GENERAL DESCRIPTION: Wow! Some of the Very Best is coming your way!
Without question some of the highest quality farmland anywhere in the world is in this offering. Remember the old adage "it's not the size of the dog in the fight, it's the size of the fight in the dog!" The same could be said about this powerful piece of land. It may not be the biggest piece of ground, but it is certainly one of the most productive and powerful anywhere.

The Plymouth County FSA office shows the following approximate breakdowns according to their measurements. Approximately 53.8 cropland acres with a 27.11-acre corn base with a 176 bu. PLC Yield index and a 25.74-acre soybean base with a 53 bu. PLC Yield index. The Plymouth County Assessor and NRCS office show the main soil types to be Galva with some Primghar and Colo. The farm carries a whopping CSR II weighted average of 91.7 with almost 80% of the farm at 95 CSR II. Beyond fantastic, numbers that are almost impossible to find anywhere.

There may be only 55+ acres in this farm, however you will be hard pressed to find a better producing piece anywhere. All you have to say is "land between Marcus and Remsen" and everyone understands that you are talking about the "Gold Standard" when it comes to **Worldwide Food Producing Land!!!** Great livestock producing programs, fantastic grain marketing facilities at your doorstep, Marcus Ethanol plant 10 minutes away, located on the highway, all combine to make this a true "Gem" in your operation. If you have always wanted to own the best, don't let this one slip away.

Best of luck from all of us at Brock Auction Company.

Are you seeking a church that ...

- ... opens the Bible?
{when thinking about anything and everything in life}
- ... proclaims Jesus alone as Savior from wrath?
- ... preaches Biblical sexuality?
- ... challenges growth?
