordinary citizens have the ability to do the extraordinary so do your part to keep our Republic by the people and for the people intact for generations to come. Our children and grandchildren depend on our efforts now.

Sincerely,
Kim Wilson
Spencer, Iowa

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Lakes Area Farmers Market continues to be outside during preparation for the fair and the 4-H fair. We are east of the Expo building on the fairgrounds in Spirit Lake. While we are outside it is important that you shop early as sales start early and selection drops quickly. In recent days we have seen tomatoes, cabbage, broccoli, beets, cucumbers, and new potatoes at the market. Green beans should be arriving soon. Local sweet corn may be a little late this year since spring was so cool. There is still a variety of baked items, including cinnamon rolls, pies, cookies, bars, cakes, and quick bread loaves. Some unique craft items have been added this year, such as jewelry made from beach pebbles, cake pans with scenes painted on them, laser printed mugs, pans, and signs, and wind chimes. Some new vendors are added throughout the summer. There is a lot happening at Lakes Area Farmers Market on Wednesdays and Saturdays from 7:30 a.m. to 12:00 noon. We hope to see you there.

Six Local Students Awarded Funding

Scholarship recipients of the Bennie B. and Ernestine F. Shine Scholarship were Molly Lovin, Jodi Bents, Haley Bouse, Jordyn Broek, Nicole McLaughlin, and Ashton Wooten.

Molly Lovin is pursuing her Masters in Nursing Education from Robert Morris University. "My love for teaching others pushed me to pursue my Masters in Nursing Education," Molly said. "Investing in education for new and veteran nurses can help with retention, increase nursing skills, knowledge and satisfaction. All these things can help our ultimate goal which is to ensure we are giving the best care for our community."

Jodi Bents is enrolled at Iowa Lakes Community College in the Nursing program. Jodi currently works at Spencer Hospital as a surgical technologist. She commented, "During these past three years I had worked with many amazing nurses who have inspired me to want to be just like them. That is why I want to further my education to become a nurse."

Haley Bouse is studying speech and language pathology at the University of Iowa. "I want to pursue a career with people who value communication and improving quality of life," she commented while explaining her career goals.

Jordyn Broek is enrolled in the physical therapy program at University of South Dakota. When working as a home care aide, Jordyn assisted a young girl with cerebral palsy. "It was working with her that I discovered how impactful simply serving someone can be," she said. "I value playing a small role in helping someone else achieve goals they never thought they could."

Nicole McLaughlin is working towards her Bachelor of Science in Nursing degree from University of Iowa. She commented, "I hope to expand my knowledge and scope of practice to that of a nurse practitioner. I would love to work in a family practice clinic or a women's health clinic in the future."

Ashton Wooten is enrolled in the pharmacy program at South Dakota State. Ashton enjoyed a job shadowing experience at Spencer Hospital's pharmacy. He remarked, "I love the healthcare field as well as interacting with the community. With pharmacy, I can do both of those."

Additionally, Karena Hoben was awarded the Adam J. Anderson Scholarship, a fund especially created to assist students training to become paramedics or EMTs. Karena's overall goal is to become a physician assistant and she is enrolled at the University of Iowa for fall classes. This summer she is working in Spencer Hospital's emergency department as a technician and is enrolled in the EMT course at Iowa Lakes.

The Shine scholarship fund annually awards dollars to students who have completed at least one semester of a nursing or allied health program. Ben Shine was a long-time trustee of the Spencer Hospital Board. His wife, Ernestine, was active in the hospital auxiliary and served as president of that organization. The Shines recognized the importance of quality health care for their community and were actively involved in supporting excellence in local healthcare.

The Adam J. Anderson Scholarship was created in memory of Adam who volunteered for the Terril ambulance crew and also worked as an EMT for Spencer Hospital. Cancer claimed Adam's life prior to him achieving his dream of becoming a paramedic.

More information on these healthcare scholarship programs as well as the low-interest Cornwall Loan Program, is available at www.SpencerHospital.org.

