## Kiwanians Supports Performing Arts

Kiwanians Duane Hurley, left, and Dick Mataloni, right, presenting a check to Jessica Schable and John Moore, to be used for the newly formed "Okobojo Performing Arts."

Graduates of Okobojo High School, both Schable and Moore have not only excelled at music performance, they both make their living through music venues. Moore stated, "There was no better place to learn music than the Okobojo Schools, and there is a heart of service here in this place we call home."

Okobojo Performing Arts will be working to create an inclusive and diverse environment for area students and community members alike to increase awareness, appreciation, and participation in the arts in new and exciting ways. From musical performances to storytelling, Okobojo Performing Arts' aim is to assure that cross-cultural engagement is enjoyed by local residents.

An important part of this group is offering educational opportunities in the performing arts for area students, and the Milford Kiwanis Club has designated their donation to this specific effort, that of providing opportunities for music training and accessibility for youth.

Watch for continued exciting news about this much-needed organization. They hope to schedule performances for this fall, and there is excitement in the air regarding their planned events. As Schable stated, "Fine Arts are not just for urban areas, this is needed in rural areas, and we are proud to give back to the community who has done so much for us!"

## Kiwanis Supports Local Projects

The Milford Kiwanis group was pleased to present a check to Aubry Knudtson and Zach Steffes, youth representatives from St. Joseph's Church in Milford and St. Mary's Church in Spirit Lake to support the Lakes Food Project. Representatives from the project, Teresa Goehring, Asher Knudtson, Zach Steffes, Jenny Dykema, Catherine Straus, and Lily Miller, shown below, presented the idea to the Milford Kiwanis.

The Lakes Food Project assembled and packed nearly 170,000 meals to send to Poland. Because of the war in Ukraine, 4.9 million Ukrainian refugees have sought safety in Poland, strapping the food supply for millions of people. What started as an idea of some local youth of sending 30,000 meals has more than quadrupled to 168,000 meals. All the costs have been raised, including the shipping, trucking, and administrative fees. A community effort was conducted on August 10th and included 3 shifts of 175 people in each shift. This effort will not only feed the people of Poland and Ukraine, but it brought together the Lakes Area community, schools, and churches and developed good leadership in our youth. Milford Kiwanis is proud to be a financial contributor to this much-needed effort and is happy to report that several local Kiwanians were able to attend the line and help assemble meals for this great cause!

## Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, IA 51360

This week at Lakes Area Farmers Market you can find melons and squash. There is still a lot of sweet corn and tomatoes and a good supply of green beans on Saturdays. Cucumbers are slowing down. Some things are harder to find, such as beets, carrots, and kohlrabi. Come early for the best selection. Besides pies, coffee cakes, rolls, and cookies you can also buy fudge and sometimes fruit crisps. Apples should be arriving in a week or two. The Bread Man will not be at the market for a few weeks due to an illness in the family. Most crafts are available both days and there is usually a large selection. There is about 6 weeks of market left this year so now is the time to find those unique gifts or other items you were thinking about buying. Lakes Area Farmers Market is located on the fair grounds in Spirit Lake and is open Wednesdays and Saturdays from 7:30 a.m. to 12:00 noon. We hope to see you there.

## Celebrate and Learn Hispanic and Native American Cultures at the Fair

Hispanic and Native American cultures will be celebrated with their own special festivals in Central Park during the 2022 Clay County Fair powered by SMU.

"One of the goals of the Fair is to recognize and celebrate all of the diverse cultures that can be found in Clay County and northwest Iowa," said Fair Manager Jeremy Parsons. "These two events help us to accomplish that goal and provide unique entertainment and educational opportunities."

A new feature at the 2021 Fair, the Hispanic Festival will return on Sunday, September 11, with two musical artists. Popular local radio host DJ JC will perform at 3:00pm, followed by Rey De Rancho, a local favorite and a popular norteña band based out of Mankato, Minnesota. They will be performing sets starting at 4:30pm.

Brand new at the Fair in 2022 is the Native American Festival on Sunday, September 18. Performing at 11:00am, 1:00pm, and 3:00pm, The Many Moccasins Dance Troupe is an international professional Native American dance ensemble. **2022-2023 YIP Application Online**

Youth In Philanthropy (YIP), a program of the Okoboji Foundation, is currently accepting applications through Friday, September 10th, for the 2022-22 school year. Applications are available online at [www.okobojifoundation.org/yip](http://www.okobojifoundation.org/yip) and open to all high school students, freshman through senior, in Dickinson County.

The YIP initiative was created in 2010 to empower and challenge area youth to identify community needs and build a sense of social responsibility while teaching the next generation the importance of community giving.

