Travel Thoughts By Kim

Let's go on an adventure together...to Corning, NY!

Hammondsport is a beautiful town on Keuka Lake in the Finger Lakes.

Autumn is the perfect time to visit many parts of our beautiful state, including the Finger Lakes. In October 2014, a friend and I got in the car and headed out with the Corning Glass Museum in Corning, NY as our main goal. Our plan was to find a nice place for a two night stay, spend one day at the museum, and make some stops on the way there and back.

After some research and thought, we decided to stay in Hammondsport - a quaint little town situated on the tip of Keuka Lake. We found a wonderful 1960s style motel right on the lake - Keuka Lakeside Inn. It's been a while, so I don't know if it is still operating, but if you're looking for lodging in Hammondsport, consider checking out the Keuka Lakeside Inn - I highly recommend it. The inn had lake views and had been recently modernized and renovated. Our room faced the lake and there were chairs and a gazebo on the property to sit and enjoy the lake. Highlights of our day after arriving in Hammondsport included a leisurely drive around the lake, a stroll around the historic downtown, ice cream at the Crooked Lake Ice Cream Parlor, time spent in the chairs overlooking the lake, and a delicious dinner at the Luna Mezza Grille.

Corning Glass Museum is full of beautiful and unusual glass pieces - like this stunning glass dress form.

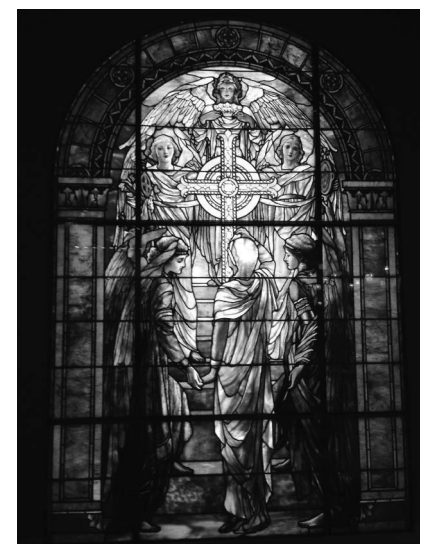

After a good night's sleep, we drove about thirty miles to Corning to spend the day at the Corning Glass Museum. If you've never been, you really should treat yourself to a visit. It is amazing! They have a wonderful gift shop, loads and loads of stunning and unusual exhibits. The many incredible stained glass windows on display took my breath away and I was especially in awe of the Lalique room. We watched a glass blowing demonstration and made our own glass - I made glass wind chimes that I still have hanging in the window over my kitchen sink and my friend made a clock. What fun! The museum is full of exhibits, activities, shopping, and fun for all ages.

We ended the evening in downtown Corning. WOW! What a lovely area with gorgeous architecture. We found a beautiful park where we sat for a bit to enjoy the evening before making our way to dinner. We ate at the best Italian restaurant called Sorge's on Market Street right downtown and had the most delicious homemade pasta, sauce, and meatballs I think I've ever had - they make their pasta fresh every day and it was AMAZING! So glad I don't live closer - I'd surely eat way too many meals there.

The next morning we went back to the museum to pick up the items we made - it was late in the day when we finished them and there wasn't enough time for them to cool before

they closed. Then we began the drive back to Albion. On the way, we took the time to drive through Letchworth State Park - I always enjoy doing that when the opportunity arises - a true gem in our own backyard. Other stops on the way home were to shop at the Gigglin' Pig in Caledonia and have dinner at the wonderful Depot Restaurant in LeRoy. All to end an awesome three day trip.

If you've been reading my articles, you know I love to travel and go on grand adventures. But, I continue to be amazed at the adventures to be experienced right here in New York State and, especially, within a relatively short drive from home. Do yourself a favor and check out all the wonderful New York adventures awaiting you.

