Heritage Farm Families Honored

Iowa Secretary of Agriculture Mike Naig, Iowa Farm Bureau Federation President Brent Johnson and Vice President Joe Heinrich honored 351 Iowa farm families with Century or Heritage Farm designations at the Iowa State Fair Thursday, August 18, 2022. The program celebrates farms that have been owned by the same families for 100 and 150 years, respectively.

Among them were Merlin and Maxine Theis for their heritage farm in Hospers (1872-2022). Mr and Mrs. Theis now reside in Milford.

"I always look forward to honoring our Century and Heritage Farm families and hearing stories about their incredible journeys," said Secretary Naig. "This event is about recognizing the legacy and resiliency of the family farms that make up the fabric of our agriculture communities."

"Agriculture and Iowa's farm families are the backbone of the state and an essential part of our rural communities and economy," said Brent Johnson, Iowa Farm Bureau President. "We are honored to co-sponsor the Century and Heritage Farm programs celebrating multi-generational farm families that have persevered over 100 or 150 years and kept their farms in the family."

The Century Farm program began in 1976 as part of the Nation's Bicentennial Celebration. To date, 20,773 Century Farms and 1,685 Heritage Farms have been recognized across the state of Iowa.

The Rosary/Altar Society at St. Joseph Catholic Church, Milford, will host an omelet breakfast on Sunday, September 4, 8:00 to 12:00 noon, in the parish center. A freewill offering will assist in the refurbishment of church chalices.

Kenue Coffee Hour

Kenue Coffee Hour is back again this Thursday, September 1. This month's topic is Burr Oak Blight. Burr oak blight is a common term heard banded about these days, but do you know what it is? What to look for? Or if it can be treated? This topic can directly affect residents in this area. Join us for Kenue Coffee Hour: Burr Oak Blight at the Dickinson County Nature Center Maser Monarch Lodge to introduce you to this topic. Learn how to identify what is in our area, if it's preventable, and how to treat this disease affecting the area's oak trees.

Kenue Coffee Hour is a free adult program held on the first Thursday of the month. The program starts at 10:30 am and typically runs for an hour and a light beverage bar is served. The topic for Kenue Coffee Hour changes each month. There is no need to pre-register for this program. Questions can be directed to 712-336-6352 or naturecenter@dickinsoncountyia.com.

For more information on Dickinson County Nature Center programs, visit www.dickinsoncountynaturecenter.com. You can also keep up on the latest happenings on Facebook, and Instagram.

Cyclone Football Preview

Last week I took my shot at predicting how the 2022 Iowa Hawkeyes would fare this year, and this week I'll take aim at the Iowa State Cyclones. It's hard to believe that this will be Matt Campbell's seventh year as the head coach at ISU, and even harder to believe how well he's done with this once-downtrodden program. Cyclone fans only need to think back to 2016 when Campbell was hired, and think about how they would have been ecstatic with a 7-6 season that included a 20-13 bowl loss to national power Clemson. The 2021 season was disappointing as the Cyclones started the year ranked #7 in the nation and just couldn't win the close games that they won in 2020, losing five games that were determined by one possession. I bought into the hype last year with ISU returning 19 of 22 starters and coming off a 9-3 season and predicted they would go 12-2 with a trip to the CFP semifinals, wow was I way off and I'll try to be more accurate this year!

The Cyclone offense will look completely different this year with stars Brock Purdy, Breece Hall, Charlie Kolar and Chase Allen all currently on NFL rosters. Sophomore Hunter Dekkers will get the nod at quarterback and possesses a cannon for an arm as well as speed and power to elude pass rushers. Dekkers will hand the ball off to Jirehl Brock, who was actually a more heavily-recruited player out of high school than Hall; freshman Cartavious Norton has also been getting rave reviews at fall camp and could earn some run in the backfield. All-Big 12 receiver Xavier Hutchison returns and will be Dekkers number one target while Jaylin Noel and Sean Shaw provide great depth at the wide receiver position. ISU has had Allen and Kolar at the tight end position the last four years and will need Easton Dean and DeShawn Hanika to step up from their 2021 production where they saw limited snaps due to who they were playing behind. It seems like offensive line is always a question mark with ISU, but hopefully that unit, led by Trevor Downing and Darrell Simmons, will be improved this season and be a strength for this team.

