CARES Carnival
CARES((Community Advocates Ready to Empower Survivors)) helped organize a free family carnival to be held on October 1, 2022, 11:00am - 3:00pm, at the Dickinson County Expo Building in Spirit Lake. This year, the CARES Carnival will have all the same great activities as in prior years such as bounce houses and games, carnival snacks and food, clowns, puppet shows, and Officer McGruff (a favorite with the kids). In addition, community groups like The Nature Center, local churches, Key Club, BACA (Bikers Against Child Abuse), and area police departments are involved in the CARES Carnival, as well as CAASA and FCC, to bring awareness and provide information to the general public about services available in our area.

The Carnival will be free of charge and paid for by donations from many generous area businesses and friends. Without them and wonderful volunteers, it would not be possible to hold such an event. All of the net proceeds from the CARES Carnival are divided equally between CAASA and FCC.

Donations accepted gratefully. All donations help survivors. Make checks payable to CAASA. Donations accepted at CAASA, P.O. Box 996, Spencer, IA 51301 and split with FCC.

County Recorder Ditsworth Earns Recertification

Dickinson County Recorder Ann Ditsworth was honored August 26, 2022 for completing the Iowa County Recorders Association's Certification program, earning her continued status as an Iowa Certified County Recorder.

The graduation event occurred in conjunction with the Iowa State Association of County's Annual Conference. Fifty-five County Recorders received certificates of completion in the program this year.

The Recorder Certification program was collaboratively created in 2010 by the Iowa County Recorders Association, Iowa State University Extension & Outreach and the Iowa State Association of Counties with an aim to assist elected officials in effectively and professionally fulfilling their duties. Recertification requires a minimum of 12 core credit hours over a two-year period and covers the following topics: Leadership & Ethics, Open meetings/Open Records, Communications, Human Resources/Office Management, the Iowa Code, Technology Applications, and Local Government/Budgets.

Please join in congratulating Ann Ditsworth for her efforts to become a Certified Iowa County Recorder.

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Lakes Area Farmers Market is changing their hours for the rest of the season. On Wednesdays we will be open from 8:00 to 11:00 AM. On Saturdays the hours are 7:30AM to 12:00 noon. There are only 8 market days left so be sure you get all the things you need soon. There will be one last chance after September to purchase baked items and crafts. Come to the community building on the fair grounds on November 26 for our Winter Market. There will be a lot of baked treats and candies and crafts that are great for decorating or useful as gifts. At the fall market cucumbers are slowing down, sweet corn is done, and fall vegetables are arriving. There will soon be acorn and butternut squash, and lots of pumpkins and gourds. You can still find peppers, tomatoes, onions, potatoes, and other summer vegetables. Baked items and crafts vary from week to week as vendors come and go. Come to the fair grounds in Spirit Lake on Wednesday or Saturday to see what is available that week. We hope to see you there.

Twenty-eight new foods will entice stomachs at 2022 Fair

Fairgoers to the 2022 Clay County Fair powered by SMU will have 28 new foods to enjoy during their visit September 10-18, including five that have been named as finalists for the sixth edition of the "The World's Greatest County Fair Food" Contest.

"In our visitor surveys, fairgoers tell us one of the top reasons they attend the Fair is for the food," said Fair Manager Jeremy Parsons. "This list of unique new foods will only add to our reputation as a nine-day foodie festival."

"The World's Greatest County Fair Food" Contest will be judged by a panel of local celebrity judges on Saturday, Sept. 10 at 2:30pm on the Northwest Bank Stage with one vendor taking home the coveted title of "The World's Greatest County Fair Food."

The finalists (and vendors) are as follows:

- Roasted corn (Ormie Concessions) - Prepared in the traditional style of south Texas, the corn is roasted in the husk. After roasting, the husk is peeled back and choices are added: butter, mayonnaise, red chili sauce or powder and grated Mexican Cotija cheese. Most prefer the "con todo" option - "with everything!"

- Lasagna Griller (Girl'd Cheese) - Italian sausage, a yummy ricotta mixture, gooey mozzarella and marinara sauce all grilled into a crisp sandwich. No need

for a fork!

- Berkshire Bacon Ball on a Stick (Side Door Concessions) - A bacon meatball made with Berkwood Farms bacon and stuffed with a homemade bacon cheese, wrapped with two pieces of bacon, smoked, dipped in bbq sauce, and on a stick.
- Deep Fried Deviled Eggs (Iowa Egg Council)

- A Midwest classic with a crispy twist! Panko breaded egg whites with a pickled yolk sauce that would make grandma proud. Served six pieces per order and enough sauce to cover 'em all.

- Brisket Nachos (Gobblestop Turkey Shop) - Nachos with cheese covered with slow cooked smoked brisket and topped with some more nacho cheese, BBQ sauce and jalapenos if you'd like.

In addition to "The World's Greatest County Fair Food," there will again be the "People's Choice" Award. Fairgoers can sample the five finalists and cast their vote at any of the Fair's information booths from Saturday, September 10 through Wednesday, September 14. The winner will be announced on Thursday, September 15 during the Fair.

