ACADEMIC SUPPORT SPECIALIST

Northwestern College seeks an academic support specialist to help foster an inclusive and empowering learning environment for students. This position reports to the director of academic support and is an integral part of the college's highly skilled, collaborative academic support department. Responsibilities include evaluating documentation to determine learning accommodations for students with disabilities; regularly monitoring accommodations to ensure student success; supporting faculty in implementing inclusive pedagogical practices; helping students on academic probation establish and meet personalized learning goals; and following up with academic alerts as needed.

Preferred qualifications:

- Bachelor's degree with emphasis in education or student development. Master's degree preferred.
- More than one year of related experience in an educational setting.

The successful candidate will have an authentic Christian faith and support the college's mission (www.nwciowa.edu/mission) and identify as expressed in our Vision for Learning (www.nwciowa.edu/vision), Vision for Diversity (www.nwciowa.edu/vision4diversity) and Statement of Christian Identity (www.nwciowa.edu/Christian-identity). Northwestern identifies as Reformed in commitment, evangelical in engagement and ecumenical in spirit. We view these Christian theological perspectives as complementary and draw from the strengths of each perspective in fulfilling our mission.

Northwestern College seeks to more fully reflect the cultural and ethnic diversity of the body of Christ in its faculty, staff, administration and students. Women and candidates from historically underrepresented groups are enthusiastically encouraged to apply.

Review of applications will begin immediately and continue until an appointment is made. To apply, send letter of application, resume and Northwestern College application form to:

Human Resources • Northwestern College
 101 7th St. SW • Orange City, IA 51041
 Apply online at www.nwciowa.edu/employment then send cover letter and resume to mindy.stichka@nwciowa.edu

We are seeking a CAD/DRAFTING & GIS MAPPING TECHNICIAN

Premier Communications is seeking applicants for a full-time CAD & GIS Mapping Technician in its Sioux Center, Iowa, location.

This CAD & Mapping Technician position will work with our team members that are out in the field to accurately represent Premier's physical network in an electronic mapping system by utilizing computer-aided design (CAD) to prepare specific plans, layouts and detailed drawings. In this position a candidate will also help to develop and maintain a company work order process for electronically tracking and filing copies of engineering drawings and related materials. In addition to utilizing CAD, this position will also use GIS mapping to track Fiber Optic Cable locations and routes. Previous CAD & GIS experience is preferred, but not necessary.

Premier Communications, with headquarters in Sioux Center, Iowa, offers a comprehensive wage and benefit package that includes health and dental insurance, 401(k) retirement plan, along with paid time off for vacations and holidays.

September 2022

Dear Citizens,

The Orange City Fire Department continues to be grateful for the support of the citizens of Orange City. Your continued support has given us the ability to host many more trainings and hosting of classes with our recently upgraded and remodeled station. We have also been able to keep our other equipment up to date because of the community's support. We remain grateful for your support!

Membership in the department currently has 27 firefighters on call. Last year we responded to 90 plus calls and trained over 1400 hours as a department to sharpen our skills and be ready for the next call. We strive to have 30-32 fulltime firefighters so if you or someone you know are interested in serving the community contact us or visit our website at orange.cityfire.com, click on information tab to download an application.

The focus of our fundraising efforts this year is to fund for a thermal imaging camera. This unit is a vital tool when looking for hot spots inside of non-accessible areas during overhaul after fires or reducing damage when looking for the source of heat when looking for the fire source. This unit is portable and is carried in by one of the firefighters when entering the structure for any possible fire.

If you would like to support this project, send a check to:
Orange City Fire Department □ 125 Central Avenue SE □ Orange City IA 51041

This year's Fire Prevention Week theme is "Fire won't wait, plan your escape" It puts the focus on educating children and adults about drawing up and practicing escape plans in case of a fire.

As always, Fire Prevention Week is a reminder to test home smoke detectors and replace weak batteries as well as detectors that are more than 10 years old. This year during Fire Prevention Week on Wednesday October 12th, join us for an open house at the station, we will be serving food and drink from 5-7 pm. Come join us and check out your station and equipment.

Thanks again for all your support!
