STATE AND CONGRESSIONAL PRIMARY ELECTION DAY

The Primary Election for the New York State Senate and the United States Congress will be held on Tuesday, August 23. Early voting for these elections will commence on August 13. If you need assistance finding your early voting and primary election day poll sites, do not hesitate to contact our office. There is also a slight change regarding absentee ballots. If you requested an absentee ballot, you are no longer permitted to cast a ballot on a voting machine. Voters who have requested an absentee ballot but wish to vote at a voting machine can vote using an "affidavit ballot." The deadline to register as a voter for the Primary Election is July 29. The last day to apply for an absentee ballot will be August 22 and it must be postmarked by August 30.

E- SCOOTERS

You may have noticed that e-scooters are parked on our sidewalks and on certain streets along our business corridors. If an e-scooter is not at the curb of the sidewalk, you must call 311 to have it picked up and properly placed. No e-scooter should be placed against any building or gate. When in doubt, you may call our office at (718) 892-1161 and we will contact the e-scooter companies to retrieve it and place it properly on the sidewalk curb or in the corrals that you see on certain streets of a business corridor. If you live in Morris Park or Pelham Gardens, you can bring your complaint to Bronx Community Board 11 by dialing (718) 892-6262. This is part of a City of New York Department of Transportation pilot program which is why you are seeing more e-scooters in our neighborhoods.

DISTRICT NEEDS

Each year the City of New York requires each Community Board to submit a list of capital and expense requests in its respective district for review. For example, Bronx Community Board #10 can suggest to the city to renovate an existing park, create a new park, or increase funding to the City Department of Transportation for road repair. If there is a particular city program that is successful and wish for it to have its funding increased, contact us. An example of this is the Parks Department's tree and sidewalks program where high priority sidewalks damaged by a city tree are repaired. Please be advised that this process is now open, and you should submit your requests as soon as possible. If you are a Bronx Community Board #10 resident that wants to suggest an item be placed on our District Needs Statement, please call (718) 892-1161 or e-mail us at bx10@cb.nyc.gov. Requests are prioritized.