Are you a "Fair Foodie?" Again this year, Fairgoers can take the Fair Foodie Challenge - pick up a special Foodie card at any information booth, sample all of the finalists, turn the Foodie card back in at any information booth and receive

a special "Fair Foodie" button.

Beside the finalists, other new foods at the upcoming Fair include: Love you Tender (punchy crispy chicken) - Little Blue Elephant, Little Mermaids (shrimp tempura) - Little Blue Elephant, Pistol Pete's "Almost World Famous" deep-fried pretzels - Smith Concessions, Brisket - Gobblestop Turkey Shop, Mac's Cristo - McCreary's Creative Catering, S'mores crumble waffle - Nordic Waffles, Roasted Corn in a Cup - Ormie Concessions, Horchata - Ormie Concessions, Chocolate Dipped Espresso Beans - Ground to Perfection, Handcrafted Gourmet Popsicles - Boji Blends, Bacon Pecan Pie - Side Door Concessions, Chicken bacon ranch ball - Side Door Concessions, Walt's Lemonade Creamsicle - Side Door Concessions, Mini Donut Latte - Black Earth Java, Red Bull Spritzers - Black Earth Java, Lotus Energy drinks - Black Earth Java, Italian Sodas - Black Earth Java, Creamosas - Black Earth Java, Chocolate covered espresso beans - Black Earth Java, Freeze Dried Candies - Da Bomb Candy, Cluck'n Coop Egg-O-Fuego - Iowa Egg Council, Chicken & Egg Salad on Indian Fry Bread - Iowa Egg Council, Egg Nog Iced Coffee - Iowa Egg Council.

To find your favorite foods at the 2022 Fair, a complete food directory can be found at <https://claycountyfair.com/visit-the-fair/vendor-directory/>. The directory allows you to search and locate your old and new favorite foods by name and vendor location.

Callahan to Speak at ILUUF

Rev. Joe Callahan will speak at the September 11 Iowa Lakes Unitarian Universalist Fellowship Hybrid service. His message will examine the importance of HOPE in our lives through two lenses: Christ's 'Farewell Discourse' in the Bible, and Dr. Viktor E. Frankl's experience in a concentration camp, recounted in his book 'Man's Search for Meaning.'

For those comfortable meeting in person, the service will be held in the Pebble Beach Room at Arrowwood Resort and Conference Center. Coffee begins at 10:30am, with the service beginning at 11:00am. Visitors are always welcome and those who wish to attend via Zoom can request an invitation with the Contact Us link on the Fellowship Website www.uuokoboji.com.

Joe Callahan was born in England and worked as a detective at Scotland Yard. He came to the United States with his wife and daughter in 1979 as an ordained minister in the United Church of Christ and served as a minister in Broad Brook, CT for 12 years. He is retired and he and his wife divide their time between their home in the Lakes Area and Mesa, Arizona.

The Iowa Lakes Unitarian Universalist Fellowship (ILUUF) is a member of the Unitarian/Universalist Association. ILUUF is a welcoming community seeking to provide opportunities for people of all ages to grow in their spiritual and ethical lives, finding the means to engage the world in creative and transformative ways. Dickinson County Museum - Where History LIVES

The Dickinson County Museum is pleased to announce the awarding of a grant from the Dickinson County Endowment Fund to create dedicated space and equipment for a Dickinson County Historical Research Center. This space will include a computer, printer, scanner, and ancestry.com software for public use. Many Dickinson County photos, records and articles are available online and will now be available for use at the Museum, in addition to the vast genealogical resources of ancestry.com and extensive print records. Museum staff will be available to help and support research. The Dickinson County Historical Research Center will be available for use after January 1, 2023.

The Museum will resume a winter schedule of hours beginning September 6, with open days Wednesdays 10:00-3:00, and by appointment at other times. Way Back When Wednesday conversations will continue at 10:00 each Wednesday.

History LIVES!, the Museum's popular speaker series, resumes Wednesday, September 14 with "Depot Daze," stories about living in the depot and tales of the railroads in Dickinson County. Steve Dyson, the grandson of H.B. Dyson - who was the last depot agent living at our Chicago, Milwaukee, St. Paul and Pacific depot, will be sharing photos and stories of the six member family's life living in the upstairs apartment.

The Dickinson County Museum will be launching a new website in September that will highlight the many programs, exhibits, and opportunities at the Museum in a timely and engaging way. It will also enable online donations and memberships.

The Dickinson County Historical Society and Museum, Inc., the governing body of the Dickinson County Museum, welcomes two new members to the Board of Directors. New members Joann Gano and Jeff Vierkant join Jim Avery, Irving Jensen, Patrick Lamoureux, Gayle Mayer, Norm Meinking, Jan Purdy, Jonathan Reed, Tom Riehm, John Sandy, and Cindy Schubert.

OKOBOJI FOUNDATION 2022-2023 YIP Application Online

Youth In Philanthropy (YIP), a program of the Okoboji Foundation, is currently accepting applications through Friday, September 10th, for the 2022-22 school year. Applications are available online at www.okobojifoundation.org/yip and open to all high school students, freshman through senior, in Dickinson County.

