"Public Road Right-of-Way Ordinance" And "Snow Ordinance"
To: Property Owners, Tenants, and Residents of Sioux County.
Sioux County's "Public Road Right-of-Way Ordinance" and "Snow Ordinance" prohibits the obstruction of public road right-of-way which includes the road ditch and road shoulder.
Property owners, tenants, and residents in violation of this ordinance are asked to remove and refrain from placing the following items considered an obstruction in the public road right-of-way which includes the road ditch and road shoulder:
1. Fences of any kind placed within the right-of-way and road shoulder.
2. Debris, trash, burn piles, garbage, etc. placed on road right-of-way which includes the road ditch and road shoulder.
3. Snow: From private driveways placed on the roadway which includes the road shoulder.
The placing of these items within and along the road right-of-way including the road ditch and road shoulder may hinder snow removal, create snow drifts, and increase snow removal cost along with causing danger for those traveling the roadway and liability for those in violation of Sioux County's Public Road Right-of-Way Ordinance.
The Ordinance does provide for a penalty which will be enforced against those who remain in violation of this "Public Road Right-of-Way Ordinance" and "Snow Ordinance". Those who are found guilty of violating these ordinances can receive a fine up to \$100.00 per violation.
Your time, efforts and cooperation in removing and refraining from placing obstructions in Sioux County right-of-way including road ditches and road shoulders will be greatly appreciated.
Road Edge Cutting
Property owners, tenants and residents are asked to cut or otherwise destroy excessive vegetation on the road shoulder adjacent to their property. The removal of excessive vegetation on road shoulders will help with snow removal, prevent the formation of snow drifts, and help reduce snow removal cost. Each property owner or tenant's time, efforts and cooperation will be greatly appreciated. Thank you.
