ARIES (March 21 to April 19) Relationships continue to thrive, but watch for any telltale signs of potential problems. Take needed action now to set things straight, before they become troublesome later.

TAURUS (April 20 to May 20) Your powers of persuasion backed up, of course, by your considerable expertise help you to establish your case, even to the most dubious decision-makers in your workplace.

GEMINI (May 21 to June 20) You might still be a bit reluctant to face up to some less-than-pleasant realities. But, the sooner you accept the facts, the sooner you can set about making some needed changes.

CANCER (June 21 to July 22) Expect to make adjustments, even when things seem locked up and ready to go. But, cheer up: At least one change could lead to something you've been hoping for.

LEO (July 23 to August 22) The success of a recent project should do a lot to boost your self-confidence. You might want to check out ways to make that long-deferred bigger and bolder move.

VIRGO (August 23 to September 22) Ease up on the pressure you might be putting on the new person in your life. It takes time for a budding relationship to blossom. Showing them more patience and understanding will help.

LIBRA (September 23 to October 22) You have lots of inner strength in reserve. Use some of it to resist intimidation from those who might try to impose on your good nature for their own reasons.

SCORPIO (October 23 to November 21) The good news is that your onthe-job status is improving. The one cautionary note, however, involves a personal situation you might have been ignoring for too long.

SAGITTARIUS (November 22 to December 21) Congratulations. Once again, your sharp Sagittarian "horse sense" helps you work through a complicated situation that would leave most people confused.

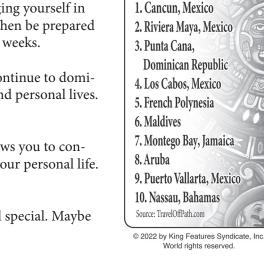

CAPRICORN (December 22 to January 19) Plan on indulging yourself in some well-earned good times through much of the week. Then be prepared to face some thought-provoking issues during the next few weeks.

AQUARIUS (January 20 to February 18) Positive factors continue to dominate, following a recent change in both your professional and personal lives. Expect to make contact with someone from your past.

PISCES (February 19 to March 20) Workplace stability allows you to continue making progress on your projects. But, don't ignore your personal life. Spend more quality time with those special folks.

BORN THIS WEEK: You have a gift for making people feel special. Maybe it's because you know how special you are.

Piedmont Pets

August 25, 2022

In the early morning hours last year, a man traveling through Danville on his way home to a city in North Carolina saw a beautiful husky on the side of the road. No houses were in sight and the man put the dog in his car, thinking he would make a good companion for his other dog.

Over an hour later, he arrived home and found that his dog did not get along with the stray he had picked up. He got back in his car and drove the dog back to Danville. He called the afterhours emergency number and asked an employee to meet him at the shelter. One did and the dog was put inside the shelter.

Only a few hours passed before a frantic owner called to report his missing husky. We were happy to tell him we had received a dog matching that description. Can you imagine what would have happened if the man who found the dog had kept him? The dog would never have been reunited with his rightful owner.

This past weekend, a man let his elderly dog out to use the bathroom. She wandered a few feet out of his yard and someone in a black SUV stopped and picked her up. Only through thousands of people seeing the post about her (an anonymous donor was going to donate \$1,000 to us to pay for her return) was she brought back. No reward was given; the black SUV was seen returning. The dog was thrown out into the yard.

If you have picked up a stray animal and have chosen not to take it to the public animal shelter in the locality it was found, there are legal requirements to consider.

Virginia Code 3.2-6551 requires any individual who finds a companion

996 South Boston Rd., Danville, VA 24540 Phone: (434) 799-0843

animal and retains it to contact the public animal shelter that serves the locality where the companion animal was found. Specific information is required, including the location where the companion animal was found, a description, and contact information. The same requirements are in effect for rescue groups and other releasing agencies. Violation of this may result in a civil penalty.

It is also important to remember that the law never gives clear ownership rights to an individual who has found an animal and decides to keep it.

In 2021, homebased rescues received 6,947 strays and returned 280 to the owners (4%). Private shelters received 3,877 strays and returned 583 to the owners (15%). Public shelters received 57,919 strays and returned 21,055 to the owners (36%).

In this day of social media and taking strays out of localities, public animal shelters remain the best hope of reuniting a lost pet with the owners.