The YIP initiative was created in 2010 to empower and challenge area youth to identify community needs and build a sense of social responsibility while teaching the next generation the importance of community giving.

High school students interested in personal development, community awareness, and leadership skills are invited to apply. YIP participants from previous years are invited to reapply. All applications will be read and scored by the YIP Steering Committee without knowing names of the applicants. Up to 25 students will be selected to participate.

Students receive community service hours as they learn about the work of the Okoboji Foundation and area nonprofit organizations, fundraising for their own grant process, and recommend awards to vital nonprofit projects.

Since the program's inception, 190 students have raised over \$525,500, and granted out over \$415,300 to area nonprofit programs.

To learn more about how you can get involved please contact Mindy Gress or Ali Schmitz at the Okoboji Foundation at 712-332-7177 or info@okobojifoundation.org.

Milford Library News

Author Linda McCann is coming to the Milford Memorial Library on Wednesday, September 14, at 6:30pm.

McCann will share about her book, Civilian Conservation Corps of Northeast Iowa. She will be reading from her book and sharing stories from personal interviews. There will also be time for questions and books will be available for purchase. The Civilian Conservation Corps was a federal program to assist young men in supporting their families. Most Iowans know about all the work done in our state parks, but that was only 25 percent of what they worked on. Most of their work projects dealt with soil erosion, flood and drought prevention and planting trees. She is still working on the western part of the state, so she welcomes anyone who was in the CCC contacting her. This event is free to the public and no registration is required to attend.

Y.A.D.O., Young Adults' Day Off, will be held on Monday, September 12, from 11:30am to 3:30pm. This event is for fourth through twelfth graders. We will be watching Remember the Titans and making Bleach Spray Bottle O Pioneer shirts. We do ask you to bring a plain colored shirt, not white. Everything else, including food, will be provided. Y.A.D.O. will be held at the Milford Memorial Library and cost \$10. Registration is required. To register, call Arnolds Park Library at 712-332-2033 or Milford Library at 712-338-4643.

Fourth through twelfth graders may register now for the Young Adult September Challenge Box. The challenge is to plan, make a meal, and catch up with family and friends. This is a free program, but registration is required. Young adults may register by calling (712) 338-4643 or by emailing milfordlibrary51351@gmail.com. Subscription Boxes maybe picked up at the library.

For those who registered with the Dickinson County Extension and Outreach, reminder of the Salsa Making Basics, on Tuesday, September 13, at 5:00pm, at the Milford Memorial Library. All classes are currently full, but there is a possibility of more classes in October. For more information or to register for future classes contact: Dickinson County Extension and Outreach Sue Boettcher, boettche@iastate.edu 712-336-3438.

Obituaries

Jack Burrell was born on December 12, 1940, in Estherville, Iowa. He passed away on Friday, August 26, 2022, at the age of 81.

Visitation took place at Henry Olson Funeral Chapel in Estherville, Iowa, and a funeral service was held at the First Presbyterian Church in Spirit Lake, Iowa, on Saturday, September 3, 2022, with Pastor Clint Loveall at the officiant. Mr. Burrell was laid to rest at Lakeview Gardens in Spirit Lake, Iowa.

Jack's parents were Kenneth and Genevieve (Beck) Burrell and he had a younger brother, Jerry Burrell.

Jack grew up in Estherville and loved playing high school sports – football, track, and basketball. He attended college at Mankato State College in Mankato, Minnesota. He met the love of his life Margie Dinse working in the college dining services. They married August 6, 1961, in Meriden, Minnesota. They lived in St. Peter, Minnesota, after their marriage, where Jack worked for Hoffer Glass.

In 1963, Jack had the opportunity to move back to Estherville and work with his Dad (Kenneth). They owned and operated Burrell Oil Company for over 50 years.

In 1970, Jack bought land on the east side of Estherville and founded Green Acres Homes. He and Margie ran the business together until he retired and turned the business over to his son Monte Burrell. Jack was an entrepreneur who built a successful business that includes Green Acres Village, Okoboji Village and the Sales and Service Center. Green Acres Homes recently celebrated 52 years in business.

Jack and Margie had 5 children: Lisa, Lori, Gregg, Monte, and Steven. As the patriarch of his home, family was the most important thing to him. He created a supportive and loving home environment. Jack was very involved in volunteering to support his children's sporting activities – swimming, wrestling, basketball, and flag football. He also worked as a High School Football referee for many years. Jack was involved in the Shriner's, Mason's, Kiwanis Club, Iowa Manufactured Housing Association, Estherville Booster Club, Ocean Harbor HOA Board of Directors and was a longtime member of the Presbyterian Church of Estherville and Spirit Lake. Jack and Margie built a beautiful home on the south end of Big Spirit Lake. He loved the lake and spending time with his family and friends in his home.

