## Get Vaccinated and Boosted!

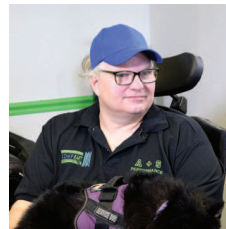

Unfortunately, many people now feel that COVID isn't a deadly threat anymore, but if you're an older adult or a person with chronic or disabling conditions, getting COVID can still kill you. Getting Vaccinated was definitely the right decision for me."

*David Wantuck - Amherst, NY*

"Everyone is different. If you catch COVID, there's no way to predict how severe it might be. It can kill you or you can have no symptoms at all. That's why I got Vaccinated."

*Krystle Babbs - Buffalo, NY*

If you are listening to all the misinformation out there, listen to this. The COVID vaccine is still the safest and most effective way of reducing risk of a serious illness or death. Just ask your doctor, I did."

*Valerie Swarts - Holland, NY*

The Livingston County Habitat for Humanity is seeking leads for new

## Board Members

### OUR APPROACH

- Habitat for Humanity takes a community approach to provide affordable housing for building new homes and renovating existing ones. Sweat equity is at the heart of this approach, where our homeowner partners provide labor that contributes to keeping the costs down and also offers the community at large an opportunity to work with the homeowners.
- When a town has a number of active board members, it increases the visibility of Habitat in that town, which increases the likelihood of future projects there, as well as brings new, innovative ideas about how to realize those projects.

### OUR IDEAL BOARD MEMBER

- As with any nonprofit board, Habitat seeks board members that can contribute in various ways.
- We have a need for board members with construction background or administrative experience, as we need both Construction Committee support and a future Secretary.
- Board member connections to donors, builders, and volunteers all help to facilitate the Habitat mission.

### NEXT STEPS

- All potential board members are interviewed and their membership voted on by the existing Board.

If you have any leads or are interested yourself, please contact us at [livingstonhfh@gmail.com](mailto:livingstonhfh@gmail.com) or (585) 335-5634
