ARIES (March 21 to April 19) A strong social whirl brings a new round of good times to fun-loving Rams and Ewes. Also, Cupid is busy aiming arrows at single Lambs hoping for a heart-to-heart encounter.

TAURUS (April 20 to May 20) A romantic incident could take a more serious turn if the Divine Bovine considers meeting Cupid's challenge. Meanwhile, a professional opportunity is also about to turn up.

GEMINI (May 21 to June 20) A bit of hardheaded realism could be just what the Twins need at this emotionally challenged time. Face the facts as they are, not as you want them to be. Good luck.

CANCER (June 21 to July 22) Many opportunities are opening up. But, you need to be aware of their actual pros and cons. Check them all out and make your choice from those that offer more of what you seek.

LEO (July 23 to August 22) A more stable situation begins, allowing you to feel more secure about making important decisions. Meanwhile, be sure to meet any project deadlines so that you can move on to other things.

VIRGO (August 23 to September 22) Congratulations. A new personal relationship thrives, as you learn how to make room in your busy life for this wonderfully warm and exciting emotional experience.

LIBRA (September 23 to October 22) A new contact opens some doors. That's the good news. But, there's a caution involved: Be sure you protect your rights to your work before showing it to anyone else.

SCORPIO (October 23 to November 21) A former colleague might seek to resume a working partnership. Ask yourself if you need it. If yes, get more information. If no, respectfully decline the request.

SAGITTARIUS (November 22 to December 21) Good times dominate your aspect. So, why not have a party to celebrate a loved one's success? And do invite that special person you want to get to know better.

CAPRICORN (December 22 to January 19) The shy side of the Sea Goat soon gives way to your more assertive self. This should help you when it comes time to speak up for yourself and your achievements.

AQUARIUS (January 20 to February 18) A new period of stability will help you deal with some recently reworked plans. Once you get your current task done, you can devote more time to personal matters.

PISCES (February 19 to March 20) Things are finally much more stable these days, so you can restart the process of meeting your well-planned goals with fewer chances of interruptions or delays.

BORN THIS WEEK: You love being the brightest light wherever you go, and people love basking in your warmth and charm.

Job Interview

The interviewer examined the job application then turned to the prospective employee.

"I see you have put ASAP down for the date you are available to start, meaning as soon as possible, of course. However, I see you've put AMAP down for required salary. I don't believe I've ever seen that before, what does it mean?"

The applicant replied, "As Much as Possible!"

Local Elvis Fan Honors His Legacy

Sherry Johnson of Dry Fork, VA has been an Elvis fan for as long as she can remember. She recalls around the ages of 4-5 her mother would let her go to the Chatham theatre close to where they lived and watch Elvis all day. "My mom said he was the best babysitter; I'd stay til dark." "I sure miss the Chatham theatre and the Elvis showings."

Sherry has an entire room in her home dedicated to the late Elvis Presley. It is quite impressive. She has a collection of his albums, movies, photos and more. When asked what was the attraction to Elvis Sherry stated "it wasn't all about his looks, even though he has the sexiest eyes, it was his personality and his array of fans." Sherry has been to Graceland and hopes to return

again soon. She has always enjoyed his songs and movies and "Amazing Grace and My Way" are two of her personal favorite songs, "My Way has always made me tear up". Sherry and her mother both agreed Elvis' Gospel singings are some of the best there are.

Sherry's husband is an avid Elvis fan as well and she gave their son Elvis' middle name. Sherry has written Christmas cards and sent birthday cards to Lisa Presley for as long as she can remember and would love to meet her. "I don't think of myself as a fan but as a friend" Sherry says.

- * To test the seals on your refrigerator and freezer, close a piece of paper in the door. If you can pull it out easily, it's likely that your seal is loose. Clean or replace door gaskets for a better seal.
- * To keep vinyl seats bearable in summer heat, keep a few towels in your car and lay them over the seat. This also keeps the plastic parts of baby seats from burning little legs and arms.

It's designed to break down grease, and I just dab it on, scrub a bit, then let it set for about a quarter hour. After that, I launder in hot water. It's usually successful." -- via email
- * Check bagged frozen vegetables with the squeeze test: A bag that's hard and solid has thawed and subsequently refrozen. You should choose another bag, one with loose, free-moving pieces.