Jack was an avid fisherman and loved going with the boys in his family and extended family to Canada for over 40 years. He also loved to hunt pheasants and waterfowl and took numerous hunting trips to North Dakota and South Dakota. Jack also loved all things sweet – ice cream, M and M's, cookies, pies, etc.

The later years of his life, Jack and Margie spent their winters in Fort Myers Beach, Florida. They created a whole network of friends which became like family to them.

Jack is survived by his wife of 61 years, Margie Burrell, of Fort Myers Beach, FL and Spirit Lake, Iowa; children, Lisa (Scott) Burrell Lair of Lakeville, MN /Fort Myers, FL; Lori (Greg) Burrell Friesner of Sioux Falls, SD; Gregg (Rebecca) Burrell of Lakeville, MN; Monte (Catherine) Burrell of Spirit Lake, IA, and Steven (Tara) Burrell of Farmington, MN; 14 grandchildren, Kyle (Linsey) Lair, Kirk Lair, Kendra Lair, Krista (Kyle) Blake, Kevin (Bryanna) Friesner, Kaitlyn (fiancé Fulei Peng) Friesner, Brandon Burrell, Amanda (Ben) Lamar, Alex (Romance) Burrell, Emily (fiancé Michael O'Brien) Burrell, Evan Burrell, Brennan Burrell, Jackson Burrell, and Bennett Burrell; 4 great-grandchildren, Adelyn and Eden Blake, Abigail Friesner, and Aidan Burrell; sisters-in-law, Joyce (Warren) Krumwiede and Diane Burrell Wilson.

He was preceded in death by his parents, Kenneth and Genevieve Burrell; brother, Jerry Burrell; mother and father-in-law, Edfried and Ella Dinse; uncle, Robert Beck and sister-in-law, Carol (Bob) Marold.

Jack will be remembered for his generosity, hospitality, work ethic, kindness to those in need and his love for his family.

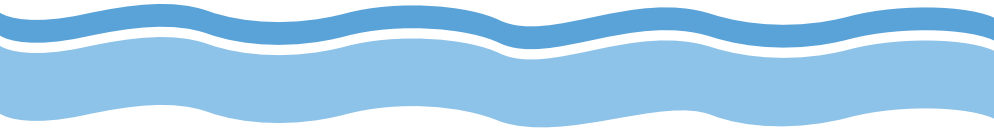

Online condolences can be left for Jack's family at HenryOlsonFuneral.com.

Big Game Preview-2022

It's Cy-Hawk week, one of the best weeks in the State of Iowa for college football fans as we talk smack to each other about who's going to get the football bragging rights for this season. As my Hawkeye friends (yes, I have a few) like to remind me, Iowa owns a six-game winning streak over Iowa State and Cyclone head coach Matt Campbell has never beaten the Hawks. Aside from the 42-3 drubbing Iowa put on ISU in 2016, the other five games have all been very competitive and largely decided by Iowa State turning the ball over 11 times during that stretch while Iowa has had an incredible zero turnovers vs ISU since 2015. This game is always hard to predict for me in my column because due to early deadline with the Labor Day Holiday, I will not have seen either team play yet, and I also tend to pick with my heart, which as you have just read, has not worked out well recently!

This year's game features what should be two very good defensive units with offenses who have a lot of question marks. Iowa's defense, which features pre-season All-Americans Jack Campbell and Riley Moss will try to disrupt and confuse first-year starting quarterback Hunter Dekkers. I feel like ISU has the edge on the line with more experience on their offensive line then Iowa has on their defensive line, but the Hawks are loaded at linebacker and in the defensive backfield. Dekkers has a solid receiving group, led by Xavier Hutchinson and Jaylin Noel and will get a boost from Colorado transfer Dimitri Stanley, who has had a great fall camp. To me, this matchup of ISU's offense vs. Iowa's defense is pretty much a toss-up, but I give a slight edge to the Hawkeye defense with two pre-season All-Americans and a bunch of experience.

Iowa's offense, as I wrote about two weeks ago, was very pedestrian in 2021. Quarterback Spencer Petras will have to be better in 2022, but that won't be easy against an ISU defense that is led by pre-season All-American Will McDonald. Iowa's receiving group has been hurt by transfers and injuries, and heading into their season opener vs South Dakota State, they were down to just four scholarship receivers. Petras will lean heavily on pre-season All-American tight end Sam LaPorta but will need help from his inexperienced running backs and fairly young offensive line. ISU has solid linebackers, led by three-year starter O'Rien Vance, and their defensive backfield should be very solid with returnees Anthony Johnson and Beau Freyler leading the way. To me, this is also close to a tossup, but will give the edge to the ISU defense as I just don't feel like Petras is capable of taking over a game.

Special teams has been an area where Iowa has dominated this series, especially last year when pre-season All-American punter Tory Taylor constantly pinned the Cyclones deep in their own territory with his booming punts. Both teams will be breaking in new place kickers, while ISU will also have a new punter. I give the big edge to Iowa in this category, as Taylor is a game-changer with his big leg.

