What It's All About

Where's the Beef? In Hamburg, that's for sure! The all-beef patty will be in the spotlight during the annual Taste of Hamburg-er Festival on Saturday, September 3rd. This downtown Hamburg event is celebrating its 19th year of serving up patties to locals and visitors from as far away as Australia.

What started as a three-block festival to celebrate the 100th anniversary of the burger has turned into an eight-block event featuring four stages of non-stop entertainment, a professional burger eating competition, beer and wine gardens, children's activities, quality artisans and crafters, and of course, LOTS of burgers.

3rd, 4th, Pine, and State Streets in the downtown business district will be closed to vehicular traffic to allow 40 restaurants, caterers, and community organizations to grill their most tantalizing burgers and whip up sensational side dishes for thousands of visitors to enjoy. Creativity and unique combinations are the norm, as vendors vie for the Best Burger award determined by panels of "food junkie" judges. Of course, winners of the contests get bragging rights for the year, in addition to the awards presented by a panel of judges. Not only are there burgers, but numerous other concessionaires sell a variety of tasty foods that pair well with burgers: fries, pierogies, mac and cheese, salads, funnel cakes, ice cream and other desserts just to name a few.

The festival is organized and hosted by Our Town Foundation, Hamburg's non-profit community revitalization corporation, who is proud to present this family-fun festival that offers free admission and is affordable for all to attend.

"Steer" yourself to Hamburg, walk your "buns" to the downtown, and "relish" the experience. There is no "bull" about it - you will have an "udder-ly" great time and possibly "ketch-up" with some friends. But remember, come early and come hungry!

Don't Forget Your Moo-licious Merchandise

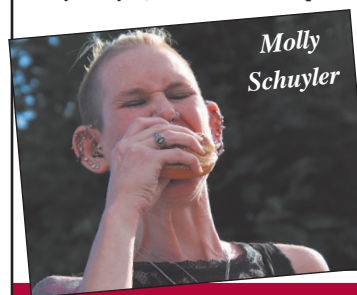

Where else can you find a large assortment of ridiculous hamburger related merchandise but the Taste of Hamburg-er Festival? Our merchandise table will

be loaded with items that pay homage to the hamburger. This year's humorous t-shirts were designed by Pat Daly of Pigeon Creek Designs and are available in two stylish colors in size small - 3XL, all priced at \$20. If you prefer the moisture wicking polyester shirts, they will be available too! The huge hamburger hats are a returning favorite, as well as the traditional logoed baseball caps. For your favorite furry friend, hamburger dog toys will be available. There are many new novelty items and souvenirs offered this year but in limited quantities, so be sure to stop by the merchandise stand early for the best selection.

We are proud to present the

Parking

When you arrive at the festival, parking is available in several designated areas for a nominal fee of \$5 per vehicle.

Parking areas are located at the Hamburg Area High School and Hamburg Area Middle School (701 Windsor Street), a lot between State Street and the Schuylkill River (137 Schuylkill Avenue) and the Hamburg Field House located at the rear of 127 South 4th Street (parking lot entrance is off of Pine Street).

To accommodate guests, there will be additional parking available at the Berks County Intermediate Unit facility (3570 Old Route 22) and the Bridge Church (3561 Old Route 22).

Please note the parking area available in past years at Front and Grand Streets will be closed for this year's event.

While a few of these lots are a short distance from the festival area, continuous shuttle service will be provided. However, the shuttles are not equipped to accommodate wheelchairs. (See handicapped parking)

For those traveling north and south via Route 61, the Hamburg Area High School and Middle School are your better choice.

For those traveling west via I-78, the Berks County Intermediate Unit and Bridge Church parking would be the better choice. Take the Lenhartsville exit off of I-78 and turn right on Route 143. At the stop sign, make a right and continue to travel west on Old 22 for 4.6 miles.

For those traveling east via I-78, take the Route 61 South exit, and travel a short distance to either the Grand Street or 4th Street Hamburg exits, and follow the signs for festival parking.

If you would prefer to find your own free, on street parking, we suggest that you get to the festival early because the spaces go quickly!