The defense will be led by pre-season All-American Will McDonald, who has a chance to become the all-time sack leader in the Big 12. Helping McDonald on the line will be Isaiah Lee and Blake Peterson, who look to step into the dominant role that Enyi Uwazurike played. O'Rien Vance, Gerry Vaughn and Delaware transfer Colby Reeder will give ISU a strong linebacker group that will miss four-year starter Mike Rose, but still should be very solid. The Cyclones lost some key members of the 2021 defensive backfield to the transfer portal, but part of that reason could be because they knew they would not play as much in 2022 with young defensive backs Beau Freyler and Malik Verdon stepping up their games. Senior Anthony Johnson moved from corner to safety and will provide some great leadership for this young group. Iowa State will miss All-Big 12 kicker Andrew Mevis, but should be better in the punting game and return game. It sounds like the Cyclones will have a freshman doing the place kicking in either Keegan Shackford or Jace Gilbert, which is a bit nerve-rattling for Cyclone fans who have seen many a missed kick determine the outcome of a close game.

Iowa State's schedule is pretty favorable this season, with games against preseason ranked teams #9 Oklahoma and #10 Baylor at Jack Trice Stadium, although they do have to travel to Kinnick Stadium in week two to face a very good Iowa team who Matt Campbell has never beaten, and also play at #12 Oklahoma State. There is a quiet confidence coming from Ames about the depth of talent on the two-deep roster this season. Coach Matt Campbell has done an amazing job of turning this program around, shown by the fact that many are still predicting the Cyclones to make a bowl game even though they lost so much talent off last year's team to the NFL. I am not going to go as high on ISU as I did in 2021, but do feel like this team will surprise a lot of people; I'm predicting an 8-5 season for the Cyclones with a close loss in the Texas Bowl. Are you ready for some football, I sure am!

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
 15th Street & Peoria Avenue, Spirit Lake, IA 51360

On Wednesday, August 31, Lakes Area Farmers Market will close at 11:00 a.m. Saturday, September 3, we will be outside, east of the Expo, because of the flea market on the fair grounds. After Labor Day the market will be open from 8:00 a.m. to 11:00 a.m. Saturdays open hours will remain 7:30 a.m. to 12:00 noon. There is slightly more than a month of Farmers Market left for this year. Some vendors work at the Clay County Fair and will be absent for that week. Other vendors may be running out of products and will stop early. So be sure to shop soon so the vendor and products you want are still available. This year the Winter market will be November 25, the Saturday after Thanksgiving. That market, for one day only, includes many of the summer vendors from Lakes Area Farmers Market and a few additional vendors. It is a good place to purchase Christmas items, gifts, and sweet treats for the Holidays. Save the date for this market and the time changes for Lakes Area Farmers Market in Spirit Lake. We hope to see you there.

Bench for Reflection Dedicated at Immanuel Lutheran Church

Members of the Operation Barnabas Group of Immanuel Lutheran Church designed and dedicated a special bench with the goal of providing a place for rest, reflection, gratitude, and prayer for those who use the bike trail passing by in front of the church in Spirit Lake. The words, "Greater love has no one than this", are engraved in the bench stating its theme. The group explains the bench with these thoughts, "Depicted on this bench are the seals of the six branches of the Armed Forces of the United States the Army, Navy, Coast Guard, Air Force, Marines, and the Space Force. Central to the bench is the cross where Jesus paid the ultimate price for all mankind with his suffering, death, and resurrection."

Pictured around the bench are some of the members of Immanuel's Operation Barnabas group.

Obituaries

Michael Kidd, 70, passed away on Saturday, August 27, 2022, at Lakes Regional Healthcare in Spirit Lake.

A memorial service will be held on Thursday, September 1, 2022, at 1:00pm, at Immanuel Lutheran Church in Spirit Lake. Visitation will be held on Wednesday, from 4-6pm, at the Schuchert-Lentz Funeral Home in Spirit Lake. Burial will take place in the Lakeview Cemetery in Spirit Lake. Arrangements are under the direction of the Schuchert-Lentz Funeral Home in Spirit Lake. Online condolences may be left at www.spiritlakefuneralhome.com.

Mike was born on February 12, 1952, in Estherville, IA, to David and Marlyce (Vogel) Kidd. After graduating from high school, he attended the University of Wisconsin-Superior. He was united in marriage to Cheryl Strohman on February 7, 1976, in Superior, Wisconsin. Mike owned and operated Kidd Construction in Spirit Lake. He took over the business from his grandfather in the late 1970s. He owned and operated Kidd Construction for over forty years and worked tirelessly on countless projects improving the Iowa Great Lakes. He was a member of the Immanuel Lutheran Church in Spirit Lake.

Mike loved Lake Okoboji and spending summer afternoons out on the water boating. Another passion of his was fast cars, including his present to himself; a 2017 Corvette. Mike was an avid fan of the Iowa Hawkeyes, Minnesota Vikings, and Minnesota Twins. He also played golf as a member of Indian Hills Men's League. In addition to his hobbies, he enjoyed meeting up with friends at happy hour and visiting friends in the Florida Keys for many winters. Most of all, Mike took great pride and joy in his four grandchildren.