As you can tell, this game, at least on paper, is pretty evenly matched. Until Matt Campbell can prove that he can beat Kirk Ferentz and the Cyclones can force at least one Iowa turnover, it's hard for me to pick my Cyclones. I believe we will have another close game, but look for Iowa to win the turnover and field position battle on their way to a 21-17 victory.

MILFORD CAMPUS UPDATE

To all of our supporters:

Spirit of Okoboji – a nonprofit, community-focused organization – has been working diligently to bring a sports tourism facility and a much needed housing development to Milford. The ideal location was identified, resulting in a fair market offer of \$1 million to purchase city airport land to facilitate the project.

The City of Milford did not accept the airport land purchase offer. Instead, a letter was received stating that the City cannot sell any property without following all of the required 17 steps outlined in the letter, including a sale price of \$21 million dollars. These requirements provided by the city council, mayor, and administrator of Milford simply cannot be met, therefore, Spirit of Okoboji has no choice but to move on.

With that being said, Spirit of Okoboji is 100% fully committed to bringing a world-class sports tourism complex to the lakes area and is looking forward to new opportunities outside of the city limits of Milford.

Thank you to all of you who have supported and are interested in our endeavors!

For further questions or to share ideas, please contact: Angie Cook, Spirit of Okoboji at 712-318-2989 or by visiting the website at www.MilfordCampus.com

bridge to life

The Bible teaches that God loves all men and wants them to know Him.

But man is separated from God and His love.

“God is on one side and all the people on the other side.”
(1 TIMOTHY 2:5)

Why is man separated from God and His love?

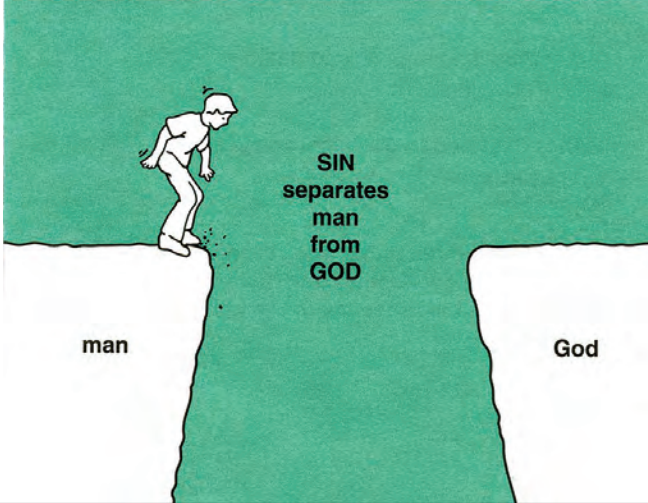

Because he has sinned against God.

“Your sins have cut you off from God.”
(ISAIAH 59:2)

“All have sinned and fall short of the glory of God.”
(ROMANS 3:23)

Where does this separation lead?

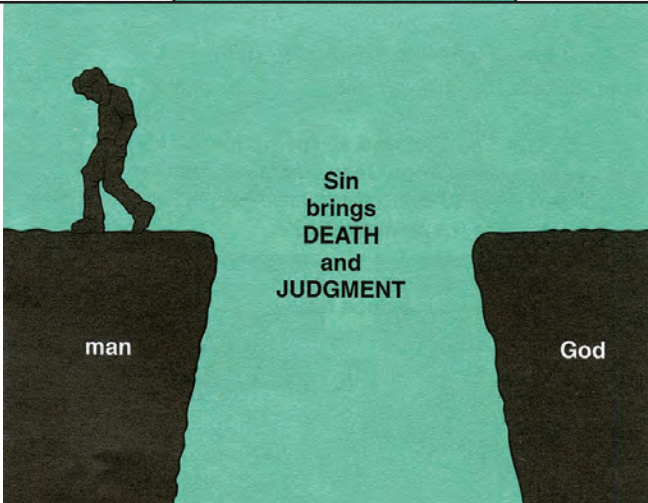

This separation leads only to death and certain judgment.

“Man is destined to die once, and after that to face judgment.”

(HEBREWS 9:27)
“Those who do not know God ... will be punished with everlasting destruction and shut out from the presence of the Lord.”
(2 THESSALONIANS 1:8-9)

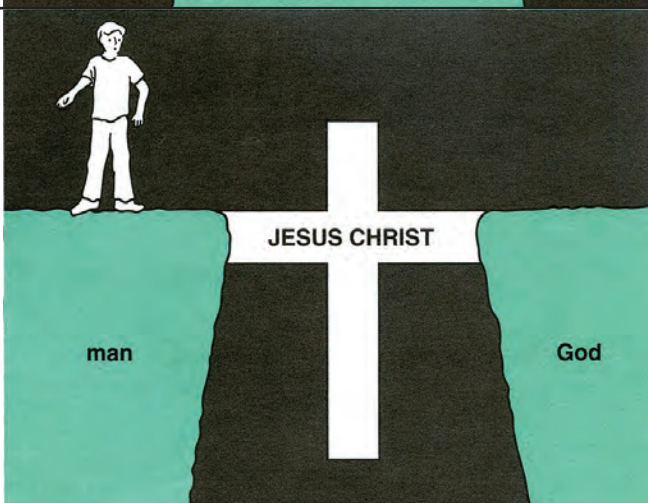

But, there is a solution.