High school students interested in personal development, community awareness, and leadership skills are invited to apply. YIP participants from previous years are invited to reapply. All applications will be read and scored by the YIP Steering Committee without knowing names of the applicants. Up to 25 students will be selected to participate.

Students receive community service hours as they learn about the work of the Okoboji Foundation and area nonprofit organizations, fundraising for their own grant process, and recommend awards to vital nonprofit projects.

Since the program's inception, 190 students have raised over \$525,500, and granted out over \$415,300 to area nonprofit programs.

To learn more about how you can get involved please contact Mindy Gress or Ali Schmitz at the Okoboji Foundation at 712-332-7177 or [info@okobojifoundation.org](mailto:info@okobojifoundation.org).

**Hawkeye Football Preview**

It's hard to believe that the college football season is less than two weeks away; while I hate to see summer ending, it is always exciting to have football just around the corner, and it should be another fun year for college football fans in the State of Iowa. This week I will take my attempt to predict the season for the Iowa Hawkeyes, with my Iowa State Cyclones column coming in our August 30th edition. I am not always correct with my picks, but I was pretty dang close with Iowa last year as I predicted the Hawks would finish 10-3 and play in the Citrus Bowl; they ended up with a great 10-4 season, that included a 10-2 regular season before they fell to Michigan in the BIG Championship game and then had a close loss to Kentucky in the Citrus Bowl.

The Hawks enter the 2022 stretch with high hopes of another successful season. Much of Iowa's fortunes will depend on how junior QB Spencer Petras develops. Petras had a very pedestrian 2021 season, where he showed an incredibly strong arm but also battled inconsistency, throwing for 10 touchdowns with nine interceptions while completing just 57% of his passes. Petras will have some quality receivers to throw to this season with Keagan Johnson, Arland Bruce and Nico Ragaini all returning. As usual, the Hawks have a great tight end in senior Sam LaPorta, who led Iowa in receptions last year with 53. Iowa has some question marks at running back with Tyler Goodson departing a year early after rushing for 1,254 yards, but Gavin Williams showed some nice glimpse in spot-duty last season, as did Leshon Williams. Iowa's line will definitely miss All-American center Tyler Linderbaum, who was another Hawkeye First Round NFL Draft pick, but the rest of the line should be improved from last season with three returning starters.

Iowa's defense was dominant in 2021, holding opponents to just 19.3 points per game while having an impressive +12 turnover margin. The strength of Iowa's defense will be their defensive backfield, which picked off a staggering 25 passes last season. This group is led by All-BIG selection cornerback Riley Moss and strong safety Kaevon Merriweather. Iowa's linebackers are also some of the best in the nation with Jack Campbell, Seth Benson and Justin Jacobs all back after impressive 2021 seasons. Joe Evans returns to anchor the defensive line, and had a great 2021 season with seven sacks, but Iowa will need some youngsters to step-up as they lost some key starters in this unit. Iowa's special teams are led by All-American punter Tory Taylor. Taylor was arguably the best punter in college football last season as he constantly flipped the field for the Hawks, punting 80 times for an amazing 46.1-yard average. It's not often that a 10-win team punts 80 times, but Iowa used Taylor as a weapon last year and it worked to perfection. The Hawks will have to replace All-BIG kicker Caleb Shudak, who was very accurate with a strong leg, making 24-28 field goals last year, and All-BIG returner Charlie Jones, who transferred to Purdue.

Iowa's schedule in 2022 is not an easy one, especially in BIG play as the Hawks will have to play BIG East powers Michigan and Ohio State this season. The key to Iowa's success will rely heavily on whether Spencer Petras has improved since last year, and can he lead the offense to more than 23.4 points per game? The Hawkeyes defense and special teams will once again do their part, but Iowa can't depend on having the kind of game-changing performances that bailed out their offense game after game last year. If Iowa can be even average on offense, they should be in for another very good season. While I think Petras and the offense will be better than 2021, I don't think the Hawks will be as good at turning teams over or as dominant in the special teams area. I look for Iowa to finish the year with a 9-4 record that includes a victory in the Las Vegas Bowl.

LETTERS TO THE EDITOR

To the Editor Spirit Lake you did it again! We had a Red Cross Blood drive on August 15, 2022, and you were so generous in giving, we topped our goal!

We had 57 scheduled with a total of 45 units obtained, our goal being at 36 so this was awesome to be able to meet our goal and then some. We had 9 deferrals, and 5 power reds for 10 units. Again... we had 6 no shows which continues to be very frustrating and disappointing.

