Roy-Hart Learning Center Shows Appreciation to Community

"Royalton-Hartland Learning Center's Appreciation Day is a very special day," says teacher Christa Rocco. "The staff celebrate this day as a way for our students and staff to thank the bus drivers and bus aides, school personnel, outside community helpers and providers for their support throughout the year."

The Orleans/Niagara BOCES' school has been holding this day of appreciation for several years and the gesture seems truly appreciated by those who are invited to attend. When the bus drivers pull into the school, a bag of goodies is either brought out to them or a staff member from the school will watch the bus for a few moments so they can go in and serve themselves. Throughout the day local law enforcement and District personnel stop in to have either breakfast or lunch and receive a token of gratitude. "We are very fortunate to have a great community working with our students," says Rocco. It is our way to thank them for caring for and assisting our students."

Niagara County Sheriff Michael Filicetti, Middleport Police Chief John Swick, Middleport Police Sergeant Roland Johnson, Niagara County Chief Daniel Greenwald, Niagara County Deputy Chief Anthony Suess and Niagara County Sheriff's Office Captain Robert Richards with students Cris, Cameron and Ryley.

Albion Elks 1006 Donates \$2000.00 to Koinonia Kitchen

Each year the Elks National Foundation makes several Grants available to all Elks Lodges across the US. Our Lodge was blessed to receive what is known as The Spotlight Grant. Although it was a difficult decision as to where donate the monies provided, it was decided to donate to the Koinonia Kitchen.

In speaking with Director Faith Smith, we were invited to come in and see what the kitchen did for the Community. On Thursday November 3rd, a few of us went to visit the Koinonia Kitchen. We knew has soon as we walked in that our Elks Lodge had made the right decision. We saw many people in need enjoying friendly conversation along with a hot meal being served by Albion Lyons Club Members. While it is a very sad thing to see so many in our community that are in need of conversation and a home cooked meal, it was a beautiful experience to be able to witness what the kitchen does for our county.

What Faith and her husband Mike Smith do for this community is not short of being amazing. Not too long ago they moved to a new location on East Avenue across from Bullard Park. Since the move they have served over 2,220 dinners. The two of them have dedicated their lives to helping the less fortunate. Any left overs or extra when the meal is done; they personally take and deliver to homebound individuals in our area. We are blessed to have these individuals in our community.

The Koinonia Kitchen is a Non-Profit Organization. It solely relies on donations from the community. Dinners are served every Thursday from 4 pm until 5:30. We encourage you to take some time and stop by and see for yourselves. Hopefully, you will feel as humbled and blessed as we at Albion Elks Lodge 1006 felt that day.

Hats off to Faith and her husband Mike! The two of you are truly a God Send. The warmth and appreciative expressions (tears of Joy) on your faces was heartfelt by all when the donation was presented.

We at Albion Elks Lodge 1006 "Thank You" from the bottom of our hearts!
God Bless!

REAL ESTATE GUIDE

What to give new homeowners this holiday season

The real estate market has been a wild ride in recent years. Sellers have cashed in on record-breaking profits, and buyers have had to compete against many others — sometimes in bidding wars — for a limited number of properties. Once listed, homes are selling fast. As interest rates rise and inventory increases, things are likely to change, though for some it did not come soon enough.

Individuals who were lucky enough to find a new home this year may discover they now have little money to outfit those homes. Shoppers with new homeowners on their holiday shopping lists may want to help those loved ones outfit their homes this season. The following are some home-related gift ideas to get shoppers started.

• Video/smart doorbell: Although the smart doorbell market began with only a handful of options, there's now a bevy of manufacturers who make video and smart home doorbells. These doorbells serve the dual purpose of alerting homeowners to someone at the door, while providing surveillance of the comings and goings outside of the home. Depending on the

product, a subscription may be needed to access video history. Doorbells range from \$50 to \$200 and more depending on features and resolution.

• Furniture gift card: There's a good chance new homeowners will need to furnish new rooms in a home, particularly if they're coming from an apartment or a smaller place. Many people also like to update furnishings when they move into new places. A gift card to a popular furniture store in the area will provide the head-start new homeowners need to secure sofas, dining sets, lamps, rugs, and more.

• Household tool kit: What better way to prepare new homeowners for the do-it-yourself projects and household repairs than with a tool kit? Home improvement retailers often package common tools needed in carrying cases or sets, but shoppers can grab separate items they think will be used and group them together into one gift. Pliers, screwdrivers, wrenches, a level, and measuring tape are good starter tools.

• Customized doormat: Give that new home additional curb appeal with a doormat customized with a special message or the new homeowners' names, such as Welcome to the Smith Home. Other customizable products include cutting boards and wall plaques.

• Programmable thermostat: A programmable or learning thermostat will help new homeowners save on their energy bills. Many thermostats now pair with smart home systems and phones and automatically adjust the temperature as needed to reduce energy consumption.

• Linens: A high thread count sheet set or plush Turkish cotton towels may not be something new homeowners think to get for themselves. But these luxurious gifts can make life at home more comfortable.

Moving into a new home is an exciting yet expensive endeavor. Carefully curated gifts can tap into what new homeowners need the most.