Jesus Christ, who died on the cross for our sins, is the way to God.

“God is on one side and all the people on the other side, and Christ Jesus, Himself man, is between them to bring them together, by giving His life for all mankind.”

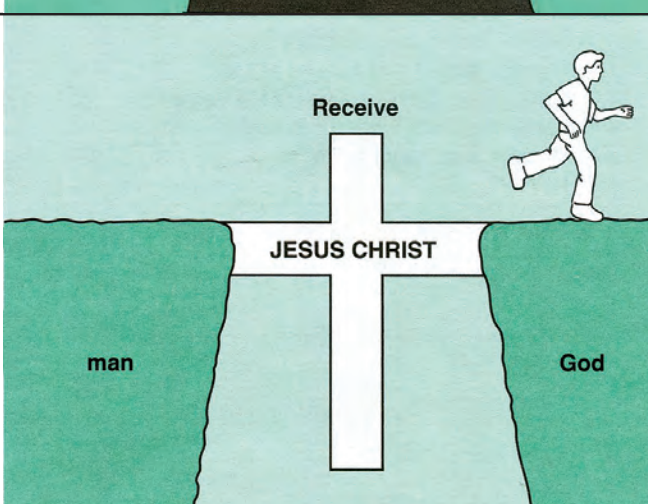

(1 TIMOTHY 2:5-6)
“Christ died for sins once for all... to bring you to God.”
(1 PETER 3:18)

Does this include everyone?

Yes. But only those who personally receive Jesus Christ into their lives, trusting Him to forgive their sins, can cross this bridge.

“To all who received Him, to those who believed in His name, He gave the right to become children of God.”
(JOHN 1:12)

Jesus says, **“Here I am! I stand at the door and knock. If anyone hears My voice and opens the door, I will go in and eat with him, and he with Me.”**
(REVELATION 3:20)

How does a person receive Jesus Christ?

Everyone must decide individually whether to receive Christ.

Jesus said, **“You may ask Me for anything in my name, and I will do it.”**
(JOHN 14:14)

Therefore, if you pray sincerely, asking Him this:

Lord Jesus, please come into my life and be my Savior and Lord. Please forgive my sins, and give me the gift of eternal life.

He will do it now.

If you have invited Jesus Christ into your life, the Bible says you now have eternal life.

“God has given us eternal life, and this life is in His Son. He who has the Son has life; he who does not have the Son of God does not have life.”
(1 JOHN 5:11-12)

Best Burger with Blue Cheese Butter - Serves 4

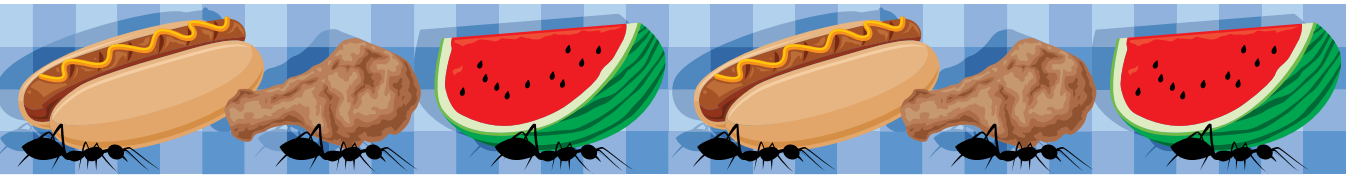

1 pound ground chuck steak
2 teaspoons salt
1 teaspoon black pepper
4 1/2" slices blue cheese butter (see below)
4 sesame hamburger buns, halved

Blue-Cheese Butter
(Makes 8 servings)
8 tablespoons unsalted butter, softened
1/2 cup crumbled blue cheese
1 teaspoon black pepper

Place Blue-Cheese ingredients in a food processor or blender; pulse until well blended. Wrap in foil. Place in the freezer about 45 minutes. To serve, remove from foil and cut into 1/2" slices. Combine ground steak with salt and pepper. Divide into 4 burgers about 1" thick. Grill over hot coals for 4 minutes per side for medium rare, or 5 minutes per side for well done. Place buns cut side down on grill until warm and lightly golden, 1 minute. Top burgers with butter and serve hot in sesame buns.

Best Herbed Burger Variation: Add 2 teaspoons fresh thyme leaves or 1 teaspoon dried thyme, 1 crushed garlic clove and 1 tablespoon finely chopped onion to the ground steak.