On behalf of the American Red Cross, I wish to express my deep appreciation and say "Thank You" to all the volunteers and donors.

Our blood banks continue to be dangerously low and we cannot manufacture blood, it is so important to do what we can to increase our supply.

You all made a difference in someone's life and your generosity is most appreciated by those needing transfusions in trauma situations and for on-going treatment of chronic life-threatening illnesses.

Mark your calendar for October 17, 2022, when we will have a blood drive again. Please go on the Red Cross Blood Service Web Site.

## Okoboji Foundation Supports Spirit Lake Music

The Spirit Lake music program was recently presented with a generous \$3,000 donation from the Okoboji Foundation. The gift was in response to the assistance provided by the students and their parents during the foundation's Giving Spirit Event held this summer. "It is our big

event each year and we could not have made this event happen without them," said Mindy Gress (far right), Okoboji Foundation President.

Spirit Lake Band Director, Mr. Tyler Pederson (far left), accepted the donation along with members of the Spirit Lake

Force Marching Band. The band will be performing Becoming the Tin Man this fall during half-time at the Spirit Lake home football games on September 2nd, 9th, 23rd, and 30th. Please join them and show your support!

# Obituaries

A memorial service for Brian Schwarting, 70, of Harris, was held Monday, August 8, 2022, at 2:00 p.m., at United Methodist Church in Harris. Burial was at Union Cemetery in Harris.

**Brian Dean Schwarting** passed away peacefully at his home in Harris, Iowa, on Monday, August 1, 2022. He was born on November 11, 1951, to Milton and Lorraine (Lee) Schwarting in Sibley, Iowa, the eighth child born to what would become a large family of 13 children. He was baptized at the United Methodist Church in Harris and he would grow up doing all the things boys could do in a small town. In his teens he was the first of three brothers to go to work for his cousin Barry Forbes at his meat processing business in Harris where he learned to become a meat cutter. He would use this skill at various times throughout his life, working for Barry and his brother Kevin who owned The Butcher Shop in Lakefield, Minnesota.

Brian graduated from Harris-Lake Park Community School in 1970 and, like two brothers before him, he would join the U.S. Navy in 1971 where he served aboard the USS Flint during the Vietnam Conflict. His duties aboard ship included that of a chef but he primarily worked as the ship's meat cutter. He was proud to have served his country, talking often about his time in the Navy. He supported various military organizations financially through the years and was also a member of the American Legion in Ocheyedan, Iowa.

After his honorable discharge in 1975, Brian settled in South Sioux City, Nebraska, where he worked as a meat cutter at Iowa Beef Processors in Dakota City. He later moved back to Harris, where he would use his meat cutting skills again working for family members.

He went to work at Pure Fishing in Spirit Lake in February of 1994 until he retired from there in April of 2012.

When he wasn't working he loved to go fishing, and enjoyed swapping stories about fishing with anyone who would listen. He also enjoyed going hunting especially when he had his black Lab "Bud" at his side. He liked to brag a little about catching a 41 pound catfish at a tournament in Minnesota which earned him first place. He loved movies, music, and was a huge sports fan cheering for his two favorite teams, the Raiders and the Red Sox. He enjoyed spending time with his large extended family and friends. He was fondly known by his siblings and friends as "Gizzard" and was always willing to lend a hand when someone needed some help.

He will be missed many but especially by his siblings, he was really a good guy!

Left to cherish his memory are his siblings: Janice (Donald) Bonds of Evergreen, CO; Jodelle Fliss of Arnolds Park, IA; Jerilyn Martinez of Sanford, FL; Vern (Tammy) Schwarting of Spencer, IA; Janine Novotny of Oakland, NE; Kevin (Marlee) Schwarting of Lakefield, MN; Kent Schwarting of Apopka, FL; and Jill (Max) Miller of Bancroft, SD; several nieces and nephews, grandnieces and grandnephews, many other relatives and friends.

Turner Jenness Funeral Home was in charge of arrangements.

## Iowa STEM Council and Kemin Industries Announce Opening of Nominations for Educator Award

The Iowa Governor's STEM Advisory Council is again partnering with Kemin Industries for the ninth year of the Iowa STEM Teacher Award. Nominations opened August 21, 2022, and will be accepted through Tuesday, October 11, 2022, at 11:59p.m.

The Iowa STEM Teacher Award recognizes one full-time, licensed PreK-12 teacher from each of the state's six STEM regions whose passion for science, technology, engineering and mathematics (STEM) motivates their students to develop a lifelong interest in STEM fields—both in and out of the classroom. The six selected recipients will each receive an award of \$1,500 for their classrooms and \$1,500 for personal use.