Left to cherish his memory is his wife, Cheryl Kidd of Spirit Lake; son, Dalton (Kathryn) Kidd of Arnolds Park; daughter, Kristine (Calvin) Thiessen of Spirit Lake; grandchildren, Cooper, Isla, Saige and Jack; sisters, Kim Streiltmier of Eagle Grove, Iowa, and Kristi Knight of Arizona; mother, Steve (Natasha) Kidd of Superior, Wisconsin; step-mother, Audrey Kidd of Superior, Wisconsin; step-sister, Pam Baeckman (Ulf) of Sweden; mother-in-law, Carole Strohman of Mesa, Arizona; brother-in-law, Derek Strohman (Beth) of New Richmond, Wisconsin; sister-in-law, Elizabeth Freitas (Bryon) of Florence, Arizona; uncles, Jerry (Betty) Kidd of Chaska, Minnesota, and John (Kathy) Vogel of Littleton, Pennsylvania; and cousins, nieces, and nephews.

He was preceded in death by his parents, David Kidd and Marlyce Huntley.

OPA board member John Wills presents the Ace Cory Award to Johnson Family Farms at last Saturday's OPA annual meeting. Lewis, Jake and Gary Johnson accept the award on behalf of the entire Johnson Family Farm.

Johnson Family Farm Named 2022 Ace Cory Award Winner

by Steve Weisman

The Johnson Family Farm was recently recognized as the 2022 Ace Cory Conservation Award winner at the Okoboji Protective Association's (OPA) annual meeting on Saturday, August 13. OPA board member John Wills presented the prestigious conservation award to Johnson family members Lewis, Jake and Gary.

Wills noted during presentation that the inscription on the plaque reads: "the 2022 Ace Cory Conservation Award is bestowed upon the Johnson Family Farm for embracing INNOVATIVE practices on the ground they farm, promoting conservation, being model farmers, and developing enthusiasm to protect vital portions of the Iowa Great Lakes water quality for future generations."

He continued, "The Johnsons were a perfect choice for this year's Ace Cory Conservation Award, because they farm key land within the Iowa Great Lakes Watershed and have found a blend of applying conservation and at the same time improving their bottom line by reducing expenses. The innovative practices that the Johnsons are using conserve soil and protect the water quality of the Iowa Great Lakes, while making their farm more profitable and efficient."

In an interview with Jake, the family works on conservation practices not only on their own farm, but the Johnsons partner with the Iowa Natural Heritage Foundation as tenants on a farm that was recently purchased (2018) the 160-acre Wallace & Bowers Nature Area on the north side of Big Spirit Lake. However, instead of becoming a huge tract of tall grass prairie, this parcel of land is still a productive farm that includes restorative farming, focusing on providing farm income, while at the same time keeping the health of the soil and the health of the Lakes at the forefront.

The restorative farming practices including no-till, cover crops, buffer strips, a 10-acre prairie strip, an alfalfa buffer and a seven-acre wetland. As the years go by, practices may change, but the integrity of the soil will always be at the forefront.

In visiting with Jake, he noted, "By implementing these practices, we are finding several positive outcomes. First, they are more economically feasible, they have created better time management and non-necessity of expensive tillage equipment along with more efficiency."

Cover crops, for instance, provide a weed barrier cutting down the use of chemicals, pulling nutrients from the soil that will be used by the next crop, protect the soil from potential erosion, while at the same time increasing profitability. Bottom line: less money in; less money out.

About the award - The Ace Cory Conservation Award was created in memory of Ace Cory, who was a lifelong conservationist and one of the leaders in the late 1990's to seek a steady stream of money to fund clean water projects in Dickinson County. He was instrumental in the formation of the Dickinson County Water Quality Commission, the first and only organization of its kind in Iowa.

Be a Tourist in Your Back Yard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and amenities our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

It's apple picking season! Did you know it's also flower season? This week I visited the Little Sioux Orchard and Little Sioux Stems south of Milford on 260th street. Both family run farms provide visitors and residents of the area with farm fresh products that will certainly bring a smile to your face.

I started my adventure at Little Sioux Orchard. The orchard currently has 8 varieties of apples growing on over 1300 trees. This allows visitors to pick apples almost every weekend from mid-August to late October (or the first big frost). A fun fact is they're adding more trees and apple varieties to enhance their season! They also have a great corn maze and other fun features to entertain your entire family. This year they've added a commercial kitchen to their farm store. They are selling fresh apple pie, apple crisp, apple cider cupcakes, and apple cider! I taste tested the apple pie for all of you. It's delicious! The orchard is open weekends through October or by special appointment if you'd like to bring a group. Your office might enjoy the team building activity of navigating the corn maze as much as our tourism office does each year!

