ARIES (March 21 to April 19) You're wise to let your Arian skepticism question a former adversary's request to let bygones be bygones. Time will tell if they are trying to pull the wool over the Lamb's eyes.

TAURUS (April 20 to May 20) Congratulations. Your hard work soon pays off with some well-deserved recognition. Meanwhile, that important personal relationship needs more attention from you.

GEMINI (May 21 to June 20) That new person in your life seems trustworthy, but don't turn him or her into a confidant just yet. Remember: The secret you don't reveal is the one you won't lose sleep over.

CANCER (June 21 to July 22) Your kindness makes a difference in someone's life. But by the week's end, a touch of Cancerian envy could create a problem with a colleague. Take care to keep it under control.

LEO (July 23 to August 22) A new spurt of energy sends you roaring back into that challenging work situation. But be careful not to overdo it, or your sizzle could fizzle before your task is completed.

VIRGO (August 23 to September 22) Your practical sense helps you see the logic of being a bit more flexible with a workplace colleague. But you still have a ways to go before there's a true meeting of the minds.

LIBRA (September 23 to October 22) A surprise situation could cause you to spend more money than you feel you can afford. But, careful budget adjustments will help. Your fiscal picture soon brightens.

SCORPIO (October 23 to November 21) That decision you made might still have its detractors, but your supporters are growing. Meanwhile, your personal life takes on some welcome new developments.

SAGITTARIUS (November 22 to December 21) Matters of the mind intrigue the sage Sagittarian through the week's end. By then, you should feel more than ready to make room for pursuits of the heart.

CAPRICORN (December 22 to January 19) The canny Capricorn can offer good counsel to others. But how about taking some advice yourself from a close friend or family member who is able and ready to help?

AQUARIUS (January 20 to February 18) A new workplace opportunity offers a variety of challenges that you might find intriguing. Best advice: Take things one step at a time so that you don't feel overwhelmed.

PISCES (February 19 to March 20) A bid to revive a relationship that ended on a bitter note needs to be carefully thought-out before you can even begin to consider plunging into a new emotional commitment.

BORN THIS WEEK: You enjoy being with people, and people love being with you. You would probably do very well in politics.

Long Deployment

Just before our first long deployment, two Navy buddies and I were talking about the stress of leaving our families.

A senior officer, a veteran of many deployments, overheard our conversation and offered the following advice: "You must be sensitive to your wives' emotional needs," he said. "Never, ever, whistle while you pack!"

Danville Kiwanis Club Speaker

On August 4th, Katelyn Schifano who is employed at the Richmond-based Massey Cancer Center at VCU discussed colorectal cancer with members of the Danville Kiwanis Club. Katelyn reviewed the primary screening methods to detect possible malignant polyps in the large and small intestines and pointed out that with proper screening, colorectal cancer is a preventable cancer. She also pointed out that annually 50,000 individuals will die from colorectal cancer. With Katelyn is Vanessa Scarce who chairs the program committee for the Kiwanis organization. The meeting was held at the Stratford Conference Center in Danville.

Wendell Scott Foundation Announce Charity Ride to Honor NASCAR Legend

Danville, VA – August 8, 2022 - The Wendell Scott Foundation is proud to announce the first-ever Wendell Scott Charity Ride to celebrate the 101st birthday of NASCAR legend Wendell Scott. It will take place Saturday, August 27, 2022. Registration to participate is \$20 and begins at 11 am.

Sponsored by the Buffalo Soldiers MC of Southside Virginia, the ride will begin in Danville, Virginia, at the Otterbots Stadium at Dan Daniel Memorial Park and end in the same city at Thunder Road Harley Davidson. The Virginia Buffalo Soldiers Motorcycle Club promotes activities that benefit the community by being positive role models, giving back to the community, supporting veterans, and promoting the history of African American veterans.

The ride will cover several locations that tell the story of Scott's life, his legendary NASCAR career, and old stomping grounds, all to raise awareness for the Wendell Scott Foundation. The Wendell Scott Foundation, Inc. is a 501(c) (3) nonprofit inspired by Wendell Scott Sr. It provides job-skill training, STEAM education opportunities, mentoring, and other supportive services to at-risk, underserved youth between the ages of 8 and 18. The foundation has funded thousands of dollars in programs and scholarships to youth from underserved and economically challenged communities. On December 1, 1963, Wendell Scott broke the color barrier, becoming the first and only African American NASCAR driver to win a Grand National race, NASCAR's highest level.