"Iowa's teachers of STEM are the front line of talent development steering young people to rewarding, high-demand careers that await across Iowa," said Jeff Weld, executive director of the Iowa Governor's STEM Advisory Council. "That makes teachers Iowa's most important workforce developers toward a strong Iowa economy, and for that we are grateful to each and every one of them. For that reason, we're proud to partner with Kemin Industries to recognize six exemplary representatives each year."

Any individual can nominate a teacher by visiting [iowastem.org/teacheraward-application](http://iowastem.org/teacheraward-application) and completing the nomination form by Tuesday, October 11, 2022, at 11:59 p.m. Following nominations, eligible educators will fill out an application for review by a panel of judges. The award recipients will be announced in early 2023.

"An excellent teacher has been the impetus for many of our employees entering STEM fields and taking on careers at Kemin, and we are thrilled to recognize these outstanding educators for the life-changing work they do," said Dr. Chris Nelson, president and CEO of Kemin Industries. "By shaping curious young minds and inventive spirits today, these teachers are preparing a competent, critical-thinking and imaginative workforce that will be well-prepared to face a rapidly changing future. We are deeply grateful for their role in helping find solutions to tomorrow's challenges, and proud to recognize their efforts."

**Garden Vegetable Hummus** - Makes 2 1/2 cups

1 19-ounce can chickpeas, drained & rinsed  
3 to 4 cloves garlic  
1/2 green bell pepper, cut into chunks  
1/2 red bell pepper, cut into chunks  
4 green onions (or 1 medium onion, cut into chunks)  
1/4 cup chopped fresh basil or Italian parsley  
2 tablespoons extra virgin olive oil  
2 tablespoons lemon juice  
2 to 3 tablespoons tahini  
Salt & freshly ground black pepper  
Chopped fresh parsley for garnish  
Sliced fresh vegetables or pita chips (to serve)

Combine all ingredients except parsley in a food processor fitted with the steel blade. Process with quick on/off's to start, then let the motor run until the mixture is very smooth, about 2 minutes, scraping down the sides of the bowl as needed. Transfer the hummus to a serving bowl and sprinkle with parsley. Cover and chill for 1 to 2 hours before serving. (Hummus will thicken when refrigerated.) Serve with fresh vegetables or pita chips.

**Pomerantz Hall**  
 (l-r) Art Stevens, Helen Bauman, Jean Culver, Collier Hunt, and Maureen, (Ms. Rambo) enjoyed not only the Big Band sounds of the Dick Bauman Big Band on August 16th, but each other's company -- even after the band retired for the evening.

## Where is Fishtown?

You've probably never heard of Fishtown, Michigan. We hadn't heard of it either, until last Monday night, when Collier Hunt strolled into Pomerantz Hall at the Pearson Lakes Art Center in Okoboji to check out *The Dick Bauman Big Band*; he was wearing a Fishtown shirt. It was only a few hours earlier that Collier and his travel partner Jean Culver, who calls Anson, Maine, her home, had never heard of Okoboji, either -- let alone *The Dick Bauman Big Band*. The travelers first met in Florida, and were en route north with no particular travel plans. It wasn't that they were fighting. It was simply the start of an adventure that continues with no particular route or schedule, even as you are reading this. Okoboji came on the horizon when the two were in the area Monday and realized they had no plans on a stopping point for the night.

Two smart phones made the decision easy. Upon calling the booking group they had used previously, Okoboji came up as one of the options. And once the reservation was made, Jean called her daughter (in Alaska!) to update her on their plans. With no hesitation, darling daughter quietly searched for Okoboji events and enthusiastically told her mother that there was a Big Band concert in Okoboji starting in just a couple hours -- and she suggested that the two would enjoy the show. They did, also commenting on the Art Center very positively. They also enjoyed a show at the Roof Garden and a cruise on the *Queen II* before taking what is generally regarded to be Horace Greeley's advice to "Head West..." It was Collier's shirt that first sparked the conversation at the table. Not unlike the famous UoFO garb, Fishtown is a small, but proud area. Collier's shirt that promoted Fishtown -- a small part of Leland, Michigan -- an unincorporated area where Collier lives, with a population pushing about 400 residents -- many of whom are apparently involved in the fishing industry.

The lively conversation at the table was constant until the music stopped, and it was suggested that we all get together just down the road for some ice cream. That's when the party almost ended, as we were told the ice cream machine was out of service! (You probably know which establishment we're mentioning here, although we decline to note the name of the establishment in order to protect the guilty.)