Following my visit to the orchard, I stopped across the street to Little Sioux Stems, a new flower farm in the area! While they're not normally open to the public, you can find their flowers in the farm store at the Little Sioux Orchard and special events around the area, including farmer's markets. Imagine walking through rows of fresh flowers with pollinators flying around. It was lovely! There are probably 20 varieties of flowers blooming currently with the goal that they will be able to provide fresh cut flowers from May-October next year! If you'd like to visit the flower farm in person, they're hosting a special Fall Market on September 4. The market will feature unique vendors, mini photo sessions in the flower garden, a food truck, and fresh flowers!

Take advantage of these opportunities to visit a local farm! It's fun to visit the orchard with friends or family. Your kids or grandkids will love the ride out to the orchard and opportunity to pick their own apples straight from the tree. They'll have fun climbing on hay bales and launching apples from the apple slingshot. You'll also appreciate the great end-of-summer photo opportunities at both the orchard and flower farm. You can learn more about Little Sioux Orchard and Little Sioux Stems at www.VacationOkoboji.com. Make plans to visit this fall!

Iowa Lakes Aviation Earns #1 Ranking

The Aviation and Airport Management program at Iowa Lakes Community College earned top national rankings. Flying Magazine has recently ranked Iowa Lakes Community College as the nation's leading community college aviation program and third among all college-based aviation programs in the United States.

The Aviation and Airport Management program has been offered at Iowa Lakes for more than 40 years, with significant growth and expansion over the past three years.

"We have spent the past three years developing the program. There have been many changes as we grow into a world-class aviation program. More improvements are coming, but we're on the right track. Iowa Lakes students know they are getting a great start to a great career at a great value," said Tim Busch, Iowa Lakes Aviation and Airport Management Program Coordinator and Chief Flight Instructor.

The magazine ranked college aviation programs based on five categories: industry partners, value, fleet, campus life, and facilities/location. Iowa Lakes scored 41 out of 50.

With the demand for pilots on the rise, there is a considerable need for new pilots to enter the workforce each year. Iowa Lakes not only offers an Associate in Applied Science degree but also the Federal Aviation Administration (FAA) licenses and ratings and the industry connections needed for placement in a fulfilling career.

According to Flying Magazine, Iowa Lakes offers a solid aviation education and is perfect for students interested in a smaller school with personalized instruction. Visit www.flyingmag.com/top-aviation-colleges-revealed to learn more about the ranking. To learn more about Iowa Lakes or the Aviation and Airport Management program, visit iowalakes.edu.

With life's ups, downs and unknowns, you learn to be better and to grow. Strength and growth come from continuous effort and struggle.

TRAILS TALK

Dickinson County Recreational Trails

Sportsman's Tiki Ride Supports Trails

Above: Dave and Dan Tryon from Sportsman's Pub, present DCTB representatives Yvonne Taylor and Erin Reed with a check from the Tiki Ride.

In spite of the rain, the 8th annual Tiki Ride was the most successful yet. The event, held on August 6, brought in several hundred riders and with matching grant funds the proceeds will garner over \$32,000 for Dickinson County Trails. The ride grows bigger and better every year and the DCTB thanks Sportsman's, their staff and the many volunteers that work so hard to make this fun event happen.

Our New Trail Bench Story

The family of Bob Bruett chose to place a bench across from the Spirit Lake Fire Department. Bob's daughter Jan Gannon shared the story of their bench honoring her late father.

"When our father passed away last summer at the age of 98, we wanted to leave a small legacy of his life. We also wanted to have a place that we could sit and feel close to him. The bench we purchased

next to the bike trail.

As an avid bike rider, I know I won't ride past the bench without sitting for a minute or two to reflect and remember. I am confident that it will be used by fellow bikers, walkers and even some weary firemen who might take a moment to relax.

It has been the perfect memorial for our family and we appreciate so much the ease of working with the people involved

with Iowa Great Lakes Trails and especially with Erin Reed. She would always get back to us to answer any questions we had and sent us the final draft on the plaque to assure we were happy with it. We could not be happier with our decision to memorialize our father with our donation of a bench for the trails. Thank you from the family of Bob Bruett."

The bench program continues to grow as a popular opportunity to honor loved ones and friends. Throughout 2022, we have placed 25 new benches at various locations along the trails and six more are in line for placement before the end of the year. If you are interested in replacing or getting a new bench to honor someone in your life, please visit www.dickinsoncountytrails.com/donate for more information and the Bench Program form.