Results from Major held at Forest Oaks Country Club

On Thursday August 25 the Laidback Golf Tour held it's 3rd Major of the season at Forest Oaks Country Club in Greensboro. Forest Oaks which opened in 1962 and was redesigned slightly by Davis Love III in 2002 was the location of the PGA Wyndham and Greater Greensboro Open from 1977-2007. It has been rated by Golf World Magazine as 4.7 out of a possible 5. The group of 23 found the course to be every bit as good as it's rating. The course gave up only two rounds in the seventies while allowing twenty-three birdies .

The last time the Tour had played here was in 2018 when seven rounds in the seventies were recorded. A-Flight player Fran Hensley lost in a play-off that day after scoring a 75 in regulation. Today Fran once again led all scorers with her round of 75; this time it was good enough for her fifth win of the season. The other three flights were won by Doug Facchina with 84 in B-Flight, Tony Burtt 84 in C-Flight, and Don LaFlamme with 92 for his second win in a row in D-Flight.

The Tours points race saw the top three exchange places with the double points awarded today. With five more tournaments; two of which are Majors remaining Robbie Morris took the points lead with 6850 points followed closely by Willard Vicks with 6360 and Mike Asbury with 6350. The Tours next scheduled event is at Country Hills in Gibsonville, NC on Monday September 12th beginning at 10am. Entry fee for Tour members will be \$60. Registration is request by emailing golf-tripman@yahoo.com by Monday September 5th.

20 DPS Students Enroll in DCC 'Early College' Program

Danville Public Schools (DPS) 11th graders will begin their junior year on the Danville Community College (DCC) Campus via the 'Early College' program, beginning on August 22.

"We cannot wait to kick off this collaborative initiative and welcome these students to our campus," said Dr. Jerry Wallace, DCC president. "The 'Early College' program has been a herculean effort to ensure that students in our community receive an affordable education and a seamless four-year university transfer when they graduate."

The 'Early College' program allows qualified high school juniors to take courses in person on the DCC campus that provide both high school and college credit to satisfy their requirements for graduation. Completing their last two years of high school at DCC will allow students who successfully complete the program to graduate high school with an Advanced Studies high school diploma, as well as an Associate of Arts and Science degree in Liberal Arts and a Uniform Certificate of General Studies conferred by Danville Community College.

"This incredible partnership gives students a major advantage with regard to college attendance," said Dr. Wallace. "Not only will 'Early College' participants complete their college careers more quickly, but they will also save two years' worth of tuition that might otherwise have to be paid out-of-pocket or in the form of student loans. It's a huge win for students, parents, and the community as a whole."

To participate in this program, students in the Danville Public School System must complete an application that evaluates their GPA, attendance, teacher recommendations, extracurricular activities, leadership roles, and other recognitions/awards.

"Students enrolled in the Early College program are trailblazers in the Danville Public Schools," said Dr. Angela Hairston, DPS superintendent. "Our students are excited to be participants in this unique opportunity to begin their college experience while completing high school. We are thankful for the support of Dr. Wallace, the Danville Community College professors, and administrators."

The Early College program is free of charge for all participating students. For more information on the Early College program, contact Cathy Pulliam at 434-797-8538.

Ingredients

FOR THE CRUST 1 cup butter melted

1/2 cup sugar

1 1/2 teaspoons vanilla extract

2 cups flour

FOR THE FILLING

3 cups sugar

1 cup flour

6 large eggs room temperature

1 cup lemon juice fresh is best, about 4 lemons

2 tablespoons lemon zest

Confectioners' sugar for dusting

Instructions

Preheat oven to 350°F.

Line a 9×13 pan with parchment paper.

For the crust mix the butter, sugar, and vanilla together in a medium bowl.

Add the flour and stir to combine.

Press firmly into your prepared pan and bake for 15 to 20 minutes or until the edges are light brown. Add the sugar and flour into a large bowl. Use a whisk to get out any lumps.

Add the eggs, lemon zest, and lemon juice and whisk until combined.

Pour the filling over the warm crust. Bake for 30 to 35 minutes until the center is set and doesn't jiggle. Remove from oven and cool completely at room temperature. Then refrigerate.

Dust with powdered sugar before serving.

TIP: Use fresh lemon juice to really enhance the flavor of this recipe, bottled lemon juice will not have the same flavor or texture.

TIP: This is one recipe that I really recommend using a glass baking dish for. I just use a standard 9×13 glass casserole dish that you can pick up just about anywhere.

TIP: Once your lemon bars are well chilled, take an oiled and very sharp knife and cut. I recommend wiping it off in between cuts just to get those beautiful, clean lines.