The next words came from Helen Bauman -- whose late husband founded the *DBBB* in 1997. Helen popped up with an invitation for us all to get together at her condo just a few blocks down the highway. When Helen explained that she had some peppermint ice cream in the freezer everyone headed in Helen's direction, post haste. While the time -- and Helen's ice cream -- went quickly, our travelers were still driving on Saturday -- heading up through South Dakota -- which is the opposite direction of their homes. Interior, South Dakota, with its 65 residents, was on their itinerary. The duo had stopped in LeMars to check out the Blue Bunny's products and tour the Blue Bunny Museum. Just as someone had suggested Monday night. While both were impressed, Collier's reaction was that his ice cream cone was almost a half-gallon of ice cream! Chamberlain was also one of their scheduled stops, but still with no certain plans for their eventual return to Michigan and Maine. Jean said the trip -- and Okoboji, especially -- was an eye-opener for her and Collier alike. They were legitimately impressed not only with the scenery, but with the people they were meeting. While she explained that while she was happy living in Maine her entire life, Jean said their recent excursions let them see for the first time that both of them really felt like they had become part of a larger community. -- all across the country, after time spent in Okoboji. Remember, it was music that brought Jean and Collier to the PLAC to enjoy the band. And, music does make the world go 'round' We note that so you don't recall that we actually paraphrased the song about "love" making the world go 'round'.

While it might surprise you, there are most often several young music lovers in the seats at the *DBBB* performances. And when Greg Forney was band director at the Okoboji High School, he gave several young student musicians a chance to sit in with the *DBBB*. That was a pleasure for all!

While there have been many other travelers in the area recently, at least one couple had several family ties to Ruthven, going back to Hanna's Cabins near Ruthven, and a filling station on Old Highway 18 at the Ruthven corner, along with several other businesses. Dawn Swanson was a second cousin to State Representative Josephine Gruhn, who passed away in 2015. Add to that the fact that both Dawn and her husband Steve Douglas were frequently "A" Students during the days we had a weekly, radio program with a lot of Big Band and Jazz recordings. (They answered many musical questions just once a year as the rules allowed.) The two spend much of their time in California, but try to be on the campus of the University of Okoboji through the summer months. Their cottage is near Gull Point State Park, on West Lake Okoboji. And they find time to sing in the Calvary Church Choir, in Arnolds Park -- and usher at the Pearson Lakes Art Center, while enjoying concerts at the Roof Garden, as well...

This week will still see the summer session continue on campus, with Labor Day weekend being about as late as it can be, on September 5th --after the Iowa Rock 'n' Roll Hall of Fame inductions over the holiday weekend. Between now and Labor Day there is still something going on almost every night -- with some concerts doubling up on each other. So be it! Ryan Sather will be a high-light of Wednesday's Sunset event from 5-9:00, Wednesday night, at The Gardens; while Terry Klein will be performing from 6-8:00 at the Spirit Lake VFW. Jeremy DeWall will be seen and heard on the stage in the barn at The Little Swan Lake Winery Thursday night, from 6-8. Anna Surento will fill the barn with music on Saturday, from 6-8:00; followed by Rick Ayres' *Jazzed Up 6Tet*, Sunday, from 4-6:00. Reservations are requested, 712-858-4592....

Research director RD is back with a bit softer take on weather in the autumn world of music starting with *Take the Wind Day*, today, with some weather-appropriate '60's pop hits, including the 1967 chart-topping, *Windy*, written by Ruthann Friedman, and recorded by *The Association*, as well as guitarist Wes Montgomery. *We Can Fly* is the title track of The Cowbills' well-received 1968 LP co-written by Bob Cowbill, who turns 73 on August 26th.

And, finally, there is The 5th Dimension's 1967 multi-Grammy Award-Winning song *Up, Up and Away*, by Jimmy Webb, who has performed at the Pearson Lakes Art Center. Laura Fygi turns 67 on Saturday. Her well-received 1995 release of *Turn Out the Lamp Light*, for Mercury Records, features Van Morrison's Grammy-winning composition, *Have I Told You Lately*, -- is a song not to be confused with a similar title, *Have I Told You Lately That I love you*, which was written by Scotty Wiseman 50 years earlier....

Sunday is Bow Tie Day. Several comedians are well-known for wearing bow ties including Stan Laurel, Charlie Chaplin and Jerry Lewis, who recorded the wacky 1950 novelty number, *Sunday Driving*, written by Leon Pober, who is more famous for another song, Don Ho's *Tiny Bubbles*.

## Laker Athletics Featured at August Board Meeting

The Iowa Lakes Community College Board of Trustees met Tuesday afternoon for their regularly scheduled board meeting in Estherville.