Upcoming Trail Event

31st Annual U Of O Oktoberfest Bike Ride: Registration is open for the 2022 Oktoberfest ride that will be held Saturday, September 24. Proceeds from the ride benefit Dickinson County Trails and registration includes food and drink deals throughout the area, drink tickets and a long sleeve t-shirt. There are optional pit stops along the route and then return to the Arnolds Park green-space for additional games, activities, live entertainment, food and beer. American Legion Recognizes Outstanding Educators

Lake Park Post Commander Jim Kessler congratulates Randy Nicks on winning the Educator of the Year for the 2021-2022 year and Kathy Winters on her retirement. These recipients have commanded and gained the respect they so deserve from students, parents, and their peers. The American Legion was founded on Four Pillars, Veterans Affairs and Rehabilitation, National Security, Children and Youth, and Americanism. Of The Four Pillars, Americanism is the program The American Legion proudly uses to recognize outstanding Educators within our Community Schools. Over the past several years American Legion Post 371 of Lake Park has proudly recognized outstanding Educators within the Harris-Lake Park Consolidated School System.

OKOBOJI FOUNDATION
MAKE A RIPPLE. MAKE A DIFFERENCE
2022-2023 YIP Application Online

Youth In Philanthropy (YIP), a program of the Okoboji Foundation, is currently accepting applications through Friday, September 10th, for the 2022-22 school year. Applications are available online at www.okobojifoundation.org/yip and open to all high school students, freshman through senior, in Dickinson County.

The YIP initiative was created in 2010 to empower and challenge area youth to identify community needs and build a sense of social responsibility while teaching the next generation the importance of community giving.

High school students interested in personal development, community awareness, and leadership skills are invited to apply. YIP participants from previous years are invited to reapply. All applications will be read and scored by the YIP Steering Committee without knowing names of the applicants. Up to 25 students will be selected to participate.

Students receive community service hours as they learn about the work of the Okoboji Foundation and area nonprofit organizations, fundraising for their own grant process, and recommend awards to vital nonprofit projects.

Since the program's inception, 190 students have raised over \$525,500, and granted out over \$415,300 to area nonprofit programs.

To learn more about how you can get involved please contact Mindy Gress or Ali Schmitz at the Okoboji Foundation at 712-332-7177 or info@okobojifoundation.org.

THREE DAYS AND NIGHTS OF MUSICAL FUN!
25th Rock inductions set for this weekend

The Iowa Rock 'N' Roll Music Association's 25th annual Hall of Fame Induction ceremonies promise a full weekend of fun in several venues starting Friday night, with a meet and greet for members, at 5:30, in the association's museum in Arnolds Park. The *Fabulous Flippers* band will perform starting at 7:00, with the local band, The Seven Sons, in the Roof Garden Ballroom. Larry Dixon still plays drums with the band, as he has since he was in junior high school! Saturday morning will see the Inductee Parade starting at the Berkley Bedell State Pier, at 10:00. The Iowa Rocks Talent Championship will take place in the Roof Garden at 1:00, followed by the inductee meet and greet at 5:30, in the museum, and the 25th anniversary celebration in the Roof Garden, at 7:00. Sunday's Induction Ceremony will take place at the Sami Center in the Spirit Lake High School, starting at 6:30, followed by the Induction Concert, at about 6:30...

After a long, hot, summer, *The Itty Bitty Boji Band* will be taking a bit of a break-- but not until after Wednesday night when the entire gang will perform at the VFV in Spirit Lake, from 6-8:00...

Other events not related to the hall of fame inductions this week will include The Little Swan Lake Winery's show barn where *The Union County Strings* will be performing on Thursday, the 1st, from 6-8:00. Saturday will see Terry Brooks Jazz in the barn, also from 6 - 8:00. Sunday will be the annual Harvest Festival at the Little Swan Lake Winery, with Charlie Leissler (inside), and *Blame Not The Bard* (outside) from 1-6:00. Reservations are requested, 712-858-4592...

Thursday is the day Jeremy Obe will perform in the Winery's barn, from 6-8:00. and Adam Layman will take the same stage, on Saturday, the 10th, from 6-8:00, while *The Ridottos* will perform from 4-6 on Sunday, the 11th...

Research Director RD has found some gems of the musical world this week, to celebrate Alan J. Lerner's natal Day on Wednesday, the 31st. A native New Yorker, Lerner earned three Tony Awards, and three Academy awards for his lyrics that he penned, including *Almost Like Being in Love*, from *Brigadoon*, and *A Little Bit of Luck*, from *My Fair Lady*. He was also honored for the words in *Gigi*, which was voted to be the Best Original Song in 1958.

The first day of September brings to light the rare gems that were issued on the first day of a new month. That list includes *Sweet Thursday*, as sung by Johnny Mathis. The song was written by Paul Francis Webster, Jerry Livingston, and included on Johnny's 1963 LP, simply titled *Newest Hits*. *Sweet September* was written by Bill McGuffie, Stanley Mills, and Phylis L. Kasha, and was first recorded by Freda Payne in 1964, and a year later covered by *The Lettermen*, and Martin Denny several years after that.

