**LIST WITH US FOR PROFESSIONAL SERVICE!!**

I found an old black cigar box at my favorite antique shop for just a few bucks. The rope handle pretty much stole my heart as soon as I saw it. I wasn't entirely sure what I was going to create with it, but then my new Silhouette CAMEO and vinyl starter kit arrived and my creative juices began flowing.

I designed the text "Giving Thanks" and "Thankful Box" in the Silhouette Studio software program and then cut it out which was super easy!

I carefully peeled away the excess vinyl. And then I set it aside to prepare the box.

The other day when I was doing the massive carport cleanout/cleanup, I found an old hymnal. Yay! I love crafting with sheet music! I arranged four pages, trimmed them where needed and then glued them together.

I {heart} this amazing Elmer's craft bond glue stick that I used last week for my party food labels.

Then, I carefully burned the edges of the pages just a little bit. I was standing over a sink of running water just in case I needed to douse a flaming page. I've always wanted to try this little "burned" detail and it worked beautifully! I used a bit more of my Elmer's glue stick to attach the paper to the box.

I transferred the vinyl words onto the Silhouette transfer paper and then I carefully lined the letters up before pressing them down onto the box. I used the scraper to press the letters onto the box, so that the transfer paper came off perfectly!

Since my pumpkin specimen art project left me with pieces of scrapbook paper, I decided to cut them up and put them in the cigar box with a marker. What could be better this time of year than a box with paper and pen to record what we're thankful for?!

*Do you have a special way to record things that you're thankful for?*

*Let us know online!*

[james.vacca@council.nyc.gov](mailto:james.vacca@council.nyc.gov)

**Message From James Vacca**  
**NYC Councilman 13th District**

### DEPARTMENT OF VETERANS' SERVICES

On Tuesday I voted in support of legislation to create a full Department of Veterans' Services. Prior to this bill, there was simply an Office of Veterans' Affairs within the Mayor's Office. This new department will be led by a Commissioner, enabling a wider array of services for our city's veterans. As we celebrate Veteran's Day I'm proud that this legislation will raise the profile of veterans' issues in the city of New York. We must never forget the sacrifices made by those who have served in the armed forces and must also make sure that services are provided in our city for those who have given so much to secure our freedom and liberty. This new agency will be charged with that responsibility.

### FREE IMMIGRATION ATTORNEY

I want to remind everyone that I have an immigration attorney at my office twice a month, who offers free legal assistance to constituents seeking services. Those who are interested must make an appointment in advance since the lawyer generally will not be able to see walk-ins. The attorney handles naturalization cases and applications for Deferred Action for Childhood Arrivals (DACA). For more information, you can contact William from my office at (718) 931-1721.

### LIVING WILL & HEALTHCARE PROXY SEMINAR

The Pelham Bay Library is holding a free workshop titled, "We Need to Talk: Completing Your Living Will & Healthcare Proxy." The workshop will be held on Wednesday, November 18th at 5 PM at the library, which is located at 3060 Middletown Rd. This workshop will provide basic planning information. Ideas presented will help you make the choices that are right for you and there will be the opportunity to share ideas on how to discuss these issues with your family.

The workshop is led by a certified Public Health Educator. For more information, please reach out to the library at 718-792-6744.

### NATIONAL DIABETES AWARENESS DAY

Saturday November 14th is National Diabetes Awareness Day. Diabetes is a disease that leads to high levels of blood sugar, estimated to impact 1 out of 3 people in their lifetime. Nearly 30 million children and adults in the US have diabetes. Uncontrolled diabetes can lead to heart failure, kidney disease, vision impairment and possible amputation. However, diabetes is a preventable disease. You can also significantly reduce your chances of developing diabetes by eating healthy, maintaining a healthy weight, quitting smoking, increasing physical activity along with monitoring blood pressure and glucose levels. For more information please go to the website of the American Diabetes Association at [www.diabetes.org](http://www.diabetes.org)