Julie Williams, Executive Dean of Students, introduced Troy Larson, Athletic Director and Head Men's Basketball Coach. Larson has been employed at Iowa Lakes since 2007 and earned his Associate in Arts degree from Iowa Lakes Community College, a bachelor's degree from Morningside College, and a master's in business administration from the University of South Dakota.

Iowa Lakes Community College is home to 16 NJCAA men's and women's athletic teams competing in the Iowa Community College Athletic Conference (ICAC), with athletic teams housed in the Emmetsburg, Estherville, and Spencer Campuses.

"We are looking forward to this year's competitive season and the addition of Women's Wrestling for the Fall of 2023," said Larson.

Women's Wrestling is the most recent sport to be included in the competitive athletic offerings at Iowa Lakes. There are five other community colleges in Iowa offering Women's Wrestling. Larson then introduced Iowa Lakes student-athlete Rachel Breck from Waseca, Minnesota. Breck was recruited to play women's basketball but ultimately became a multi-sport athlete for the Lakers, participating in both volleyball and women's basketball.

"I chose Iowa Lakes to continue my athletic career, initially with women's basketball, but I was excited when I was able to be a part of two teams as a Laker," said Breck.

Breck plans to graduate following Fall 2022 with an Associate in Arts degree in Business Administration and a Photography Diploma.

"When I came to Iowa Lakes, I was uncertain about what I wanted to do for a career, but I am so glad that I came here because I found the creativity and interest in photography that I never knew I had," said Breck.

Robert Leifeld, Vice President of Administration, presented the Summer 2022 graduates list which was approved.

Jolene Rogers, Executive Director of Community and Business Relations, received approval to accept a preliminary agreement for a new job training project.

Beth Elman, Executive Director of Marketing, updated the Board on the Fall 2022 schedule and events happening on campus.

Elman shared, "We are excited for the upcoming academic year and look forward to welcoming students back on campus this weekend with move-in days. Classes begin on Tuesday, August 23, and there is still time for students to register."

The Iowa Lakes Community College Board of Trustees will hold their next meeting on Tuesday, September 20, 2022, at 4:30pm at the Administration Building, 19 South 7th Street, Estherville, Iowa. The Work Session will begin at 4:00pm.

**Virtual Drought Meeting**

The drought conditions in parts of Iowa are causing major concerns for both crop and livestock producers. To help address those concerns, Iowa State University Extension and Outreach will be hosting a virtual drought meeting.

August 23, 12:00pm – Virtual statewide meeting. To view the virtual meeting, go to <https://www.aep.iastate.edu/drought/view.html>.

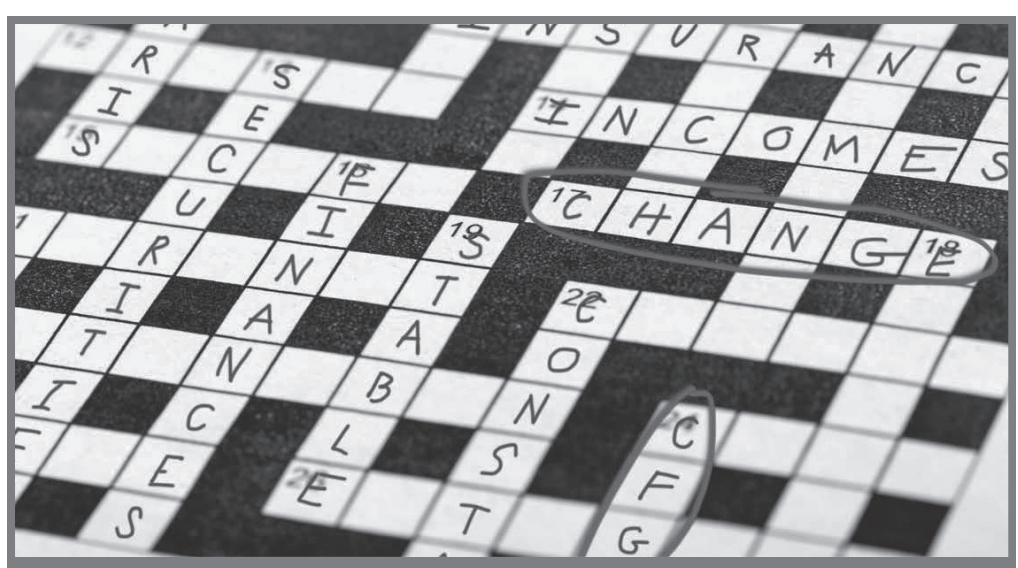

Meeting topics and speakers include drought impacts on crops and forages, how to manage livestock and drought-stressed forages, prepare for use of alternative forages, and crop insurance and marketing decisions.