LETTERS TO THE EDITOR

To The Editor: The Okoboji Women's Club was organized in 1950. The original goal was to save the Gardner Cabin. Through tireless efforts, the Okoboji Women's Club was able to purchase and restore the Gardner Cabin and obtain its place in the National Registry of Historical places in 1973. The Okoboji Women's Club was fundamental in supporting many more projects. We would welcome new members who would enjoy our monthly meetings with guests speakers who present a variety of topics. We also have fun and friendly fellowship at our meetings. We meet at the Homestead Cooperative. The address is 2351 27th Street, Spirit Lake, Iowa. If you would be interested in attending, please call Lyn Marksbury at 712-574-2165 to make a reservation. Our next meeting will be at noon on Friday, September 9, 2022. The change in time is due to a potluck on that day and the change to the second Friday is due to the Labor Day holiday. Please bring a main dish, salad, or dessert for the Potluck. There will be approximately 15-18 women at the meeting. Our speaker will be Norma Martens, on the topic of a Historical School. Lyn Marksbury, President of the Okoboji Women's Club

Four Tips for a Happy Harvest in 2022

by Kris Kohl, Ag Engineering Specialist Here are four tips to make the 2022 harvest run smooth and safe here in the next two months. 1. Check your fields - This year's corn crop is maturing fast, because of the dry hot summer. At black layer, the corn is about 30 percent moisture and will dry down depending on the temperature. General weather average field dry down: • September - 4 to 5 points per week • October - 2 points per week • November - 1 point per week This year, much of the corn will mature in early September allowing for fast moisture loss by early October. 2. Check the bin floor - The bin floor should be clean and at least 8 inches of space between the floor and the fines under it. When it is filled with fines, the airflow is reduced and often more uneven. Check for insects in the fines, especially Indian meal moths that will plug the floor with webbing from their cocoons. If the space is too tight or the insects are present, clean them out. This might mean pulling the floor, which is a big job. 3. General maintenance - Use a good silicone caulk to seal the bin to the foundation and any small leaks, so that the air goes through the grain. Check the electrical system to make sure everything works from fans to spreaders. Start the burner on the heaters to be sure they will start. If fans have belts, make sure they are tight and in good shape. Also, check to make sure the stalks are strong and plan the harvest to get as much into the bins and reduce field loss. 4. Cool the grain - Early harvests don't lend themselves to cooling the grain as night temps might remain high. As soon as the night temps are below 40 degrees, the fans need to run to get all of the grain below 40 degrees to keep through the winter. It only takes 1/10 of a cfm to cool a bushel of grain in 24 hours. A 1hp fan can cool 2,000 bushels a day. A 10hp fan can cool 20,000 bushels a day. This year looks like an early harvest start, so get prepared and please keep safety in mind.

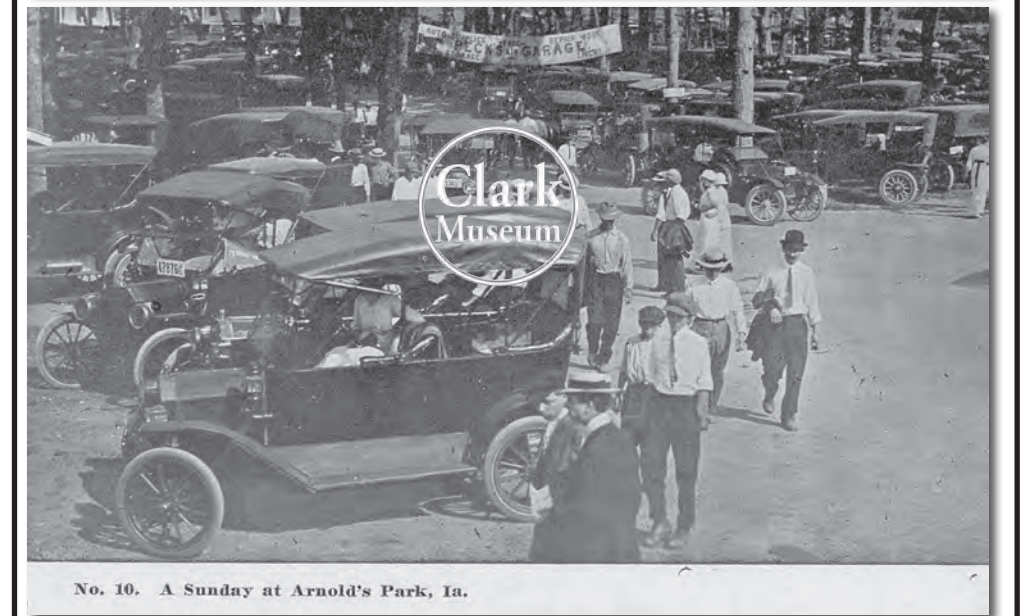

Caregivers Support Group

Lakes Area Caregivers Support Group is available for help dealing with the stress of being a caregiver to someone with Alzheimers or other dementia disorders. This community caregivers group meets at 10:00 every Wednesday morning at First Presbyterian Church in Spirit Lake. This is an opportunity to discuss with other caregivers stories and concerns in a comfortable and confidential manner. A typical meeting might include a presentation on topics such as handling of legal issues, stress reduction, care facilities, positive coping language, and sharing personal methods of handling challenges faced every day by other caregivers. Precision Agriculture and Animal Science Days