Hugo Montenegro was a New York born orchestra leader and composer of film and television soundtracks, most acclaimed for his *Come Spy With Me* LP that included the themes from *Goldfinger*, and *The Silencers*, (starring Dean Martin as Matt Helm).

And we need to remind you that Labor Day will see the last Monday night performance by the *Dick Bauman Big Band* at the Pearson Lakes Art Center for 2022. The music begins at 7:00.

DEADLINE for submissions: 5 PM, Thursday, prior to Tuesday publication

FEMA designates each September as National Preparedness Month, a time to prepare or review your family and business emergency plans for surviving and then managing the aftermath of an unexpected disaster.

"As a leader in fire and water cleanup and restoration services, mold mitigation, and storm response, SERVPRO understands the importance of preparation before disaster strikes," says disaster mitigation specialist Ryan Brooks of SERVPRO® of Spencer & Iowa Great Lakes. "SERVPRO employs a full-time meteorologist and uses a cutting-edge geographic information system to provide each SERVPRO franchise with real-time, location-based insight on where storms are likely to hit and what kind of damage they could inflict. Since time is of the essence in limiting or preventing damage to properties after a flood, this advance, predictive intelligence can accelerate response time, making the difference between an inconvenience and a total loss for our SERVPRO customers."

The U.S. Financial and Banking Information Infrastructure Committee (FBIC) states that flooding is the nation's most frequent and costly natural disaster, representing 90% of all natural disasters in the U.S. FBIC adds that you don't need to be in a high-risk, flood prone area to be affected. Nearly 25% of flood insurance claims come from moderate-to-low risk areas.

"While you can't predict when a natural disaster will strike or what shape that disaster will take, you can prepare to minimize its effects on your home, your family, and your life," says Brooks.

FEMA offers a variety of no-cost tools to help you evaluate your risk, create a communication plan, sign up for alerts, put together an emergency kit customized to your family's needs, protect important documents, and more.

In addition to following FEMA's guidelines on disaster readiness, Brooks encourages Spencer property owners to consider using the SERVPRO READY app to store essential contact and property information electronically where it can be accessed in seconds with a mobile device. "This is a no-cost tool available to all homeowners," says Brooks, "but local business owners who designate SERVPRO of Spencer & Iowa Great Lakes as their disaster mitigation and restoration provider will also benefit from a no-cost assessment of their facility along with help completing a comprehensive Emergency READY Profile® (ERP) to be stored in the READY app."

For more information on SERVPRO of Spencer & Iowa Great Lakes, please contact Ryan Brooks at (712) 262-4379 or rbrooks@servprospencer.com. For more information on SERVPRO® and the SERVPRO Emergency READY Program, please visit <https://ready.servpro.com>.

New Vendors Join to Celebrate the Fair

There will be 66 new vendors joining the hundreds of returning favorite commercial exhibits and concessions at the 2022 Clay County Fair powered by SMU, September 10-18.

"The Fair is renowned for the tremendous variety and quality of our commercial exhibits and concessions," said Fair Manager Jeremy Parsons. "We know shopping at the Fair, whether it's for your home or farm, is high on the priority list for many of our fairgoers."

Each year fairgoers explore approximately 500 vendors to find everything they need for their home and farm, including the farm machinery and ag equipment show sponsored by Rosenboom, which is the largest of its type at any fair in the United States.

To plan your shopping experience, a complete vendor directory can be found at <https://claycountyfair.com/visit-the-fair/vendor-directory/>. The directory provides each vendor's location at the Fair as well as a complete listing of their products.

The 66 new vendors include the following: Woodford Equipment, Oak Hill Marina, Erma Christensen, Williams Sports Memorabilia, Swift Air, Inc, No Power No Problem, Inc, Accessories Unlimited 2, Cindy Williams, Color Street, Ben Drost, Ground to Perfection, Van's Power Center, Kaleidoscope Factory, My Little Rodeo, Walinga USA, Inc, AMH Inspirations, Harmony Tie Boss, LLC, Bows by Lisa Luann, Harvey's Five Star Roofing, Jerry De Kam & Jimmy De Kam, Gingerich Structures, LLC, Hardsteel, Inc, Fabra Dome, LLC, SilverZone 26, Writing Dreams, LLC, Drew Radon Group, LLC, Salt Soothers, Outdoor Odyssey, Boji Blends, LLC, RMSTE, LLC, Country Trailers, LLC, Groundworks, Centers Against Abuse and Sexual Assault (CAASA), Side Door Concessions, LLC, RooSport, Partners for Patriots, Viittetoe, Inc, Buena Vista University, Pure Water, Uniform Shop, The, Ricki and Sons, Cabela's, Lewis Cattle Oilers, Maryanne's Jewelry, Art Cave Company, OnlineAmmo.com, Wells Ag Supply, LLC, Papa's Seasonings, LLC, Cowgirls Don't Cry, Framed Entertainment Anime, Star Magic Solutions, BW Fusion, LLC, Hesselesser Group, Inc, Taulelle Concessions, LLC, Ol' MacDonald's Kettle Corn, Neeralta Manufacturing, Inc, Own Your Own Arcade Game, Scott Eickman, BlackEarth Java, Da Bomb Candy, Iowa Egg Council, Midwest Sidecars, DIRECTV, Endgrain Workshop, First Choice Concessions, Medler Coffee.

