We Can't Wait To Vote On November 8!

There are so many issues that affect so many people of all ages in this year's election: working people, women, children, parents, the elderly, students, retirees, homeowners, renters, union members, business owners, home makers, medical personnel, healthcare, insurance, public safety, taxes, right to vote, infrastructure. Will you vote, or will you let someone else make your choices for you? Get involved! Go to the polls on November 8 or vote absentee. Encourage your friends and family to register and vote. Not registered? Here's how to register and guarantee your right to be heard: in person or by contacting your clerk's or secretary of state office or online at mVIC.sos.state.mi.us

You may also request an absentee ballot by either method.

80 million registered voters did not vote in 2020. They doubled the value of someone else's vote. Not voting is not a protest. It is a surrender.
