■ **TOWN OF LEICESTER** ■
SEWER DISTRICTS
No. 2 & No. 3

Dear Resident or Business Owner:

The Town Board would like to provide you with an update related to the proposed Town of Leicester Sewer Districts No. 2 and No. 3. The proposed Sewer District No. 2 will include a total of approximately 21,600 linear feet of sanitary sewer main, including both gravity and force mains. The sewer mains will be

located in the Hamlet of Cuylerville, located to the east of the Village of Leicester. The proposed Sewer District No. 3 will include a total of approximately 10,120 linear feet of sanitary sewer main, including both gravity and force mains. The sewer mains will be located along portions of River Road, Jones Bridge Road, Cuylerville Road, and Wheelock Road.

On November 16th at 7pm a meeting will be held at the Cuylerville Fire Department. The meeting will include a presentation by our Town Engineer to review the scope and cost estimate of each project, allowing time at the end for questions. The presentation will also include a summary of the remaining steps in the process, with the primary next step being obtaining your vote in support or against the project.

The Town Board elected to utilize the legal petition process for the voting process. A legal petition will be available at the meeting that will include signature lines for every property owner in the District. Signing the petition signifies a "yes" vote and not signing the petition signifies a "no" vote. People that are not able to attend will be contacted separately to determine if you would like to sign the petition in support of the project.

We hope you will be able to join us on November 16th and look forward to your feedback.

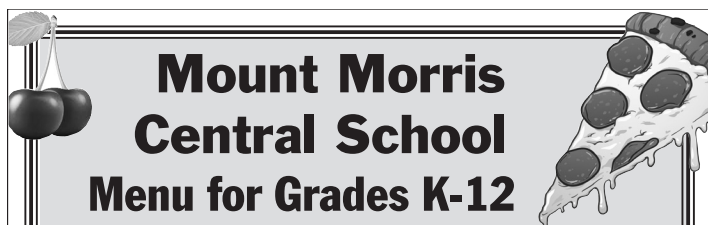

Very truly yours,
 Dave Fanaro
 Leicester Town Supervisor

Thank You

We would like to thank all of our loyal customers for their support over the years. However due to changes in the auto industry, we have made the difficult decision to give up our Ford franchise.

We are very proud of our history as Nunda's Ford Dealer as we are a fourth generation family owned business, started as Tunningley Motors in 1937 by Norman Tunningley. In 1970 Norman's son-in-law Gerald Douglass purchased the dealership becoming Douglass Ford. Gerald operated the dealership until 2000 when his son-in-law Randy Clinton purchased the dealership and continued to operate as Douglass Ford.

Randy, along with his son Randy Jr., will continue to offer quality used vehicles for sale as well as provide all your service and repair needs.

We would also like to thank the numerous employees who have been with us over the years. We look forward to continuing to build on the relationships that have made us successful as a small town dealer.