Unique Horticulture at the Iowa State Fair

by Beth Doran, Iowa Master Gardener

One of the things I enjoy at the Iowa State Fair is perusing the horticulture looking for new plants and displays. This year, I hit the jackpot with three unique exhibits.

The first is Fairfield and Rosetta—two corn husk dolls featuring the Iowa State Fair theme “Nothing Compares.” This exhibit captured top honor in its class which was no surprise. The Iowa State Fair was originally held in Fairfield, Iowa, and Rosetta is a term for the coveted rosette ribbon.

Exhibits in the corn creations division are judged on general appearance, originality, best use of product and degree of difficulty. They must be made with a part of a corn plant such as the cob, husk, or ear and be from a corn hybrid or variety grown in Iowa. What a great exhibit featuring Iowa’s top crop!

My second find in the Ag Building was a horticulture arrangement. I usually think of arrangements as being floral, but this one was totally non-traditional. It sported three banana peppers, three miniature eggplants, two bamboo shoots, a brown canna leaf and a big green leaf which may have been a monstera or philodendron leaf.

Arrangements are judged on five elements of design – line, color, form, space, and texture. This exhibit excelled in each. It had a long flowing line from bottom to top. Peppers added an accent of color. The form was tall and cylindrical. The eggplant and leaves filled the space, and while most of the arrangement was smooth, the leaves added coarseness to the texture.

Of course, I had to check out the cow, but this wasn’t a live animal or the notorious Butter Cow! Earl May refreshed their display from last year and brought back “their” cow. This cow is a wired form featuring a variety of green sedum growing from head to tail and hoof to back. But it does include metal ears, a plastic vine for the tail and plastic Hen and Chicks accenting the body.

The Iowa State Fair indicated you could “Find Your Fun” at the fair, and this year certainly was no exception!

Mary Weaver was inducted into the 2022 Iowa 4-H Hall of Fame during a ceremony at the 4-H Exhibits Building at the Iowa State Fair on Sunday, August 21. Ninety-eight Iowa counties participated this year and selected 133 inductees for their outstanding service and dedication to 4-H. Inductees or their surviving family members were presented a certificate by the Iowa 4-H Foundation President, Julie McGonegle, and State 4-H Program Leader, Debbie Nistler, as they were introduced on stage.

During the years when the Milford Pioneers 4-H Club began to grow quickly, Mary became an assistant leader—creating relationships with club members, helping them with projects and ideas, leading committees, helping with club projects both large and small, and doing whatever was asked of her. She continued doing all of the things she did before she helped lead the club as well. At our club’s largest, she helped mentor a group of 49 members. Mary has been part of the fair’s static exhibit committee, been involved in the horse project area, and also strived to become involved in establishing a platform for our county fair queen competition. Mary Weaver is the definition of boundless energy, and the very illustration of compassion and care. The youth of Dickinson County have been blessed repeatedly because of her love for—and involvement in—Dickinson County 4-H.

“Counties select inductees for their exceptional work in contributing to the lives of 4-H members and the overall 4-H program,” said Madeleine Bretey-Smith, Dickinson County Youth and Ag Coordinator.

Many inductees serve as club leaders, youth mentors, fair superintendents or fair board members, Iowa State University Extension and Outreach county council members, county youth council members, fair judges, financial supporters, chaperones or ISU Extension and Outreach staff members. The inductees have demonstrated dedication, encouragement, commitment, and guidance to Iowa’s 4-H’ers through the years.

“We are honored to recognize these special individuals, for their advocacy and dedication to the Iowa 4-H program,” shared Iowa 4-H Foundation Executive Director, Emily Saveraid.

“This is a great way to honor the volunteers and staff across the state of Iowa that generously give their time and talents to foster positive partnerships with our 4-H youth,” said Tillie Good, Iowa 4-H staff and volunteer development manager.

The Iowa 4-H Hall of Fame was initiated in 2002 to help commemorate the 100th anniversary of 4-H. A summary of previous honorees was on display at the 2022 Iowa State Fair in the 4-H Exhibits Building. These summaries are also available at the Iowa 4-H Foundation office in the Extension 4-H Youth Building at Iowa State University. Information about previous inductees to the Iowa 4-H Hall of Fame also is available on the Iowa 4-H Foundation website, organized by year and by county. Go to www.iowa4hfoundation.org/ and select “Recognition” then “Iowa 4-H Hall of Fame.”