Happy Adventuring,

Nancy Ann (Litz) Reeson, 88 of Gasport, wife of the late Thomas E. Reeson, Sr. entered into rest July 31, 2022 at home with family. She was born July 14, 1934 in Lockport to the late Howard and Bessie (Tall) Litz. Nancy raised six children and helped run the family dairy farm. In her later years she cared for her mother and mother-in-law along with several grandchildren. She'd often say, "I would do it all over again." Her favorite pastime/hobbies included: reading novels, playing cards, puzzle books and board games with her family. Everyone knew how much she loved her cows, which is how her cow collection started. Mrs. Reeson was predeceased by her husband, Thomas Reeson Sr.; son, David (Cheryl) Reeson; and grandchildren: Amanda and James. She is survived by her children: Thomas E. (Frances) Reeson Jr., Kevin Reeson, Jeffery Reeson Sr., Darlene (Barry) Butski, Mark (Tammy) Reeson; grandchildren: Erin (Matt), Jennifer (Ian), Joseph (Olivia), Jonathon (Crystal), Jeffery Jr. (Myra), Paisley (Ahmad), Brewer (Melissa), Mark Jr.; sister, Shirley Thorman; as well as 11 great-grandchildren. The family received friends at the Sherrie Bream Funeral Home, 4521 Main St., Gasport, Fri., Aug. 5 where her funeral service was held Sat., Aug. 6. Interment was in Hartland Central Cemetery. Beverly J. Weatherbee, 84, of Albion died July 27, 2022 in the Martin-Linsin Hospice Residence following a long illness. She was born April 28, 1938 in Batavia, NY to Ellsworth and Ella (Mapes) Sands and had lived in this area most of her life. Beverly worked as a cashier for over 25 years at SUNY Brockport. She was an extraordinary hard worker and had a special love for animals; especially her horses. Mrs. Weatherbee was predeceased by her husband, Walter and sister, Joan Ritz. She is survived by her son, Eric (Betty) Weatherbee of Holley; daughters: Cindy (Bruce) Albone of Albion, Kellie Weatherbee of Holley; grandchildren: Stephanie Dodson and Emily (Ken) Baker, Megan and Travis Weatherbee, Cassandra, Joshua and Addison Heintz; great-grandson: Grayson; as well as several nieces and nephews. The family will receive friends at the Christopher Mitchell Funeral Home, 16650 State Route 31, Holley, Tue., Aug. 30 from 10 am - 12 pm ONLY. Private interment in N. Byron Cemetery will be held at the convenience of the family. In lieu of flowers, memorials may be made to: PAWS, 3371 Gaines Basin Rd., Albion, NY 14411. The family would like to extend special thanks and love to "The Girls" at the Willows for the love and care they provided for Beverly. **Tips on how to write
CLASSIFIED ADS
that sell!**

- 1 USE A KEY WORD.** This immediately tells the reader exactly what you have to sell.
- 2 Make your description CLEAR AND FACTUAL.** State the year, make, model, color & size and tell what condition the item is in. Also, state the special features.
- 3 STATE THE PRICE.** Successful classified advertisers have learned that the price in an ad helps increase the chances for results.
- 4 IF THERE IS A GENUINE SENSE OF URGENCY,** say so. The words "We're moving," or "Must sell fast," suggest that readers respond immediately.
- 5 INCLUDE YOUR PHONE NUMBER.** Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 9pm" or "before 11am."

Do you have HEEL pain or ARCH pain?

HEEL SPUR SYNDROME/PLANTAR FASCIITIS is a common problem among people who are active. It starts as a dull intermittent pain in the heel and progresses to a sharp persistent pain. Classically, it is worse in the morning with the first few steps, after sitting, after standing or after walking.

- Plantar fasciitis often begins with irritation and tearing of the fibrous band of tissue on the bottom of the foot, which may eventually result in the formation of a heel spur.
- Contributing factors: Flat pronated feet, high arched feet, poor shoe support, increase age, sudden weight increase, increased activity level, family tendency.
- 95% of our patients' symptoms are resolved with conservative treatment, avoiding surgical intervention.
- We also offer surgical procedures with the best post op success rates using Endoscopic Plantar Fasciotomy techniques (minimal incisions and scarring; often back in a shoe in 1 week).

Creative hobbies can lead to personal and professional growth

Much has been made of the value of hobbies in providing a distraction from the daily grind. The value of escapism is hard to define, but many successful professionals find that having a hobby that has nothing to do with their profession provides a much-needed respite during those times when work becomes overwhelming.

Hobbies might provide an invaluable escape for busy professionals, but those professionals should know that creative hobbies also could benefit their careers. A 2014 study published in the Journal of Occupational and Organizational Psychology found that non-work creative activity was positively associated with performance-related professional outcomes, including job creativity.

With so much to gain from engaging in creative hobbies, individuals looking for valuable ways to spend their time away from the office can take up activities such as painting, writing, sculpting, dancing, and/or knitting, among others. It's worth noting that the value of taking up such activities goes beyond personal and professional growth. According to the experts at Solara Mental Health, creative pursuits such as art increase brain plasticity, which is the brain's ability to grow and change over time. Increased brain plasticity can make it easier to learn new skills and maintain flexibility of thinking into old age. Increased brain plasticity also has been linked to a greater ability to maintain a high IQ.

Creative hobbies are often characterized as a valuable way to blow off steam and reduce stress associated with the many responsibilities of adulthood. Though such characterizations are accurate, the value of creative hobbies extends much further and can positively affect individuals' careers and long-term health.
