## Congratulations WINNERS 2022

The Delaware County DailyTimes once again thanks our readers and our business community for participating in our Annual Reader's Choice Awards!

We started back in July asking readers to pick their favorites for Best of Delco 2022. We received thousands of votes this year. This year's list of restaurants, shops and places that make Delaware County so fabulous is one of our best! We love listing so many extraordinary spots you may not know about or those familiar to you.

While the following lists show your winners, we encourage you to support businesses in your neighborhood, around your town and throughout the county. Please continue to support our local economy by shopping local. Shopping local puts revenue back into the community and helps sustain area jobs.

So enjoy this section, mark your favorites, and hold onto this special section highlighting the best of our towns in Delaware County. The DailyTimes looks forward to bringing you the best of what Delaware County has to offer each and every day in print and online at [www.DelcoTimes.com](http://www.DelcoTimes.com).

**Congratulations to the Winners and  
thank you again to all that participated.**

*Rich Crowe, Sales Director*

For Love of Dogs

## *Professional Pet Sitting and Dog Walking*

Serving Southeastern Delaware County in Pennsylvania

- Is your Pet a “latch-key” pet?
- Do you work long or late hours?
- Going out of town for vacation or business?

Stop Feeling Guilty!! The demands of today's careers and lifestyles are so time consuming that we cannot tend to our companions as often as we would prefer. For Love of Dogs will bridge the gap and see to it that your pet receives competent, loving, professional care in their own home. Boredom (ie: loneliness and inactivity) is the number one cause of unhappy, anxious and destructive pets.

Daily visits offer your pet the exercise, attention, and relaxation they need to stay happy and healthy. Midday visits are a good way to help reduce separation anxiety and give your pet a much needed potty break. Which helps maintain consistency for your housebreaking training.

**While you're away on vacation or business travel...**

We will visit your home three to four times per day and provide companionship and care to your beloved pets. We will bring in your mail and newspaper, feed your fish, turn lights on and off at specified intervals, and accommodate many special requests.
