Loyalty works *both ways*

Thank you for again voting **Krapohl Ford & Lincoln** #1 for multiple People's Choice Awards. Most importantly, thank you every time you turn to us for your automotive needs, whether you're buying a vehicle or getting an oil change, new tires, service, detailing or body work done.

In return for your loyalty, we make it a point to give back to the community. Your support of us leads to our support of organizations such as HATS, the Women's Initiative, the Mt. Pleasant Area Community Foundation, Community Cancer Services, youth soccer and community recreation, the Chippewa Watershed Conservancy, and the CMU Baja racing team, to name just a few. We welcome school groups to host car washes on our lot, and we help fund scholarships for area students.

With your ongoing support, Krapohl Ford & Lincoln has made this community its home for more than 70 years. And that means the world to us.

We would like to thank everyone in our community for voting us the #1 Tire Shop in Isabella County People's Choice Awards for the 7th year straight! And also, we are happy to know that we have been voted in the top three for favorite Auto Oil/Lube Shop and Auto Service Department! It has been another year of hard work, but also of enjoying the friendship and trust of our customers and community. We feel truly blessed to have such strong support from our hometown and surrounding areas.

As a division of Alma Tire Companies, we have recently united our passenger and light truck mechanical repair and tire shops under one name, Modern Mechanics! Since 1954, we have recognized that honesty and integrity are paramount, hard work is a virtue, family and friends must be treasured, and some things are worth fighting for. As our Modern Mechanics shops spread across Michigan, we will continue to carry on these values and focus our investments on providing excellent customer service and the best full-service auto experience. As a result, when you visit one of our Modern Mechanics facilities, you can expect to be treated with the same care you all know and love at Mount Pleasant Tire - Modern Mechanics.

We cherish the relationships we have built over the years and are so grateful to have earned your trust. Thank you for recognizing the efforts of our hard-working men and women who work hard every day to provide you with the top-notch service you all deserve. It has been another great year, and we are looking forward to continued success in the future. Thank you again, Isabella County, and God Bless America.

THANK YOU, ISABELLA COUNTY!

**It's truly an honor to be voted by our community as one of the
Top 3 Best-of-the-Best Mortgage Loan Officers!**

My parents were born in Beal City and Riverdale and returned to their roots here in Isabella County in 1967. Shepherd was always home, and helping people was their dream, so they opened Kelli Home Improvement to provide affordable, quality home renovations. I currently live in my childhood home and seek to carry on my family's vision and traditions. It remains my inspiration to help others obtain their dream of homeownership and start their own traditions and create countless memories.

For more than 25 years, my goal has been to bring the powerful solutions of large national banks and lenders to small-town communities. I have always strived to learn as much as I can to educate people on how to become a homeowner. By doing so, we consistently help where others fall short. I'm proud to have helped the dream of homeownership become a reality for so many who were initially declined elsewhere. Today, the majority of KBS Mortgage Solutions business comes from referrals.

THANK YOU to all the borrowers I have worked with and have referred me to their friends and family as well as to the numerous realtors who entrust me with their business. This is truly the highest compliment any person or business can receive.