Speakers include Aaron Saeugling, Clarabell Probasco, and Rebecca Vittetoe, field agronomists with Iowa State University Extension and Outreach; Chris Clark and Patrick Wall, beef specialists with ISU Extension and Outreach; Patrick Hatting, farm management specialist with ISU Extension and Outreach; and representatives from the Farm Service Agency.

No pre-registration is required, and the meeting is expected to last about 90 minutes.

For questions about the meeting, please contact Rebecca Vittetoe at 319-653-4811 or [rka8@iastate.edu](mailto:rka8@iastate.edu).

## Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and amenities our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

This week's adventure was attending a couple fundraisers in the area. Our community has a wide variety of nonprofit organizations that provide us services or entertainment to improve our quality of life. They are each supported different financially, but many host an annual fundraiser to build awareness, excitement, raise money. Friday night I attended the Conservation Foundation of Dickinson County fundraiser at the new Maser Monarch Lodge in Kenue Park. It is a beautiful space that many attendees had never visited before. There was plenty of time to visit before the program started, and while waiting for the buffet or visiting the silent auction tables. After everyone sat down to eat, we were welcomed to the event and told about some of the recent exciting projects. An especially fun part of the evening was hearing from Delores Maser, who has been instrumental in many of the recent projects done at the Nature Center. Her passion for nature and the cause we were all supporting radiated, and the room was filled with smiles. The evening closed with a wonderful presentation by Tom Gustafson. He shared some unique images of nature in our community. We were left with the feeling that we live in a very beautiful part of the world. Make sure you pause to take in the beauty!

Saturday night I attended the Arnolds Park Amusement Park fundraiser in the Roof Garden. It was a sold out event filled with people who care about preserving a special place that provides fun. Again, there was plenty of time to visit before we were seated for dinner. (In case you didn't know, my favorite parts of a fundraiser are the social hour, and a good silent auction!) I circled the room saying hello to as many people as possible, and settled into my seat to review the silent auction items on the app from the convenience of my phone! Following dinner there was a lively auction, and interesting historical presentation on the Topsy House by Jonathan Reed. Then even more money was raised to rebuild the Topsy House, a true treasure in our Park that generations have enjoyed, and will hopefully continue to enjoy well into the future!

If you haven't already, consider attending a fundraiser to support a local cause you believe in. Not only will you help raise much needed funds, but you'll also walk away with a renewed message about a cause that you care about. You might even learn something new about an organization that makes you love them even more! You can learn more about area nonprofits at [www.VacationOkoboji.com](http://www.VacationOkoboji.com), but the best way to gain information is to reach out to them directly. Call them or stop in to see how you can help. It might be a donation, or volunteering, or just hearing from you so they know their hard work is making a positive impact in our community!

## Milford Library News

The Dickinson County Extension and Outreach is offering free hands-on workshops in September at the Milford Memorial Library. All classes are currently full, but there is a possibility of more classes in October. A brief description of the workshops is below.

September 13: Salsa Making Basics: Take home a jar of salsa you preserved using the hot water bath canning method after learning safe methods! Homemade deliciousness in a jar!

September 20: Jam Making and Dehydrating: You'll learn safe methods to preserve jams and dehydrate foods in this 'jam' session and take home the fruit of your labors!

September 27: Pickle Making and Pickled Products: If you relish a jar of homemade pickles, come experience the joy of pickle making in this hands-on workshop.

For more information or to register for future classes contact: Dickinson County Extension and Outreach Sue Boettcher, [boettcher@iastate.edu](mailto:boettcher@iastate.edu) 712-336-3438.

The Young Adult (fourth through twelfth graders) Challenge Boxes will be replacing the Subscription Boxes. Each box will have a description of a challenge, resource materials, and instructions. We are looking forward to seeing the various ways the Young Adults will complete these activities. The first MML Young Adult Challenge Box will be available in September, so be on the lookout. These are free, but registration will be required.

## Learn to Furharvest Workshop, Saturday, August 27, Ruthven

The Iowa Department of Natural Resources (DNR) is offering a program to teach skills needed to trap furbearers. The workshops feature several knowledge and skill building sessions teaching the basics of trapping in Iowa for those with little to no trapping experience.

Participants will learn basic strategies for trapping such as proper equipment, trap placement, trapping regulations and steps for preparing hides for trade.

"This program provides the opportunity to learn the skills and the knowledge it takes to learn the tradition of trapping as a means of sourcing fur," said Jamie Cook, program coordinator with the Iowa DNR.