Milford Library News

On Monday, September 5, Milford Memorial Library will be closed in observance of Labor Day. We look forward to seeing everyone on Tuesday, September 6, at 9:30am. Have a happy and safe weekend.

Author Linda McCann is coming to the Milford Memorial Library on Wednesday, September 14, 2022, at 6:30pm.

McCann will share about her book, Civilian Conservation Corps. She will be reading from her book and sharing stories from personal interviews. There will also be time for questions and books will be available for purchase. The Civilian Conservation Corps was a federal program to assist young men in supporting their families. Most Iowans know about all the work done in our state parks, but that was only 25 percent of what they worked on. Most of their work projects dealt with soil erosion, flood and drought prevention and planting trees. She is still working on the western part of the state, so she welcomes anyone who was in the CCC contacting her. This event is free to the public and no registration is required to attend.

Fourth through twelfth graders may register now for the Young Adult September Challenge Box. The challenge is to plan, make a meal, and catch up with family and friends. This is a free program, but registration is required. Young adults may register by calling (712) 338-4643 or by emailing milfordlibrary51351@gmail.com. Subscription Boxes may be picked up at the library.

On Wednesday, September 7, an open meeting of the Board of Trustees for the Milford Memorial Library will take place in the Milford Community Center. The agenda will be posted on MML's website and front bulletin board at least 24 hours in advance of the meeting. Everyone is welcome to attend and offer their thoughts in order to make MML a better library.

For those who registered with the Dickinson County Extension and Outreach, reminder of the Salsa Making Basics, on Tuesday, September 13, at 5:00pm, at the Milford Memorial Library. All classes are currently full, but there is a possibility of more classes in October. For more information or to register for future classes, contact: Dickinson County Extension and Outreach Sue Boettcher, boettche@iastate.edu 712-336-3438.

MILFORD MEMORIAL LIBRARY WILL BE CLOSED ON MONDAY, SEPTEMBER 5
We will reopen on Tuesday, September 6, at 9:30 a.m.
We wish you a safe and happy holiday.

The 2022 Fair Continues Its Mission Of Ag Education

Fairgoers can expect lots of opportunities to learn more about one of Iowa's largest industries - agriculture - at the 2022 Clay County Fair powered by SMU, September 10-18.

"Ag education has always been one of the core missions of the Fair," said Fair Manager Jeremy Parsons. "This year we are excited to spread those educational opportunities across the entire fairgrounds."

One of the Fair's most popular attractions is Grandpa's Barn. Fairgoers can see Baby animals, visit the crop plots, and "drive" tractor cab simulators presented by Clay County Farm Bureau.

The AgCiting field trip program, along with the SciCiting field trip program, are staples of ag education at the Fair. Every year elementary students from local schools get the opportunity to visit the Fair and learn how the ag industry impacts and improves their daily lives. The two field trip programs are coordinated by ISU Extension Clay County.

Returning to the Fair this year is the Awesome Ag Magic Show, which focuses on how agriculture directly impacts our daily lives. While using his incredible talents in magic, storytelling, and balloons to help get his message across in a fun and entertaining way, Mike Klee will delight and amaze audiences and leave them wanting to learn more, September 10-18, on the Discovery Stage.

FFA chapters from Iowa, South Dakota, Minnesota, and Nebraska will have the opportunity to participate in a day of leadership opportunities and a college fair at the first-ever FFA Day on Tuesday, September 13. Sponsored by Summit Carbon Solutions, FFA Day will feature a college fair, a keynote speaker, and a leadership workshop. All three events are free (including gate admission) for the FFA chapter members and their advisors.

The Iowa Corn Growers Association brings Iowa Corn Day on Thursday, September 15, with exhibits and presentations in Central Park showcasing the importance of corn in Iowa and beyond. Thursday is also Farmer Appreciation Day sponsored by CFE. Friday, September 16, is Iowa Dairy Day sponsored by Western Iowa Dairy Alliance where fairgoers will learn about the importance of the dairy industry in Iowa through special activities and displays in Central Park.

New to the 2022 Fair is the Fair to Fork Market. Fairgoers will be able to enjoy a farmer's market experience and learn more about locally produced food. Located in the former Art Barn south of the Outdoor Arena, the Fair to Fork Market will feature vendors selling fresh produce and other locally produced food items, as well as educational exhibits from the Iowa Food & Family Project. Vendors in the Market will switch out daily.

Also new at the 2022 Fair is the Dairy Experience sponsored by Farmer's Business Network. Located in Cattle Barn #3, fairgoers can watch milking demonstrations, butter churning, ice cream making, and view Dairy Cattle all 9 days of the Fair.