ILCC Student Places at National Business Professionals of America Conference

One hard-working and deserving Iowa Lakes Community College student, Jessica Walker, placed second in her division at the 2022 Business Professionals of America (BPA) National Conference held in Dallas, Texas. Walker joined over 6,000 conference delegates representing 25 states and Puerto Rico to compete nationally in business skills competitions, workshops, and general sessions. Walker took second place in the Integrated Office Applications category and was a finalist in the Fundamental Word Processing category at nationals this year. The Integrated Office Applications category focuses on using Microsoft Office products such as Word, Excel, Access, and PowerPoint to introduce and integrate documents on the exam. Iowa Lakes Administrative Professionals Professor and BPA Advisor, Deb Jones, accompanied Walker at the competition and shared, "Jessica did an outstanding job in the BPA competition and will be successful in her future career." Certiport, a Pearson VUE business and leading provider of certification exam development, delivery, and program management services, presented the 2022 Leadership Conference. Conference attendees had the option to complete certifications from Certiport during the event in Dallas. "For students and chapter advisors attending the National Leadership Conference, the event is the culmination of a year's work," said Dr. Brenda Jacobsen, Chair of BPA's National Board of Trustees. "We applaud these BPA members for the energy they have devoted to advancing to nationals in competitive events, sharpening their career skills, and contributing to community betterment through service initiatives." Founded in 1966, BPA is the premier Career and Technical Student Organization for middle, high school, and college students preparing for careers in business, finance, management information systems, and related fields. BPA provides members with opportunities for growth through education, competition, community service, and personal development.

Hospice Volunteers Needed

For nearly 20 years, Lakes Regional Healthcare (LRH) has provided care locally to terminally ill patients through their hospice program. Hospice is a special kind of service that concentrates on care, not cure, for patients of all ages and with various types of illnesses. It is designed to provide sensitivity and support for people in the final phase of a terminal illness. The goal for the patient is for the last days to be spent with dignity and quality at home or in a home-like setting. Those involved in the process of dying have a variety of physical, spiritual, emotional, and social needs. LRH Hospice strives to meet all of the patient's needs as well as the needs of the family. A team of professionals and volunteers provide services ranging from skilled nursing and medical care to assistance with the activities of daily living and bereavement counseling for the hospice patient and their family. LRH Hospice is looking for additional volunteers to join their team. Hospice volunteers are an essential part of the hospice philosophy of care, which recognizes that dying is not just a medical event, but a personal one also. Hospice volunteers are men and women of all ages and backgrounds who offer their time and talents to assist the hospice team with patient care and family support. Services may include companionship, reading, writing letters, running errands, meal preparation, housework, yard work, as well as respite care for hospice patients and relief for their caregivers, and clerical duties for the hospice program. Volunteers can choose different activities based on their interests and desires. For example, according to LRH Director of Home Care and Hospice Jill Christoffels, volunteers can provide companionship to hospice patients in their place of residence, whether it is in their home, in the hospital's hospice room, or in a nursing home. They can also assist with office work, such as filing, copying, or putting admission packets together. There are six requirements to becoming a hospice volunteer. First, training is held to introduce the volunteer to hospice. Second, a test for tuberculosis (TB) is given. Third, the volunteer must have the two doses of the COVID-19 vaccine. Fourth, they must complete a background check. Fifth, the volunteer must have transportation to the patient's place of residence. Sixth, attendance at educational meetings is necessary. Those interested in volunteering for LRH Hospice can call 712-336-8709 and ask for Jean Johnson.

Duffy Receives Donation

Milford Kiwanians, Duane Hurley and Erin Frerichs, present a check to OHS graduating student Lexi Duffy (center). This money was presented to Lexi to help her defray expenses for her trip to the National Debate Contest held in June in Kentucky. Lexi represented the OHS Debate Department at this competition, and she accomplished some amazing things in five short days. She became the first Congress Debater to make it to the House Semi-finals twice in a row. She also picked up some awards along the way for being elected as the presiding officer, and that meant she was presented with gavels to take home. Congratulations on your outstanding performance at this event.

Seasons Center for Behavioral Health has once again been approved by the American Association of Suicidology (AAS) as an accredited Crisis Intervention Program. After a site visit and extensive review, it has been determined that Seasons Center meets all criteria set by AAS. "Seasons Center is entrenched in its community providing needed services to those in crisis," said Chris Sandwell, Director of Accreditation, Training & Certification. "They provide excellent services for those in life-threatening crises. Services are well organized, evaluated and provided.
