Moss Service Funeral Home

Moss Service Funeral Home can arrange urn placement at The Neptune Memorial Reef!

HOW WILL YOU BE REMEMBERED?
AN UNDERSEA TRIBUTE TO LIFE.
PLACED IN OUTERSPACE OR TRADITIONALLY BURIED.

<https://www.youtube.com/watch?v=4zBfepoPvow>

<https://www.nmreef.com/>
to see a review of the reef.

Benjamin Joslin would love to show you the path to pressure free decisions about end of life planning and to provide you with a free Personal Planning Guide!

Neptune Reef is an artistic representation of the Lost City of Atlantis, 40 feet under the sea. These sculptures have produced a marine habitat to promote coral and marine organism's growth while creating the ultimate 'Green Burial' opportunity. A recent marine study conducted by the Department of Environmental Resource Management concluded that marine life around the Reef has gone from zero to thousands in the first two years.

Moss Service Funeral Home will help plan a cremation, funeral or celebration to fit every situation while being sensitive to every budget and health consideration.

SHOP TODAY'S LOW PRICE TAGS:

We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:

Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

*We've asked an angel in heaven
 in a special Birthday prayer to protect
 you as you're sleeping and tend you with great care.
 For we felt such pain and heartache when you
 left us far behind and throughout the celebrations
 you'll be very much in mind.
 And although our tears are falling, peace and solace will be
 found when we find a pure white feather that has
 drifted to the ground
 Because then we'll know for certain by this
 sign from up above, that an angel's wings
 surround you with everlasting love.*

IS WHAT WE ARE ALL ABOUT

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
