# Salome's Stars

**ARIES** (March 21 to April 19) You might not like the sudden setback in your plans. But keep that headstrong Arian temperament in check and wait for explanations. Things will begin to clear up by week's end.

**TAURUS** (April 20 to May 20) Enjoy the respite from your recent hectic schedule, but be ready to plunge into a new round of social activities. A new contact holds much potential for the future.

**GEMINI** (May 21 to June 20) A trusted colleague has news that could change your perception of a current workplace situation. What had seemed unfair might prove to be highly favorable after all.

**CANCER** (June 21 to July 22) You still need to watch what you say and how you say it. What you assert as honesty, others might perceive as Crabbiness. Be patient. This difficult period clears up by the weekend.

**LEO** (July 23 to August 22) Your Royallness needs some time away from the limelight to catch up on things, whether it's tidying up your desk or making those calls you've put off. You're back in the center of things by the weekend.

**VIRGO** (August 23 to September 22) Honesty is the best policy, of course. But, you'll do better at achieving your goals if you can be less aggressive and more circumspect in how you phrase your comments.

**LIBRA** (September 23 to October 22) Your ability to maintain your balance in confusing situations continues to work for you. Stay on the steady course, one step at a time. The weekend shows improvement.

**SCORPIO** (October 23 to November 21) Your indecisiveness could simply be your keen Scorpion sense warning you to be wary of making a commitment. Take this time to do a more thorough investigation.

**SAGITTARIUS** (November 22 to December 21) Good news: New information comes your way to help you make a more informed decision on how to deal with the opportunity that has opened up for you.

**CAPRICORN** (December 22 to January 19) This is a good time to reinforce your self-confidence by acknowledging your own good qualities. A lull in your social life ends by the weekend. Have fun.

**AQUARIUS** (January 20 to February 18) It's a good time to let those recently pent-up emotions flow more freely. Why not start by letting the people you care for know how you really feel about them?

**PISCES** (February 19 to March 20) Resist offers, no matter how well-intentioned, to help with a personal decision. Only you know what must be done, and you have the emotional strength to follow through.

**BORN THIS WEEK:** You have a talent for getting things done. You also have a gift for bringing people together in both personal and professional relationships.

**Rough Flight**

An airplane encountered some turbulence. It started juddering and rocking noticeably from side to side.

The flight crew wheeled out the drinks cart to keep the passengers calm.

The attendant asked a business man, "Would you like a drink?"

"Why not?" he replied unkindly. "I'll have whatever the pilot's been having."

**Know Your Math!**

Rick, fresh out of accounting school, went to a interview for a good paying job. The company boss asked various questions about him and his education, but then asked him, "What is three times seven?"

"22," Rick replied. After he left, he double-checked it on his calculator (he \*knew\* he should have taken it to the interview!) and realized he wouldn't get the job.

About two weeks later, he got a letter that said he was hired for the job! He was not one to look a gift horse in the mouth, but was still very curious. The next day, he went in and asked why he got the job, even though he got such a simple question wrong.

The boss shrugged and said, "Well, you were the closest."

**Piedmont Pets**  
 September 29, 2022

We do not know now what effect Hurricane Ian will have for this area. It still would be wise to use this time to prepare your pets for heavy storms. The best time to prepare is long before the first raindrop falls or the first wind gale is felt.

The government urges us to have at least a three day supply of food, medicine, clothes, water, etc. An emergency kit for each of your pets' needs is also essential. Include in this kit at least a three-day supply of food and water, food/water bowls, regular medications, a first aid kit, a carrier (essential for cats), leashes, and a litter box and litter for cats. Small mammals and birds must have cages.

Even if evacuation is not necessary (and actually, very seldom is in this area), it is wise to have a supply of fresh water, food, and medicine for each of your pets. I also make sure that I have a full tank of gas and my phone is fully charged.

We have prepared the animal shelter for an emergency; however, do not rely solely on local animal shelters, because during emergencies they are filled beyond capacity with strays and rescued animals. A few simple steps can protect your pets: Keep up-to-date identification on your dog or cat at all times. Make sure the collar is properly fitted (avoid chain link collars for dogs and use breakaway collars for cats). For the best protection, have all your dogs and cats microchipped; be sure to register the chip number. Keep current color photos of your pet, showing

**996 South Boston Rd., Danville, VA 24540**  
**Phone: (434) 799-0843**

any distinguishing marks, with your emergency supplies. If you and your pet become separated, these photos will help identify him/her. If you know a disaster is imminent, bring your pets inside immediately! (The obvious exception to this is in the case of a house fire.) Get your animals under control as soon as possible, either on a leash or inside a carrier.

Disasters often strike while you're away from home. Consider an arrangement with a neighbor who would be willing to evacuate your pet in your absence.

All companion animals must be included in your disaster plan, not just dogs and cats.

Our pets will benefit from our wisdom of not waiting until the disaster strikes before we take any steps to prepare for the emergency.