Iowa State University Extension and Outreach will host Precision Agriculture and Animal Science Days on Tuesday through Thursday, September 6-8 at the Northwest Iowa Research Farm near Sutherland. Precision Agriculture and Animal Science Days engage high school students in hands-on agriculture education while also showcasing careers in agriculture and connecting students with post-secondary opportunities and business and industry leaders. "Precision Ag and Animal Science Days encourage Northwest Iowa high schoolers to take a look at the many career avenues agriculture offers in Iowa and nationwide," said Beth Bunkers, Youth Program Specialist with ISU Extension and Outreach. "Students take part in real-life ag career exploration and make connections with individuals who can help them after high school, whether that be in college or the job market. The connections students make during this event can guide them in making career choices and even finding a full-time job or internship." Precision Agriculture and Animal Science Days received the Iowa Governor's STEM Advisory Council Seal of Approval in 2017 and each year, event coordinators strive to make improvements and changes to the event.

"Agriculture is ever-changing, which means that ag careers are constantly changing also," said Kate Stewart, K-12 Program Coordinator with ISU Extension and Outreach in O'Brien County, who coordinates the event. "Traditional ag careers have evolved with developments in technology, marketing, biosecurity and more. We strive to show students that no matter their strengths, interests, or skillsets, they can find a great job in agriculture or a related field, and they can find it here in Northwest Iowa." One hundred fifty high schoolers are invited to attend the event each day, for a total of approximately 450 youth participants during the three-day period. Precision agriculture and animal science - specifically the equine, goat, and small animal industries - are the focuses of this year's event. Students will take part in a variety of science, technology, engineering, and math activities. Each day, there will be 12 different presentations between 9:00 a.m. and 2:00 p.m., with a keynote speaker during the noon lunch. Precision Agriculture and Animal Science Days are hosted for participating schools and students at no charge thanks to generous community partners and volunteers. "We could not host this event without our collegiate, business and industry partners who volunteer their time to come and host educational sessions for students," Stewart said. "A sincere thank you to all of those who help make this event possible." To view photos and recaps from the 2022 event, follow ISU Extension and Outreach O'Brien County on Facebook (https://www.facebook.com/ISU.ExtensionandOutreachO'BrienCounty). For more information about the event and/or to get involved, contact Kate at 712-957-5045 or kstewart@iastate.edu.

No. 10. A Sunday at Arnold's Park, Ia. Stepping Back in Time by Jerry and Irene of the Clark Museum of Okoboji area and Iowa history - Milford, IA.

If you are a handyman like Clarence Eckman, a wrecker made from 1926 Packard could be built. Mr Eckman was a well known mechanic who worked on cars, boats, etc. Vern Eckman is a good friend of mine and he can tell a lot of history about his father. The second photo is a nice picture of where the green space is now located. The Peck banner shows in the background. I can tell a lot of history during this time period. You lake people should tour the Clark Museum, get your neighbor and come on out. The Clark Museum, located 1 mile west and 1.5 miles south of the Highway 86 and 71 corner (2151 213th Ave, Milford, IA 51351) is a 501 (c) 3 Non-Profit. Beauty at Short recalls baseball glory days

Baseball has long been regarded as America's favorite pastime. While some may find that arguable, given the ascendance of football and other sports, baseball remains an icon of the past — and hopefully the future.

Beauty at Short by Tom Alesia of Madison, Wis., takes an in-depth look at the career of Sioux City, Iowa, native Dave Bancroft that's both statistically comprehensive and interesting. Bancroft, who made his lifetime home in Superior, Wis., earned the nickname "Beauty" from his remarks on the field.

"Dave Bancroft should not be in the Baseball Hall of Fame," Alesia begins. Alesia makes the point that, while Bancroft did a remarkable job at shortstop, his hitting career was spotty.

And a checkered career it was at that. Bancroft started in the minors with a Sioux City team, the Black Knights, moving on through various minor-league teams in Colorado, Iowa, Minnesota, Wisconsin and Oregon, finally landing a spot with the Philadelphia Phillies from 1915-20.

"I think he's the greatest shortstop that ever played the position," said Garry Cranath, Phillies player-manager. After the Phillies, Bancroft moved on to the New York Giants, Boston Braves and Brooklyn Robins, returning to the Giants as assistant coach. After that, Bancroft returned to the minors.

Despite Bancroft's on-and-off hitting, he played shortstop about as well as anyone.

"Bancroft set a single-season major league record for most chances (984) at shortstop, which count either directly fielding the ball or having another fielder throw it to him. The record still holds," said Alesia.

Bancroft's greatest seasons were in 1921 and 1922 when the Giants won both World Series matchups against the Yankees. Bancroft also led the league in shortstop putouts in 1918, 1920, 1921 and 1922. He also hit in the .300s for both the Giants and Boston over several seasons.

Just a little over a year before his death, Bancroft learned he had been inducted into the Hall of Fame as its 126th member. Due to ill health, he was not able to attend.

Alesia does more than offer a lot of statistics. He brings Bancroft to life. This is more than a book about baseball. It's a book about a man who overcame the odds and found a place in the Hall of Fame.
