Canal Corp. will work to mitigate seepage next week in Shelby near Jeddo Creek

Press Release, NYS Canal Corp.

SHELBY - The New York State Canal Corporation today announced a seepage mitigation project along the Erie Canal in the town of Shelby, Orleans County will begin the week of July 18.

The Canal Corporation and its contractor will be pumping grout into the canal's southern embankment near the Jeddo Creek culvert to mitigate water that is seeping through the embankment at this location.

Throughout the duration of the project, residents will notice contractors, wearing hard hats and high-visibility vests, as well as heavy equipment operating at and near the construction site.

The seep being mitigated through this project is one of more than 200 known seeps on canal earthen embankments, which comprise approximately 125-miles of the Canal system. The Canal Corporation continuously monitors and inspects these earthen dams on foot via daily monitoring with our staff, as well as using advanced technologies like drones and thermal imaging.

The work being performed along the Erie Canal in Shelby has been reviewed under a project specific State Environmental Quality Review (SEQR) evaluation and is not part of the Canal Corporation's proposed Earthen Embankment Integrity Program.

It is anticipated that this work will be completed in approximately one week and will not impact the Empire State Trail.

The Canal Corporation appreciates the public's patience while this work is completed.

LOCAL KIDS ATTENDED THE NEW YORK STATE SHERIFF'S SUMMER CAMP ON KEUKA LAKE

Sheriff Christopher M. Bourke and Undersheriff Jeffrey A. Gifaldi are pleased to announce that 19 children from Orleans County attended the NYS Sheriff's Summer Camp on located on Keuka Lake. The Sheriff's Summer Camp is held each year and has been in operation since 1986. Each County Sheriff is designated a predetermined number of camper slots for boys and girls between the ages of 9 and 12.

Campers had the opportunity to attend various demonstrations and classes provided by Law Enforcement Officers from multiple agencies across New York State. Campers also had the opportunity to participate in daily activities such as hiking, swimming, archery and sailing. 10 children from Orleans County children attended the first week beginning Sunday, June 26, 2022 and 9 children from Orleans County attended the second week beginning Sunday, July 3, 2022. All of the children were transported by the Orleans County Sheriff's Office from the Public Safety Building to the Batavia Thruway Exit, where they were then transported by a tour bus to and from the Sheriff's Camp in Yates County.

Sheriff Christopher M. Bourke and Undersheriff Jeffrey A. Gifaldi are especially proud of Orleans County Corrections Sergeant First Class Dawn Basinait for her dedication to the Sheriff's Summer Camp. Sgt. First Class Basinait was active in both weeks of the summer camp. Especially admirable was her willingness to take time off of work, and volunteer her time during the second week. Additionally, Sgt. First Class Basinait's daughter volunteered her time assisting with the camp as well. The Orleans County Sheriff's Office's commitment to building strong community relations, and having a positive impact on youth extends beyond the borders of Orleans County. Sheriff Christopher M. Bourke and Undersheriff Jeffrey A. Gifaldi are pleased that so many local youth had an opportunity to attend the NYS Sheriff's Summer Camp, and that the Orleans County Sheriff's Office had an employee dedicated to the camp's success.

Building Trades Students Receive John Nowak Memorial Scholarship

Orleans Career and Technical Education Center Building Trades teacher Matt Anastasi couldn't think of a more fitting way to remember his former mentor, John Nowak, than giving out a scholarship in his name. Mr. Nowak taught Building Trades for 30 years at Orleans/Niagara BOCES and passed away in 2021. Mr. Anastasi points to his guidance and friendship as instrumental in his own teaching style.

In its inaugural year the recipients were Gabriella Smith (Royalton-Hartland) and Kyle Haner (Newfane). Each student received \$100 to help them pursue a career in the construction trades.