The course takes place at the Lost Island Nature Center north east of Ruthven on Saturday August 27th. Free of Charge. Each course is designed for participants 16 years of age and older.

For more information and to begin the registration process for Saturday August 27th in Ruthven, visit: <https://bit.ly/3zycuG7>.

The program is provided through a partnership with the Iowa DNR and Iowa Trapper Association. It is part of a national effort to recruit, retain and reactivate hunters, anglers and trappers due to the overall decline in hunting and outdoor recreation.

For questions: Contact Dave Hoffman, Iowa Department of Natural Resources, 641-425-0737.

## Mobile Food Pantry in Estherville

The mobile food pantry from the Food Bank of Iowa is returning again. The free distribution will take place from 4-6 p.m. Thursday, September 1, in the Good News Estherville Church parking lot. Recipients are asked not to arrive before 4:00pm and to remain in their vehicles — do not line up at the door, because the building will be closed. At the August Food Bank, 500 individuals (206 families) received 7,132 lbs. of food.

If you have questions, call the Good News Estherville Church at 712-362-4984.

## Thank You

by Joel DeJong, Field Agronomist

After almost 41 years with Iowa State University Extension, it is time to say goodbye. On September 1, I will no longer be an Iowa State employee. There are several things, particularly relationships with my clients in Northwest Iowa, that I will miss. There are other things I will not. In this article, my last one, I want to say thank you to many of the individuals I have had the pleasure to work with over that time, the organizations I have collaborated with to accomplish our educational goals, and the agribusinesses that have supported the education and research we have been conducting in Northwest Iowa. Unbelievable support has come from many, and I greatly appreciate that.

ISU says I must work my last day, so I want to make it a fun one. If you have been a client I have worked with, or a supporter of ISU Extension's agricultural work in Northwest Iowa, please join me at the Le Mars Convention Center, upper level (275 12th Street SE) any time between about 5 and 7 p.m. Thanks to the Plymouth County Extension Council, a free "thank you for being our client" supper will be served to a few hundred of those who attend (while supplies last). I will be there to meet and talk with you, and I hope to be able to introduce the next great agronomist for Northwest Iowa. Food, liquid refreshments, and maybe more will be available. I even heard Cy might make an appearance! I hope you can attend so I can personally say "thank you."

Working with cooperating organizations has made my career much more successful. Dordt University has been a partner with ISU Extension and Outreach and me for many years. One event I still plan to attend, a "Carbon Economy Forum," also a cooperative event between ISU, Dordt, and Iowa Learning Farms, is set for Wednesday, September 7, at the Dordt Ag Stewardship Center located a couple of miles north of Sioux Center. A free meal is available at 5:30, with a program from 6:30 to 8 p.m. Speakers will include ISU's Director of the BioEconomy Institute, Lisa Schulte-Moore; COO of the National Pork Board, Jerry Flint; Bryan Sievers from Scott County, Iowa, who has an anaerobic digester on his own farm; and Staci Bogue Bucholz, who is a business unit for GEVO's renewable natural gas project north of Rock Valley. NPPC Director Dwight Mogler from Alford will moderate the speaker panel for this discussion.

I think this forum is a good opportunity to discuss how carbon farming might impact Northwest Iowa, and the issues related to incorporating this into our regional agriculture in the future. If you plan to attend, please RSVP to [Helen.Zeutenhorst@Dordt.edu](mailto:Helen.Zeutenhorst@Dordt.edu) by August 30.

**Board of Adjustment Member Needed**  
The City of Milford is seeking applicants to serve on the Board of Adjustment (5-year term 7/1/2022-6/30/2027). The Board of Adjustment is not a policy making board, but rather a quasi-judicial board responsible for the following: (1) Administrative review where it is alleged that there is error in any order, requirement, decision, or determination made by the Zoning Administrator; (2) Hear and decide special exception use applications; and (3) Authorize in specific cases a variance from the terms of the Zoning Ordinance when the variance is not contrary to the public interest and, due to special conditions, a literal enforcement would result in unnecessary hardship, and so that the spirit of the ordinance is observed and substantial justice is done. A small stipend is also paid to board members. The addition of a male representative would help comply with the gender balance rules. Position will remain open until filled.

If interested please contact:  
**LeAnn Reinsbach, City Administrator**  
712-338-2741, Email: [lreinsbach@milford.ia.us](mailto:lreinsbach@milford.ia.us) or visit [www.milford.ia.us](http://www.milford.ia.us) for a board member application.

All appointments will be in accordance with Milford City Ordinances, Iowa Code 69.16 concerning gender balanced boards, and the City's Volunteer Board Appointment Policy.
