Moss Service Funeral Home

Mike, Rhonda & Grant Pepple were honored to visit The Neptune Memorial Reef!

HOW WILL YOU BE REMEMBERED?
AN UNDERSEA TRIBUTE TO LIFE. PLACED IN OUTERSPACE OR TRADITIONALLY BURIED

Benjamin Joslin would love to show you the path to **pressure free decisions** about end of life planning and to provide you with a **free Personal Planning Guide!**

<https://www.youtube.com/watch?v=4zBfepoPvow>
<https://www.nmreef.com/>
 To see a live view of the reef.

Call Moss Service to learn more about Neptune Reef or to hear of our visit.

Neptune Reef is an artistic representation of the Lost City of Atlantis, 40 feet under the sea. These structures have produced a marine habitat to promote coral and marine organism's growth while creating the ultimate 'Green Burial' opportunity. A recent marine study conducted by the Department of Environmental Resource Management concluded that marine life around the Reef has gone from zero to thousands the first two years.

Moss Service Funeral Home will help plan a **cremation, funeral or celebration** to fit every situation while being *sensitive to every budget and health* consideration.

All Affinity partners receive a 10% discount. Call to see if your *group or church* is an affinity partner.