Kickstands up at 1 pm. The Army Honor Guard will open the ceremony, followed by a welcome, safety training, and presentation by special guests. All participants must be registered and receive a wristband to be included in the line-up. Concessions will be open and available.

Spectators are encouraged to attend to greet the Scott family and the riders, purchase memorabilia, and make donations.

The Wendell Scott Charity ride is made possible by presenting sponsors Buffalo Soldiers MC of Southside VA, as well as Thunder Road Harley Davidson and the Danville Otterbots.

For more information about the ride or to donate, please visit www.wendellscott.org.

DCC Accelerates Student Focus for Fall Semester

DANVILLE, VA — In an effort to better serve their students and those who may be interested in attending classes in the fall, Danville Community College (DCC) is now open for registration for the Fall 2022 semester with more opportunities than ever for potential students to come to campus and get enrolled.

“With fall enrollment well underway, we are taking a look at the students that we serve and are taking extra care to ensure accessibility in our student facing areas,” said Dr. Jerry Wallace, president at DCC. “We know that students who work, care for children, or have other barriers may have a difficult time coming to campus during traditional business hours. Providing appointment-free and weekend hours for these individuals to come to campus and get registered for classes will help support this need.”

DCC Enrollment and Advising Services, Business Office/ Student Accounts, and Financial Aid Office, will be open for walk-ins with no appointment on Wednesdays in August from 10:00 am to 6:00 pm in the Wyatt Building on the DCC Campus. Prospective students can come in to inquire about classes, apply to attend DCC, register and pay for classes, and apply for financial aid.

DCC will also be holding an Open Enrollment Event on Saturday, August 20, from 9 a.m. – 1 p.m. to provide weekend access to those who wish to apply and enroll in classes for the Fall Semester.

“This is such a great opportunity to open our campus on the weekend for those who may have trouble coming in during the week,” said Dr. Cornelius Johnson, vice president of academic affairs for DCC. “We want to make it as easy as possible for our students to reach their higher education goals with us. Interested individuals can utilize this time as a ‘one-stop-shop’ to get started at DCC.”

For more information about Danville Community College, or to apply, visit danville.edu.

CRUSTLESS HAM AND CHEESE QUICHE

Ingredients

- 1 cup cooked ham diced
- 1 cup zucchini shredded
- 1 cup cheddar cheese shredded
- 8 large eggs
- ½ cup heavy cream
- ½ teaspoon dry mustard
- salt & pepper to taste

Instructions

Preheat oven to 375°F. Grease a 9" pie plate. Place zucchini on a paper towel and squeeze to remove moisture. Combine ham, zucchini and cheddar cheese in a pie plate. Whisk eggs, cream and seasonings. Pour over ham mixture. Bake uncovered 40 minutes or until a knife inserted in the center comes out clean.

* You can whiten chopping boards with lemon juice. Just use the cut side of a lemon to scrub the board, let it sit for up to 10 minutes, and rinse clean.

* If you are stuffing pillows or a child's toy with foam rubber chips, rub a bit of fabric softener over your hands first. The tiny pieces won't get stuck to your hands with static, and it will smell nice to boot!

* Here's a fun activity for the kids: Let them "paint" cookies. Using clean craft brushes or watercolor brushes, the kids can use food coloring to paint designs on cookies. They can even paint the dough before it's been cooked and see how the design spreads and settles.

* "We made our own umbrella stand by taking the bottoms off of two large coffee cans, and then stacking them on top of a third can with only the top removed. We taped the cans together and covered the whole thing with leftover wallpaper, which we sealed where it overlapped." -- I.D. in Ohio

* If you have stubborn shellac on your paintbrush, try dissolving it by soaking in alcohol. Make sure you do this in a ventilated area.

* Need a funnel quickly? Double a sheet of aluminum foil and roll into a funnel shape. It works!