**HOLLYWOOD**  
by Tony Rizzo

HOLLYWOOD — Could it merely be a coincidence that **Timothee Chalamet's** "Bones & All" (due Nov. 23), directed by "Call Me by Your Name's" **Luca Guadagnino**, is a film about two cannibals in love, the very thing that sent his "Call Me" co-star **Armie Hammer's** career off the rails? "Bones & All" contains scenes that involve limb-chewing and gory attacks. In January 2021, a woman posted screenshots of Hammer's alleged messages stating: "I am 100% a cannibal, and I want to eat you," and "I need to drink your blood."

Since the cannibalism never actually happened, the exchanges could have just been naughty banter due to intoxication. Doing damage control, Hammer completed nine months of rehab treatment in December 2021. Still, his wife of 10 years, **Elizabeth Chambers**, divorced him in December 2020. Chalamet created a sensation at the Venice Film Festival premiere, wearing a sparkling, backless red jumpsuit. After the showing, he received a standing ovation. He has upcoming lead roles in "Dune: Part Two" (due November 2023) and "Wonka" (due Dec. 15, 2023). Luca Guadagnino also announced plans for a sequel of "Call Me by Your Name" (without Armie Hammer, who has been relegated to selling timeshares in the Cayman Islands).

**Brendan Fraser** was a handsome leading man, who scored with "Encino Man" (1992); "George of the Jungle" (1997); "Gods and Monsters" (1998); "Dudley Do-Right" (1999), "The Mummy" trilogy (1999-2008); the 3D epic "Journey to the Center of the Earth" (2008); and "G.I. Joe: Rise of Cobra" (2009). After making 51 films, Fraser faded from view because of injuries he sustained from complicated stunts for "The Mummy" franchise

(which grossed \$1 billion, \$245 million). Fraser also felt he'd been blacklisted because he accused a powerful former president of the Hollywood Foreign Press of "groping" him.

**Brendan Fraser in "The Whale"**

Fraser appeared at the Venice Film Festival for his new film, in which he's a 600-pound man struggling with health issues and trying to reconnect with his estranged daughter. The film, aptly named "The Whale," earned him an eight-and-a-half-minute standing ovation at its premiere, which, when posted on social media, received approximately 16 million views. **Dwayne Johnson** took to Twitter saying, "Man, this makes me so happy to see this beautiful ovation for Brendan. He supported me coming into his 'Mummy Returns' franchise for my first ever role, which kicked off my Hollywood career. Rooting for all your success, brother."

Prosthetics and CGI helped Fraser become "The Whale." No doubt he'll have a whale of a time getting back to his normal self!

## Even Exchange by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

### QUICK FIGURING IS MAGICAL

GOOD at juggling numbers? Let's see.

Ask a friend to think of a number from 1 to 100.

Have him or her subtract 1, multiply the result by 2, add the original number, and reveal the total.

Once you have the total, without revealing your secret, add 2, divide by 3, and you will obtain the original number.

Example: Suppose the original number was 22. Subtracting 1 leaves 21, times 2 is 42. Adding the original number makes 64, the amount revealed to you.

You add two, divide by 3, and you know the number thought of was 22. Quick figuring helps, of course.

**INS AND OUTS!** Said Kin Hubbard: "I don't know anything as willing, and that seems to enjoy its work as much as a —." What two words are missing?

**X-WORD TEASE!** Consider yourself a whiz if you can solve this tricky mini-crossword in less than two minutes. Take note: It consists of a curious blend of words and letters. Definitions:

- Across:** 1. A tunnel. 2. Toothpaste container.  
3. Old radio component. 4. A type of sock.  
**Down:** 1. Golf pegs. 2. 180-degree turns.  
3. Social insects. 4. Retiree's quest.

No fair peeking at answer below.

Across: 1. Tube. 2. Tube. 3. Tube. 4. Tube.

**SLOW COOKER BACON CHEESEBURGER SOUP**

**Ingredients**

- 4 small russet potatoes peeled and diced
- 1 small white or yellow onion chopped
- 1 cup shredded carrots
- 1 teaspoon dried basil
- 1 teaspoon dried parsley
- 3 cups chicken broth
- 1 pound lean ground beef
- 8 slices cooked bacon chopped
- 3 Tablespoons butter
- 1/4 cup all-purpose flour
- 2 cups milk I use 2%
- 1/2 teaspoon salt
- 1/2 teaspoon black pepper
- 2 cups shredded pepper-jack cheese or shredded cheddar cheese
- Green onion chopped (for garnish)

**Instructions**

Place potatoes, onions, carrots, dried basil and parsley in a large crock pot. Pour chicken broth over vegetables. Cover with lid. Cook on low heat 6 to 8 hours OR on high heat 4 to 5 hours or until potatoes are tender. About 45 minutes before serving, cook and crumble ground beef in a large skillet over medium-high heat. Drain any grease. Pour cooked ground beef into crock pot. Add in the cooked, chopped bacon as well.

Carefully wipe out hot skillet with a paper towel then add butter. When butter is melted whisk in flour and cook until golden brown and bubbly (about 1 minute.) Whisk in the milk, salt and pepper. Pour mixture into the crock pot and stir to combine everything. Add shredded pepper jack cheese to crock pot. Stir again. Cover with lid and cook another 20 minutes or until cheese is melted.

**Notes**

\*Cook times may vary depending on if you cook this on low heat or high heat.
