Clawson is a "Schools of Choice" District for families that reside in an Oakland County school district.

Here's what our Schools of Choice families say about Clawson Schools:

"I chose the Clawson School District for my child. In the Developmental Kindergarten program, he soared with independence, confidence and maturity. His growth was amazing. The Principal knew his name and he was greeted every day by staff in a positive manner. He loves going to school every day and it feels like home."

"Our family chose Clawson Schools because your child is not just a number. With an incredibly dedicated staff, every educator goes beyond the required academic curriculum to ensure a rich education geared toward each and every student's needs."

"Clawson offers extra assistance for struggling students. We love the Clawson School District and the staff."
