ARIES (March 21 to April 19) change that you'd hoped for is down the line. But, you still need to be patient until more explanations are forthcoming. Continue to keep your enthusiasm in check.

TAURUS (April 20 to May 20) Your social life expands as new friends come into your life. But, while you're having fun, your practical side can also see some positive business potential within your new circle.

GEMINI (May 21 to June 20) Your workplace situation continues to improve. Look for advantages you might have missed while all the changes were going on around you. A trusted colleague can help.

CANCER (June 21 to July 22) Resist the urge to hunker down in your bunker until things ease up. Instead, get rid of that woe-is-me attitude by getting up and getting out to meet old friends or make new ones.

LEO (July 23 to August 22) Now that you're back enjoying the spotlight again, you should feel re-energized and ready to take on the challenge of bringing those big, bold plans of yours to completion.

VIRGO (August 23 to September 22) A former friend would like to repair a relationship you two once enjoyed. Your positive response could have an equally positive impact on your life. Think about it.

LIBRA (September 23 to October 22) Resist making impulsive decisions. Stay on that steady course, as you continue to work out workplace problems. Be patient. All will soon be back in balance.

SCORPIO (October 23 to November 21) You might feel confident about taking a promising offer, but stay alert for what you're not being told about it. Don't fret. Time is on your side.

SAGITTARIUS (November 22 to December 21) People dear to you might be planning a way to show appreciation for all you've done for them. Accept the honor graciously. Remember, you deserve it.

CAPRICORN (December 22 to January 19) Congratulations! Your self-confidence is on the rise. This could be a good time to tackle those bothersome situations you've avoided both at home and at work.

AQUARIUS (January 20 to February 18) You feel obligated to return a favor. (Of course, you do.) But, heed advice from those close to you and do nothing until you know for sure what's being asked of you.

PISCES (February 19 to March 20) Your loving reassurance helped revive a once-moribund relationship. But, be wary of someone who might try to do something negative to reverse this positive turn of events.

BORN THIS WEEK: You are a wonderful matchmaker who can bring people together to form long-lasting relationships.

Brownies

Comic characters are often used as models for toys, because they are already favorites of children. One group of toys was based on children's books by Palmer Cox (1840-1924), an author who was born in Quebec, Canada, and lived in Panama and San Francisco as a railroad contractor and carpenter.

Around 1874, he began to study drawing and write and illustrate stories. Cox published his first Brownies in 1879. The Brownies were in many magazines, including Ladies' Home Journal and a tobacco journal. Most Brownies were in books of humorous verse, comic strips, story books, and even on a cigar box label.

Each Brownie has a personality and trade, and was dressed appropriately for his job. You can see Uncle Sam, a policeman, Irish man, sailor and even a man in a top hat among the figures in the game of ten pins. Each figure is 12 inches high, made of lithographed paper over wood.

Brownies were so popular they were featured as paper dolls, trade cards, rubber stamps, card games, puzzles and cloth dolls. They were decorations on carpets, wallpaper, china, glassware and tableware. This boxed game of Brownie ten pins was estimated at \$300 to \$400 at a recent Bertoia auction and sold for \$354, while a set in excellent condition would sell for \$700 to \$1,000.

Q: A reader (T.K.) sent us an interesting answer to a question we published previously: "Does the old liquor in an old mid-1800s whiskey bottle add to the value? Is it safe to drink? Is it legal to sell the whiskey in an old whiskey bottle if you are not licensed by your state?"

A: There are different rules about selling whiskey in the states. A long stay in a glass bottle should not change the whiskey the way storage in an oak barrel does, but if it is opened, it probably should not be served. But our reader says there are collectors who

This 1930 Palmer Cox Brownie Ten Pin Set with 12-inch-high paper and wood Brownies sold at Bertoia Auctions for \$354.

pay lots of money for old, unopened, full whiskey bottles. They are called "dusties," and some collectors hunt for them in liquor stores. The writer knows someone who sold filled bottles of bourbon to a shop owner who sells "pours" to customers.

TIP: If you use valuable glass or pottery vases for flowers, use dried plants unless you protect the vase. Put a smaller glass vase inside to hold the water and the flowers. Hard water will leave a stain on pottery or glass.

Laidback Golf Tour Major at Bryan Park

The Laidback Golf Tour held its 4th Major tournament of the 2022 season September 19th at Bryan Park Players Course in Brown Summit, NC. The last time the Tour played the Rees Jones designed course their group of twenty-four players was able to turn in six rounds in the seventies and claim six birdies. This time their field of twenty was only able to place two players with scores in the seventies and card thirteen birdies and two eagles. One of the two rounds in the seventies was a 74 by Alan “ Boom-Boom” Bombard which tied the lowest gross round of the season. The other was by Robbie Revis earlier in the year at Southern Hills. Both low rounds came from players playing in the B-Flight at the time.

The Tours points race changed a bit with the double points awarded today by being a Major Event. Mike Asbury moved up from second place to first place having 8,450 points now and Randy Kenyon moved up from fourth to second with 8400 points. Only two regular tournaments and one major remain this season to award points toward the Points Championship. The Tours next scheduled tournament is at Oak Hills Golf Club in Eden, NC on Monday October 3rd beginning at 10am. Entry fee is \$65 and registration is request by Monday September 26th with cutoff being noon Saturday October 1st.

Laidback Golf Tour Country Hills Tournament Results

On Thursday September 15th twenty members of the Laidback Golf Tour traveled to Gibsonville, NC to play Country Hills Golf Course. It was only the second time the Tour had played the course which was built in 1994 and has beautiful hybrid 419 Bermuda fairways and Champion Bermuda greens. The last time the Tour was here was in 2019 prior to the covid epidemic when only 14 players participated. The group that day had 7 birdies, ten rounds in the eighties, and four rounds in the seventies. Today the scores were a bit higher with the group of twenty posting two rounds of 100 along with ten rounds in the nineties, seven rounds in the eighties and only one round in the seventies. The group did again have seven birdies. Mike Asbury ; the seasons money winning leader carded two birdies ; one of which was the \$80 honey hole led all scorers with his round of 79.

The season points race remained very tight with Robbie Morris still holding on to a 190 point lead over Mike Asbury with four tournaments remaining in the season's points race; two of which are Majors awarding double points. The Tours next scheduled event is a Major at Bryan Park Monday September 19th beginning at 10am. Registration is required by noon Saturday September 17th for this event. Entry fee is \$80.

Answers

1. The Little River Band, in 1978. Recording the song was difficult until the perfect keyboard player came into town just as the band was about to give up. One more shot and there it was, a hit.

2. April Wine, in 1985. The group was under contract for one more album, but by the time they produced this one, the group had already broken up. They managed to pull it off with the use of session musicians and two original members of the band.

3. The Box Tops, in 1967, three months after "The Letter" was released.

4. The Who, in 1967.

5. "Pink Cadillac," by Bruce Springsteen in 1984. The song stayed on Billboard for 14 weeks and was later covered by numerous others, including Natalie Cole and Jerry Lee Lewis.