HANDICAP PARKING

Handicap parking is available at the following areas:

Hamburg Municipal Center located at 61 N. 3rd Street. Entrance to the lot is from Apple Alley, which can be accessed from Island Street. There will be no entrance to the lot from 3rd Street as it will be blocked with vendors.

First United Church of Christ located at the intersection of 3rd & Pine Streets. Entry to the parking lot must be made from Peach Alley.

There are handicapped spaces at the Hamburg Field House located at the rear of 127 S. 4th Street; however, the shuttle from that lot is not equipped to accommodate wheelchairs. Entry to the parking lot is made from Pine Street.

Handicapped guests are also welcome to be dropped off at the blocked intersections; however, your vehicle must be moved immediately to one of the parking lots.

Only guests with handicapped placards will be allowed to park in the designated areas. All others will be towed at the owner's expense.

PLEASE, NO PETS AT THE FESTIVAL!

For the safety of your own pet and other festival attendees, the festival committee is asking that you leave your pets in the comfort of their home. It is a long, hot day for our animal friends, and with the large crowds of attendees your pet may become apprehensive and respond with abnormal behavior. In addition, they are constantly surrounded by tempting foods and at times have been known to snatch a burger.

7 reasons why:

- Large crowds and noise cause stress
- No ample water sources
- Children with food in their hands
- No place to relieve themselves other than the streets where food is being served and people are walking
- Heat related illness
- Other aggressive dogs
- Hot macadam = burned paws

Please note that pet owners who choose to bring their furry friends to the event are fully responsible for the actions of their pets!

Entertainment Highlights

Moe Blues Band

You want some of that old-school badness?

Look No further, people- The Moe Blues has got you covered.

These Sons of Lancaster PA came together in 2017 and their unpredictable, high-energy show has quickly made them the go-to band for local fans of elemental, greasy, gut-bucket Blues. No suits. No ties. No frills. No Mercy.

Performing all over Lancaster county, Reading, Gettysburg, York, Harrisburg, Philadelphia, and beyond, they have quickly become returning favorites to each venue. Whether smaller local taverns and clubs, or larger indoor and outdoor events such as Lancaster Roots and Blues, The Kipona Festival in Harrisburg, The Philly Balloon and Music Festival, and the Lancaster Balloon Festival, they love returning to meet old friends and new fans as well.

Kevin Gannon (Harmonica); Albie von Schaaf (Vocals/Guitar); Vince Miller (Vocals, Guitar, Keys); Bill Zimmerman (Bass) and Jeff Shoemaker (Drums) serve it up hot and fresh every time, working without a net, no setlist, no plans; calling out originals, beloved blues standards and deep cuts at random. The crowd is up, dancing, vamping, connecting with the music.

We always leave them wanting MOE!

Vince Rollins - Professional Recording Artist & Entertainer

Vince Rollins, a Hamburg native, got his start in music as the lead in Hamburg Area High School's musical rendition of Bye Bye Birdie! While acquiring a teaching degree at Shippensburg University he learned to play guitar and honed his vocal talents. That led to a multi-year music entertaining and recording career. Over the years he performed up and down the east coast at festivals, colleges, bars, restaurants, beach towns, and private events. He produced 3 albums of original music. After what some might consider a long vacation, Vince Rollins is back at it!

Deep down Vince is an entertainer! He strives to provide the very best in live music entertainment. Vince has a unique combination of top-notch guitar playing and singing, a huge repertoire of crowd favorites, and a knack for reading the crowd and choosing just the right song for the moment. He has a great following of loyal fans. Always professional, entertaining, and easy to work with, Vince Rollins will have your guests coming back for more!

Vince also enjoys playing and singing with other musicians. He has recently coordinated and performed at several fundraising and community events. Interacting with other great musicians lead to a new dynamic duo! In 2022 he added the option of booking the Vince Rollins Duo featuring, Vince on guitar and vocals & George "Kitty" Kouba on bass and vocals. This dynamic duo has an extensive song selection suitable for all ages and musical tastes. They can adapt to any venue, bar, restaurant, craft brewery, winery, happy hour, festivals, or private party. Their "casual, don't take yourself too serious" attitude is what makes them infectious and fun to be around.

Keep track of Vince at VinceRollins.com & on his Facebook page @vincerollinsmusic
